LADIES AUXILIARY also known as LA

President Caryl Ciofani Lot 205. 262-352-1067

Welcome to April 2022!

The Board of Directors of the Ladies Auxiliary of Down Yonder have voted unanimously to disband the organization as of March 15, 2022 due to inactivity. The funds will be divided among the charities voted on by membership and the account closed. Per minutes from Mar 2020, the charities were Abundant Life, Hospice, Heaven 4 Vets and Domestic Violence.

There may come a day when this type of organization might be needed and can then be restarted as a non-for profit group.

We will continue with our monthly ladies luncheons and keep the Facebook page open until it is no longer necessary. Looking to rename the page, any suggestions?

It has been a pleasure acting as your board. Best of luck in the future.

April Calendar

Financial Literacy Month. Financial Literacy Month is a chance to reflect on the state of your personal finances and an opportunity to improve those finances one step at a time. The first and most important step in developing and following a financial plan is to examine your attitudes about money. Are you ready to accept responsibility for changing your financial situation?

Mathematics and Statistical Awareness Month. Both mathematics and statistics play a significant role in addressing many real-world problems—internet security, stainability, disease, climate change, and much more. Research in these areas reveals new results and applications every day in fields such as medicine, manufacturing, energy, and business.

National Arab American Heritage Month. Arab Americans celebrate their heritage in hopes that all Americans will appreciate their contributions to the U.S. The month of April is a special opportunity to enhance understanding of the nuanced and diverse aspects of Arab American heritage.

National Garden Month. Take some time this month to engage your family, friends, and neighbors in gardening. Get outside and garden with your family. Make a window box salad garden, find new ways to be green, garden in the city or the country, and much more.

Weekly

National Library Week, April 3–9. A time to celebrate our nation’s libraries and library workers, and promote library use and support. National Library Week is sponsored by the American Library Association (ALA) and observed in libraries across the country. All types of libraries—school, public, academic, and special—participate.

National Dog Bite Prevention Week, April 10–16. With an estimated population of nearly 85 million dogs living in U.S. households, millions of people—most of them children—are bitten by dogs every year. The majority of these bites, if not all, are preventable.

National Park Week, April 16–24. Parks across the country host a variety of special programs, events, and digital experiences. Entrance fees are waived on April 16 to kick off National Park Week and encourage everyone to enjoy their national parks.

National Youth Violence Prevention Week, April 25–29. Founded in 2001, National Youth Violence Prevention Week is a time for youth to lead communities on effective strategies to prevent youth violence.

April Days

April Fool's Day, April 1. Play a (harmless) prank on someone you love today.

National Beer Day, April 7. Celebrating the day in 1933 when the sale of beer became legal. Upon signing the legislation, President Franklin D. Roosevelt remarked, "I think this would be a good time for a beer."

Easter, April 17. A Christian celebration of the resurrection of Jesus Christ.

Earth Day, April 22. The 2022 theme, "Invest in Our Planet," centers on finding solutions to climate change and encouraging governments, citizens, and businesses to do their part.

Talk Like Shakespeare Day, April 23. Try talking like the Bard for a day. One tip: When in doubt, add "eth" to the end of verbs: he runneth, he trippeth, he falleth.

Love on the rocks

Are love and marriage dying? CNN reports that Americans these days don't seem to be forming relationships, moving in together, and even having as much sex as they once did.

The 2021 General Social Survey found that 26% of Americans 18 and up didn't have sex at all in the past year. That's up from 23% in 2016 and also 2018, so it's not just fear of the pandemic preventing hookups. Only slightly more than 50% reported having sex once a month or less, the first time that figured exceeded 50%.

Americans aren't shacking up as much either. The GSS found that about 62% of Americans 25–54 were living together, married or unmarried, in 2019, far below the 70% who lived together in 1990, which serves as a baseline. Ten percent more men, and seven percent more women, were living alone than in 1990.

Even without living together, partnerships aren't as popular in recent years. The GSS found that 30% of adults 25–54 had a steady partner, down from 20% in 1986.

One bright spot: The divorce rate seems to be dropping. Divorces and annulments dropped, with 2.7 per 1,000 people in 2019, down from four per 1,000 in 2000.

Ninety percent of life is fifty percent indecisive. The rest is confusing.
