NOTES FROM THE BAY RANCH OFFICE

Some updates:

Pool is estimated to hopefully be completed by the 2nd week of May.

All new cameras are up and running.

New sewer pipes are being installed on the North side of the park.

Club house will be closed April 24th-May 1st for cleaning and floors to be stripped and waxed.

On May 16th after the Residents Club meeting Richard Corsale will have a meeting on cable alternatives. He is a representative of Veterans Health Network. He will explain you buy a box and then for a small monthly fee, you can get many channels.

The Veterans Health Network is a Non-Profit dedicated to helping to improve chronic illnesses our veterans are experiencing. It was founded by veterans for veterans.

Reminder: Any rent not paid by the 5th of each month will have a \$50.00 late fee, which will be enforced.

Concerns still needing attention:

Garbage continues to be a concern as garbage is still being left on top of the dumpsters or

...continued on page 6

on the ground. If it won't fit, please be patient and wait until you can fit it in. When you are bringing your trash down, try to fit towards the back of the container first.

Please stop feeding these feral cats, again this could lead to be a violation and possible eviction. This is still a constant problem, especially on EL Centro West and Acapulco. We have had people move out because of this problem.

Speeding: Is getting to be a problem again. There are people on the lookout and taking license plate numbers. This is also a violation and after 3 may lead to eviction.

WATER. The water bill is getting out of hand and with that so will a rent increase next year unless everyone does their part. Leaky toilet or faucet??? Do you have a leaky hose? Call we may be able to help you out with that.

Just a reminder if you get three violations in 1 year you could be evicted.

If everyone just showed courtesy and common sense, this won't be necessary.

FROM THE RESIDENTS' CLUB

To our all-year residents, keep in touch over the summer. We will have activities through the summer. Check the board at the club house.

We welcome suggestions from all residents that they would like at Bay Ranch. Drop suggestions to any resident board member.

There will be a breakfast on May 21st, 8:30-10:30. Come on down and enjoy pancakes, eggs, hash browns, toast and orange juice. Cost id only \$5.00 for all you can eat.

We are planning a Memorial ay cookout on the 28th, from 4-6pm. Keep watch for additional details or join us at one of the Monday morning meetings. Still serving coffee and donuts, so come on down and join the comradery and maybe even win some money from the 50/50.

FROM THE EDITOR

So, I got through with my first issue and want to thank all the Ranchers who helped. I think we should also give thanks to all those who deliver our Reviews to us. So, a big Thank You to you also.

I'm very grateful and appreciative of everyone that is contributing articles and suggestions. One suggestion or question I didn't know how to quite answer was: What about those of us who don't have internet and aren't in neighbors, how do we find about meetings? I think this was asked after hearing about an HOA meeting after it was over. So, any suggestions for those who can't get to club house to check information boards there, what can we do, to help these residents out?

SHUFFLEBOARD NEWS

By Ray Rose

IN PARK FUN TOURNAMENTS

Shuffleboard held two in park tournaments this season. One was in February and one in March.

On February 12th, there were 14 teams participating. The four winning teams were: #1 Pat Puerling and Bob Quish #2 Ray Rose and Larry Hammond, #3 Jan Kovacs and Jerry Olson and #4 Carol Braga and Ron Wiseman.

On March 18th, there were 12 teams participating and the four winning teams were: #1 Jim Jones and Jules Vaillincourt, #2 Jean Rose and Rob Spence. #3 Ray Rose and Flo Brock and #4 Janel Spence and Larry Hammond.

Each tournament took 4 hours on both days. Lunch was served at noon. Everyone thanked the players who prepared the lunch and thanked the players who worked on the courts. They also thanked Ray and Jean for running the tournament which was enjoyed by all.

Hopefully everyone stays safe and healthy over the summer and these "Fun Tournaments" will continue in the fall.

"We are the CHAMPIONS! We are the CHAMPIONS!"

By Wayne Redshaaw

That chant has been repeated quite a few times in the last couple weeks around Bay Ranch and for good reason. After all, a team representing Bay Ranch are the 2021-2022 Sunshine Shuffleboard League champions and the proud recipients of the Travelling Trophy which is on display in the trophy cabinet in the clubhouse along with a team photo and a plaque bearing the names of all the players. (That list of the players appears at the bottom of this story).

Dating back to 2001 this marks 12th time that Bay Ranch has won the championship. Bay Ranch has also finished second-place three times and third on two occasions.

The Sunshine League is a competitive one comprising of parks throughout the area. At one time, there were 12 teams competing and this year there were six.

Bay Ranch compiled a record of 229 wins against 155 losses and finished 13 wins ahead of Donovan's to claim the title. Fairway Village rounded out the top three with 192 victories

When asked what the keys were to Bay Ranch's championship success this season team captain Ray Rose mentioned Tuesday mornings practice sessions, Hoss Collar on Saturdays and spares filling in from the Friendly team.

"They always showed up for regular practices every Tuesday, they all play Hoss Collar on Saturdays and while it is a fun day, they are still making shots," said Rose. "Having a Friendly team, we never had a problem filling in if someone was not available."

Rose said as captain he was satisfied with the co-operation, he received from his players this past season. "It was great. If someone couldn't make it they let me know in advance. Jean (co-captain Jean Rose) and I would like to thank the all the players and the spares for making the winning of the championship possible. The players had a great season."

Members of the championship team included: Millie Zygmunt, Linda Carnation, Jean Rose (co-captain), Jim Jones, Carol Braga, Pat Harwood, Paul Puerling, Rob Spence, Janet Spence, Pat Puerling, Linda Briffett, Neil Best, Neddy Harwood, Ray Rose (captain), Jules Vaillcourt, Bob Quish, Larry Hammond, Wayne Jones, Jan Kovacs, Bill Kovacs, Joe Rodrigues and Charles Hastings

Notes: The shuffleboard season usually runs from November to March...Covid-19 forced cancellation of the 2020 and 2021 seasons which resulted in only six teams participating this past season...Ray and Jean Rose have played on all 12 Bay Ranch championship teams... David and Mary Rodgers follow with being on 11 championship squads. The Rodgers didn't play on this year's team as they were only here for a month...Bay Ranch was the only park in the league that had friendly squad this year and it proved beneficial.

Short profile about Wayne Redshaw

As many of you know Wayne has shared his talent and written several profiles and articles for the Review over the years. Well, here is some background on him.

Wayne is a snowbird moving to Bay Ranch in 2012. He has been here every year except when the borders were closed as he is Canadian.

Wayne has been involved with writing sports close to 60 years which includes 33 & half years for a daily newspaper. (30 as sports editor).

He has 12 years publisher-editor of a weekly golf publication, close to 40 years covering the NHL which he also wrote for national wire services for Canadian Press and Associated Press. He has 35 years covering professional and amateur golf, Wayne has also written free lanced for a number of major daily newspapers and magazines both in Canada and the United States. He has also written two golf books and was a contributing writer for an NHL book.

Wayne says he has slowed down considerably but still does some writing for some newspapers and websites.

Perhaps we can convince and ask Wayne to share and send us story bout one of his many adventures covering some of these sporting events.

Thank you, Wayne, for contributing to our Review.

OUR NEIGHBORS

Services Director, Debbie Heil, Coach 104, 423-1264

We recently lost a very good friend and neighbor. Elda Hastings. Several friends have written tributes to her, and we want to share them with you. If anyone would like to reach out to Charlie, the address is:

Charlie Hastings
2304 Hwy. 11, South
Oro-Mendonte, Ontario
Canada, LOL 2LO

Elda Hastings was a small lady in stature with lots of energy and a big heart. Boyd and I called her the energizer bunny. She loved hot baths, Earl gray tea, shopping, line dancing, playing cards and Swedish Weaving, but most of all she loved her family; her three children, grandchildren, and her great grandchildren. She loved her many Canadian and American Friends. Elda was well known in the horseshoe world, she was the Canadian Women's Champion and also pitched in many Horseshoe World tournaments. She will be truly missed.
Jean Stonerock

Though we knew it was coming, the news that Elda Hastings had passed away was a blow to her Bay Ranch friends. She had been ill for a long time but was in remission, and we rejoiced that she and Charlie were back this year from their home in Ontario.

They live across Durango from us, and their close friends Jerry and Carol Olson just down the street. The Olsons socialized with the Hastings regularly, playing cards, sharing meals, carpooling to restaurants. They were part of a group of snowbirds from Canada and the northern US who have been wintering here literally for decades.

The Hastings' proximity to us was handy because it gave Elda the opportunity to make sure our car was always moved off the street. She would knock on our door on her way home from the Olson's or call us. Over the course of several years, she saved us many hundreds of dollars in towing fees and fines. Of course, in these not-so-tight houses, we could always hear her coming and going, so we could run out if we needed to talk to her about something

We also sort of gardened together. She and Charlie did their own gardening, though I did help them take out an overgrown bougainvillea in their back yard. She advised me when I made a standard from a jasmine shrub in our front yard. She also helped me prune a black cherry tomato plant in our front garden when it threatened to take over our front porch. She knew a lot about plants and often created lovely centerpieces as gifts for her closest friends.

Elda was also active in the Residents' Club. When we first moved here, she was part of a group of women who managed the clubhouse and the served the food. One of Jan's favorite stories is about helping put chairs and tables back in place after an event only to have Elda tell them they weren't right (backed up by the other women in her group) and suggesting they do

it right. After that, he never considered the job done until Elda had inspected.

On top of being a gardener, a great neighbor, and a crafter, Elda was also an athlete. In Canada, she and Charlie threw horseshoes, Elda was a champion, I believe on the national level. Here, they both shuffled, and true to form, she excelled at that, too. Even when her illness was creeping up on her again this winter, she considered it a priority to get into shape, riding her bike as often, as far and as fast as she could. And she often counseled me to do that, too.

It was tough on her to come out of remission during the pandemic because she (and we) had to be so careful. Even here among her many friends, she was isolated, and we were already missing her. The day she left for the airport her Durango friends got up early to see her off. She loved it.

Elda was a force, bossy but in the nicest way, active, talented, and just all around nice. We'll miss you, sweet friend.

In trying to help keep the cat problem under control, let me know of any kittens you know about. The program we are working with will foster kittens, but kittens only. Adult cats can be collected but will be returned to the park after they are fixed.

A suggestion that may help elevate the cats roaming and spraying all day and night long is: If you insist on feeding these feral cats, limit it to just a 2-hour period a day. They will learn to eat then and then go away, thus eliminate the spray, feces and car scratches. Let's all try to be good neighbors and work together to make this a great place to live.

AMERICAN FLAGS

Many Bay Ranch residents like to fly American flags in front of their homes. With daily flying, flags can get pretty ratty. Flag etiquette would have us dispose of ragged flags respectfully. Please leave your old flag at coach 167 for proper disposal.

MOTHERS DAY TRIVIA

The official Mother's Day holiday arose in the 1900s as a result of the efforts of Anna Jarvis, daughter of Ann Reeves Jarvis. Following her mother's 1905 death, Anna Jarvis conceived of Mother's Day as a way of honoring the sacrifices mothers made for their children. Gaining financial backing from a Philadelphia department store owner named John Wanamaker, in May 1908 she organized the first official Mother's Day celebration at a Methodist church in Grafton, West Virginia. That same day also saw thousands of people attend a Mother's Day event at one of Wanamaker's retail stores in Philadelphia.

Following the success of her first Mother's Day, Jarvis—who remained unmarried and childless her whole life—resolved to see her holiday added to the national calendar. Arguing that American holidays were biased toward male achievements, she started a massive letter writing campaign to newspapers and prominent politicians urging the adoption of a special day honoring motherhood.

By 1912 many states, towns and churches had adopted Mother's Day as an annual holiday, and Jarvis had established the Mother's Day International Association to help promote her cause. Her persistence paid off in 1914 when President Woodrow Wilson signed a measure officially establishing the second Sunday in May as Mother's Day.

Once Mother's Day became a national holiday, it was not long before florists, card companies and other merchants capitalized on its popularity.

While Jarvis had initially worked with the floral industry to help raise Mother's Day's profile, by 1920 she had become disgusted with how the holiday had been commercialized. She outwardly denounced the transformation and urged people to stop buying Mother's Day flowers, cards and candies.

Jarvis eventually resorted to an open campaign against Mother's Day profiteers, speaking out against confectioners, florists and even charities.

Did you know? More phone calls are made on Mother's Day than any other day of the year. These holiday chats with Mom often cause phone traffic to spike by as much as 37 percent.

HOUSEHOLD TIPS:

To keep bread from going moldy, put a dry paper towel under the bread in its original bag. Plant mint in the ground to repel pests: mice, moles, rats, etc.

To keep mosquitoes away, put a sheet of bounce fabric softener in your pocket, sleeve or shoe. Not sure if it has to be Bounce. If you try other s let us know if they work.

Thank you, Paige, for your hints. WHOS NEXT FOR NEXT MONTH???
