PARK MANAGER'S COMMUNICATION

Amanda Malzone, amanda@qualifiedproperty.com

Hello Four Seasons Residents! My name is Amanda Malzone, and I am your new Community Association Manager (park manager). Many of you have met me when I have run the zoom for the shareholder meetings, and I hope to meet the rest of you soon! I am a portfolio LCAM with Qualified Property Management, and I have been with the company for 10 years. At this time, the park has switched to portfolio management, which means there is no longer a manager in the office 5 days a week. Rest assured, Tracy is still in the office Monday through Thursday, from 8am to 2pm, and starting April 15 she will also be in the office from 8am to 12 noon on Fridays. She will remain your main point of contact. I am in the office one day a week, and if there is going to be a board meeting in each week, I will be here on the day of the meeting. If there is no meeting, the day will vary. You will also see a gentleman here once a week by the name of Michael Tillotson. He is the Director of Client Relations for Qualified Property Management, and although I am your manager, he and I are essentially sharing the responsibilities of the management of the park. We can be reached at the following emails samanda@qualifiedproperty.com and michael@qualifiedproperty.com.

As you know, the park is currently going through the process of being purchased by Legacy Communities. Four Seasons Estates recently had two CPA's in to discuss the process and tax implications with the shareholders, one for international shareholder and one for US shareholders. We have sent out the recording of both of those sessions to the shareholders, and we strongly encourage you to engage a CPA to further guide you through that process. If for any reason a shareholder has misplaced or deleted those videos, please contact Tracy at fourseasonsadmin@qualifiedproperty.com, and she can resend them.

Michael and I look forward to working with all of you and encourage you to reach out if you need us. Have a wonderful month!

MESSAGE FROM THE ROC PRESIDENT

Ron Kelly Lot #413

It is hard to believe that another season has gone by at Four Seasons Estates and many of our residents have already gone home for the summer. It has been an extremely busy and eventful season, and hopefully we will have the sale of the shares in the park completed before most residents return from their summer homes.

Due Diligence by Legacy is almost complete, next step is the most important, the final agreement, which is the PSA (Purchase and Sale Agreement).

The Board of Directors would like to express our appreciation to all our Four Seasons residents for your encouragement, support, and most importantly, patience while we have continued to negotiate with Legacy, and at the same time, run the park as normal. We have had many trials and tribulations over the past season, including the placement of new homes, repairs to the pool, and upkeep of the gate and bridge connecting FSE to Pointe West.

The Board of Directors wishes all our residents a safe and happy summer, and we will keep everyone informed using email and VOLO throughout the summer.

On another note, please welcome Amanda Malzone and Michael Tillotson from QPM who will manage the park along with our current Admin, Tracy Shreffler, throughout the summer months.

We look forward to seeing everyone in the fall!

FOUR SEASONS HOMEOWNERS' ASSOCIATION NEWS

Judy Ingram, President, Lot #243, Phone 603-769-0710

Thank you to the homeowners who attended our meeting on April 7.

Also, we really appreciated our guest speakers, Ron Kelly and Lloyd Wilson, who shared information about the possible sale of the park. They were very informative, and our members came away with a better understanding of the process as well as the benefits to homeowners. If you were unable to attend the meeting, you may review a full copy of the minutes of the February, March and April meetings which will be posted in the HOA section of the bulletin board in the clubhouse. All those meetings, for the most part, contain the many facets of the sale of the park.

Homeowners, as you may know, this was the last HOA meeting until November 3, 2022. By then, the sale of park should be completed. We look forward to seeing you then.

Meanwhile, with the changes that are coming, we are encouraging all homeowners to become official dues-paying members of our association. Please join and attend our scheduled meetings so that you may have input as a homeowner. It is important to maintain our Homeowner's Association as organized under the laws of the State of Florida to act for the benefit of its members in dealings with the owner of the park. Our Homeowner's Association is your legal voice, and we represent all homeowners.

FROM THE DESK OF THE SAC PRESIDENT

Tom Smith, Lot # 303

April brought some cool evenings, warm sunshine and a mixture of rainy weather. We look forward to the daily sunshine the month of May will bring. Our SAC sponsored Pancake Breakfast was well attended with over 100 enjoying some morning conversations with friends and neighbors. We will be continuing our Pancake breakfast for the month of May and possibly longer if we have the attendance. Our Memorial Day Picnic is in the planning stage, and we look forward to everyone coming together. Last year over 125 people attended this picnic.

Our Wednesday morning KK continues to be the spotlight every week with announcements, birthdays and anniversaries to celebrate with our assortment of delicious donuts and coffee for everyone. May will bring some changes as many of our neighbors have returned home. They will be missed while away from our little slice of paradise here at Four Seasons Estates.

Thank you to the SAC Board members, all our chairpersons, committee members and volunteers who plan and organize all our events and activities for their time and hard work.

SAC would like to extend an invitation to all our residents to get involved to help keep our community one of the best in the area. **You can make a difference.** There is something that will fit for everyone with all the behind-the-scenes activities it takes to plan and execute SAC's mission. Please consider offering your talents and get to know our park and residents while doing so.

On behalf of the Board, I would like to thank our community for the strong support you have shown to our Social Activities Team. We wish you a safe and healthy summer.

My door is always open to you, if I can be of any assistance, please do not hesitate to contact me.

All good ideas must have a legislator (in the FL House and Senate) who believes in the proposal and agree to sponsor it. Now begins the FMO Legislative Counsel's voice part in getting the bill passed by the end of the session.

She follows the bills presented for benefit of Manufactured homes as they progress. Bills must be referred by sponsors in the House and Senate, pass through several committees in each, she watches the different amendments made to be sure that the bills remain on dialogue and purpose, provides input information requested of her, and informs FMO members when they need to contact their own District representative to show support.

She is mindful of the timeline of when the bills must be moved through all steps required to be ready to be presented before the 9-week session ends. The final hurdle is that the State Budget must be passed! Then the bills are considered and voted on.

The part that Nancy Black Stewart does before and especially during the legislative session is monumental in the passage of ideas getting turned into proposals, which are passed for Homeowners' benefit.

ARE YOU LEAVING THE PARK SOON? (Use this as a checklist)

So many things need to be done before you close your home for the summer. Probably the worse job is emptying the refrigerator! Some folks leave their refrigerators plugged in and full of food, just always be mindful that if the power goes off during the summer and items defrost and then refreeze, you should discard everything when you come back in the fall. Better be safe than sorry!

- The second most important thing to remember - Be sure to turn off your water.
- Store all outdoor furniture in your shed or porch – heavy summer winds can cause items to be blown around.
- Remove fake flowers from your planters – they only fade or blow away during hot and windy summer months.
- Take in and store your door mats and park mail pouch. Remove your flag and store away until you come back.
- Be sure to put a change of address/stop delivery with the US Post Office. And tape/tie your mailbox closed.
- If you have the newspaper delivered – be sure to call them and give a stop date.
- Store your garbage and recycle buckets in your shed.
- Make arrangements for your planter to be weeded and shrubs trimmed while you are away. Notify the office with the name and phone number of the person/company who will take care of the weeds.

- Give a trusted neighbor a house key and ask them to check on your place once a month. Always good to have someone watching over things while you are away.
- Be sure to lock your windows and doors – and shed door.
- Don't leave items like landscape lights or decorative items in your lawn. Difficult for the lawnmowers to mow around such items. Put your landscape lights in the planters – looks nice at night in the summer when folks are out on their evening walk.
- Check your awnings now (before you must leave) and put new fixtures on them if necessary. Be sure to lower and secure them. It's such an easy way to secure your home and hopefully prevent serious damage

Our Four Seasons Estates Veterans Wall is a highlight of our Clubhouse. Established many years ago by the late Dan Gregorio, we continue to pay tribute to those residents who have served in the military (American or Canadian). Take a few minutes next time you are in the clubhouse and read the names. The small dove in the corner of the frame indicates the veteran who has died.

If you are a veteran and would like to be added to our Wall, please contact Paul Halle or Gary LaClair.

INDIAN HILLS MAKES A NAME FOR ITSELF

What started as an April Fool's Prank has turned into a community favorite for those passing through Indian Hills, Colorado. It's the brainchild of Vince Rozmiarek, a local resident who decided to take it upon himself to switch up the status quo while working as a volunteer for the Indian Hills Community Center nearly 10 years ago.

"They had a little, tiny sign and asked me to build a bigger one" Rozmiarek said.

So he did. And for a while he kept it straight and posted the usual wedding, birthday and veteran events the community center hosts.

That all changed, however, on April Fool's Day, when Rozmiarek decided to craft a sign that read: "Indian Hills annexed by Morrison slow down."

Understandably, it took the community by surprise. And while some realized it was a joke, others contacted police to see if it was legit. "I could not believe how many people were calling the police," Rozmiarek joked, "I really had the people at the Sit N Bull bar scared out of their minds. I did that and just decided that got a lot of attention so I'll start throwing things up there."

Continued on page 28

From there, the sign shifted focus to also include funny sayings and punny phrases. Every few days, Rozmiarek puts out a new sign. Some ideas are his own, and some he takes from others.

The signs became so popular in the community, Rozmiarek eventually decided to make a Facebook page with the help of Micahlynn Kaza. More than 2-and-half years later, 26,000 people like the page, with each new signpost getting hundreds, if not thousands of likes and shares. It's even made the front page of Reddit a few times, according to Kaza.

"It's quite hilarious, really, seeing how far the sign has spread and how much people love it," Kaza said. "I think it's quickly becoming the 'thing' Indian Hills is known for." The Facebook page has fans from 45 different countries - and in places as far reaching as New Zealand, Rozmiarek said.

And while coming up with fresh ideas isn't always easy, it appears to be a challenge Rozmiarek is willing to take on. "I always get a big giggle out of it," Rozmiarek said. "It makes you feel good if you make a ton of people laugh."

MAY CALENDAR

MAY

ALS Awareness Month. Numerous organizations and communities get together to spread awareness of amyotrophic lateral sclerosis (ALS), a rare neurological disease affecting nerve cells that control voluntary muscle movement. Though there is no cure for ALS, early detection can help in improving the quality of life of those with the disease.

Lupus Awareness Month. An opportunity for the lupus community to join together across the country to raise funds and awareness of the physical, emotional, and economic impact of lupus. There are many ways to help make lupus visible in May, from sharing your story on social media to starting a fundraiser or making a donation.

Military Appreciation Month. Congress designated May as National Military Appreciation Month in 1999 to ensure the nation was given the chance to publicly show its appreciation for troops past and present. May was chosen because it has many individual days marked to note the military's achievements.

National Inventors Month. National Inventors Month was started in 1998 to help promote a positive image of inventors and the contributions they give to this world. "We want to recognize those talented, brave individuals who dare to be blatantly creative, and therefore different, and whose accomplishments affect every facet of our lives," says Joanne Hayes-Rines, editor of *Inventors' Digest* and a sponsor of National Inventors Month.

Week

Be Kind to Animals Week, May 1–7. The American Humane Association created Be Kind to Animals Week in 1915 to encourage humanity towards animals. Each year, animal shelters all over the country hold special events to raise awareness about animals in their communities.

EMS (Emergency Medical Services) Week, May 15–21. The 2022 EMS Week theme is "EMS: Rising to the Challenge." This theme reminds people that every day, EMS workers are faced with new challenges, and yet they still respond, support, and care for the needs of their communities.

Bike to Work Week, May 16–22. Forty percent of all trips in the U.S. are less than two miles, making bicycling a feasible and fun way to get around.

American Craft Beer Week, May 16–22. Head over to your local brewpub or taproom and enjoy a pint, or grab a sixer or growler to go. Here's to American craft beer!
