## **THIS MAY EDITION IS DEDICATED TO JOE WALLACE”**

**O**n Joe's 80th birthday, all the guys wore white cotton bushy eyebrows to acknowledge his 80th. If you knew Joe, he had very thick, white eyebrows.

Joe was also an avid biker and organized many bike rides in various parks and trails in the area. He hung up his bike helmet when he turned 76.

Joe was born in Boston and never quite lost his accent. Joe, Ken and LeRoy became coffee buddies and spent many hours solving world problems and talking about the "old days" as Joe referred to them. He was a devoted friend and will be missed.

*(contributed by LeRoy Putman)*

Joe and Leroy and several other guys road bikes together. They met for coffee often and shared a lot of laughs. Before Anita took over the gardens, Joe used to trim and fertilize the shrubbery in the common areas. He and I would get the park golf cart and cut off the dead palm fronds that occurred between tree trimmings.

He and Rachel liked to travel and did the Mississippi River boat cruise.

*continued on page 6*

Joe was the organizer for all of us who loved the dinner theater. We went to all the plays and Joe knew all the primary actors and always sat right up front next to the stage. One of The last time we went to the theater all the guys wore fake cotton bushy eyebrows. There were at least twenty-five of us. On most summer nights, you could find Joe on his front porch watching the baseball game.

He was a great guy and will be missed.

**RACHEL & JOE**

Joe and Rachel Wallace moved to West Wind II in 2000-01. They purchased the last model home from Brandywine before the park became resident owned. They had the only coach with asphalt shingles at the time.

Joe became a master gardener and spent many hours along with Elaine Blank maintaining the clubhouse gardens. He came to Florida from New Hampshire. They wintered in Tarpon Springs before buying in WWII. Joe was the "Line Dancing Teacher" in the park for many years. He was a great line dancer and an even better teacher. Many of his students remember the many parties Joe hosted at his Tiki Bar at the end of line dancing season in April - May.

Joe also organized the dinner theater nights in the park. The first was at the original Bill Earle Theater on Alt 19 in Clearwater. The theater moved 3 times and each time Joe would organize groups from WWII to attend. He was always seated in the front row and all the actors knew Joe and acknowledged his attendance.

## **IMPORTANT MESSAGE FROM THE EDITOR OF "Hi Lites"**

**B**eginning with the JUNE edition of the "Hi Lites," I will ONLY be including articles, pictures, announcements, calendar entries, cartoons, jokes, etc. that **OTHERS** send me. For the summer months, I will no longer be sending out emails requesting these items for the "Hi Lites." (I will continue to send out "Due Date Reminders."). Because Westwind II still has a published edition hand delivered to our residents, something still needs to be sent to the publisher each month.

So PLEASE continue to send articles and pictures that I can put into the "Hi Lites" over the summer months... That would include: "BIRTHDAY/ANNIVERSARY CLUB," "MEET YOUR NEIGHBOR," "BEEN THERE; DONE THAT," "LETTERS TO THE EDITOR," "LAUGHS & GIGGLES," "HOW I SPENT MY SUMMER/WINTER VACATION," "PG-13 LAUGHS & GIGGLES," PROMOTIONS FOR UPCOMING EVENTS AND PICTURES - LOTS OF PICTURES.

Thank you, Tim Burgner, "Hi Lites" Editor

## WESTWIND II HISTORY LESSON

EDITOR'S NOTE: Trish Craig, our park's “Hi-Lites” delivery coordinator, found a stack of OLD “Hi Lites” in the WW II library. They go back into the 80's before we became a “R.O.C.” park. I will be printing some of the old articles that I found interesting. THANKS, Trish!

## DID YOU KNOW?

There are now FIVE (5) ways to get current information on what's happening in Westwind. ALWAYS a GOOD idea to check-out the bulletin board in the clubhouse now and then to see if any thing new comes up you might want to do.

## THANKS TO CARL STONE FOR THE FOLLOWING:

### My Mom Thanked Me

My mum thanked me last night.  
She babysat, and SHE thanked ME?!  
She never taught my brother or I to self soothe.  
We shared her bed.  
We took our naps in her arms.  
She breastfed till we naturally weaned . . .  
And one day, all of that came to an end.  
One day, we turned into cranky and unruly teenagers who wanted to be with our friends over her.  
And then even later on, one day we both got married and had families of our own.  
Last night, my husband and I went out. Not far. And we weren't late.  
But when we got back, I went upstairs and found my children asleep in my mother's arms in the same way that they fall asleep in my arms every night.  
And in the same way that my brother and I had fallen asleep in her arms every night.  
They all looked so calm and peaceful.  
I asked if she was OK, and she smiled through faint tears.  
She thanked me for giving her these moments back.  
These moments that she never imagined possible to experience again . . .  
she thought that these days had well and truly passed.  
She told me that no matter how hard she tries, she can't remember the last time she held me.  
She can't remember my last feed.  
She can't even remember the last time that I climbed into her bed in the middle of the night asking her for a cuddle . . .  
But when she held her grandchildren to sleep, it gave her an emotional reminder of what it was like. How beautiful it felt. How special it was.  
Because these moments won't last forever.  
Even though sometimes they feel like they will.  
She told me how lucky I am that I get to do this every single night. And how fortunate I am that I get to do so for a little while longer.  
I smiled. She is right.  
Even on those long nights when I don't believe that to be the case; I am most definitely lucky.

### New Westwind Website Goes Live

**W**estwind I is happy to announce that our new website is up and running. We are hoping that you will find this website easy to navigate and helpful. We also look forward to finding more ways that we can use this as a convenient tool to help improve our daily lives and communication within our community. It will be a “work in progress” and we look forward to feedback from community members as to how this can be improved. Suggestions can be made through the “Contact Us” page and sent to the Webmaster/Website. ***We especially look forward to making this a community wide website with the addition of the Westwind II***

events and information.

To protect our residents and maintain their privacy, certain parts of the website will require a login to view. We recommend that all residents register for an account on the website. This will allow you to view all parts of the website. If you need assistance in registering you can stop into the Westwind I Office for instructions. John Schoen is also available after Westwind I coffee on Tuesday morning for anyone needing assistance.

COVID has certainly made this past year a challenging one in so many ways, including developing a website. We look forward to continuing to grow and improve over time. We also look forward to having all of you join us.

## David & Gayle Hickey-#271

My husband, David, and I are from Louisville, Ky where I worked for Ford Motor Company as a manager. David is a nurse at the VA hospital in Louisville. We have 3 children and 4 grandchildren.

We are new to Westwind. We purchased our home, # 271, in June of 2021. We have really enjoyed the area very much. The people here have been very welcoming...especially our neighbors, Rich and Tammy Gaughan, who could not be any nicer. They have been fantastic neighbors.

We usually spend our summer on a lake in Ky. We both like to exercise, ride bikes and watch the sunset. I love to read and David enjoys college basketball and football.

Have you heard of an outdoor game called Cornhole? If not, you should give it a try. Westwind has a set of cornhole boards and bags available for use on shuffleboard court 5 (this is the court between the two horseshoe courts at clubhouse II). Boards and bags are stored with equipment in the shuffleboard closet outside the office. Boards are returned to storage once you're finished using them. For those interested, we're including the Cornhole "Rules of Use" and "Rules of Play" below. Have fun!

## **HISTORY LESSON**

**A**LL OF THE "HISTORY LESSONS" WERE TAKEN FROM THIS BOOKLET. IT  
 CHRONICLES THE FIRST FOUR (4) YEARS OF WESTWIND II'S EXISTENCE.-  
 1977 - 1981. THERE ARE 108 PAGES. IT WAS A "LABOR OF LOVE" BY ITS  
 EDITOR, **RAYMOND E. HUGHES.** **MR. HUGHES** ALSO BECAME THE FIRST  
 EDITOR OF THE "HI-LITES." THIS MONTHLY MAGAZINE HAS BEEN PUBLISHED  
 CONTINUOUSLY SINCE 1977 - 44 YEARS! THIS BOOK WAS LOANED TO ME BY  
**CAROL DIAZ.** IT WAS OWNED BY HER MOTHER, **ETHEL PETERSON BALLAS,**  
 #251. (**CAROL** AND HER HUSBAND, **JERRY,** STILL OWN THAT UNIT.) MANY PAGES  
 HAVE NOW BEEN XEROXED FROM THIS BOOK. THEY HAVE BEEN SCANNED INTO  
 MY COMPUTER. THEY WILL APPEAR IN THE MONTHLY "Hi-Lites" MAGAZINES  
 OVER

THE NEXT MANY MONTHS AS "HISTORY LESSONS." **THOSE PAGES WILL BE  
 XEROXED AND PUT INTO THE MEMORY BOOK KEPT IN THE CLUBHOUSE.**

Note: There are "TONS" of black and white pictures that were xeroxed into  
 the book. My guess is that they were originally color pictures. Once they were xeroxed,  
 they became VERY dark & "grainy." But the images are there and we are LUCKY to have  
 them!

## 3-19-22 ST. PATRICK'S DINNER

HOSTED BY JIM & LINDA TOY

---

### Saint Patrick's Dinner 2022

After a three year hiatus, Westwind II hosted a St. Pat's dinner. There were eighty-two people in attendance. The clubhouse was decorated in greens and golds. The setting all looked very festive.

**Pat Snyder** and **Linda** put up the decorations a week before the event to get people in the mood. The dinner consisted of the traditional corned beef, potatoes, cabbage, carrots, rye bread, and Irish soda bread. AND for desert -- fruit pies, cream pies, and strawberry cake.

A dinner could not happen without the help of outstanding helpers. **Bob Lewis** and **Jim Toy** did most of the shopping. **Linda Toy** was off to California to see their granddaughter's debut in her first high school musical. (Good planning on her part.) The meat slicers and cabbage cutters were **Gerry Marier**, **Norm Wilson**, **Bob Lewis**, and **Jim Toy**. **Bonnie Guerin** washed and peeled twenty-five pounds of carrots and then delivered them to the clubhouse ready for cooking. **Carol**

### NEW SIGNS

**H**ere's *Joel Daniels* hard at work putting up the new stop and speed limit signs in WW II. The signs are larger, reflective and much easier to see than the old ones. This will greatly improve the safety of everyone, especially our grandkids and other visiting friends and relatives. *Thanks Joel!*

**EDITOR'S NOTE:** Last summer and fall, the "Hi Lites" printed reminders and pictures to PLEASE obey the stop signs and the speed limit signs in the park. *Joel Daniels* just single-handedly replaced ALL of these signs in the park to make them more visible.

Sadly, I just told Joel that his new signs aren't working. I observed a resident speeding in his golf cart headed west on 4th St. He never even slowed down for the stop sign shown in this picture- much less stop. He does this EVERY TIME in his pick-up truck as well. It's always the same people who speed and crash the stop signs. I can predict with 99% accuracy who's going to stop and who's not....because **IT'S THE SAME PEOPLE WHO ALWAYS CHOOSE TO IGNORE THE SIGNS.....WHAT'S NEXT? VIDEO CAMERAS? WILL IT TAKE SOMEONE'S**

We asked the ladies to bring or wear a hat. We then hosted a small hat parade with background music from the 30's "Easter Parade." The ladies told us about their hats and

prizes were awarded. **Norma L** won for most colorful. **Tammy G** for silliest. **Ann W** for “Hot to Trot” **Terry D** for “Hat Attude.” **Judy M** for creative /“up cycled”.

**3-31-22 - Anita not given up on her gardens**

**A**s you all probably know by now, **Anita** can no longer attend to the flower beds in the park like she used to, and **Chuck**, with all his other daily duties, just doesn't have enough time to spend tending to them or giving them the attention they so deserve and require. And, **while Anita could never be replaced, as she truly had a way with plants, especially flowers**, we really need a few people to step up and help with the flower beds. The more people we can get to help with this, the less time it will take and, it's up to everyone to keep the community looking as beautiful as always. If this is something you could give a little time to, please let me know.

WHO'S UNDER THE HAT??????

## THANKS TO ANN WILTON FOR THIS:

---

On Tuesday, *April 5th*, Dennis Logsden's former art students held a wine and cheese gathering. We listened to many of Dennis' fascinating stories. We told Dennis how much he inspired us all with his art work. He helped us all achieve a talent either in scratch art, oil, ink or watercolor. We will all miss his presence and knowledge in his previous art classes, but hope to see his continued work on Facebook. Maybe one day we will have a piece of work to sell in a gallery...maybe. We would like to wish Dennis and Carol much happiness in their new venture. They will both be greatly missed.

### SPRING PICNIC - 4-6-22

Westwind II hosted the spring picnic on April 6. The picnic is hosted by Westwind I in the fall and Westwind II in the spring. There were 14 people who attended a beautiful, breezy, sunny day at Howard Park. The picnic is always held at pavilion 6. This pavilion is right by the Gulf.

One can watch the fish jump and today there were white caps and wind surfers who were quite entertaining.

Even though our number of residents was small, it was an enjoyable day and we all wondered why more people do not come out for this event. It's nice to get the two parks together for this shared activity.

If you are here in the fall, please try to attend. The date will be determined by Westwind I.

### BOBBIE'S ART CLASS

On the morning of Thursday, *April 7th*, we had tornado warnings, but I went to the clubhouse at 10:00 to teach my class. I got all of my art supplies in the building and then it started to rain HARD! I had to close my car windows and I got soaked head to foot.....but the class must start!

There were 9 students ready to sketch in an egret. So I set up an easel and started to draw little by little and the students followed. Then when they had the egret drawn in, we started putting in a pond and bushes behind. Then we painted the egret.

The art pieces were great and I was so pleased with every one of them. In 2 hours they had a painting of an egret - really amazing!

### ICE CREAM SOCIAL - 04-10-22

#### ICE CREAM SOCIAL REPORT

The 2nd Covid Compliant, Ice Cream Social, sponsored by the Social Club, was held at the Westwind II Clubhouse on Sunday afternoon, April 10, 2022.

It was a beautiful day, sunny, about 73 degrees, and light winds which helped fuel a great turnout with about 90 ice cream fanatics in attendance. They were treated to a variety of pre-wrapped Schwan's ice cream cups, bars and sandwiches. The guy who ordered the treats went a little overboard and had to do a little arm twisting to get people to take a second helping so there were no leftovers.

Renee and I thank you all for attending the Ice Cream Social and a special thank you to Pat Snyder for helping out! Next year we will be back with the hand scooped ice cream with all the fixings.

### PREPARING COACH FOR EXTENDED ABSENCES

**B**efore leaving your mobile home for the summer, there are some precautions you should consider taking to prevent mold and bug damage.

Turn off your water to avoid any leaks, which could damage your unit and create a large water bill.

Turn off all breakers except your air conditioning or refrigerator, if leaving it on. Humidity is a big problem in Florida in the summer. If you leave your thermostat set at 82 or 85 degrees, your air conditioner should keep the humidity out of your home and not raise your electric bill significantly. You may wish to purchase foil bags to hang in your closets. Other moisture absorbing material is available to use. These bags absorb moisture. Leave all closet doors open. Some folks like to put charcoal in a pan on the floor. This also absorbs moisture and odors.

Be sure the breaker to your hot water tank is turned off.

Put duct tape over all the drains.

Put plastic wrap over the toilets.

Put boric acid powder in your registers on the floor. Bay leaves in the cupboards help to keep roaches out.

Remove all items outside that are not fastened to the house.

Empty fountains and move inside or tip over so that water does not stand and make an area for mosquitoes to breed. Rain water barrels or other water collecting devices must be covered with screen to keep out mosquitoes.

If you turn off your refrigerator, put newspaper inside to absorb moisture and put a towel over the doors so that they will not close.

Leave a key with someone in the area who can go inside in the event of an emergency.

Arrange for someone to care for your plants and weed your lot in your absence.

Notify the Management office that you are leaving and give them a forwarding address and phone number. This is especially important in the event of a pending hurricane. We need to know where everyone is located.

Even if the hurricane season is calm, we do have strong winds occasionally, so it is important that nothing be left outdoors that can become a missile and damage a coach. You should have liability insurance in the event damage occurs.

### BOOK CLUB

We had a change of book for the May selection. I found that the original choice was not available at the library. The Book to be discussed at the **May 31st meeting** is *Squeeze Me* by Carl Hiaasen. The Library has several copies of this book but no ebook copies. However, there is an audio selection. It is a light read meant for entertainment. Hope you enjoy the book.

With the help of the members present at our March meeting I have created the list of books for 2022/2023. We are taking a break from all the World War II stories this year as you will notice when going through the books on the list. I hope that you will continue to read and everyone is always welcome to come to our discussion.

I wish everyone safe travels and hope that you all stay well and I look forward to seeing you back in the fall. For those of you who live here year-round as I do, I hope to see you on the **31st**. - Elaine Blank

### Information Article for WWII Newsletter

**A** REMINDER ABOUT *INSURANCE*: If you have given me an updated copy of your homeowner's insurance lately, thank you. But, if you have not, or you aren't sure if you've lapsed or for those of you who know you are not carrying insurance on your home, this is the time to get that taken care of. I can't stress the importance of how necessary this is, and, because of that importance, we will be cracking down on anyone who doesn't have an updated policy on file with the office.

Next, and just as important, is *updated contact information for all persons living in the park*. If you have an email address, please give that info to the office and be sure if you've given it before, that it's updated. Don't assume that we have an updated email address because you gave it sometime in the past. I have several people with email addresses on file who, when I've sent out an email blast, they are being returned undeliverable. So, perhaps, at one time you did give the office your email address but since then it's changed. *I also need updated phone numbers and, very important, emergency contact info*. The reason I say updated is because recently, I had to call the emergency contact info on file of a resident however, it was very outdated and the emergency contact person on file was someone who passed away years ago. That will not help in an emergency.

Lastly, *if you plan to sell your coach, please let the office know so that we may help you and/or your realtor get it done correctly*. The Governing Docs of the community are extremely helpful when it comes to the sale or purchase at Westwind II ROC, so of course, that's always a great resource, which you should keep handy, especially if you plan to sell since those documents should go to your relator and/or the buyers when you move. But, if you let me know, I'll be aware and the whole process will go more smoothly and, I'll help with any questions you may have. Keep in mind, *anyone purchasing in the park is required to fill out an application, available in the office, and be screened prior to moving in*. If anyone has any questions, please feel free to reach out.

Thank you,  
Jacquelyn

## ATTENTION: OWNERS WHO RENT OUT THEIR UNITS

---

**I**f you rent your unit for 6 months or less, please remember that Pinellas County and the State of Florida imposes a "*bed tax*" on rental income. The tax is identified as "*Tourist Development Tax*." It is the responsibility of the owner to file the appropriate returns and pay the tax. Information and forms can be obtained from the Pinellas County Tax Collector. There is a penalty for not complying with the law.

R.O.C. BOARD

## REMINDER TO ALL RESIDENTS:

---

**P**LEASE COME INTO THE WESTWIND II OFFICE #181 AND MAKE SURE YOUR NORTHERN ADDRESSES ARE UP-TO-DATE.

ALSO, PLEASE LET ME KNOW WHEN YOU ARE CHECKING-IN FOR THE SEASON AND CHECKING-OUT.

THIS IS VERY IMPORTANT FOR MAIL OUTS, EMERGENCIES, ETC.

THANK YOU,

JACQUELYN FLOOD,

PROPERTY MANAGER

## REMINDER: HOMEOWNER'S INSURANCE

---

**W**hen you renew your homeowner's insurance (or when you buy it for the first time), remember to send a copy of the Insurance Declaration page from your policy documents to the Park Office. The Insurance Declaration page specifies your specific coverages; and most importantly to WWII, it states the specific 12 month period that your policy is in effect. Residents are required to send their updated and renewed Insurance Declaration page every year to the Office.

## "WILL WORK FOR BEER"

---

**S**omeone in WW II asked if we could try to bring back our old "Help Out Your Neighbor" that used to be in the "Hi Lites."

Well.....we are! and here it is: We're calling it by a NEW name - "Will Work for Beer." If you have a SMALL job that needs to be done and would like an extra hand, one of these people can probably do it. (We're not talking about anything major. This is not meant to be for "handyman projects." It is meant for something relatively simple that should only take a few minutes to complete (installing fluorescent bulbs, programming a TV remote, hanging a curtain rod, getting something down from a top shelf, etc.) It is meant to be a FREE service. You are not expected to pay anything - even a free beer. This service will be provided to W W II residents We are looking for MORE names for this list. If you would like to be included, please call or e-mail me - Tim Burgner.

Just call anyone's name on this list. They'll let you know if they can help or refer you to another person.

## SOCIAL CLUB NEWS

### SOCIAL CLUB PRESIDENTS' LETTER

Linda, I and our hardworking Social Club Board have been quite busy since coming into office in January. Slowly, there has been an increase in participation in all the many activities that make Westwind II a wonderful place to live. It is quite a relief and very encouraging now that Covid and its variants seem to be lessening the illness that has been plaguing our country!

So we have many new and returning activities scheduled for next year. I'll just mention a few: Wednesday Euchre, Military Whist, professional entertainment, square dancing night, a Valentine Special Dinner and Dance, a Newcomer's night and lots more! Next year's calendar is filled with delightful activities!

Please check the clubhouse hallway where there are sign-up sheets for any and all residents who want to help out with the many choices of events starting in the fall.

Please have a safe trip home, Snowbirds and for all the Year Rounders: "Thanks for holding down the fort." Most importantly, we hope good health and gratitude surround us all!

Sincerely,

Annette Cuffe and Linda Toy

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

## JUST FOR LAUGHS & GIGGLES!

### THANKS TO CARL STONE FOR THE FOLLOWING:

#### The Irish Aviator

**A**n Irish aviator was getting worried being overdue, and not being able to find the air base in rapidly deteriorating weather.  
“Lord,” he prayed, “I can't stand this. If you direct me to the nearest air base, I swear I'll give up drinking me whiskey, and I promise to go to church every Sunday.”  
Suddenly, the clouds broke, and the sun shone brightly on a large air base below.  
Without hesitation, the aviator said, “Never mind, I found one.”

#### ROBBERY

**F**irst off..I am ok.. I was a little shaken up this morning.. I was robbed at Safeway Gas.. After my hands stopped trembling..I managed to call the police.. They were quick to respond and calmed me down.. my money is gone..  
The police asked me if I knew who did it.. I said yes.. It was pump number 6..

#### BLONDE

**T**his blonde decides one day that she is sick and tired of all these blonde jokes and how all blondes are perceived as stupid, so she decides to show her husband that blondes really are smart. While her husband is off at work, she decides that she is going to paint a couple of rooms in the house.

The next day, right after her husband leaves for work, she gets down to the task at hand. Her husband arrives home at 5:30 and smells the distinctive smell of paint. He walks into the living room and finds his wife lying on the floor in a pool of sweat. He notices that she is wearing a ski jacket and a fur coat at the same time.

*continued on page 54*

He goes over and asks her if she is OK. She replies yes. He asks what she is doing. She replies that she wanted to prove to him that not all blonde women are dumb and she wanted to do it by painting the house. He then asks her why she has a ski jacket over her fur coat. She replies that she was reading the directions on the paint can and they said....

FOR BEST RESULTS, PUT ON TWO COATS.

### FROG WANTS A LOAN

**A** frog goes into a bank and approaches the teller.

He can see from her nameplate that the teller's name is Patricia Whack.

So he says, "Ms. Whack, I'd like to get a loan to buy a boat and go on a long vacation."

Patti looks at the frog in disbelief and asks how much he wants to borrow.

The frog says \$30,000.00

The teller asks his name and the frog says that his name is Kermit Jagger, his dad is Mick Jagger, and that it's OK, he knows the bank manager.

Patti explains that \$30,000.00 is a substantial amount of money and that he will need to secure some collateral against a loan.

She asks if he has anything that he can use as collateral.

The frog says "Sure. I have this," and produces a tiny pink porcelain elephant, about half an inch tall. Bright pink and perfectly formed.

Very confused, Patti explains that she'll have to consult with the manager and disappears into a back office.

She finds the manager and says: "There's a frog called Kermit Jagger out there who claims to know you and wants to borrow \$30,000.00

And he wants to use this as collateral." She holds up the tiny pink elephant. "I mean, what the heck is this?"

The bank manager looks back at her and says: "Its a knick knack, Patti Whack. Give the frog a loan. His old man's a Rolling Stone!"

### NASA LAUNCH

**N**ASA decided to send a shuttle into space with two monkeys and an astronaut on board.

After months of training, they placed all three in the shuttle and prepared for launch.

Mission Control Center announced, "This is Mission Control to Monkey One. Do your stuff."

The first monkey began frantically typing and the shuttle took off.

Two hours later, NASA's mission control center announced, "This is Mission Control to Monkey Two. Do your stuff."

The second monkey started typing like mad and the shuttle separated from the empty fuel tanks.

Another two hours later Mission Control Center announced, "This is Mission Control to Astronaut... "

At this, the astronaut shouted "I know, I know -- feed the monkeys and don't touch anything."
