FREE FOOD EVENTS

This event is put on by Good Neighbors Inc. They bring us the food sometime in the 1 ½ hours before the scheduled times of 11 a.m. and 3 p.m. Several volunteers wait for them and then unload the food and arrange it on the tables. It is every other Monday, and alternates between 11 a.m. for non-perishables and 3 p.m. for perishables. (dates are on the calendar).

If you have a handicap/medical condition that prevents you from standing in line, just go to the last person currently in line and tell them when the doors open you will get in line behind them. You can then return to your car or golfcart to wait... This is for handicap residents (who may use a cane, walker, electric scooter, etc.). It is not intended for lazy people who just do not want to stand in line!

The Insurance people who set up tables at the back of the Clubhouse help support this event; please do not take the items off their tables unless you are interested in what they have to offer and take the time to listen to them. One Lady represents “One Stop Doctoring,” which means that your doctors, x-rays, blood work, other tests and prescriptions are all located in one building. The other lady (or man) represents an insurance company which replaces your Medicare and could provide you better coverages, get extra money in your social security check, a quarterly over the counter credit, maybe a grocery card for \$50 a month, etc. It is worth your time to talk to them.

FROM THE OFFICE

If you missed the speaker at the March Social Club meeting, here is one of the many important things she discussed: Largo residents can call 727-687-6737 to schedule a free smoke alarm installation! (yes, even though we have a Clearwater mailing address, we are Largo residents). A planning meeting was held on March 11th; we made next season’s activities schedule with the hope that everything will be “back to normal”. You can find it in the back of this book in the May Issue, subject to changes and additions. There is a new event, “Something Old with

a New Twist” scheduled for January 22, 2023. More details will be forthcoming in the Fall! A note I received from a resident: “When I moved into the Park, there was not one street you can travel down without hearing a hammer pounding, the buzz of a saw or observe people trimming and planting flowers in their front yard. The residents in the Park are displaying pride of ownership. Everywhere I look I can see reconstruction continuing and older mobiles being refurbished.”

I took this as a testament to the overall improvement of the Park, including all the common buildings. Take Pride in your home and lot, take Pride in your Park! You are more than someone who “just pays their rent;” you are a resident of Embassy Mobile Park, Inc. where people call almost every day looking to move here because they hear good things about Embassy!

This is a reminder to all the “Snowbirds”—

Please read Rule 12:

1. You must make arrangements to have your weeds taken care of while you are gone....this means all around your lot and not just once before you return. (NOTE: If you fail to have your lot maintained, first you will receive a letter that it is overgrown, giving you a time frame to have the work done; if not done, then the Park will do the work and you will be billed).
2. Any dead tree limbs that fall on the ground during a storm are required to be removed from your lot within 7 days of occurrence.
3. You must notify the office if someone in the Park is taking care of your mobile while you are gone-Name and phone number.
4. The office must have your “summer address” and phone number.

ALSO, if someone is going to use your mobile home while you are gone, the Park must be notified before they arrive. If you are letting someone park in your driveway, make sure the office is aware of it. This is for your safety; if a car is seen in your driveway and you are not here, we will know something is wrong.

If you have a Clubhouse key, please turn it in before you leave! (Everyone) Changing the lock before next season

Remember that there is an activities calendar in the cabinet by the back entrance to the clubhouse.

LEGAL FUND: Nedra Woodroof, Lot 739, 727-538-9507 (leave a message she will return your call) \$10 a year. Call Nedra or talk to Ron Russell if you are new and would like more information about this Fund. (The “year” is November thru October).

Just a reminder, we have the **free food event**, see the dates in the calendar section.

The next Manager’s Meeting will be **April 20th**, 9:00 A.M. for coffee; meeting at 9:30 a.m.

The Social Club annual dues are \$3.00 per person or \$5.00 for 2 people in the same household.

At the next meeting, April 6th, there will be a **GUEST SPEAKER to talk about insurance**. This is valuable information about insurance for your mobile home. You are welcome to attend the meeting without joining, you just cannot vote on anything discussed that needs to be voted on.

CANADIAN CLUB

The Canadian Club held there elections on March 9th in the Clubhouse. Our executive board now consists of: Lynn Turner as President, Trina Whipple as Vice President, Joanne Murphy as Treasurer and Beverly Morrison as Secretary; other Board Members are Rob Bullee and Guy McDougall. After our meeting we presented our past President Bill Burt and his lovely wife Gloria with parting gifts, as they have sold this year and will surely be missed! After the presentations and a few tears we had our final buffet hosted by two of our beautiful ladies, Jeannine and Trina. Great job ladies. That evening we held our first Bingo in the park in almost 2 years. We had a great turn out and the Canadian Club supported the endeavor which turned out to be a successful gamble.

We also held our annual Canada Days on March 4th and 5th. We couldn't have asked for 2 more perfect days. Everything went off without a hitch on the 4th and on the 5th we finished the celebrations with a shuffle tournament. We had so many people sign up for the tournament that we had to produce byes for our games. We then had semi finals and finals to determine our winners. In the A Division Al Ziegler took First, Rob Bullee Second, Dennis LaRocque Third

As far as other activities for our club, because of the precautions that most of the members were taking this season, we didn't have any other fund raisers but next season is coming and if the good lord is willing we will all be back into the swing of things then. AND LIFE GOES ON.....

March 20, 2022 marks the second anniversary of a hasty return home to Canada. Indeed, Covid-19 forced us to return to Canada suddenly, missing Embassy's end of the season activities, as everything here was cancelled.

We went home to mandatory isolation, then restrictions of all kinds and limited visitations, etc. It also included a lot of sacrifices and limitations in our usual activities and even going to restaurants. Our way of life changed drastically!

As For winter 2021, it was mild most of the time and we kept warm at home on colder days. But...it was nothing like the heat and sunny weather of Florida and certainly not anything close to the social life at Embassy Park!

With each month passing, it was disappointing and concerning to see our bank account being debited by almost \$600 US a month, as we couldn't benefit from nothing in the Park.

Those concerns got us thinking and talking about our options: "We keep our residence in Embassy or we resign ourselves to selling it?"

After several months of having to pay for goods and services that we no longer used, we were determined to return to Embassy for one last year and sell the property before our final departure. So in November, we opted to come with the truck in order to bring our personal effects home in Moncton in April.

On November 12th after nearly two years of being away, we finally entered in our little winter home in this Park.. Everything was just the same as we left it, but a major cleaning inside and outside was much needed. Even after driving for 33 hours (three days) we worked a considerable number of hours, storing our personal belongings, washing, and cleaning everywhere and everything.

As we ate breakfast the next day, admiring the small lake and its active life from our dining room window, Jeannine and I both looked at each other and simultaneously said to ourselves: "We're staying here; this experience that we've been living for ten years with friends (that are almost like family) in this Park, is too special to end like that."

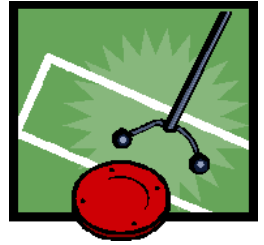

That is how our decision to sell our home never went through!

In a few weeks we will be returning to Canada but next fall, God willing, we will come back here for another beautiful winter season with all the friends of Embassy Park.

So thank you everyone for making our life at Embassy the wonderful adventure it has been for the last ten years. You really have made a difference in making our life so active and interesting.

EMBASSY SHUFFLE CLUB 2021-22

This 2021/2022 season has been different to say the least. As President of the Shuffle Club the Executive and I rallied the membership together to determine their wishes for this season. We normally are in two leagues, the Big Ten ‘A & B’ and Friendly...but that required us to play outside the park and other teams to come into the park. Unfortunately due to the pandemic this did not suit us at all or Jessie, the park manager, in which her main concerns were to care for the safety of the park residents.

We all appreciated that Jessie cared for her residents in this manner

So what do we do as a Club since everyone wanted to shuffle? First and foremost-, the courts needed work. Our hard working court masters and a few volunteers were able to refinish the clubhouse courts. New score boards were installed on eight courts along with the gutters also being painted at the lake courts.

We as a team (Executive and I) formed an in park league. Play was on Monday’s and Thursday’s as a group. (Great turnout) Anyone was welcome as long as they joined the Shuffle Club (dues are \$5.00 yearly.) Saturdays were open for all residents of the park at the Lake Courts only. The Clubhouse courts are for members only. Each month we honored the best female and male participants in the months of December, January, and February.

In order to generate income we held in-park tournaments.....there was a \$5.00 entry fee with half the proceeds going to the club and half distributed among the winners of each tournament. In February we held a free Ladies shuffle tournament...lots of the fun for the Lady shufflers of the park.

Now comes March and Canada Days...Canadian Club held games one day with a street dance to end the day. The next day was another in-park tournament with winners receiving prizes. We planned a “Couples Tournament” for March 12th but had to cancel it due to severe storm warnings. A men’s singles tournament will be held on March 26th with our pot luck banquet afterwards. The referees and score keepers will be the female shufflers, it should be a fun day to end the season

Normally each season we have a pancake breakfast every 3rd Saturday of each month from November thru March and a fundraiser dance in February to help offset our costs of maintaining the courts. This year because of the tournaments we were able to redo our courts to the level you now see them.

Hopefully, things will return to being normal next season.

Thank you to Jessie and all our dedicated members for all the work you have done for this Club. Sincerely,

President....Guy McDougall

HERE WE GO AGAIN

The New York Club is hosting another street dance. This theme is a “Bon Voyage” Dance, since most of the “Snow Birds” will be going back up North for the summer. We thought it would be nice to have a farewell dance to end the season. Music will again be by “Wigman.” There will be Rum Punch (loaded and unloaded). If you want something different, please bring it. There will be snacks and we ask if you would like to add to the snack table, please feel free.

This is a free dance, but there will be a 50/50. What would an Embassy function be without a 50/50? Please wear your favorite Hawaiian type shirt or dress. The dance will start at 7:00 p.m. and end at 10:00 ish. The place is the same as the last street dance, Lot 1301, Cathy and Ron Russell’s place. This is open to ALL residents, please come and have a Great “Bon Voyage” time. If you have any questions, please see any New York Club Member.

P.S. I guess I had better give the date of the dance, It is April 2, 2022. That is the 1st Saturday in April. If I forgot anything else, it is my computer’s fault.

NEIGHBORHOOD WATCH

ON Friday, March 18th, the “Neighborhood Watch”, lead by Norman Hagen, held a “Good Bye” luncheon at Applebee’s Restaurant for retiring Officer Tran.

Officer Tran has been with the Largo Police Department for many years. For the last three years, he has served as the community liaison officer between Embassy and the Largo Police department. He has faithfully attended the “neighborhood watch meetings” where he advised and directed the group in various community outreach programs, the latest scams in the area that affect the senior communities and effective emergency procedures that included a class on CPR.

Officer Tran’s continual dedication and willingness to assist in the neighborhood watch program was greatly appreciated.

He will be missed, we bid him farewell, and wish him good luck in all his future plans as he relocates to California.

He is being replaced by Officer Keith Bowling, 727-601-7672 or kbowling@largo.com.

TWO YEARS OF CHANGES AT EMBASSY

At our last Manager's meeting Jessie asked for some notes from those of us who were away last year, about changes in the park which we noticed after we returned. Marg and I were away from March 22, 2020 until Nov. 22, 2021, and I did see a lot of changes, all positive, and some were quite extensive.

When we left in March 2020 there were a fair number of places that were vacant or quite poorly kept, some on 8th street, 4th street, 5th street, and various others. When we returned in Nov. 2021, most of them had been fixed up and people were living in them. And since we came back, the place the pack rat was living has been nicely fixed up. These changes are a big deal, making the park much more attractive. Of course, the pool was refurbished and turned out very nice. The clubhouse got a new roof. The Laundromat and Hobby House on 2nd street were painted and new doors put on, which really helped those buildings out. There were new railings put on the drainage areas by the lake. The wheelchair ramps at the clubhouse and at the hobby house had new paint and safety strips, and looked quite professional. The 12th street laundromat got some fresh painting inside, and I noticed a couple of days ago some more paint going on the exterior, it looks pretty good. And the grates draining the streets had yellow safety paint put on to outline them, another nice touch. I think some of those grates had been outlined before I left. There are new stop signs up too, the old ones were a bit tired.

In the RV section there are more lots occupied, although those lots were gradually filling before we left. At this point there are only a few lots in the RV section that are not occupied. This makes the park a safer place because there are no vacant mobiles left, or very few, to attract questionable residents, and there are lots of "eyes on the street" to watch for strange people. So we don't have strangers wandering around. Our Neighborhood Watch patrols are also a big help in that regard. And Jessie got rid of several undesirables who had managed, by various means, to get into the park.

And just look at the PRICES that our places are selling for. Who would have thought? That is a bonus, and especially helpful for those who put a lot of work and money into fixing up the old places; they are getting a reward for their effort, and that will encourage more fix-ups, for a few that are left.

So the bottom line is that Embassy is a real nice place to live. I can go out in my carport on 11th street, any time day or night, and it is quiet and serene. I think most of the Park is that way. I can hear the traffic on East Bay and US Hwy 19, but the park is quiet.

Marg and I like it here at Embassy, but then we are only here in the winter. I wouldn't think there would be much difference in summer as far as amenities and atmosphere is concerned, I understand the weather is a bit warm.

So That is the way I see it. I probably missed some things, others may fill in what I missed.

SONG OF THE MONTH

Sunshine on My Shoulders

*Sunshine on my shoulders makes me happy
Sunshine in my eyes can make me cry
Sunshine on the water is so lovely
Sunshine almost always makes me high
If I had a day that I could give you
I'd give you a day just like today
If I had a song That I could sing for you
I'd sing a song to make you feel this way
*Sunshine on My shoulders makes me happy
Sunshine in my eyes can make me cry
Sunshine on the water is so lovely
Sunshine almost always makes me high
If I had a tale that I could tell you
I'd tell a tale sure to make you smile
If I had a wish that I could wish for you
I'd make a wish for sunshine all the while.
