Wednesday Night Euchre League

My dear fellow players, I am so grateful to Jan and Lou Vedrode for taking care of our Euchre Box during my knee operation and recovery. Also to Arlene MacNeill for helping to sort through the score papers to find the winners of each game day. So many of you helped in setting up tables and chairs after Nickel Bingo, beside Lou and Jan, Donna Reid and Marc, Betty Bober, and all the helping hands I may have missed here. Thank you all and God bless you! You are all peaches and I love you dearly. Sue Berton

April Calendar

Financial Literacy Month. Financial Literacy Month is a chance to reflect on the state of your personal finances and an opportunity to improve those finances one step at a time. The first and most important step in developing and following a financial plan is to examine your attitudes about money. Are you ready to accept responsibility for changing your financial situation?

Mathematics and Statistical Awareness Month. Both mathematics and statistics play a significant role in addressing many real-world problems—internet security, stainability, disease, climate change, and much more. Research in these areas reveals new results and applications every day in fields such as medicine, manufacturing, energy, and business.

National Arab American Heritage Month. Arab Americans celebrate their heritage in hopes that all Americans will appreciate their contributions to the U.S. The month of April is a special opportunity to enhance understanding of the nuanced and diverse aspects of Arab American heritage.

National Garden Month. Take some time this month to engage your family, friends, and neighbors in gardening. Get outside and garden with your family. Make a window box salad garden, find new ways to be green, garden in the city or the country, and much more.

Weekly

National Library Week, April 3–9. A time to celebrate our nation’s libraries and library workers, and promote library use and support. National Library Week is sponsored by the American Library Association (ALA) and observed in libraries across the country. All types of libraries—school, public, academic, and special—participate.

National Dog Bite Prevention Week, April 10–16. With an estimated population of nearly 85 million dogs living in U.S. households, millions of people—most of them children—are bitten by dogs every year. The majority of these bites, if not all, are preventable.

National Park Week, April 16–24. Parks across the country host a variety of special programs, events, and digital experiences. Entrance fees are waived on April 16 to kick off National Park Week and encourage everyone to enjoy their national parks.

National Youth Violence Prevention Week, April 25–29. Founded in 2001, National Youth Violence Prevention Week is a time for youth to lead communities on effective strategies to prevent youth violence.

Emergency!

Operator: “This is 911, what’s your emergency?”
Caller: “A man just got hit by a car, and we need an ambulance!”
Operator: “What is your location?”
Caller: “I’m on Eucalyptus Street.”
Operator: “Can you spell that, please?”
Long pause.
Operator: “Hello? Are you still there?”
Caller: “I’m going to drag him over to Pine Street and call you back.”

The password

Conversation at a bar:
Customer: “What’s the Wi-Fi password?”
Bartender: “You need to buy a drink first.”
Customer: “OK, I’ll have a scotch.”
Bartender: “That’s nine dollars.”
Customer: “Here you go. So what’s the Wi-Fi password?”
Bartender: “You need to buy a drink first.”

Memory

Apriest bought a lawn mower at a yard sale. Back home, he pulled on the starter rope a few times with no results. He stormed back to the yard sale and told the previous owner, “I can’t get that mower to start!”
“That’s because you have to curse to get it started,” said the man.
“I’m a man of the cloth! I don’t even remember how to curse.”
“You keep pulling on that rope, and it’ll come back to you.”

Good news

An elderly woman telephoned a hospital and timidly asked, “Is it possible to speak to someone who can tell me how a patient is doing?” The operator said, “I’ll be glad to help, ma’am. What’s the name and room number of the patient?”

“Norma Findlay, room 302.”

The operator replied, “Let me put you on hold while I check with the nurse’s station for that room.”

After a few minutes, the operator returned to the phone. “I have good news. Her nurse just told me that Norma is doing well. Her blood pressure is fine; her blood work just came back normal and her physician has scheduled her to be discharged tomorrow.”

The woman said, “Thank you. That’s wonderful. I was so worried. Thank you for the good news.”

The operator replied, “You’re more than welcome. Is Norma your daughter?”

The woman said, “No, I’m Norma Findlay in room 302. No one tells me anything.”

The wrong word

A young man was sitting in a dentist’s waiting room after getting a tooth pulled. The receptionist asked him if he was OK.

“Yes,” he said, “but I didn’t like the bad word the dentist used while he was pulling my tooth.”

“What did he say?” asked the receptionist, worried.

““Oops.””

The working life

- Here’s some advice: At a job interview, tell them you’re willing to give 110%. Unless you’re applying for a job as a statistician.
- My boss asked me, “Who is the stupid one here, you or me?” I told him, “Everyone knows you don’t hire stupid people.”
- A man got fired from his job at the unemployment office on Friday. His boss said, “Clean out your desk, and I’ll see you in the office on Monday.”
- I went for an interview for an office job. The interviewer told me I’d start at \$2,000 a month and then after six months I’d be at \$2,500 a month. I told him I’d start in six months.
- When I got to work one morning, my boss stormed up to me and said, “You missed work yesterday, didn’t you?” I said, “No, not particularly.”
