Hello from the Board of Directors,
New concrete corners and blacktop streets should be under way as of this writing.

Safety in the park is all resident's responsibility. To start with, bicycles no lights on them, some on front none on back, need both after dark.

Golf carts are running thru the park **faster** than autos. They also need lights on after dark. Autos continue to **speed** thru the park, most are residents. **Please** slow down, light your lights.

Still seeing underage children driving golf carts. Must be 16 years old and have a driver's license. As I have said before, "heaven help the parents if they are in or cause an accident."

Reminder, if you are going to be doing work on your home or property, get the form at the office and fill it out and submit it to the front desk before the work starts, it saves a lot of problems. Please be patient and courteous while construction is being performed.

Our thoughts and prayers go out to our sick and shut-ins and those who have lost loved ones.

Bingo

Submitted by Julia Cadieux

All good things must come to an end.

Many Thanks to everyone who helped at Bingo, even if it seemed small, for the selling of games, snacks and the bingo callers, as well as those who called back the winning numbers. All those things added up to a Great Bingo Season.

Also, I could not forget the fairies who helped with Christmas gifts, the Rose tea lights and the anonymous gifts that showed up on my door step labeled, "Please use for Bingo!" I couldn't have done it without the help of everyone. Thank You!!! from the bottom of my heart!

So, let's mark our calendars, Bingo will start the 1st Monday in November, (11-7-2022). Be safe and have a good summer.

Editor - Vince Mezera has now taken over this role from Lynda Schoonover, so he'll be producing the monthly newsletter in future. If you have any items that you wish to have inserted in the newsletter, Vince can be contacted via email : sunsetpalmseditor@gmail.com

My wife Janet and I have been visiting family and friends in Sunset Palms since 2002. In 2015 we relocated from the Chicago area to be yearlong residents of the park. We have 5 adult children and 6 grandchildren. We enjoy living in Sunset Palms and look forward to meeting more of our neighbors.

Drew can be contacted by email : sunsetpalms3401@gmail.com Please ensure that you inform the Clubhouse office of any changes to your email address(es) and telephone number(s) so that you can continue to receive information.

Residents of Sunset Palms, my name is Drew Lawrence. I volunteered to assist the Management and Board of Directors in my new role as Web Administrator to continue the great work by Maggie Stokes. I am a recent retiree from a rewarding career as a College Professor at Monroe Community College. My partner Lisa Kenney is winding down her career as a Family Physician in Buffalo New York. We both look forward to enjoying our retirement years as your neighbor and friend.

Lift Station Monthly Reminder – Important

Submitted from the Office

F LUSH ONLY: Body waste and toilet paper. **It is highly recommended that only one ply toilet paper be used to prevent clogging the toilet.**

DON'T FLUSH: Tampons- Sanitary Pads – Diapers – Depends – Swiffer Cloths – Dust Cloths – Wet Wipes – Kleenex – Food, etc.

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste **UP and OUT** into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it, and burns out the motor.

Jeff was very happy to be made a member of the group. Jeff and his crew welcome the Wee Zee's 6 days a week, making sure they have a spot to all sit together and always makes sure they have their coffee ready. Managers Corner

Residents,

There are many changes in store here. To add to our beautiful park, the streets are either completed by now or nearly done. Stacy and I are settling in to our new positions here in the office and have been welcomed by many. I personally am happy to be here. As time goes on, I will have much more to add to the Managers Corner spot in our monthly newsletter.

I feel I must address the complaints about “pets” in the park. If you happen to see any animals, please come to the office and ask questions. There has been much speculation about them. These animals are not “pets” and we cannot refer to them as such. Any animal that you may see has been vetted by our park attorney to be here.

As our snowbirds are leaving, please remember to check out at the office so we know you are gone and can remove you from the water roll so you are not charged after your departure. Safe travels to you all and we’ll see you when you return for next season!

Last month's Mystery Person

Last month's mystery couple are snowbirds from Canada. They have been coming to Sunset Palms since 2014. After visiting friends, they heard of a nice place for sale and bought sight unseen. They are Wayne Butler and Helen Evans. Helen retired in 2020, after 47 years working as a production worker.

Wayne was a Mill Wright for 30 years and a National Representative for Canadian Auto Workers. He retired in 2017. He is a talented man, who sings and plays guitar. Wayne received 5 championships in soccer, Hockey, Soft Ball, Basketball and Darts. Quite an accomplishment. Herman Neffle suggested to Wayne, that he writes a song about his travels to Sunset Palms. Notice the song at the end of this article that he wrote

They have 4 children, 8 grandchildren and 1 great grandchild.

They both are active in park activities, like the St. Patrick's Day parade and dance parties, shuffle board, playing cards with friends, and they both enjoy the pool.

They like seeing new people moving into the park. Residents working on their homes, new security cameras, and road improvements. Overall, they are very happy with the park the way it is.

They are a happy family and Helen has had a happy life with no bucket list. Wayne also has a full happy life but would like to squeeze in one more cruise.

We would like to Thank Wayne and Helen for allowing us into their beautiful home to interview them.

Aside to this article, as it will be the last one Lynda and I will be doing; I (John) would like to add that I have enjoyed doing these articles, meeting the people in their homes and getting to know them. This really is a great place to live.

Herman Neffle suggested to Wayne that he write a story of his travels to Sunset Palms, below is the story.

It's late in the fall and time to get back on the road.

Back the van in the driveway and start to plan how to load.

First comes the freezer with food hard to find where we roam

Then it's 4 days of driving to get back to our winter home.

...continued on page 26

The first day's the worst as we drive across Newfoundland
Always hoping the ferry will run if there is no wind
As we reach Port Aux Basque we're lucky if there was no snow
But all signs from the crew is the board will be ready to go.

We get on the boat and find our cabin and then settle down
For the next 6 hours there's nothing but sea all around
But the waves and engines make it hard to get any sleep
Through the night we toss and turn hardly getting a peep.

By daylight North Sydney is coming into our view
We'll be on our way when we unload in an hour or two.
Through Cape Breton, Nova Scotia, New Brunswick they all seem the same
As we head for the Border in Calais or Houlton in Maine.

As we cross the Border our Passports and Contents all clear
The customs are quick and we draw a big breath of air
As we head toward Portland, we're starting to run out of light
And a hotel were looking to find, to stay for night.

Next morning at day break, again we set out on our quest
It's early so driving conditions should be at their best
Down I-95 through New England, we continue to stay
Then its 84 East, toward Hartford and Scranton PA.

Through Mid-Eastern states, down 81 the rest of the day
By Sunset we know we had reached 3/4ths of the way.
Now North Carolina, it's time to stop for the night
To reach home the next day the timing is just right.

Now it's the last day we leave before the break of dawn
Down I-77 to 95 we move along
Through Georgia into Florida the state we wanted to see
5 hours from home but it seems like an eternity.

Before Jacksonville we take highway 10 going west
There are alternate routes but this is the one I know best
When I see 75 South I know we are now getting close
But we are anxious and want to see 28 Exit the most.

A cruise Like no other- October 31- Nov 13/22 SPAIN to FLORIDA

Whether you live in Sunset palms permanently or seasonally, this is a great option for travelling together. We begin in Barcelona Spain visiting 3 Spanish ports, sailing to Azores, then Bermuda, Fort Lauderdale then coach to Sunset Palms arriving November 13, 2022.

Cruise ships on transatlantic crossings offer many educational, entertaining, and fun activities on the sea days. For example, guests can take classes in computing, photography, cooking, bridge, fitness, ballroom dancing, or, they can attend lectures on a variety of topics that expand their knowledge on history, travel, health, music, or art. During less active time, we socialize as a group by doing a variety of custom activities or you can simply relax with a nice glass of wine. Our package includes beverages, alcoholic or not, all gratuities and Wi-Fi. In addition, each balcony will have a credit to spend of \$410 . This can be used in the shops, the shore excursions bing and casino. The price for a balcony is approximately \$2100 usd per person.

So far there are 52 residents signed up. Some will drive to Florida first, fly Tampa to Barcelona while others will simply replace their home to Florida flight with home to Barcelona and sail to Florida for the winter.

Options are unlimited. Your Travel Committee is busy working behind the scenes to assist with all requests.

Heads up for 2023

There will be a winter cruise, numerous day trips as well as the October trips which seem to be a HIT. October 17/23 we have a group river cruise followed by the transatlantic crossing from Rome to Florida. You may choose one or both. Through the summer months we will be hosting video information sessions as well as email details. Typically, this is done through our webmaster, Drew, and posted on the Sunset Community Face Book page as well as Clubhouse board.

If you feel you are missing or not getting our information, you may be added to our Sunset Palms Travel Committee email list by sending a request to info@sunsetpalmstravel.com

Your committee consists of wonderful residents from both sides of the border. Please welcome our newest members to your committee, Diane Greene and Sharon Hillier. There is so much work that is done behind the scenes, research, data entry and record keeping, flyer design, activity organizing, audio video setups and planning. Without volunteers we could not be this successful. We thank both the organizers and participants for your support. For those heading home, safe travels.
