From the Editor:

Randi Burton

Hello, my fine-feathered friends! It is I, Randi, once more! I was able to bribe Mr. Hambley with wine and song (and pasta) to be the editor again! HA HA! Seriously, though, I would like to apologize to everyone for losing my temper and I humbly thank Mr. Hambley for giving me a second chance. We have all needed second chances, I am sure, at one time or another. I would also like to thank YOU, my dear neighbors, for your positive reaction to my being editor again and I hope we can have a nice, long relationship via the media.

There is so much going on! Right now, we need a new Activities Coordinator to put together all those potlucks and dinners that we enjoy. PLEASE, if you are interested, email or call me and I will let the PARK POWERS know. Don't worry, Tammy Heffron, our last activities leader, is more than happy to share her expertise and guide you on your way. We need you! People are starting to come out of their shells now, and I noticed that activities including FOOD always seem to do pretty well. Those are my FAVORITE! And speaking of food, I wrote about the chili cook-off in the last media and there will be another article in this issue about a spectacular event we had a few weeks ago. ALSO, WHO'S WHO is back and so is SEE YA AT THE DRIVE-IN!!! There is an awesome movie I hope I can entice you into seeing (if you have not seen it yet) and a person, très intéressant, to read about in my WHO'S WHO.

Poetry Corner has survived, thanks to Mr. Hambley, and, as always, I would love to receive a poem that you love or wrote to put in an issue—or a movie review! Just email it to me, PLEASE. And as for FOOD, I would absolutely LOVE to follow in the footsteps of East Bay Oaks and have an INTERNATIONAL potluck! The one they had was AMAZEBALLS and the food—ooo la la! If anyone wants to take the lead on this, please let me know and we can work on it together! I would also like to say THANK YOU to all the people in the park who look out for each other and to Miss Patty, Tammy Heffron, Jeanette Jefkins, Miss Georgia Mavrick and Laura and Michael for continuing to take care of the clubhouse and opening and closing all the amenities. And a special thank you to Miss Dorisanne for having those pantry days so we can all get some good food—for FREE! Thanks to the team for giving us a nice agenda for fun things to do together, and I hope there will be many more. So, without further ado, I bid you GUTE LESEN and UNA NOCHE BONITA!!!

PS—My email address is ichwillmetal999@gmail.com. That is an L before the 9's—as in METAL (I am a METAL HEAD). Please feel free to email me any rants, raves or reviews/poems AND any suggestions you may have for making the media even better—thanks!!! We can also put in a few pictures a year (in black and white) if you want to submit something. Those are FREE. And did you know we can use a picture of your choosing (in color) for the cover and it only costs \$35? If you have something, please let me know!

MANAGER'S MOMENT:

KRISTEN PRUETT

MANAGER

Take Pride in your Community!!

Beginning with the May Media Newsletter, we will be highlighting a SPOTLIGHT LOT of the MONTH-aka- The Eldorado Village Monthly SPOT-LOT!! We will feature a lot that has great landscaping or decorations, or maybe an awesome new paint job or unique seating arrangement, a great drab to fab transformation, seasonal decorations, etc. We will feature a picture of the home and resident with a congratulatory write-up in the newsletter, and you will receive a special award for being the SPOT-LOT of the MONTH!! I encourage everyone to get out there and spruce up your lots and homes so we can give you proper kudos for the pride you have in your home and community!! Good Luck!!!

Let's Work Together For Everyone's Enjoyment!!

Beginning immediately, I am going to implement a policy regarding smoking and address alcohol consumption around the pool area. The prospectus says "Smoking, including electronic cigarettes, is not allowed in any Community structure or within one hundred (100) feet of any entrance to a Community common area building." We are only going to ask at this time that smoking only occur at the tables in the covered part of the patio and no longer at or in the pool or spa. My hope is that smokers will be conscientious of their neighbors, especially those with

health issues. I have received many comments recently that some won't even go to the pool anymore because it is so smokey and that people smoke everywhere, including IN the pool. This is a real issue and is essentially preventing the community as a whole from enjoying the property amenities. The prospectus also says "No drinking of alcoholic beverages is allowed in or around the pool or pool area." So, with that said, going forward, you can only have alcoholic beverages in the covered table area of the pool and NEVER directly by or in the pool or spa. And glass anything is strictly prohibited. This is a health department issue, and they will shut the pool down if we are not in compliance. It's going to be a long hot summer and I would love it if everyone could enjoy the pool. If you have questions or comments, please let me know.

Reminder on Trash Policies

1. The trash area is open Tues, Weds and Fri from 8:00 AM to 3:30 PM (unless it is full or the city has picked up the compactor).

Introducing The East Bay Oaks and Eldorado Village Talent Bank!!

Are you a skilled baker, auto mechanic, accountant, hairdresser/barber, computer repair person, house cleaner, financial planner, painter, decorator, seamstress, mechanically inclined, or someone with a truck willing to pick up a piece of furniture or haul something off to the dump, etc? What did/do you excel at when in the workforce? The community is looking to tap into the vast skills and expertise of our residents. Everyone has value and worth. The opportunities are endless. There is a commonality among all of the residents simply by virtue of your address. As we are all aware, word of mouth is very impactful. It's more likely that residents will receive a higher response rate AND quality of work solely based on the camaraderie that exists. If you would like to be added to a growing list of residents willing to offer their services for a fee, as a courtesy, or to barter **CALL US TODAY!** And please direct all feedback and inquiries to the office via email at eastbayoaks@equitylifestyle.com or call us at (727) 531-9105. Looking forward to hearing from you!!

From the Editor: I see people posting their needs everyday on our Facebook page and it seems to be working soundly. Other residents are always eager to point the way to the right place or person to help someone or even offer their own assistance if they are qualified. Let us keep this going so we can save each other money and stress by being there for each other and lending a figurative or literal hand.

Do You Want To Be In the Know?

Moving forward, all bulk communications, announcements, updates, etc from the Management Office to the Residents will be made via our bulk Texting system called Text-Em-All. We already have

Continued on page 10

several people sign up, but we want everyone signed so that you never miss any important information about your community. If you have not already been receiving text updates from us, please contact the office right away so we can get you signed up. This only works with a cell phone, however, but I do believe that most people have those these days but if you do not, you could ask a neighbor to be your communications buddy and let you know anytime an update text comes through. If nothing else, let us know you do not have a cell phone here at the office and we will work with you on an alternative so that you stay informed.

Pet Policy

A few things about pets I want to point out so there are no questions about your responsibility as a pet owner. Keeping a pet on the property is a privilege and not a right and as such, the following rules must be adhered to or we will have no choice but to ask you to remove the animal from the property. These rules apply whether the animal is a household pet, an Emotional Support Animal, or a Service Animal.

1. ALL animals must be registered with the office, and we will need all required documentation for any ESA's or Service Animals.
2. Dogs are to be on leashes AT ALL TIMES and the handler must maintain control of their animal at all times, not letting it run up or jump on people or other animals.
3. Pet cats are supposed to be indoor animals only.
4. You MUST pick up after your pet goes to the bathroom—we do have doggy pots at both properties that have the bags and a container just for that.
5. Excessive barking must be controlled so the pet is not bothering the neighbors. I seem to hear this a lot and it is against park rules.

Social Club Activities

The Social Club is looking for a FULL TIME resident to come on Board as Social Activities Director or co-chair. Duties are as follows: oversees chairpersons for all social activities such as picnics, dances, ice cream social, golden wedding, Christmas/Thanksgiving Dinners and all weekly activities. They also clear the dates for all events and make arrangements so the next year's events are booked for a couple of months. We need someone to fill this position—Tammy will still continue to use her expertise in decorating the clubhouse and will help guide incoming persons with her knowledge and “how to.” If interested, please contact Georgia Mavrick (630-341-1936) or Randell (Randi) Burton at ichwillmetal999@gmail.com.

Speeding

There are **WAY** too many people driving **WAY TOO** fast in our park. **I consider this a SERIOUS NO-NO** because we have a **LOT** of residents riding their bikes or strolling through the neighborhood and many of them use walkers or scooters/wheelchairs and can't move quick enough to avoid an accident. We also have a **LOT** of beautiful wildlife roaming the park—ducks, turtles, all kinds of birds and the cute little cotton-tail rabbits we see everywhere—and we need to **PROTECT** them **AND** our ambulatory residents.. The speed limit is 10 MPH. I think most of our neighbors adhere to this and it is the visitors who are breaking the rules. If you see someone driving too fast, get their license plate number so we can report them to the office. If it is, indeed, a visitor, they can lose the privilege of coming into the park. I think this is **VERY** important and so should you. Let us all work together to get this problem fixed!

PS—If you think it may be any of your family members or friends (sorry, but it happens), **PLEASE** tell them to respect **YOU** by respecting the rules of the place you call home. Also, please let your company know to turn down their **RADIOS** when within the parameters of the park. Again, they should respect **YOU** enough to do this. Thank you!

Street Lights

Is there a street light out near you? You can report it directly to Duke Energy via their website at <https://salor-web.duke-energy.app/#/home/map/fl>—you just need to know the light pole number. If you see any other lights out around the property, please let us know in the office so we can get it repaired right away.

Plumbing Backups

If you experience a whole house back-up at your home, before you call a plumber, please call the office first so we can send the guys out to determine if there is a blockage beyond your unit and therefore an issue that we need to address immediately.

Maintenance Requests

I want to let everyone know that effective **IMMEDIATELY**, the maintenance men will **NO LONGER BE ABLE TO TAKE VERBAL MAINTENANCE REQUESTS OUT IN THE FIELD**. **ALL** requests must go through the office. It is vitally important that we have a record of all work performed by our guys on the property. Please don't get upset with them if they tell you that you need to call the office—no matter how small the request may be, we need documentation. Their job performance is somewhat monitored by these records and scheduling their time and staffing will be based on what is coming in. Thank you for working with us.

I think that's it for now.

Thanks again,

Kristen Pruett

POETRY CORNER:

Sonnet I

Ahoy there, mate!
Going my way?
We can travel together
And see what we may
We can swim the same channels
and ride the same waves
We can mingle with natives
For that excitement we crave
We'll see beautiful animals
And ferocious beasts
We'll dine like the kings
At our very own feast
And if the ship stops
Or somehow gets lost,
We'll still stick together
Whatever the cost
For seeing this world
Is a very great thing
And with you by my side,
We can hear the sea sing.

Soup's On!!!

For those of you who missed it, we had a great day in March where we had a soup tasting contest! OMG, it was so good and the people in charge thought of everything—crackers, tortilla strips, hot sauce, lemonade, little cups and spoons—you name it! Just like the chili cook-off, it was hard to choose the best and here is a list of our winners: In **FIRST PLACE**, the illustrious Georgia Mavrick does it again with her delicious **TORTILLA SOUP**, in second place, Rob and Melissa Dumont rocked it, too, with a hearty **VEGETABLE**, and in third place we had a tie!!! Jo Sloan with a **SHAKER CHICKEN** recipe and Tammy Heffron herself with a scrumptious **MEATBALL TORTELLINI**! Yee-ha! Other participants were Laura Cholewa with a yummy **GREEN VEGETABLE** (she did not win this time but I heard a **LOT** of people saying how good her soup was), Roger West, who made a **HAM AND POTATO** soup that made you feel like rolling down the aisles in paroxysms of gastronomical bliss, Cheryl Clark with a **ROASTED RED PEPPER** that turned up your toes (in a good way!), and Roger West yet again with a divine **KALE AND SAUSAGE**! I want to thank all the chefs and the staff who

continued on page 18

put this together—it was a GREAT day and I hope we do it again soon!

PS—For our end of year POOL PARTY, Tammy Heffron made ALL the food and it was FANTABULOUS! We had BBQ chicken sandwiches, her delish SECRET recipe MACARONI salad, baked beans and assorted beverages. Everyone had a blast and LOVED the food. Afterwards, there was ice cream with all the toppings!!! Thank you, Tammy!!! My burgeoning gut tips it hat to thee!

Veterans Board

In case you did not know, we have a board (actually 2) that honors veterans. We have pictures of residents and also family members who have served in the military. If you have a family member who has served or is serving, we would like to recognize them. We would LOVE to have a picture of the individual as well as what branch they served. Pictures and information can be given to Sandy Yost (Lot 62 Sandyost@gmail.com) or Dick Hambley (Lot 51 richwham@aol.com). We welcome all contributions and urge you to visit the clubhouse and see what we have done to commemorate our indigenous heroes.

WHO IS LISA BOWLING???

For those of you who have not been in the office awhile, there will be quite a surprise!!! Sharon, the great gal who worked there with Debbie for years, has unfortunately left to seek her fortune elsewhere, but, as the old adage goes, “One door closes and another one opens.” And who should happen to step in that door? None other than Lisa Bowling! I was able to bribe Lisa with gummi bears into letting me interview her so we can learn more about our new park “lieutenant,” and what a buoyant personality she has!

Lisa was born in DC but then moved to northern Virginia until she was 10. She was the youngest of SIX siblings and considers herself blessed by this because her older siblings “paved the way for me to have less restrictions,” she explains. She also had the added benefit of having her own “Uber” service because since the elder gang had driver’s licenses, she was freely carted around to parties and high school football games. Quelle chance!

We almost lost Lisa to the Pinellas County criminal system (as an employee NOT an inmate, I think—ha ha!), but thankfully Kristen, the new manager, reached out to her and scheduled an interview. Lisa has three sons and loves working with her husband in the garden. She adores our balmy state and how things grow and bloom here with such ease. Together, she and her husband are working into turning their backyard into a “lush, tropical oasis.” She also brought some canna lily bulbs down here when she moved from Chambersburg, Pennsylvania, and they have since grown and “thrived.”

When it comes to grub, Lisa CRAVES Indian food and says, “The hotter the better!” She also enjoys Mexican and even though she hails from a huge, Italian family, she claims to be no cook. BUT...she does say she makes a mean chicken Caesar lasagna and sausage tortellini soup. Qué magnífico! So, my dear neighbors, when you go into the office, don’t be shy and introduce yourself to Lisa and get to know this new addition to our park who, like Kristen, brings with her an ebullient, intelligent mind and an unequivocal love of life and community which should help continue to make our home flourish.

Thank you for your RCS Donations!!!

Sandy Yost

The Eldorado Village Social Club has been supporting the work of RCS for more than 8 years! The first records are from our former neighbor, Shirley Pratt, followed by John Campbell and Michelle Leamon and, currently, Sandy Yost—all delivering our club donations to RCS. Individuals and families may access services once a month, receiving 3-4 days’ worth of food for all household members per visit. A photo ID, SS card and a piece of mail with current address are needed. If you or someone you know need a ride to RCS, please contact Debbie and Steve Ennis or Sandy Yost.

RCS programs and services include:

RCS Food Banks serve 70,000 Pinellas County neighbors—32,000 of these neighbors are senior citizens and children. Over 4 million pounds of food are distributed annually with support from nearly 100 other local food banks and pantries.

RCS Grace House helps individuals and families facing homelessness return to self-sufficiency.

The Haven of RCS provides safety, security and support for women and children facing domestic abuse. Their outreach center serves nearly 17,000 women and children annually. Their safe house sheltered over 300 women and children last year and they provide a resource list for men needing assistance with domestic violence issues. Their hotline receives over 4,000 calls annually with requests for assistance in matters of domestic violence.

Goldsmith Gardens provides comfortable, safe, affordable housing and support for individuals and families. Their housing community serves 12 families and nearly 40 individuals annually. They provide wrap-around programs and services that are conducive to self-sufficiency— including education, financial literacy, workforce development and life skill development.

Basic Needs are met through a variety of collaborations and partnerships.

RCS Express Center provides ‘get it now’ services to meet the needs of the community with direct support related to hunger, homelessness, domestic violence, and other basic needs. Small meal ingredients and hygiene products are distributed, and guests are connected to partner agencies for other needs via immediate referrals.

Golden Wedding Board

In the clubhouse on the west wall is a frame with the names of residents who celebrated their fiftieth wedding anniversary while living here in Eldorado. We have not been able to celebrate this great milestone in a couple of years, but we still want to recognize those who have celebrated this auspicious occasion. If you, or if you know of a neighbor, who has reached or is reaching this year the fifty year mark we would like to know and be able to add their names to the wall. You can contact me, richwham@aol.com, and I will see that you are added.

CALLING ALL SHUFFLERS!

2021-2022 Shuffle Season

Attention Eldorado Shufflers:

The 2020/21 shuffle season was supposed to be remembered as the season that we were finally going to defeat the dreaded Embassy juggernaut. But instead, the 20/21 season will be remembered as the COVID year that never was. As a result, we have lost a number of Eldorado shufflers who will not be returning or who have decided not to play this season.

So, going forward, we will not be fielding an Eldorado team for league play this year. We will instead be inviting residents to gather on a week night (to be determined) for informal play, instruction for beginners and socializing. Perhaps we can develop an interest for a team next year. Stay tuned for social shuffling updates.

Players who are interested in league play for this year are invited to join our sister park, East Bay Oaks shuffle team. They are in need of league players and you will be warmly welcomed. Contact Colleen Huckins at 727-550-6397 if you are interested in joining East Bay Oaks league play. Watch for notices or contact Steve Ennis (518-859-6635) if you are interested in learning to play or just getting together for a night of “social shuffling”—we would love to have you!

Many Thanks,
Steve Ennis

DARTS – DARTS – DARTS

Linda Stayer

Calling all dart enthusiasts! The Eldorado Village Social Club has “refreshed” the dart game area, located near the billiard table in the clubhouse. There are NEW darts, dart score board, eraser, and markers. The dart board has been hung at the correct height and there is a new floor decal which marks the correct distance from the dart board for game play (for steel tipped darts).

Find a buddy and come and enjoy!!!

Eldorado Facebook Page

Dick Hambley

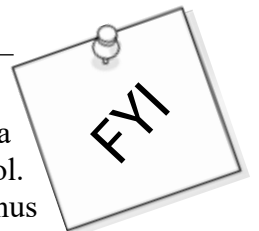

For those who were unaware, Suzie Rossetti and I are the administrators for the Eldorado Village Facebook page. We would like to remind everyone that to join the page you (the individual requesting) must send us a “friend” request and answer the three questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. If we get a request from someone who has not answered the questions, we automatically decline the request. We do not mean to exclude folks who have a perfect right to join, but you would be surprised at the number of requests that we get that, when we research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed. Please request an invite at Eldorado Village Page. Thanks!

Library History Scrap Books

Pam Spilbeller has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well to give us another mode of looking back at the past. These items are not to be removed from the library, but we have comfortable seating here, and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam’s efforts. Shout out to PAM!!!

For Your Information

The clubhouse is opened by the maintenance staff Mon-Fri at 8:00 AM. Evenings and weekends (including holidays), Laura Cholewa and her son Michael have been closing up the clubhouse and the pool. We should be grateful to them for VOLUNTEERING to do this chore thus giving us more access to these amenities. If you need the clubhouse or the pool hours extended for any reason, please confer with the park manager to get permission to have this done. Kudos to Laura and Michael for being a great part of our community and making life a little easier for all of us.

The LIBRARY Is For All Residents!!!

Linda Stayer

The Eldorado Village library is comfortable, clean, well-kept, and most importantly USED!

Thank you to the many residents who have and continue to donate books, puzzles, DVD movies, and playing cards. All is appreciated.

It's SIMPLE.....

1. Borrow and Return.
2. Books are organized by the author's last name.
3. Special sections: Biographies, Health, Cooking, DIY, Inspirational Romance, etc.
4. Have a donation? Put your item(s) in the "Drop-off" box in the library.
5. Entertainment items work the same way....DVD movies, puzzles, board games and playing cards are just waiting for your attention.
6. HISTORY – of Eldorado Village – interested? There are notebooks and scrapbooks (with photos) on our rich history dating back to 1969 when the park was established. Take a few minutes, sit on the love seat or comfortable chair, and enjoy a "blast from the past".

Bulletin Board

We have a Bulletin Board by the mailboxes. We realize that many folks do not go to the club house on a regular basis so this is a way for all to see coming events. Hopefully you will find something you might enjoy attending. You will also see what is transpiring in the neighborhood at the Eldorado Village Facebook page. Don't miss out!

SEE YA AT THE DRIVE-IN!!!

Thank you for tuning into another movie review from your favorite critic—ha ha! This month's film is *CAPTAIN BLOOD* with Errol Flynn and Olivia de Havilland. Many of you may recognize that name and have watched it before, but whether you have or haven't, it is definitely a movie for the ages! I just saw it recently and it was one of the best films I have ever seen even though it was made in 1935! It is the first movie where Flynn and De Havilland starred together and is based on a book by Rafael Sabatini. It is about a doctor who is arrested for treason for treating someone who was hurt in a rebellion and sent to the West Indies to be sold into slavery.

Filmed in black and white, it by no means detracts from its enjoyability. How the doctor escapes his bonds and becomes a pirate is a thrilling tale from beginning to end. The love story scintillates from the chemistry of the two leads—a *BANKABLE* chemistry that would lead to 7 more films together. This is a movie for *EVERYONE*—young and old—and one where you will really want some popcorn to go with the adventure and tension it creates. I loved every minute of it and am now reading the book, which the movie follows very closely. If you like swashbuckling tales of valor and freedom, go down to the Largo Public Library and get a copy of *CAPTAIN BLOOD*. You may also be able to stream it, but whichever way you choose to watch it, get ready for an excitable, rowdy night with a group of “gentlemen” pirates!

NO IFS, ANDS OR BUTTS!!!

If you are a smoker, please do not dispose of your cigarette butts on the street. If you are seen doing this, you will be reported to the office. We do our best to keep our park clean and neat and if people can pick up their pet's poop, then you can most certainly hold on to your cigarette butt until it can be properly disposed of. Thanks to those smokers who *DO* take pride in their community and adhere to this rule.

Information About Water Shutoffs:

As most residents know, there are times that the water in Eldorado must be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble.

We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you are not sure if your name is on the park's robocall list, I would suggest that you check with the office to make sure you are on the list or added.

We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose to not let air into your hot water heater. You can also turn off the water coming into your home which will prevent water from draining out of it and into the sewer system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER SHUTOFFS!

There is nothing they can do to help you.

Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with residents' anniversaries and birthdays. I need your help by writing in your birthday or anniversary if it is not already in there (and if you want to). The book is in the library and I go through it periodically to see if there are new additions and add the ones that were sent to me. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us keep our records up to date.

RECYCLE RECYCLE RECYCLE

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills.

The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/ packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

This will not allow animals to get into it and it can be left out a little earlier than the specified time. This is **ONLY** for tight lidded garbage cans!!! Plastic ones are fine and you can get a good one at Walmart or Amazon.

Dump hours: Monday - Friday 8:00 am - 3:30 pm
