April Recipe

Potato Nests with Peas, Ham and Cream Cheese

1. Position two racks in the top and bottom thirds of the oven and preheat to 425 degrees F. Spray a 12-cup and a 24-cup mini muffin tin with cooking spray and set aside.
2. Cut the ham into small matchsticks similar in size to the hash browns. Set aside and reserve 1/3 cup of the ham. Mix the remaining ham, hash browns, 1 teaspoon salt and some pepper in a large bowl. Divide the mixture evenly among the sprayed cups, using about 1 rounded tablespoon each. Press the mixture in a thin layer across the bottom and up the sides of each cup to make a nest, leaving the edges uneven and jagged.
3. Bake, rotating the pans halfway through, until the nests are dark brown around the tips and golden and crisp on the outside, about 25 minutes.
4. Meanwhile, beat the cream cheese, lemon zest, milk 1/2 teaspoon salt, and some pepper together in a medium bowl with an electric mixer on medium-high speed. Scrape the mixture into a resealable plastic bag, cut off the tip and set aside.

April Calendar

Financial Literacy Month. Financial Literacy Month is a chance to reflect on the state of your personal finances and an opportunity to improve those finances one step at a time. The first and most important step in developing and following a financial plan is to examine your attitudes about money. Are you ready to accept responsibility for changing your financial situation?

Mathematics and Statistical Awareness Month. Both mathematics and statistics play a significant role in addressing many real-world problems—internet security, stainability, disease, climate change, and much more. Research in these areas reveals new results and applications every day in fields such as medicine, manufacturing, energy, and business.

National Arab American Heritage Month. Arab Americans celebrate their heritage in hopes that all Americans will appreciate their contributions to the U.S. The month of April is a special opportunity to enhance understanding of the nuanced and diverse aspects of Arab American heritage.

National Garden Month. Take some time this month to engage your family, friends, and neighbors in gardening. Get outside and garden with your family. Make a window box salad garden, find new ways to be green, garden in the city or the country, and much more.

Weekly

National Library Week, April 3–9. A time to celebrate our nation’s libraries and library workers, and promote library use and support. National Library Week is sponsored by the American Library Association (ALA) and observed in libraries across the country. All types of libraries—school, public, academic, and special—participate.

National Dog Bite Prevention Week, April 10–16. With an estimated population of nearly 85 million dogs living in U.S. households, millions of people—most of them children—are bitten by dogs every year. The majority of these bites, if not all, are preventable.

National Park Week, April 16–24. Parks across the country host a variety of special programs, events, and digital experiences. Entrance fees are waived on April 16 to kick off National Park Week and encourage everyone to enjoy their national parks.

National Youth Violence Prevention Week, April 25–29. Founded in 2001, National Youth Violence Prevention Week is a time for youth to lead communities on effective strategies to prevent youth violence.

We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

April Days

April Fool's Day, April 1. Play a (harmless) prank on someone you love today.

National Beer Day, April 7. Celebrating the day in 1933 when the sale of beer became legal. Upon signing the legislation, President Franklin D. Roosevelt remarked, "I think this would be a good time for a beer."

Easter, April 17. A Christian celebration of the resurrection of Jesus Christ.

Earth Day, April 22. The 2022 theme, "Invest in Our Planet," centers on finding solutions to climate change and encouraging governments, citizens, and businesses to do their part.

Talk Like Shakespeare Day, April 23. Try talking like the Bard for a day. One tip: When in doubt, add "eth" to the end of verbs: he runneth, he trippeth, he falleth.

Love on the rocks

Are love and marriage dying? CNN reports that Americans these days don't seem to be forming relationships, moving in together, and even having as much sex as they once did.

The 2021 General Social Survey found that 26% of Americans 18 and up didn't have sex at all in the past year. That's up from 23% in 2016 and also 2018, so it's not just fear of the pandemic preventing hookups. Only slightly more than 50% reported having sex once a month or less, the first time that figured exceeded 50%.

Americans aren't shacking up as much either. The GSS found that about 62% of Americans 25–54 were living together, married or unmarried, in 2019, far below the 70% who lived together in 1990, which serves as a baseline. Ten percent more men, and seven percent more women, were living alone than in 1990.

Even without living together, partnerships aren't as popular in recent years. The GSS found that 30% of adults 25–54 had a steady partner, down from 20% in 1986.

One bright spot: The divorce rate seems to be dropping. Divorces and annulments dropped, with 2.7 per 1,000 people in 2019, down from four per 1,000 in 2000.

Ninety percent of life is fifty percent indecisive. The rest is confusing.

Emergency!

Operator: “This is 911, what’s your emergency?”
Caller: “A man just got hit by a car, and we need an ambulance!”
Operator: “What is your location?”
Caller: “I’m on Eucalyptus Street.”
Operator: “Can you spell that, please?”
Long pause.
Operator: “Hello? Are you still there?”
Caller: “I’m going to drag him over to Pine Street and call you back.”

The password

Conversation at a bar:
Customer: “What’s the Wi-Fi password?”
Bartender: “You need to buy a drink first.”
Customer: “OK, I’ll have a scotch.”
Bartender: “That’s nine dollars.”
Customer: “Here you go. So what’s the Wi-Fi password?”
Bartender: “You need to buy a drink first.”

Memory

Apriest bought a lawn mower at a yard sale. Back home, he pulled on the starter rope a few times with no results. He stormed back to the yard sale and told the previous owner, “I can’t get that mower to start!”
“That’s because you have to curse to get it started,” said the man.
“I’m a man of the cloth! I don’t even remember how to curse.”
“You keep pulling on that rope, and it’ll come back to you.”

The biggest April Fool’s Day jokes

April Fool’s Day pranks have been around since long before the Internet. Take a look at some of these epic pranks over the years from the History website:

- **The bottle show.** In 1749, the Duke of Portland bet the Earl of Chesterfield that he could advertise something outrageous in the London newspapers and still draw a crowd to see it. He put out a notice that a man would squeeze himself into a wine bottle and then sing while inside it. On the appointed night the theater’s seats were filled, but of course no one showed up to perform the act—leading to a riot from the audience.
- **The gold heist.** On April 1, 1905, a German newspaper reported that thieves had tunneled beneath the U.S. Treasury in Washington, D.C. and made off with the nation’s supply of silver and gold, worth some \$268 million. The story spread rapidly through the European press before anybody realized that it was a joke, written by a New York correspondent to the paper under a pseudonym.
- **The spaghetti harvest.** On April 1, 1957, the BBC reported that the Swiss region of Ticino, near the Italian border, had harvested an “exceptionally heavy spaghetti crop” that year, and broadcast footage of farmers picking fresh spaghetti off trees and bushes, followed by a dinner of “real, home-grown spaghetti.” Many viewers immediately got the joke, but others called the BBC to find out how they could grow their own spaghetti at home.

A better person

A young student once approached the famous philosopher Blaise Pascal and said, “If I had your brain, I would be a better person.” Pascal thought for a moment and replied, “Be a better person, and you will have my brains.”

Our spring has come at last with the soft laughter of April suns and shadow of April showers.

— **Byron Caldwell Smith**

April is the kindest month. April gets you out of your head and out working in the garden.
