WEDNESDAY NIGHT EUCHRE LEAGUE

Thank you to all our Euchre players that came out this season. It was wonderful to see everyone after almost a two year separation from the pandemic. We are so blessed to be gathering once again.

I have to especially send my thanks and gratitude out to Arlene MacNeill for taking the lead in organizing the scores and payouts. Also to the Nickel Bingo folk that put up the tables and chairs during my recovery from knee surgery.

Lou and Jan Vedrode, Betty Bober, Lois Cordle, Donna Reid and Marc Thibeault and Doris Dixon (Donna's Mom). I'm sorry if I missed any one, please forgive me. We thank you all!

Lou and Jan were great keepers of the Euchre box, carrying it back and forth. You were so gracious and helpful to Al and me!

Thanks also to everyone that pitch right in when the play is completed, to put the table and chairs back properly and as quietly as possible.

Al and I truly appreciate all the help.

I love seeing so many new faces that quickly became a truly integral part of our Euchre League. It is always a joy to play card with such a fun crowd.

We do not have a cutoff date for euchre, as long as we have a three handed table, Al and I are up for it.

Al and I wish you all a very happy Summer season back with all your family and friend where ever you roam. We'll keep the light on for you, awaiting your return!

May God bless you with lots of joys and love and keep each other safe and healthy.

Happy trails 'til we meet again. SUE & AL

Pool Rules

RMHP residents, Many of you have questioned me about some of the rules at the pool. I have done some research and found most of the rules are actually Florida state rules that our local government, which is Largo, enforces. Other rules posted at the pool are rules made by our park boards. The most asked about rule is the one at the far end of the pool, the sign which reads “ABSOLUTELY NO FOOD OR BEVERAGES IN THIS AREA”. Water is considered a beverage also. The Florida state rule reads that there is a MINIMUM of 4’ from the pool wet deck, that has to be clear and no food or drink in that area. Our Ranch Mobile board made a decision to make that whole area free of food and drinks. A pool rule is a rule whether it is made by the state, local or RMHP board. If you don’t agree with a rule you can go to the state, local or RMHP board to request it be changed. I have requested a change for the rule that the state has changed to allow commercially plastic bottled water in the wet deck area to be a part of the parks rules. Once again, its the boards choice to or not to implement that state rule.

Those who don’t know what the wet deck is, it is the raised cement area around the edge of the entire pool. The no jumping, diving, or running are Florida state rules. The taking a shower before entering the pool is also a state rule. Some question that rule. Might sound silly but it IS a rule. The also silly sounding “if you are ill with diarrhea” and “do not swallow the pool water’ are also Florida state rules that can be posted. You may question the rules, and to those who don’t respect the rules, there are unannounced visits by state and Largo inspectors and if they happen to see a violation ... they WILL without hesitation revoke the parks pool permit. Then we all end up with no pool. I wouldn’t want to be the person that causes the state to shut down our pool. So, instead of getting angry and defensive when approached about following the rules, don’t break them in them in the first place.

Rules are to be respected and followed by our residents, their guests, children and grandchildren. As it states in our rules, residents are to explain those rules to their guests, children and grandchildren before they enter the pool area. Rules are what has made RMHP a great place to be a part of. When you buy into RMHP, one of the questions the board asks you is, have you read the by-laws and rules of the park (example ... no ball throwing in the pool area) and agree to follow them ... amazingly, everyone says “Yes”. I am asking you all to respect and follow the pool rules and rules of the whole park that you agreed to, so RMHP can remain the great park that it is. The longer you are here, the more you realize our park is a family where we all look out for one another.

Our pool is not a playground or beach, our park is not a resort area, it is first and foremost a senior park with RULES

Thank You, Beverly Benkowski, Pres. Pool Improvement Club

MAY CALENDAR

MAY

ALS Awareness Month. Numerous organizations and communities get together to spread awareness of amyotrophic lateral sclerosis (ALS), a rare neurological disease affecting nerve cells that control voluntary muscle movement. Though there is no cure for ALS, early detection can help in improving the quality of life of those with the disease.

Lupus Awareness Month. An opportunity for the lupus community to join together across the country to raise funds and awareness of the physical, emotional, and economic impact of lupus. There are many ways to help make lupus visible in May, from sharing your story on social media to starting a fundraiser or making a donation.

Military Appreciation Month. Congress designated May as National Military Appreciation Month in 1999 to ensure the nation was given the chance to publicly show its appreciation for troops past and present. May was chosen because it has many individual days marked to note the military's achievements.

National Inventors Month. National Inventors Month was started in 1998 to help promote a positive image of inventors and the contributions they give to this world. "We want to recognize those talented, brave individuals who dare to be blatantly creative, and therefore different, and whose accomplishments affect every facet of our lives," says Joanne Hayes-Rines, editor of *Inventors' Digest* and a sponsor of National Inventors Month.

Week

Be Kind to Animals Week, May 1–7. The American Humane Association created Be Kind to Animals Week in 1915 to encourage humanity towards animals. Each year, animal shelters all over the country hold special events to raise awareness about animals in their communities.

EMS (Emergency Medical Services) Week, May 15–21. The 2022 EMS Week theme is "EMS: Rising to the Challenge." This theme reminds people that every day, EMS workers are faced with new challenges, and yet they still respond, support, and care for the needs of their communities.

Bike to Work Week, May 16–22. Forty percent of all trips in the U.S. are less than two miles, making bicycling a feasible and fun way to get around.

American Craft Beer Week, May 16–22. Head over to your local brewpub or taproom and enjoy a pint, or grab a sixer or growler to go. Here's to American craft beer!

A little extra

A man always bought oranges from an older woman at the town market. She would weigh them on a scale and place them in a bag and tell him the price. After he paid, the man usually took one orange out of the bag, peeled it, and tasted one piece. Then he'd say, "This orange is sour," and hand it back to the woman.

She bit into it. "It tastes sweet to me," she always said, but she gave him a few extra oranges to make up for it.

The man's wife went to the market with him every day and saw this happen time after time. One day she asked her husband, "Why do you do that every time? The oranges are always sweet."

The man replied, "That old woman hardly eats. This way I get her to eat one orange a day for her health."

A merchant in a vegetable stall saw the exchange happen every day too. One day she asked the old woman, "Why do you let him get away with that? He always complains about your oranges, and you always give him extra. Why do you put up with it?"

The woman smiled. "He always pays me a little extra when I weigh his bag. That way he can feed me and pretend I don't know what he's doing. His love pays for the extra orange."

Hope

Once there was a man who made and sold pottery to support his family. Unfortunately, his business suffered severe losses, and had to sell much of his property to keep it afloat.

One day his son asked him, "Why are you still running this business when you're losing so much money?"

Why don't you shut it down and do something else?"

The father smiled and replied, "My son, life can bring us many challenges and push us down, but we need to have hope to overcome any problem."

The son asked, "How can hope help us?"

The father said, "Let me show you."

He took his son to a deep well in the back of his house and told him to jump.

In shock, the son said, "Father, I don't know how to swim!" But his father pushed him to the well and walked away.

The son struggled in the cold water for close to five minutes. When he thought he was just about to drown, the father reached in and pulled his son out of the well.

The next day, the father again took his son to the well and told him to jump. At first the son hesitated, then jumped into the well. Again his father walked away.

The boy again struggled to keep from drowning. This time his father left him in the well for 15 minutes, but he managed to stay above the water until his father came and pulled him out.

The father asked, "Why were you fighting harder than yesterday?"

His son replied, "Yesterday, I did not know what to do. But today, I knew that you would come and save me before I drowned."

Moral: When we push ourselves with hope, and trust the people around us, we can overcome anything.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."
