ON THE COVER:

Yes, we know it was last month, but it's still worth sharing. Peggy Kaszian of 6th street has always been known for her seasonal decorations of her home. This year for Easter, Peggy opened her lawn for everyone's families and grand children to have their photo taken with the Easter Bunny in front of her home. Thank you, Peggy, for your remembrances of seasonal events and the joyous decorations you share with our residents

FROM THE EDITOR

By: Donna Wurtz (lot 938.....509-1182.....momshse@aol.com)

Happy Mother's Day to all of our Moms, Grandmoms, Moms-in-law, God-moms, and every other kind of mom there may be. Last month Harold presented a short story about what it is to be a mom at coffee hour. It may have been a month to early for Mother's Day, but it said everything about Moms that we could think of and he wanted to get it out there. It is a bit too long to republish here in this article, so we are sorry if you missed it, but be sure that it was intended for all Lincolnshire Moms

This month is also Memorial Day. A day to remember all of our service men & women who gave all so that we could enjoy the freedoms and lifestyles that we enjoy. Yes we have our cookouts and family parties, but let's remember those who made that possible for us to enjoy.

This year the celebration at the flag will be deferred to the Largo Central Park celebration, since that memorial service has been moved to the early time that we normally have ours here. Bob Behm will be at the park taking part in the service and would like to invite all residents to join him at the park. Our cookout will follow at the clubhouse later in the day. Watch for flyers.

On another note—summer is here, and many children are out of school, and some will be here in Lincolnshire visiting families. PLEASE REMEMBER the speed limit in the park is 10 MPH. Some of our visitors are very young and may be out in our quiet streets in play. Please do not use our streets as racetracks. You can still get where you are going without the “need for speed”

Thanks:

See you next month

FROM THE DESK of the PRESIDENT

Summer is here. This is the time you should be getting your home ready for the Hurricane season. Make sure you have Batteries, Candles and lots of water. Most of the TV stations will tell you what you need. Please pay attention because the weather changes fast in Florida.

We are going to try and keep the fun going during the summer and with that we will start out with a Memorial Day lunch. We are planning Hot Dogs, Hamburgers, Chips and Ice cream and a soda. We are also hoping maybe some of the Ladies would make salads. We will be selling tickets in May and at this point I think it will be five dollars per person. We do have a committee for this and if you would like to help let us know.

We will also try to make sure we do something for the fourth of July. We are always open to new ideas. Please call me (727-581-5257) or anyone on the board with your ideas. We love to try new things. I am also working on making sure we have in January our Ladies Salad Luncheon. You will read more each month in the voice.

MAY BIRTHDAYS:

In case you missed it last month at coffee hour, Cobie, our long-time retired pianist, celebrated her 90th birthday. Glad to see her out and about and still enjoying Lincolnshire

THOUGHT FOR THE MONTH:

"It was the month of May, the month when . . . lovers, subject to the same force which reawakens the plants, feel their hearts open again, recall past trusts and past vows, and moments of tenderness, and yearn for a renewal of the magical awareness which is love." —*Sir Thomas Malory*

By Donna Wurtz (#938.....509-1182.....momshse@aol.com)

The dial directory for the 2022-2023 year has been submitted to the publisher. We thank everyone who sent in their changes to be published in the book and welcome our new residents who have completed their forms to be included.

Therefore, please do not make complaints regarding non-notifications of things like water shutoff, as we cannot call you if we don't have a number.

The new book will be delivered over the summer months and will be distributed to your block captains for further distribution. Those who are part time residents can expect to be able to pick up their new books from their block captains upon their return in the fall.

Meanwhile, please add the following newly listed numbers to your existing Dial directory for your information: **BLOCK CAPTAINS PLEASE TAKE NOTE:**

COOKING IN LINCOLNSHIRE

By: Donna Wurtz (#938.....509-1182.....momshse@aol.com)

With our travel club back underway, and many of our residents heading to far away places, we are sharing a French dish that is served on river cruises in France. Rich and spicy – simple but elegant.

CREAMY COGNAC PRAWNS

- 1 TBS butter
- 1 TBS olive oil
- 2 cloves Garlic
- ½ Cup Shallots slice thin
- 1 Lb large PRAWNS (shrimp), peeled & deveined
- pinch red pepper flakes
- ¼ cup sundried tomatoes in oil, drained & diced
- ½ cup cognac
- ½ cup half -&-half
- salt & pepper to taste

Heat the butter & oil in a skillet over med. Heat. Add garlic & shallots and cook while stirring. When golden increase heat to high & add prawns, pepper flakes & sundried tomatoes and cook 5 minutes until shrimp is opaque and golden. Transfer shrimp to plate & keep warm. With heat remaining on high, add cognac. Stir to loosen browned bits. Reduce heat to low and stir in half-&-half. Simmer 5 minutes of until sauce is slightly thickened. Fold in shrimp and serve immediately over past (or rice if you prefer) editor's note: I like it best over angel hair pasta

TRAVEL CLUB NEWS:

By: Cheri Lynn Giruzzi.....(lot # 1356.....813-716-6931)

Wow! What a great turnout for the first meeting of the re-started Lincolnshire travel club. “Abe Lincoln Shire” our mascot was handed over to the new travel coordinator and will be with us (or anyone who wishes to bring him along on their trips for Photo ops.) on our expeditions as Lincolnshire again begins to travel the world.

The first group trip has been set up for a 7-night cruise on Royal Caribbean’s new ship, the Wonder of the Seas. Sailing from Port Canaveral to St. Maarten, St. Thomas, and Coco Cay. The dates are November 13th – 20th 2022. A few residents have already signed up for the cruise, and all of the interior cabins are already sold out. Don’t miss out on this great ship and great prices. Balcony Cabins (recommended by Harold) are only \$3511 for 2 people and that includes port fees and taxes (something people forget when trying to compare prices) Deposits before May 1 receive \$100 shipboard credit, after that date \$50 shipboard credit.

I GOT IT:

By: Shirley Bettencourt..... (lot 874.....508-207-3659)

The game, “I GOT IT,” is played on the second and fourth Thursday of each month. You pay “ \$5.00 for a set of 2 sleeves of cards or \$10.00 for a set of 4 sleeves of cards (placing \$5 in its own envelope for each set of sleeves.)

Games will continue through the summer months as long as at least 10 players are present. Remember, the game is fun for all – It is NOT bingo - faster, more fun, and more interactive.

POTLUCK DINNER:

By: Frances Byrne..... (Lot 483.....776-7144)

Don’t forget to join us for potluck dinner this month. Second Tuesday of each month we get to taste all kinds of great cooking by our neighbors. Bring a dish to pass that will feed approximately 10 people

Sunshine Committee

By: Mary Jo Webert & Marge Kristall

May 2022

Special days to start and end the month of May. Happy Mother's Day to all of the Lincolnshire Moms, Grandmothers, Stepmom's and Mothers-in-law. Hope your special day has you enjoying it in the company of your family in person, via Zoom or on the phone.

Memorial Day, a day to Honor & Remember. While we all look forward to those annual Memorial Day barbecues & picnics let us not forget the real purpose of Memorial Day. A time to remember the sacrifices of the men & women who gave their lives in service to our country. City of Largo is holding a Memorial Day event from 9am to 10am Monday May 30th, in Largo Central Park.

Special thanks to the many residents that have given us cards to use every month. Keep them coming!

Since our last newsletter we have contacted via cards /calls the following residents who have had hospital stays or are home recovering from an illness. Please keep them in your thoughts & prayers.

Ann Heller Lot# 1517 – recent stay in hospital & rehab.

Marilyn Grubb's - Son Pete – hospital for heart surgery.

John Mullery (former resident Lot# 1536) back home after recent hospital stay.

Saddens us to report of our Lincolnshire residents passing.

Oswald (Ossie) Callaghan – former resident passed away on March 6th. Former Canadian resident & his wife Diana had been active Canada night shows.

If any of our residents get birthday, sympathy, or get-well cards in the mail from various organizations and are not planning to use them we would appreciate you dropping them off to either one of us or call and we can pick them up. The Sunshine Committee can always put them to good use.

Please give Mary Jo or Marge a call with any news regarding our Lincolnshire neighbors. It is always nice to know that others are thinking of you when you are experiencing a difficult time in your life.

Mary Jo Webert # 727-242-2505

Marge Kristall # 727-709-2345

DID YOU
KNOW ?

That was quite a turn out March 31st for the HOA Membership Meeting. The Directors were very impressed with the interest and concerns Members displayed. We will continue to send out similar information by email or if necessary, a Special

Membership Meeting.

We are looking for a good recruitment drive to bring our rosters back to normal. So, anything you can do to help encourage others to join, the better our chances are for improvements. Applications are available online, see above email.

Currently the Board of Directors are working with Management in an attempt to find just how this new unannounced Bi-Monthly “Admin Fee” billing is calculated. As of this writing, all we have been “told” is everyone will be invoiced the same amount every other month, but that it will change based on total water usage. (????). The association and all its members have the right to know the numbers affecting this “Admin Fee” and substantiation thereof.

Speaking of “on-line”. All currently paid members are registered through our new email system. It even came in handy for the Park Manager to “request” help when they needed to notify us about another water shutoff on April 1st. Sorry, we can only communicate with HOA members only.

We are looking for a few good men & women who would like to help this Community by joining the Board of Directors. Management, organizational and computer skills are really needed in this stage of the game. Directors must be available to attend a majority of all the Monthly Directors meetings. That would also include “Special Directors Meetings”. If you are interested or have questions, contact myself at the above email address. The Association will fund your training requirements.

And Finally: For HOA Members: Communications is our lead goal for this year. Please use the email for any of your concerns. Always include your Lot #. Surprisingly, if you’re not sure, take a walk outside; it’s probably a beautiful day.

LINCOLNSHIRE KENNEL KLUB

WICKETT WURTZ {Lot 938....459-0394.....bigchees99@aol.com}

Even though Nikko did not live close by to me on 9th street, I know that he brought much joy to those who knew him well. For this month I am turning over the kennel club article to his human companion from here in Lincolnshire. So sorry that you have left us Nikko, Here is an article form his human companion
Wickett.

I want to thank everyone who shared sincere and wonderful words to me plus Facebook posts on the passing of Nikko. A truly wonderful Shiba Inu red boy, who selected me as the human he wanted to train in the Shiba way for almost 15 years. My first pupper and cherished as all of our pets certainly are. *A Helping Hands Pet Hospice Vet* came to his home (never was truly just mine) and helped him pass on where he was no longer in pain, unable to see, walk well and above all else properly supervise his human. I know he will find a sunny place on a beach next to a sailboat of his choice so we can sail again.

NIKKO

See you on my walks

SPORTS PAGES

BOWLING

The league has finished up for the season, but open bowling will continue through the year at Liberty Lanes on Thursdays at 12:00 PM. Come out and practice with your Lincolnshire friends. It's all just for fun.

You may want to know how the season ended up. It was a good year for our bowlers. Even with the non-Lincolnshire people bowling, everyone had a good time, and we saw some good scores. Among the Lincolnshire teams, the Bucs and the Packers ended up in a tie for first place. The Bucs were Dennis Beiderer, Dale Spaulding, Tony Martin and Dave Cassidy. The Packers were Chris Beiderer, Karen Bare, Alice Oswalt, and Louie Oswalt.

Hi scores among Lincolnshire residents include one of the highest ever in the league for Ralph Bare who bowled high scratch game of 276 (and that was a handicap 331) Great job Ralph. Other high games included Dave Cassidy with a 244, Joe Thompson III with a scratch series of 597, Bob Mitchell with a high handicap game of 274 and Chris Beiderer with a high handicap game of 255. There were many other high games on a weekly basis, but these are the season highs listed for only the bowlers who actually live in Lincolnshire at this time. We hope next year to list a lot more, so come on out and practice with us.

GOLF

This will be the last report from both the men's and ladies golf leagues. We all had a lot of good golfing this year and expect to continue next year. Thank you Jane for your scheduling and taking care of the men's league.

The ladies golf league had a special event – Karen Terreberry had a hole in one 3/25/22. Congrats

Safe travels to all our snowbirds We will be golfing all during the summer, but tee ties will be your own responsibility to schedule.

VETERAN'S CORNER

The Memorial Day Celebration this year will take place at the Veteran's Memorial at Largo Central Park at 9am on 30 May. The Department of Veterans Affairs has unveiled a plan that calls for closing 17 aging or underused medical centers, while shifting services to more than 30 new or rebuilt hospitals. In some cases, it would rely on private care. Under the nearly \$2 trillion proposal released Monday, the department would lose a net of three medical centers and 174 outpatient health clinics but would gain 255 health care facilities, including new clinics, stand-alone rehabilitation centers and nursing homes. Medical centers in areas with diminishing veteran populations are among those slated to close, while others would be built in growing urban centers, the West and the South -- areas where veteran populations are growing. The recommendations, which represent the VA's vision for future health care delivery to more than 12 million veterans in the next 25 to 50 years, are the first step in an asset and infrastructure review required by Congress in 2018. The infrastructure modernization proposals will be reviewed next by an independent commission, which will provide its own input. The final plan must be approved by Congress before being enacted. Under the plan, 17 medical centers in 12 states would close, 18 in 16 states would be completely replaced, and 13 new centers would be built in 11 states.

Of the 17 slated for closure, three are in New York City or its suburbs, including Castle Point, Manhattan and Brooklyn. Two each are in Pennsylvania (Philadelphia and Coatesville), Virginia (Salem and Hampton), and South Dakota (Fort Meade and Hot Springs).

Other medical centers on the proposed closure list include those in: Livermore, California, Dublin, Georgia, Fort Wayne, Indiana, Alexandria, Louisiana, VA Central Western Massachusetts, Battle Creek, Michigan, Chillicothe, Ohio, Muskogee, Oklahoma.

Some of these facilities would shift services to nearby civilian hospital networks or become multi-specialty community outpatient clinics, while others would shift their patients to newly built VA medical centers or bolstered existing hospitals nearby.

New medical centers also would be built at: Newport News and Norfolk, Virginia, Macon and Gwinnett County, Georgia, Huntsville, Alabama, Summerville, South Carolina, Grand Rapids, Michigan, Everett, Washington, Colorado Springs, Colorado, Anthem, Arizona. Another 18 medical centers would be completely rebuilt, on existing land nearby.

Fortunately, as of right now none of the centers or clinics in Fl will be affected.

A Nurse's Self Care Toolbox #47

Allyn Webert, RN. Lot 1438, Lincolnshire Estates

Last month we brought this series on diabetes up to current treatments including medications for diabetes. Some people do suffer from low sugar or hypoglycemia. Dangerous. I will discuss that in another future article if interest.

Diabetes is quite a bit like having a toddler living with you. You can't let the child run the house. I will admit to you all that the biggest obstacle to getting and keeping blood sugar levels where our body was designed cannot be done solely by relying on medications alone. Best analogy I can think of is trying to push a car when it is in reverse. Remember we can eat most anything if good healthy food. The real questions is how much and what am I going to do when the sugar has been absorbed in the blood and circulating to every cell. All diabetic medications need us to help. The results can be phenomenal when we and are medications are working together.

Ok, let's cover the most frequent medications. The first and most basic medication helps the pancreas excrete more insulin. Remember insulin kicks the sugar found in the blood in to each and every cell, 24/7. Metformin is the most common. Our pancreas ages and just simply gets tired even without the constant stress of too much sugar. Upside to these medications is more sugar gets to where it belongs and blood sugar drops. There are two downsides, one is we are asking the pancreas who is already tired to work harder and for at least 14 days after starting we feel lousy. Why do we feel lousy? Our blood sugar hasn't been more normal for a long time, maybe years? Our body is simply saying I don't like this even if it is better. Many people stop taking the medication and don't even tell their doctor. Sad but true. I would tell my diabetic patients who just started on oral meds to call me if they initially feel lousy. I got called and kept them going for a bit longer.

The second most common medications not only help the pancreas make more insulin but also help the sugar get into each body cell easier. Many diabetics over several years begin to have problems just getting more sugar from the blood in to each cell regardless of enough insulin. Sort of like becoming insensitive or ignoring the needed sugar. Again many people feel lousy and stop. Sad again.

There are newer medications that slow down the absorption of sugar in the small intestine (remember that is where almost all the sugar in foods we eat gets broken down and absorbed.)

When oral medications along with doing the hard work of what to eat, when to eat and movement to use the sugar seem to fail and the blood sugar remains high, the physician will then use injectable insulin and still the only way to get real insulin. Supplemental insulin either once a day or more often work with oral medications to get the blood sugar down to prevent further damage to our now fragile arteries.

These are, according to the American Diabetic Association the absolute best “Cut Down’s”:
Cut down on sugar; Cut down on processed meat especially salted varieties; Cut down on energy dense, processed food - such as crisps, cakes, biscuits and pastries and finally Cut down on alcohol. Chew well my friends! Next month I will bother you with other concerns you want to know about though never ask.
