From the Board of Directors

Roland Doucette, President

With the summer heat upon us, it is important that as we go to the pool to get a little relief from the heat we comply with the rules that allow us to keep our pool open. These rules are in your Blue Book, and you should take a few minutes to review them before your guests arrive. Of the rules that are there, the one that will cost us all the most money in the long run is the wearing of tanning lotions and oils, which are prohibited from being used inside the pool. These substances will destroy our pool filters and require a very costly replacement. We ask that you please remind your guests.

Each of you that stay in Blue Jay during hurricane season should have an emergency plan that includes: 1. where you will stay if there is an evacuation; 2. supplies for 2-5 days; 3. medications; 4. important papers to take; 5. medical and pet accommodations. A reminder, the clubhouse cannot be used as an emergency shelter. Keep this in mind as hurricane season approaches.

This is a quick reminder to follow up on a previous post. We have been asked by our trash collectors to ask residents to place larger items out for disposal on Fridays rather than Tuesdays. We are being told that the truck is emptier when they get to Blue Jay on Fridays. Please remember also that there are guidelines in the Blue Book that reference putting trash on the sidewalk. Trash in cans can be put out after 6 PM the night before, but trash in bags or bound by string or rope cannot be in the sidewalk before the morning of pickup. There have been recent occurrences of trash on a sidewalk days before pickup. Please help us keep Blue Jay looking beautiful.

There has been a recent occurrence with trash being placed on our property that we have no knowledge of. While we are not sure how it got there, there is at least a possibility that one of our “neighbors” from CR 90 may have thrown debris over the fence. We will be paying to remove this trash, which is not the best thing for our budget. If you live in one of the houses along CR90, please take an occasional look behind your house to make sure we are not getting any “packages” left there. Your help is appreciated.

Issues are developing relative to homeowners starting projects on their home without Architectural Committee approval. The purpose of approval is to ensure that changes conform to our documents. It is the responsibility of the homeowner to obtain approval. Without approval you could be required to remove all changes and restore the property to its pre-work state. Do not let contractors begin work on your homes before getting approval. Not doing so could prove costly.

Finally, Blue Jay policies, and Pinellas County ordinances, prohibit parking on our sidewalks. We have received complaints from residents who use walkers. They cannot walk on sidewalks because automobiles are there. All motor vehicles, including golf carts, should be parked on the street.

...continued on page 6

With that I will remind you that we continue to have an operations meeting every Monday morning at 8:30am. I attend via telephone. Residents are welcome to attend. I can be reached at 401-659-0073 or via e-mail (preferred) at phyteach88@gmail.com if you need to get in touch with me.

Stay safe and enjoy the summer!!

From The Social Club

George Toper, Chairman

April & May had a pretty major drop in our community attendance at Wednesday coffee hour and Social Club activities meeting. We're already missing our community members that have returned to their northern homes and our foreign neighbors that have restricted their travel plans to Blue Jay Estates hopefully they can get back on a regular travel schedule.

The Social Club Committee is putting the fall/winter and winter/spring events schedule together with the help of our event coordinators that have volunteered to be hosts or hostess of these events. For the end of May the social club is planning a Memorial Day pot-luck picnic/dinner together with music after for dancing and entertainment. This is planned to start at 5:30 pm with games and dinner and music to follow.

By June we will be in summer mode which reduces some activities. We've been told that 64% of our community are now permanent residents. So, we are going to try to promote activities that keep everyone busy. Thinking some of possible by-weekly activities with one week of games such as shuffle board, Bocce ball, and/or bean toss (corn hole) and the next week of music.

Due to some issues Bud Fox will no longer pick up aluminum soda cans for recycling that would be donated to a local church as a fund raiser. Peg McConnell has noted that the Tuesday morning crafts and Swedish Weaving activities have been temporarily stopped until fall.

We have reestablished a complete team for the Neighborhood Watch Program and Pinellas County Sheriff's crime prevention program. Our team consists of Cindy William, Dave Jones, and Michael Wicker (not in any special order). There is a planned meeting with Deputy Skipper for the community soon and a follow up meeting planned for fall when our population is up. Date TDA.

Pinellas County Emergency Management will conduct a Hurricane Preparedness Seminar during a Wednesday morning meeting /coffee time the meeting will be condensed to allow for a complete and informative program, this will be held on June 22, 2022. We are planning on a follow up seminar later this year or beginning of next year for the community.

Welcome Committee

Ronnie Beetle, Coordinator

A warm welcome to the following Blue Jay residents who joined us in March and April 2022. Michael & Stacey Glogowski, Lot #182, NJ, Terry & Marian Wallace, Lot #164, MI, and Don Stark, Lot #89, Iowa. We look forward to meeting you and seeing you at Blue Jay activities.

Red Hats

Roz Powell, Coordinator

On April 20th the Red Hat Mamas from Blue Jay met for our monthly luncheon. I want to thank our hosts Sandy Losiniecki and Beverly Wood. They did a great job and picked Ozona Blue which was a good choice. We had 16 ladies present.

The 50/50 was won by Sandy Losiniecki. There were also other prizes given out along with lotto tickets. A good time was had by all. A special thanks to the ladies who have volunteered to host the luncheons and other activities! It is not difficult and new ideas are always welcome.

Dedicated Senior Medical Center
A CHENMED COMPANY

Have the Right Doctor? Ask Yourself These 10 Questions.

At Dedicated Senior Medical Center, we're committed to keeping seniors healthy, happy and at home. We understand these are scary times, but we're here to help. Dedicated doctors specialize in caring for seniors and that's why we make it easy for you to see a doctor.

Ask yourself:

1. Is your doctor's office still open?
2. Have you heard from your doctor in the past two weeks?
3. Is your doctor personally calling and texting to check on you?
4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?
9. Is your doctor helping to make sure you receive all of your prescription refills?
10. Is your doctor offering to help you get your medications delivered?

Things to Remember

1. Eastbound cars entering Blue Jay Estates from Curlew Road ALWAYS have the right-of-way
2. Cars should park on one side of the street, based on which side other cars are parked on. This is to let fire trucks through.
3. Please don't park on sidewalks.
4. Check sprinklers. Attention all homeowners who live in odd numbered houses. The County has changed the watering schedule we have become used to for the last several years. If you **live in an odd-numbered house you must change your watering days from Tuesday and Saturday to Wednesday and Saturday**. This is a Pinellas County requirement and they will be coming through to check. Significant fines could be incurred if you do not get this right. Please take care of it yourself or ask for help.

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,
The Florida Anchor & Barrier Team

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
