From the Co-Op President

By Roz La Rocco

I would like to introduce the new Co-Op board of Directors for 2022, Roz La Rocco President, Al Noeller Vice President, Rita Atwood Secretary, Candy Gray Treasurer, Directors: Paul Snellenberger, Gary Jira, Ron Anderson.

The Committees for 2022 are Infrastructure, Safety and Compliance, Election, Communication and Alliance. Remember the more community members that get involved, the more things we can accomplish, no experience needed. Committees will officially start after the March board meeting.

Let's start new and give everyone a chance, remember to treat each other with kindness and respect and let's make this community a 5 star park**

One thing that has come up, Please remember if you sell your home privately, you are responsible for contacting the office and making them aware of the new owners. The new owners will still have to fill out the proper paperwork. If not done, the previous owner will be responsible for the maintenance fees. There is no way of us knowing unless the office is notified.

If you have any ideas or suggestions of things you would like to see in the park, please reach out to me or any other board member.

Until next month...

From your Park Manager

As a reminder, no new construction by a Resident of any kind; or additions to existing structures; including sheds, docks, or fences; or any excavation, alteration of common land—including the addition or removal of trees surrounding the home, shall commence prior to the Resident submitting drawings and specification to Management and obtaining written approval from the BOD or Management before proceeding with the activity. Before any exterior painting, color samples must be submitted to Management/BOD for approval.

MANAGER

In addition, when hiring a contractor to do work around your home please make sure they have registered with the office and have proof of insurance. This is very important to do.

All of above is part of your governing documents and must be followed. Thank all you for your help with this!

HOA News

By Cindy Maciejewski

The HOA has been busy with indoctrinating and certifying the 4 new Board members. We are looking at new and improved activities with Bingo to try to get back to our non-Covid numbers. Unfortunately the economics of the country right now are having an effect on everything we're trying to do but we will push forward, We had a very informative, productive and interactive HOA Residents Meeting on March 2, that provided us with many new ideas and activities for the HOA to get involved with. We will pursue those and are always open to ideas you might have for consideration. Just let any one of the Board members know.

Social Committee Update

By Marcia White

Wow! March was a really busy month for the PISC. We hosted 3 events and had a super month. The Flea Market was awesome and they raised over \$5000 for the budget for the PISC which will enable us to fund our 2023 budget without any cuts. The SC wants the entire Flea Market Team to know how grateful we are and how much this one event will help our financial status to stay moving forward. The Men's Club hosted a great program and everyone had a great time. Nancy and Steve also hosted our March dance. I was away but was told it was a fun time had by all.

April is our wrap up month with Crystal Gage on April 2, 2022. Crystal is a super talented performer from Canada and we hope to see everyone there including our snow birds to support their own fellow countrymen. (& women) Tickets are \$15 and bring your own snacks and BYOB. This is our last entertainment program for the spring season. Nancy and Steve will host Carl Motyka again on April 9, 2022 at 7pm. Tickets are \$10 and all tickets are purchased at the door. The Social Committee is on hiatus most of the summer months due to lack of participation and the temperatures keep most of our residents indoors. With Nancy being ill it is not confirmed yet if we will be having any pool parties but I will update you in the May media. We will be sponsoring the Golf Cart Parades throughout the summer months. All Golf Cart parades will feature our very own resident Hot Dog Vendor before and after the parades so stop by and show him support please.

As most of our northern neighbors pack up and get ready to go back North to their homes for the summer months, the PISC wishes them safe travels and a fun season. We will await your return for the new season in the fall and hopefully by then the PISC will see all our old friends and volunteers supporting us again. We missed you this year but Covid seems to have run it's course now, so no excuses next year... We value your help and input and most of all the fun and laughter we all share together. If you are leaving don't forget to put away all décor that could become a flying object during a bad summer storm. Have someone look after your home while you are gone. Our storms are not predicable and can be very destructive. Safety for all is our motto. Travel Safely till we meet again...

Last but certainly not least. We currently have 2 openings for an HOA director. We would love to have some new residents step up and volunteer to come join us and have fun with us as we continue to host some of the best events held in Pinellas County by communities such as ours.

continued on page 12

Gloria Yeo has left us as our secretary and she will be missed by all. Not only was she an asset to the PISC for several years but a great friend and neighbor to everyone she met. She has been replaced by Shirley Sacco but she will not be forgotten.. Thank you for everything Gloria.

Until next time, everyone stay safe and I will try to put some summer to do's in next month.

Warm Regards,

Marcia White PISC President

FLEA MARKET A BIG SUCCESS

By Ken and Mary Ann Hopkins

This year's flea market was a great success even though we just held one last October. Due to very generous donations and the efforts of the TEAM, we broke the 5K mark again. It was a lot of fun with many laughs and much camaraderie. THANK YOU, THANK YOU THANK YOU. These thanks go out to all the donors, the helpers, the team leaders and of course the buyers!!

Special thanks go to Ken and Nancy Jonas, who have been our right arms during the past year. Also to Brian Petersen who has been a kingpin with our pickups , giving us added strength. And finally, thanks go to Kim Massamiano who was a fantastic help during setup and the sale date.

There just isn't enough room to list all the folks involved, but you know who you are, and importantly so do we. Thanks again from the bottom of our hearts.

FLEA MARKET FOR NEXT YEAR 2023

By Ken Hopkins

Well, Mary Ann and I along with Ken and Nancy Jonas and Brian Petersen, have agreed to conduct the Flea Market one more year. However, we will not be picking up items until September, and will publish our dates during the summer. Please call with any unusual items and we will see if we can accommodate an early pickup.. Thanks for your generosity in advance and we look forward to another successful year.

Paradise Island Neighborhood Watch

By Dianna Gilmore

We are pleased to announce that the Paradise Island Neighborhood Watch has been officially adopted and will function under the Co-Op Safety and Compliance committee. This came after residents met with Largo Police Department to gather information. There was sufficient interest and a few folks offered to become part of the program as block captains. We would like to now introduce you to the Neighborhood Watch and our mission here in Paradise.

The team consists of YOU, the residents; Block/Section captains, Jenny Caldarello, Nancy LaBelle and Beth Winquist, Co-Ordinator, Dianna Gilmore; Largo Police Officer Keith Bowling;

Safety & Compliance Committee Chair, Janice Buchko; Co-Op Board Liaison, Paul Snellenberger and Community Manager, Chamma Skipper.

The mission of the Paradise Island Neighborhood Watch, in partnership with the Largo Police Department, is to improve the safety, security and well-being of all residents and their property through community awareness and involvement.

ALL residents are encouraged to make thoughtful observations as they go about their normal routines. You may be a people watcher, you may bike or walk around the community. What do you observe? Do you see something that is out of the ordinary, something that is concerning? If you observe something emergent or a crime in progress, 911 is the proper call to make. Be ready to provide as much detailed information as you are able. What did the individual look like? What were they wearing? What was the color and make of the vehicle? Were you able to get the license plate number. Remember report information, DO NOT approach/confront suspicious individuals. Your safety comes first!

If you see someone trespassing, an abandoned vehicle, solicitation, have a nuisance issues (loud noise, party complaint), feel the need for a welfare check (maybe mail or newspapers are piling up), please contact the Police Non-Emergency number - 727-587-6730 - and give them the necessary information.

These are some examples of when to contact the Police Department. You will need to use your best judgment on which number to call. Most importantly, if you see something, say something!

After you have contacted the Police Department, please contact your Block/Section Captain. Please make that contact between the hours of 9am and 9pm and within 24 hours of the incident. This enables us to follow up with police and report back to the community as appropriate. Communication and information are powerful tools.

Together as a community, we can improve the safety, security and overall well-being of our neighborhood.

Watch for more to come next month as we move forward with the Neighborhood Watch program here in Paradise!

April 9th Dance

By Nancy Sullivan

Come out and enjoy the dance music provided by Carl Motyka. Carl plays a variety of music and had everyone up and dancing when he played at the February dance. Definitely a crowd favorite. This is the last dance of the season so come out and socialize with your fellow Paradise Islanders and give our northern friends a good send off. You can enjoy yourself without having to leave the park. Admission \$10 per person. BYOB, set-ups and snacks. Hope to see you there.

Card Bingo

By Shirley Morrissey

Card Bingo will not end at the end of April but continue play on designated Sunday at 2:00 P.M. until further notice. Check the Media calendar for dates and look for signs on outside the clubhouse and entry to the park reading Card Bingo Sunday 2:00. Any questions contact Shirley Morrissey 727-536-6164 or Rosie Cahill 727-538-9453.

Men's Club

By Ken Jonas

The Men's Club would like to thank all of you who have been coming out and having a good time at all of our shows this year!! The year started out a little slow as folks seemed hesitant to join in the fun due to the pandemic, but as the year progressed we have seen a steady increase in ticket sales.

We are now back to normal attendance and it is so great to be back!! As we wrap up this year's schedule of shows, we want to remind those of you who may be handicapped and be in need of special arrangements for seating at any of our shows to just let us know when purchasing tickets and we will make every effort to make accommodations for your entire party. We would love to have you join us next season as we have some great entertainment already lined up!

A reminder to all you men residing in Paradise Island, our last meeting for this season will be on April 5th. Come on out for coffee and donuts at 8:30 AM and our very brief meeting starts at 9:00AM. Hope to see you there!

PI CARING HEARTS

By Denise Donohue, Rose Petito, Jane Reitz

The bookmobile visits us every other Thursday in April. This month the dates are April 7th and April 21st. Any books can be returned to the bookmobile-even the ones you get at the main library. PI Caring Hearts can deliver books if you order them and cannot make it to pick them up that day. They have free programs that include free music, movies, eBooks and audiobooks. Let us know if we can help you choose a program that's right for you. Also, a reminder that Largo Library is now FINE FREE-so take that extra week you need to finish a good book.

PI Caring Hearts now manages wheelchair and walker needs in the community. We have a few that can be borrowed temporarily if needed. Please let us know if you need one.

Tip of the Month: For those of you that are diabetics and need "sharps" containers and cannot get one from Largo Hospital or Morton Plant, use an empty soda or water bottle that closes with a cap. This protects our maintenance crew from getting injured during trash pickup days.

I will be supplying additional information regarding "Sharps" containers very soon. Happy Easter to All!

Neighborhood Cat Population Control

By Janice Buchko

Community cat "caretakers" should know the cats they feed and care for. Thank you all for your kindness to and compassion for these animals. There are still a few breeding cats roaming around our community and we are asking that you do not leave food out randomly for cats as it impedes the trapping process.

Please contact me to report any newly arrived community cats that may need spayed or neutered, and if you notice a pregnant female cat hiding under an unoccupied home perhaps with a litter of kittens. We will work to trap, neuter, vaccinate, and return the animal to their trapping site (TNVR). A community cat that has been TNVR processed will have their left ear tip snipped depriving them of a pointed ear so they can be identified in the field as a non-breeding cat. This is all about population control.

Thanks to all the neighbors who have and continue to donate food and care for these community cats.

Paradise Island Church in the Park

By Serena Johnson

Happy Easter!

What a wonderful time of year when we celebrate the Risen Lord! He is alive forevermore! He took our sin upon Himself and He was crucified, died and was buried for your sin and mine. On the third day Jesus rose from the dead. He is alive! That same power that rose Jesus from the dead lives within you and raises you from spiritual death when you ask Him for forgiveness and invite Jesus into your heart and life. Today is the day of salvation. Think about it, how awesome is that!

You are always welcome to join us for Bible Study on Thursdays in the Clubhouse at 9:30 AM led by Pastor Bill Ogburn. We will be starting a study called "Spiritual Warfare" by Dean Sherman shortly after Pastor Bill recovers from his surgery. Always room for more,. All are welcome. We are also broadcasting the Bible Study on Spectrum channel 732 on Thursday mornings from 9:30 am to 10:30 am.

If you know of someone in the Paradise Island Park that needs prayer and could benefit from a prayer bear, please contact Pat Murphy by email: pamurphy51@gmail.com , with pertinent information.

BE AWARE WE CARE!

If you know of someone in the Park that has a need, please let us know. All requests are confidential. We would like to help if we can. Please call one of the numbers below and we will look into what we can do to help.

If you have a prayer request or would like a visit, please contact: Pastor Bill Ogburn (727) 474-2722 or

Associate Pastor Serena Johnson 727 530-5905. Please leave message if no answer and you will be called back asap.

Prayer does not change God, but it changes him who prays. Soren Kierkegaard

VETERAN'S CORNER

By Bob Behm

U.S. military installations have been instructed to follow the Centers for Disease Control and Prevention's community COVID-19 guidelines to determine whether troops, employees and visitors must wear masks indoors or be screened for the coronavirus. Defense officials announced Wednesday that commanders should follow the CDC's COVID-19 Community Levels to determine mask and screening policies on their bases. The move reflects an announcement last week by the CDC that, under new guidance, more than 70% of the U.S. population can shed their masks, depending on where they live. Using calculations that include hospital admissions for COVID-19, the percentage of inpatient beds taken by COVID-19 patients and new case rates, the map shows counties as green, where indoor masking can be dropped; yellow, where masks are optional but at-risk residents should be cautious; and orange, where universal masking is recommended. According to the new Defense Department guidance, masks and screening will not be required for installations in counties where the CDC COVID-19 Community Level is considered to be low. For communities where the level is deemed medium, screening will continue, but indoor mask requirements can be dropped. In areas where the level is high, screening and indoor mask wearing will continue for all, regardless of vaccination status, according to a memo released Wednesday from Under Secretary of Defense Gilbert Cisneros. Although I was at MacDill AFB on Thursday and they were still requiring them.

Once again, the VA who says that they are always looking at ways to help Veterans will change its disability ratings criteria for mental health conditions, sleep apnea and tinnitus, part of a major overhaul of the review process to ensure that compensation matches veterans' medical conditions and needs, department officials say. The VA plans to update its Schedule for Rating Disabilities -- its guide for determining how it evaluates and provides benefits for service-connected disabilities -- for mental health conditions, to include their impact on veterans' lives, and abolish the "0%" disability rating for any service-connected mental health diagnosis in favor of a 10% minimum, according to a notice published in the Federal Register. For tinnitus, the department will get rid of its stand-alone rating and consider the condition a symptom of whatever underlying disease is its cause. Previously, most conditions were assessed on the number and severity of symptoms, but VA officials said the consideration of lost wages or productivity is needed to ensure that the department compensates veterans appropriately. Officials say the changes, which would go into effect after a period for the public to comment and a final version is published, likely will result in higher disability ratings for veterans with mental health conditions, but fewer qualifying for disability compensation for tinnitus and sleep apnea. Veterans already receiving disability for these conditions will not see their ratings downgraded by any changes, officials said.

On another note, I am taking over as the Largo Elks Veterans Chair on 1 April if you know anyone in the park that Knits or Crochets baby hats or blankets, we are collecting them for military hospitals for the newborns. Please contact me at robert,behm23@gmail.com and I will arrange a time to pick them up. Thankyou!
