## COFFEE HOURS FOR JUNE THROUGH SEPTEMBER

Since no one has signed up to host coffee hour and we had only 12 people at the last coffee on May 14, we are suspending coffee for the time being. If you think we should do it maybe once a month or something, please let the Social Club Board know, and we'll figure it out. Thanks for all those who have hosted, served and cleaned up over the winter – we truly appreciate your efforts!!

## FROM THE SZYNSKI KIDS

We want to thank all who showed up at our last coffee on April 30. Our family surprised us buying the donuts for our Farewell Saturday. We enjoyed our many friends for the last 17 years. "Enjoy every day, life flies." Much love, Joyce and Al Sunshine

on everyone's door. June 1 thru November 30 – if we lose power, there is a generator for the library and the refrigerator in the pool room will be available for medicines, and A/C will be on if you need to cool off. Put flower pots away!! You will have 3-day notice to put things away.

Mike Burgan from Site Committee reported that #166 requested to add 2 feet to driveway width to bump out carport – request denied. Steve McCaskey said Lot #'s 2, 85, 90, 189 and 191 all asked for additions to site and were approved. Thanks to Mike Burgan on this committee. Need to contact Site Committee to be approved by Lake Highlander, then to City of Dunedin for permits. It can take time, it is a process.

No unfinished business. New Business: Motion to discontinue contract for electronic voting was approved. It was very convoluted and had too many issues with old program. Other new and better programs are coming. Voted to cancel contract.

Office will be closed for Good Friday / Easter and no trash pickup. Meeting adjourned.

## EASTER DIINNER

**W**e had a very successful Easter Dinner at the Clubhouse. There were about 120 residents attending plus took meals to many people who couldn't attend. The potluck idea worked very well and so we had tons of great food along with the delicious ham that Social Club furnished. Thanks to all who organized it and worked it!!

# MOTHER'S DAY MEMORIES

*contributions from Residents*

**M**y Mother had an amazing life. Here are some of her wonderful traits--great mom and grandma, terrific cook, good neighbor, community worker, and dedicated Christian. Another thing I remember is how she was a daredevil; Mother enjoyed every carnival/amusement park ride. While I was timid and scared to ride them, she was first in line. This zest for life carried her through the good and hard times. Happy Mother's Day! – Judy Walling

*Carol Weibel*

My Mom (Carol Weibel), beautiful inside and out, she was a resident here for almost twenty years. Miss my mom immensely. – Carrie Weibel

My Mom was the type to always root for the underdog and to protect those who were being picked on. She also reminded me, at about age 40, that while being a wife, step-mom and grandma, not to lose track of who I was ...that I should always “be myself” and not let anyone else try to change me. Good advice ... thanks, Mom!! – JoLynn Kendzora

I graduated from West Unity, Ohio, kindergarten in 1962. The only thing that I could not accomplish was tying my shoes. We would spend the summer in Middletown Center, Pennsylvania, so that my mother could help her mother run the general store. My grandmother insisted that I learn to tie my shoes. I don't know how long it took, but once I did, I spent the entire afternoon tying and untying the apron strings of my mom, grandmother and aunt's aprons! I was so proud. Here is a picture of my mom, Olive Bly, in one of those aprons. – Laurie Bly Young

## FATHER'S DAY MEMORIES

*contributions from Residents*

Even though my Daddy only went thru the eighth grade, he was a smart man. He was a farmer and livestock producer. When harvesting came around, he could calculate his crop earnings (in his head) quicker than I could on paper. His straight crop rows were known by others. After long hours worked on the farm, there were times for fun, too. Mother would prepare a picnic which we would enjoy with him in one of his fields. He would take us in his big truck loaded with corn to the grain company, the truck was elevated so the corn would pour out. For Easter, Daddy bought us baby chicks with dye-colored feathers and ducklings. We went on many vacations to Florida and out West. Even though he rarely hugged us, we knew he loved us. I remember him putting me on his knee while quizzing me about his Christmas present. He said, "Jude, what are you and Joyce getting me for Christmas?" I said, "Me not going to tell you, but it's a watch!" – Judy Walling

## MY HOMETOWN, SAUGATUCK, MICHIGAN

by JoLynn Kendzora (insert SAUG1 here)

Southwest Michigan is one of the most beautiful places in Michigan. Beautiful rivers and lakes, majestic Lake Michigan, and gorgeous white sand beaches with soaring sand dunes as a backdrop. I've had the pleasure of living in 3 different towns in the area, but most recently, Saugatuck was our home for 20 years before we moved to Florida. Saugatuck is located on the Kalamazoo River, just over the dune ridge from Lake Michigan, about 140 miles from Chicago. A tiny town of 1500 or so in the winter, it swells to 30,000 in summer with cottagers, boaters and day-trippers. Our downtown is just a few blocks long and wide but you can find just about anything you want. Known for our artists of all media types, we have a great selection of art galleries and are also the home of Ox-Bow, School of Art and Artists' Residency, associated with The School of the Art Institute of Chicago.

We have very few chain stores in town (of course, we have Kilwins), many locally-owned restaurants – be sure to go to the Butler and Phil's if you visit – both have fabulous food --- oh, and Marro's pizza is great!!! As in most small tourist towns, parking is always an issue, but you can take one of the side roads east of town and go up on the hill and park on the side roads up there or in the high school parking lot – it's a short walk or they usually have a shuttle going up and down the hill from the high school.

And just north of town they have the Saugatuck Dune Rides – a fun roller coaster type ride through the dunes and gives you a fabulous view of the area. Or you can take the Chain Ferry across the river and walk to Mount Baldhead where you can climb up 302 stairs, take beautiful pictures of the area, or take the 1-mile hiking trail, and then run down the back side of the dune to Oval Beach!

There is live music at Coral Gables, The Butler Deck or Wally's most every weekend from Memorial Day to Labor Day. Coral Gables and The Butler sit right on the river so you have beautiful views of the boat slips, the river activity, and can watch the Star of Saugatuck paddle wheel boat taking tourists down the river out to Lake Michigan. Take the tour, it's worth it! Enjoy Saugatuck!!

## THE FUNNIES

I like to make lists. I also like to leave them laying on the kitchen counter and then guess what's on the list while at the store. Fun game.

I went by the house I grew up in, and asked if I could go in and look around. They said no and slammed the door. My parents can be so rude!

I never called you stupid, but when I asked you to spell "orange" and you asked me "the fruit or the color", it kind of caught me off guard.

So, I was at the bar last night and the waitress screamed ... "Anyone know CPR?" I said, "hell, I know the entire alphabet." Everyone laughed ... well, everyone except this one guy.

Every woman's dream is that a man will take her in his arms, throw her into bed and clean the house while she sleeps.

My wife texted me a selfie in a new dress and asked, "Does this make my butt look big?" I texted back "Nooo!" My phone autocorrected my response to "Moo!" Please send help!

Imagine how scary it must have been setting off from home in the olden days, knowing that if something went wrong you would be completely stranded, with no way to call for help. People who lived in the 1980's, before cell phones, were soooo brave.

When I'm an old lady I'm going to leave snacks in little bags on the floor all over the house .. in case I fall down and can't get up.

## A Bit of History

---

**G**reat Britain briefly had a Cones Hotline in the early 1990s. It was a special number citizens could call if they saw traffic cones on the road for no reason. It was disbanded after three years because almost no one ever called it.

A New Jersey man flunked out of law school and subsequently sued the school for having accepted him in the first place.

Dean Karmen, the inventor of the Segway, owns an island off the coast of Connecticut called North Dumpling Island. The island has its own constitution, flag, currency and even navy (though the navy is made up of just one boat). It also has a replica of Stonehenge. Karmen refers to himself as Lord Dumpling, though the island is not technically recognized as separate from the U.S.

The Waldorf Astoria hotel once had its own private railroad tract at Grand Central so that its guests could clandestinely enter and exit New York City. Largely abandoned now, it operates only when the president is in town, in case the need arises for an emergency exit.

New York City's oldest house is a cottage in Queens near LaGuardia Airport. It was built in 1654 by the Rikers family (the same family that gave Rikers Island its name) and even has a family cemetery in the backyard.

The top speed of the first American car race in 1985 was 7 mph.

## JUNE CALENDAR

---

**Alzheimer's and Brain Awareness Month.** Worldwide, more than 55 million people are living with Alzheimer's or another type of dementia. Join the Alzheimer's Association in going purple and raising awareness in June. The more people know about the facts about Alzheimer's and dementia, the closer we come to a cure.

**Lesbian, Gay, Bisexual, Transgender, and Queer (LGBTQ) Pride Month.** Celebrations include parades, picnics, parties, workshops, symposia, and concerts. The purpose of the commemorative month is to recognize the impact that lesbian, gay, bisexual, and transgender individuals have had on history locally, nationally, and internationally.

**National Oceans Month.** The ocean is home to fish, turtles, colorful coral reefs, and other unique organisms. National Oceans Month recognizes our connection to the ocean and seeks to raise awareness about the dangers it faces—pollution, overfishing, and more. These days it's more imperative than ever to take action to treat ocean resources with respect.

**National Rose Month.** Roses come in more than 300 species, and in different sizes and colors across the globe. They have long held a special place in people's hearts, used to show love and affection for weddings, childbirth, and other special occasions. The rose is also a state flower of five U.S. states.

## Week

---

**National Headache Awareness Week, June 5–11.** What causes headaches? Stress, diet, or a life-threatening ailment? These questions can be answered only with extensive research. National Headache Awareness Week seeks to provide help to thousands of headache sufferers across the U.S.

**National Nursing Assistants Week, June 16–23.** National Nursing Assistants' Week provides a timely opportunity to showcase the wonderful hands-on care that nursing assistants provide to patients across the country.

**Lightning Safety Week, June 19–25.** The National Lightning Safety Council established National Lightning Safety Awareness Week to provide the public with safety information about lightning. Visit NOAA's comprehensive lightning safety website to learn more about lightning and lightning safety.

**Learning Disability Week, June 20–26.** This week aims to improve the quality of life for individuals with learning disabilities by raising awareness about important issues, fighting stigma and discrimination, and raising funds for outreach and support programs.
