From The President

Diane McSweeney

It is such a pleasant time in Holiday Shores, it is truly in bloom. Many residents have very colorful plants surrounding their homes. Through their hard work and gardening techniques it is so pleasant to travel through the park. Thank you to our residents that are maintaining their properties to a high degree of satisfaction. You are what makes our community such a desirable place to live.

Let us remember hurricane season starts soon. Please be sure to secure any loss objects around your unit. High winds can be a nightmare for your property as well as others. Please be sure that you have pet registration and handicap forms ready if you should need to evacuate to a shelter. If you should need help for any reason, remember Helping Hands, Monty Slaybaugh's group is there to help. This is a group of volunteers that are not a committee sanctioned by the park due to insurance reasons, just great folks helping their neighbors. We are so fortunate to live in a community where so many people will help one another.

Kudos to Mary Graham. The Kentucky Derby party was great fun and a huge success. This woman did an amazing job!

Enjoy the beautiful weather we have been having.

From The Office

Pat Merl

It is amazing how quickly the Park has emptied out! Thanks to those of you who have taken the time to fill out and bring your Departure Slip to the office. If you haven't yet done so, you can get a form from the HolidayShoresPark.com website. If you haven't yet registered for the website, you should consider doing so. It's a great way to keep in touch with what is going on and to obtain various forms, when needed. Just send an email to the office indicating that you would like to register on the website and you should be able to do so within a few days, at most.

In the interest of safety and security, please notify the office if anyone else has access to your home while you are away and if you have given anyone permission to park in your carport. Please provide names and relationship (e.g. family, neighbor, etc.)

Volo is your next key point of contact, while you are away from the Park. The system has been upgraded (while the price has remained the same) so I've been making adjustments accordingly. If, for some reason, you find out you are not receiving messages, please email me at the office (holidayshorespark10289@gmail.com). I will check your record to see what the issue is.

There was a lot sprucing up done in the Park in May. The revised Park Entrance signs were installed reflecting reorientation of the Park map, the palms have been trimmed, the clubhouse roof has been cleaned and the final clubhouse deep cleaning was done, for this season.

Those of you who are away from the Park during hurricane season, please be sure that whoever is taking care of your home inspects to ensure that there is nothing outside that can blow away during a storm. It is better to have this stuff anchored now, rather than when a storm is about to hit.

Standards

George Belanger

The standards group has had an easy time thanks to our conscientious residents. Most of our homes have been maintained and are great to look at . During a given week there are many potential buyers driving through the park looking for real estate. Their comments are all positive about our community. Do keep in mind that the algae build up can be great in the summer months and homes need to be maintained. We certainly appreciate all of you that cleaned before you left for the north. If you are not here , please make sure someone is checking your unit periodically for algal growth and weeds.

Holiday Shores Activities Association

Bernadette Drouin

Happy summer festivities everyone!

The Activities committee would like to acknowledge Mary Graham and her group of wonderful volunteers for all their hard work they put into a special day of fun. Mary's Kentucky Derby party was set with decor, fantastic food, a race to the betting line and a huge assortment of decorated hats! There was a lot of laughter making everyone a winner. Congratulations to Carolyn Sperry for winning the hat contest. Mary still has two winners who have yet to claim their prizes. If you don't reach out to her, she will donate those winnings to activities. Congratulations to all the winners throughout the course of the day!

I would also like to thank Norma Murphy and Diane Gramatikas for acknowledging Mom's and Dad's with a brunch and a photo shoot. We hope you all enjoyed the fun and social gathering.

I hope you all enjoyed your mother's Day and Dad's we wish you all a special day too!

Larry Demers (Lot 173-10245 S. Lake) recently passed away. He had been a patient at the Veterans Hospital.

Tord Sjogren (Lot 245-10387 S. Lake) recently passed away.

Herb Houston, father of Linda Dunn, who resided in Arizona, recently passed away.

Please keep the family and friends of these people in your thoughts and prayers.

Randy had ACDF surgery on Friday. They found his spine is being compressed & shutting down his arms. Plus he did have a stroke. Most likely, it will be several months before he comes home. He will be a few more weeks in hospital then rehab for he has lost all his mobility. I will keep you posted as I receive additional updates. Please keep Randy in your thoughts and prayers.

Shirley Johnson (mother of Sonnie Wright) is now at Gulf Shores Skilled Nursing and Rehabilitation to receive therapy to get her strength back. Sonnie has encouraged her friends to visit, but to let Sonnie know first.

Pat Spencer (Lot 155-10182 S. Lake) was recently hospitalized for a short stay. She was back home and she and Charlie have since departed for Illinois.

Lois Dykens (a former resident of HSP) recently suffered a stroke. She was taken to Bay Front hospital where she was in ICU for several days. She has since been moved to the Hospice section at Bay Front.

Please keep these neighbors and friends in your thoughts and prayers, drop a line or give a call.

continued on page 10

Please call me (440-724-1488) if you are aware of any of our friends and neighbors who are ill, have had a death in the family, or have had a surgical procedure. I will keep you posted on any new developments. Please keep these friends and neighbors (and their families) in your prayers. Thank you.

Theater

David Middleton

On Tuesday, May 10, 2022, the Way-Off-Broadway Theatre Group had a workshop reading of the script for the Murder Mystery Dinner in November.

The consensus of opinion was that the script, *Death in Dusty Gap*, was clear and understandable, the clues well presented, and the characters well developed. From the laughter all around, it seems to be quite entertaining, too.

The show takes place in Dusty Gap, Texas, at the Silver Dollar Saloon/Casino and includes all the usual Old West characters. Dinner will be in keeping with the theme, so round up your best western outfits and join us for some fun. This time we are having two Dinner/Shows – November 18 & 19, 2022.

There will be a Cast of Suspects, Narrator, Sheriff and Deputy plus two performing groups - Honey Bunn and The Honey Bees (The Casino Showgirls) and Ima Snoop and The Dusty Gap Weakness Warriors (The local do-gooders.) There will be plenty of parts for everyone, so if you have ever thought you'd like to be on stage, here's your chance!

So, cheers to a great summer for all and we look forward to seeing you in Dusty Gap in November!

(Theater activities are suspended for the summer and will start up again with our first regular meeting on Tuesday, October 11, 2022. Theatre Group officers encourage you to come join us; we're always looking for new talent on stage and off and if you have any ideas or suggestions or comments contact David Middleton: idmiddle78@gmail.com.)

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,

JUNE CALENDAR

Alzheimer's and Brain Awareness Month. Worldwide, more than 55 million people are living with Alzheimer's or another type of dementia. Join the Alzheimer's Association in going purple and raising awareness in June. The more people know about the facts about Alzheimer's and dementia, the closer we come to a cure.

Lesbian, Gay, Bisexual, Transgender, and Queer (LGBTQ) Pride Month. Celebrations include parades, picnics, parties, workshops, symposia, and concerts. The purpose of the commemorative month is to recognize the impact that lesbian, gay, bisexual, and transgender individuals have had on history locally, nationally, and internationally.

National Oceans Month. The ocean is home to fish, turtles, colorful coral reefs, and other unique organisms. National Oceans Month recognizes our connection to the ocean and seeks to raise awareness about the dangers it faces—pollution, overfishing, and more. These days it's more imperative than ever to take action to treat ocean resources with respect.

National Rose Month. Roses come in more than 300 species, and in different sizes and colors across the globe. They have long held a special place in people's hearts, used to show love and affection for weddings, childbirth, and other special occasions. The rose is also a state flower of five U.S. states.

Week

National Headache Awareness Week, June 5–11. What causes headaches? Stress, diet, or a life-threatening ailment? These questions can be answered only with extensive research. National Headache Awareness Week seeks to provide help to thousands of headache sufferers across the U.S.

National Nursing Assistants Week, June 16–23. National Nursing Assistants' Week provides a timely opportunity to showcase the wonderful hands-on care that nursing assistants provide to patients across the country.

Lightning Safety Week, June 19–25. The National Lightning Safety Council established National Lightning Safety Awareness Week to provide the public with safety information about lightning. Visit NOAA's comprehensive lightning safety website to learn more about lightning and lightning safety.

Learning Disability Week, June 20–26. This week aims to improve the quality of life for individuals with learning disabilities by raising awareness about important issues, fighting stigma and discrimination, and raising funds for outreach and support programs.

JUNE DAYS

Global Day of Parents, June 1. Emphasizing the crucial role of parents in the lives of children, the Global Day of Parents recognizes that the family has the primary responsibility for nurturing and protecting children.

National Cancer Survivors Day, June 5. Whether you're a cancer survivor yourself, a family member, a friend, or a medical professional, this day provides an opportunity for everyone living with a history of cancer to connect, celebrate milestones, and recognize those who have supported them.

Flag Day, June 14. A day commemorating the adoption of the flag of the United States in 1777.

Father's Day, June 19. This day honors all fathers, grandfathers, and father figures for their contribution to their children's lives.

Summer Solstice, June 21. The solstice marks the official beginning of summer in the Northern Hemisphere.

First day of summer—are you ready to celebrate?

Summer begins in 2022 on June 21 with the summer solstice, the day when the Earth's axis tilts our northern hemisphere most prominently toward the sun. On this day, the sun will reach its highest point in the sky, and afterward the daylight hours will grow shorter.

The solstice has been a time of celebration and ritual in cultures around the world throughout history. At Stonehenge, a visitor standing in the center of the stone circle can see the sun rising directly over the Heel Stone, located just outside the ring of stones. The Egyptian Great Pyramids were built in such a way that an observer standing near the Sphinx can watch the sun set directly between two of the Pyramids.

Celts and Slavs celebrated the event with bonfires and dancing to help the sun increase its strength. The Native American Hopi tribe had males dress as dancing spirits of rain and fertility known as Kachinas—messengers between humanity and the gods who left the villages at midsummer to live in the mountains, where they were said to visit the dead.

The ancient Druids' belief that the solstice represented the wedding of heaven and Earth is responsible for the tradition of brides planning a lucky June wedding.

Dedicated Senior Medical Center
A CHENMED COMPANY

Have the Right Doctor? Ask Yourself These 10 Questions.

At Dedicated Senior Medical Center, we're committed to keeping seniors healthy, happy and at home. We understand these are scary times, but we're here to help. Dedicated doctors specialize in caring for seniors and that's why we make it easy for you to see a doctor.

Ask yourself:

www.Dedicated.care

1. Is your doctor's office still open?
2. Have you heard from your doctor in the past two weeks?
3. Is your doctor personally calling and texting to check on you?
4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?
9. Is your doctor helping to make sure you receive all of your prescription refills?
10. Is your doctor offering to help you get your medications delivered?
