President's Report

By Ray Lamoureux #9

The snowbirds are starting to head north for their summer homes. The winter was very unusual with everyone here and no activities. We started a few with the board picnic and game a few coffee hours and all board meetings outside. I hope things will back to normal in the near future.

A fence was installed on the Hardin property to make the property secure we had reports of kids gathering in back of the bank at night and the chain link fence is laying down and easy to get over. The board is trying to secure the property as much as possible. There are places that kids jump over the white fence we need everyone to call the Sherriff when they see them doing it.

The clubhouse is having some work being installed as of this newsletter. The park hired someone to open the clubhouse and unlock the pool each day. The person doing it retired from the job so automatic locks on four of the doors and the pool gates they will be controlled from the office computer for the times to open and close.

The main air conditioners in the clubhouse are twenty-eight years old and one failed. The board got bids to replace them and the air handler in the attic. It was better to replace the old one than spend a lot of money on an old air conditioner.

The board did their annual home inspections if yours did not pass please tell the office when the violation will be completed.

The most important is the decision on what to do with the Hardin House. We need 2/3 vote either way to decide on the house. We need everyone's proxy to determine the outcome. The outcome could not be determined at the March 30th board meeting to allow everyone a chance to send in their proxy by April 27th board meeting. The outcome can only be tabled three times and a new proxy would be needed. Our lawyer is proceeding with the zoning change.

The park has been clearing out since mid-April many of you have left to return to your northern homes for the summer. I hope that you had / have a safe and enjoyable journey getting to your destination. Fall will be here before we know it and we will be welcoming you back to Golden Acres for another winter of good times.

Summer is more of a “laid-back” time in Sunny Florida, so not as many events occur as they do in the winter months. Wherever you are, whomever you’re visiting or wherever you’re vacationing, your articles are always welcome for the newsletter. We enjoy reading about what our fellow Golden Acres residents are doing and don’t forget the pictures!

Many thanks to all of you that provided articles and pictures for this month's newsletter. Please keep the articles and pictures flowing every month in 2022. This month you will read about Our New Resident; Shuffleboard 2022; Six Happy Fishermen; Board Picnic 2022; News in Health, Fraud Watch; a Special Thank You; Celebrating 50 years; Recreation Report and a Tribute to Elaine Eckert.

As May approaches, here are some notable events to remember:

- Happy Fifth of May! (Feliz Cinco de Mayo). It is observed in the United States as a celebration of Mexican heritage and pride.
- Mother’s Day is May 8th so Happy Mother’s Day to all and enjoy a relaxing day!
- For the Canadians, Victoria Day is May 23rd to celebrate Queen Victoria’s Birthday, also known as the “May Long Weekend” or “May Two-Four”. Happy May Two-Four to all of our Canadian friends!
- Memorial Day is May 30th to honor all Americans who have died while serving in the military. Happy Memorial Day to all our American friends!

Quote of the Month: “How you love yourself is how you teach others to love you.”

– *Rupi Kaur, Canadian poet, illustrator, photographer, and author.*

Until next time,

May God bless and keep you well and safe...

Greetings from the Office

By Karin Desmone #1

Please welcome John & Kathy Burke #89, Thomas & Suzanne Fleming #37, and Randy & Lori Nickle #225 to the park. Congratulations and may you find lots of happiness, fun and laughter in your new home.

Welcome to Our New Neighbors from Nova Scotia

By Elaine Janes #216

Chris Sprague and Martin Neynens, lot #96, are from Halifax, Nova Scotia Canada. They are new residents in Golden Acres, but not new faces in our park.

They visited Chris' sister and husband, Staicy and Bruce Gunter, in 2018 and 2019 and became very interested in the park, Dunedin, and the surrounding area. They were able to attend some of the park's activities during their visits, which were a lot of fun. The office added their names to the very long list of interested buyers. Meanwhile, Chris and Martin were looking at units in other parks. But Golden Acres was their #1 choice.

Martin still works full time for an electrical engineering company. Chris is retired after 35 years with Canada's largest telecommunications company. While Martin works, Chris keeps herself busy volunteering at the Children's Hospital, gardening, going to the gym, and taking motorcycle trips with her ladies' motorcycle group.

During nice weather, Chris convinces Martin to play hooky from work to go riding on their motorcycles. Each year they take a motorcycle trip to different parts of Canada and the northeastern United States.

Before Covid, and hopefully soon, they like to go dancing on weekends with friends. Both enjoy East Coast and Celtic music. They have 5 boys and 7 grandchildren.

Martin and Chris were both raised on farms so know how to turn a hand to many things. They were taught to build or fix it when you needed something. Because of this, Martin is able to do all kinds of renovations, whether it relates to carpentry, plumbing, or electrical improvements.

It is wonderful to have Chris and Martin living in Golden Acres. We hope you find happiness and enjoyment for many years ahead in your new home.

Recreation Report

By Dan Peters #34
Recreation Chairman

Hello to everyone from the Recreation Committee. The newly appointed committee is pleased to welcome our newest member Debbie Douthit #60. She will serve as Co-Chairperson, and we are extremely pleased to have her on our team. I personally want to thank all the existing members for remaining on the committee, as the newly appointed Chair, it makes the transition so much smoother, and I appreciate their dedication and commitment.

Since we have been together for a very short time, we have been extremely busy in coordinating events for next year. With the issues of the last two years, we are behind in getting our events confirmed, but one thing we have, is hard working members. Some of the things we are working on are several dances with some wonderful hosts and mixers, some new events, along with coordinating the other events that we have come to enjoy here at Golden Acres. We also want to give a big thanks to Denny and Jackie Cunningham #166 in helping to find us bands for these events.

We are still looking for a person to chair the Can Am, along with some other activities. Please if you have interest in being a coordinator for these activities please contact one of us on the committee. We have had several people volunteer to help with Bingo, which we greatly appreciate, and the committee wants to thank others who have let us know of their willingness to take over some of our weekly activities such as Bowling, along with some new activities such as Pickle Ball. As we finalize the calendar we will make sure to recognize these people and let the community know of their volunteerism.

So, in closing we hope to have a full slate of activities next year for all to enjoy and return to the vibrant committee we have had in the past! To everyone we want to wish safe travels home to those leaving, and to the full-time residents, enjoy your summer from our committee.

Maureen Shannon #200, Deb Pollard #221, Elaine Janes #216, Linda St Peter #140, Deb Douthit #60, Sue Bailey #188, and Dan Peters #34.

A Special Thank You

By Marie Gengarelli #52

I want to thank Paula and Joe Bunevith #202 for taking over my care in my recent struggle with my back and I want to thank Carol Diniz #25 and Doris Wilczynski (renter #62) for shopping and doing various things for me, Judy Fitzpatrick and Tony #87 for keeping an eye on me and telling me to call if I need any help at all, and the people who stopped by and wished me well. And as for my Wine Thirty crew “I missed you so very much and I love you all very much.”

Beware of contractors who:

- Say they stopped by because they just happened to be in the neighborhood. The good ones are usually too busy to roam around in search of work.
- Say they can offer a lower price by using surplus material. That could mean they overbilled a previous customer or didn't finish the work.
- Make limited-time offers, pressuring you to hire them right away to get a discount.
- Demand upfront payment or offer to arrange financing through a lender they know.

Building Resilience from Stress

From NIH (News in Health) newsinhealth.nih.gov

Nurturing your body, brain, and social connections can help you bounce back from stress.

- Develop healthy physical habits. Healthy eating, physical activity, and regular sleep can improve your physical and mental health.
- Take time for yourself. Make taking care of yourself part of your daily routine. Take time to notice the good moments or do something that you enjoy, like reading a book or listening to music.
- Look at problems from different angles. Think of challenging situations as growth opportunities. Try to see the positive side of things. Learn from your mistakes and don't dwell on them.
- Practice gratitude. Take time to note things to be thankful for each day.
- Explore your beliefs about the meaning and purpose of life. Think about how to guide your life by the principles that are important to you.
- Tap into your social connections and community. Surround yourself with positive, healthy people. Ask friends, family, or trusted members of your community for information or assistance when you need it. Look for cultural practices that you feel help in times of stress.
- Get help for mental health and substance use disorders. Talk with a health care professional if you're having trouble coping. Or call SAMHSA's free national helpline at 1-800-662-HELP. If you or someone you know is thinking about suicide, you can call the National Suicide Prevention Lifeline at 1-800-273-TALK. You can also text "HOME" to the Crisis Text Line at 741741.

Obituary for Charlotte Elaine Hayden Eckert

Charlotte Elaine Hayden Eckert was born on June 15, 1934, in Ridgeway, VA, to parents William Wade and Norene Ida Hayden. She grew up in Roanoke, VA, and as a teen she, her sister Shirley, and PhillipAnn, a friend of theirs, formed a trio and sang on the radio as well as in local venues. Elaine had a beautiful bright alto singing voice. After graduating from William Fleming High School, Elaine took a secretarial course and was hired by the FBI as one of Herbert Hoover's personal secretarial staff. She worked at the Lynchburg Guidance Center (a mental health clinic), had many assignments through the Kelly Girl Temporary Agency and later worked as a technical secretary for the engineers at Babcock and Wilcox. She was a member of the American Businesswoman's Association and held an office with the local chapter. She was active in her church, in the choir and as an accomplished pianist. She was also an extraordinary seamstress. While living in Cambridge, Ontario, she helped build Avenue Road Baptist Church. Elaine was a "snowbird" after retirement traveling between Ottawa, Ontario, and Dunedin Florida, and became a year-round Dunedin resident in 2017. Elaine was a long-time active member and leader in the North Dunedin Baptist Church. In addition to playing the piano and sewing, Elaine loved to read, work puzzles, crochet, knit, macrame and go sailing with her husband, Art.

Elaine passed away peacefully on March 8, 2022, at Harbor Chase, Palm Harbor, in the arms of her youngest daughter, Charlane Cluett. She is survived by eight children: Claralynne Williams (husband Jamie), Steve Eckert, Pete Eckert (wife Amy), Mark Hunter (wife Madeleine), Marlene Rickert (husband Paul), Karen Heman, Charlane Cluett (husband David), Rob Eckert (wife Cheryl), grandchildren, great-grandchildren, and great-great-grandchildren.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
