HOA News

We are looking for one more individual willing to serve on the HOA Board as Treasurer, please contact a Board Member if you are willing to volunteer.

The HOA sponsored "A Park Royale Celebration" starring Bill Castner. The event was a huge success with lots of residents sharing lots of appetizers and having lots of fun! The HOA is looking forward to hosting more events like this.

The Board has reinstated some committees that help our park and its residents, volunteers are needed to serve on these, the committees are: 1) Helping Hands, the goal of this volunteer group is to help our neighbors that need help with some small jobs around their home, i.e. pull weeds in flower beds, change lightbulbs, etc. If interested in serving on this committee, please contact the director Diane Lenox by text at (215) 816-5156 or drop a note off in her park mailbox located at 191 London. 2) Park Mailbox Decorating, director Penny Calkin is looking for volunteers to decorate some baskets and/or supplies that you might not need any longer. These baskets are given to the Welcome Lady, Barb Marlow, to give to new residents. If willing to help, please contact Penny by text at (727) 310-7959. 3) Welcome Lady, director Barb Marlow is collecting park information to provide to new residents. The items for the welcome kit would include index size cards with the pertinent information on your club/group that meet regularly, i.e., Shuffleboard, Cards, Book Watchers, Royalites, HOA, etc. The information could be what your group is about, when it meets, who to contact, etc. 4) Telephone Directory, watch for a

Continued on page 6

knock on your door, or a form in your park mailbox from director Stu Coleman. Also, if you know there is a change or correction to the directory you can request a form just drop off a note in Stu's park mailbox at 235 Eaton.

The HOA has a new Facebook page, it is PARK ROYALE HOA (all caps) Access needs to be requested by residents and there will be a security question that needs to be answered. The purpose of this page is informational only and is to let residents know of upcoming events and meetings. We ask if you have an issue or concern to contact a Board member to discuss and not to post on this page. Please consider supporting YOUR HOA by attending meetings, paying dues, and volunteering to serve on committees. The meetings are held at 6:30 PM in the clubhouse the 2nd Monday of the month. The notice of the meeting will be posted on the Facebook page and on the HOA Bulletin Board located in the clubhouse hallway next to the entrance to the pool/game room. The goal of the Board is to be the voice of all residents to Sun Corp. and management and to make our Park an enjoyable place to live.

Community Repurpose Event

We will be holding our first Community Repurpose Event on Friday, June 10th from 9:00 am to Noon. This one-day event replaces our previous “FREE Table” in the clubhouse. If you have any items you would like to give away for your neighbors to repurpose, please bring them to the clubhouse between noon and 4:00 pm on June 9th. Any items that are not taken by the end of the event will be cleared away and donated.

Block General

Hope Conrad 631-365-3456

The Block General is responsible for organizing the Media distribution. The Block Captains will deliver the Monthly Media to each resident on their street. Park mailboxes should be placed at the end of your carport near your USPS mailbox. Park Mail cannot be put in the postal service box.

Please contact Hope at the number listed above if you did not receive your copy. Or there are always extra copies in the clubhouse.

Bocce and Shuffleboard

We are currently in Summer hiatus from the games. Games will start again in the Fall when the weather is a little cooler.

Book Watchers Club

The novel for May was a classic! We read War of the Worlds by H.G. Wells. There are at least two movies made about this book and our club members are still deciding on which one to watch! Stay tuned next month to see what we decided. The book and movie for June have not been confirmed as of this article, however we are leaning toward another classic Murder on the Nile by Agatha Christie. It is one of the series that stars the famous detective Hercule Poirot. Watch for next month’s media to see who won!

The club meets at 3:00 on the 3rd Thursday of each month to watch the movie and discuss the book as well as compare the story lines to each other. Come join us for an afternoon of fun!

JUNE CALENDAR

Alzheimer's and Brain Awareness Month. Worldwide, more than 55 million people are living with Alzheimer's or another type of dementia. Join the Alzheimer's Association in going purple and raising awareness in June. The more people know about the facts about Alzheimer's and dementia, the closer we come to a cure.

Lesbian, Gay, Bisexual, Transgender, and Queer (LGBTQ) Pride Month. Celebrations include parades, picnics, parties, workshops, symposia, and concerts. The purpose of the commemorative month is to recognize the impact that lesbian, gay, bisexual, and transgender individuals have had on history locally, nationally, and internationally.

National Oceans Month. The ocean is home to fish, turtles, colorful coral reefs, and other unique organisms. National Oceans Month recognizes our connection to the ocean and seeks to raise awareness about the dangers it faces—pollution, overfishing, and more. These days it's more imperative than ever to take action to treat ocean resources with respect.

National Rose Month. Roses come in more than 300 species, and in different sizes and colors across the globe. They have long held a special place in people's hearts, used to show love and affection for weddings, childbirth, and other special occasions. The rose is also a state flower of five U.S. states.

Week

National Headache Awareness Week, June 5–11. What causes headaches? Stress, diet, or a life-threatening ailment? These questions can be answered only with extensive research. National Headache Awareness Week seeks to provide help to thousands of headache sufferers across the U.S.

National Nursing Assistants Week, June 16–23. National Nursing Assistants' Week provides a timely opportunity to showcase the wonderful hands-on care that nursing assistants provide to patients across the country.

JUNE DAYS

Global Day of Parents, June 1. Emphasizing the crucial role of parents in the lives of children, the Global Day of Parents recognizes that the family has the primary responsibility for nurturing and protecting children.

National Cancer Survivors Day, June 5. Whether you're a cancer survivor yourself, a family member, a friend, or a medical professional, this day provides an opportunity for everyone living with a history of cancer to connect, celebrate milestones, and recognize those who have supported them.

Flag Day, June 14. A day commemorating the adoption of the flag of the United States in 1777.

Father's Day, June 19. This day honors all fathers, grandfathers, and father figures for their contribution to their children's lives.

Summer Solstice, June 21. The solstice marks the official beginning of summer in the Northern Hemisphere.

First day of summer—are you ready to celebrate?

Summer begins in 2022 on June 21 with the summer solstice, the day when the Earth's axis tilts our northern hemisphere most prominently toward the sun. On this day, the sun will reach its highest point in the sky, and afterward the daylight hours will grow shorter.

The solstice has been a time of celebration and ritual in cultures around the world throughout history. At Stonehenge, a visitor standing in the center of the stone circle can see the sun rising directly over the Heel Stone, located just outside the ring of stones. The Egyptian Great Pyramids were built in such a way that an observer standing near the Sphinx can watch the sun set directly between two of the Pyramids.

Celts and Slavs celebrated the event with bonfires and dancing to help the sun increase its strength. The Native American Hopi tribe had males dress as dancing spirits of rain and fertility known as Kachinas—messengers between humanity and the gods who left the villages at midsummer to live in the mountains, where they were said to visit the dead.

The ancient Druids' belief that the solstice represented the wedding of heaven and Earth is responsible for the tradition of brides planning a lucky June wedding.

The elephant's tale

A man was visiting the zoo one day. As he was passing the elephant enclosure, he suddenly stopped. The majestic creatures were restrained by only a small rope tied to their front leg—no chains, no cages. It was obvious that the elephants could, at any time, break free, but for some reason, they did not.

He saw a trainer standing nearby and asked why the elephants made no attempt to get away.

“Well,” trainer said, “when they are very young and much smaller, we use the same size rope to tie them. At that age, it’s enough to hold them. As they grow up, they continue to believe they cannot break away. They think the rope can still hold them, so they never try to break free.”

The visitor was amazed. These enormous beasts could break free from their bonds whenever they wanted, but because they thought they couldn’t, they were stuck right where they were.

Like the elephants, how many of us go through life hanging onto a belief that restrains us, simply because it held us back once before?

First things first

A team of high-powered executives hired a consultant to help them develop a better work-life balance. In the conference room, the consultant set a one-gallon glass jar on the table and filled it with large stones. He asked the team if the jar was full. The executives agreed that the jar was pretty full.

Then he pulled out a bag of smaller pebbles and poured them into the jar. The smaller pebbles fell into the spaces between the large stones. Again he asked, “So, is the jar full?”

The team was more hesitant, but they eventually answered that yes, the jar seemed full now.

Then the consultant pulled out a bag of sand and poured it into the jar. “Now is the jar full?”

A smart woman in the front row raised her hand and said, “No, you can still pour water into the jar.”

So the consultant did, filling it to the top.

The woman in the front row said, “I get it. The point is that no matter how busy our schedule is, you can always cram something else in, right?”

The consultant smiled. “Not exactly. My point is that you should put the big items into the jar first. If you don’t focus on the big things, like spending time with your family and having a spiritual life, the little things will always seep in and take up all the space.”

Remember these at your next party

- I just got my doctor's test results and I'm really upset. Turns out I'm not going to be a doctor.
- As I get older, I remember all the people I lost along the way. Maybe my career as a tour guide was not the right choice.
- I visited my friend in his new apartment. He told me to make myself at home, so I threw him out. I hate having visitors.
- My parents raised me as an only child, which really annoyed my sister.
- I threw a boomerang a few years ago. I now live in constant fear.
- I'll never forget my grandfather's last words to me just before he died: "Are you still holding the ladder?"
- My relatives liked to tease me at weddings, saying things like, "You'll be next!" They stopped once I started saying the same to them at funerals.
- I childproofed my house. Somehow they still got in.

Beware the anti-riddle

Some jokes can be funny precisely because they're not jokes. It's a paradox, but these riddles prove it:

- What do you call a joke that isn't funny? A sentence.
- What did one Frenchman say to the other Frenchman? I don't know, I don't speak French.
- I told my friend she was drawing her eyebrows too high. She looked surprised.
- How is a laser beam like a goldfish? Neither one can whistle.
- What did the man say when he lost his truck? "Where's my truck?"
- What's the one thing in life you can always count on? A calculator.
- What did one ant say to the other ant? Nothing, ants can't speak.
- Do you know what always makes me smile? Face muscles.
- How tall is the Empire State Building? One Empire State Building tall.
- Do you know what's odd? Every other number.

A smile starts on the lips, a grin spreads to the eyes, a chuckle comes from the belly; but a good laugh bursts forth from the soul, overflows, and bubbles all around.

— **Carolyn Birmingham**

At the height of laughter, the universe is flung into a kaleidoscope of new possibilities.

Flag Day trivia

Flag Day is June 14th, when Americans proudly display their patriotism by flying the U.S. flag far and wide. The design of the U.S. flag was originally established by the Second Continental Congress on July 14, 1777. The Flag Resolution stated:

“Resolved, that the flag of the United States be thirteen stripes, alternate red and white; that the union be thirteen stars, white in a blue field, representing a new constellation.”
