To: Lake Seminole Resort Residents

From: LSR Board

Subject: Monthly Activity Report: March 2022

---

Dear Fellow Residents:

**D** **Annual General Meeting (AGM):** The annual meeting of shareholders was held in the recreation hall on 18 March 2022. All of the resolutions with the exception of the front gate were approved by the shareholders. Bill Smith, Secretary, and Judy Bielicki left the board after several years of service to the park. Janet Lipomi, Dave Grant and Ann Haines were elected to the board for full three-year terms.

**Social and Informational Activities:**

- A pool party was held on March 26. The turn-out was outstanding.
- An ice cream social was held in the hall on 12 March. Lots of calories were devoured.
- A presentation on personal safety was held on 3 March.
- A hurricane preparedness presentation was held on 14 March.
- Our new park insurance broker made a presentation on our new coverage and discussed residential coverage after coffee on March 7.

**Water:** Water usage continues to be down from previous years. House to house leak checks started in March and will continue as we are able throughout the year. If you are notified that your home has a leak, it is the homeowner's responsibility to repair the leak in a timely fashion. Remember, small leaks create large water bills that we all share.

**Please keep an eye on water usage.**

**Pool and Spa:**

- The first electronic lock has been received and will be installed soon for testing.
- Symbiont has repaired one heater and now two are down due to compressor failure. These will be repaired in April.

**Maintenance:**

- A step from the boardwalk to the paved path has been leveled for ease of access.
- Water valve boxes are being installed above ground. This will make the valves easier to access.

**Legal Issues:** The Board continues to pursue all legal avenues to maintain our options regarding the Wyatt property.

**New Residents:** Jean Moore 10155 113th Pl.

## Financial Status:

- Financial information is posted in the hall.

End of Year for Seasonal Residents: Sadly, it is that time of year when the seasonal residents leave LSR. For the summer residents, this allows a time to relax and breath. For the people who leave, it takes them away from the winter activities that LSR and Florida allows. It is also a time to remind people of a couple of things:

- Remember to winterize your home including turning off your water at the outside valve. Make sure your yards are maintained over the summer
- Let the office know that you have left the park
- Notify the police to keep an eye on your house
- Make sure there are no loose items left in your driveway or yards
- Remember: no one is allowed to stay in your home if you are not there on site. The park will notify the police of a break-in.

Best Regards,

## POOL PARTY

---

**A**fter a two year hiatus, we were pleased to have hosted the 2022 edition of the Pool Party, a tradition that started as a celebration of heating our fabulous pool back in 2008. This year the event was held on Sunday March 27th between the hours of 2-5pm with music on the pool deck provided by our own Bryan Dunn utilizing our own portable sound system. Many enjoyed dancing and simply enjoying listening to the sounds that carried through till early evening. The warm day attracted many in the refreshing water of our pool where some partook in activities and those on the deck participated in a team competition of trivia pursuit organized by Cam and Janet Moss. Extend our gratitude to Janet Moss, Mary Stone and Kathleen Broders for the prizes that each donated for this activity

Many enjoyed spiked gummy bears while getting their favourite tattoo at the tattoo parlour ran by Gail Waddell with her sidekicks Steve and Barb Touchette, Jackie McMann and Janet Westbury! A big thank you to Gail for organizing this event that draws many participants!

We wish to express our appreciation to all that made a contribution to this event and to our team that helped that day in preparing, BBQ'ing the hot dogs, serving the food, ice cream and cake.

Our team included Mario and Connie Zammit, Bill and Sherry Smith, Lynda Atkins, David

**D**ear Fellow Residents:

**Rules and Regulations:** This is a reminder to all residents that the Master Occupancy Agreement and the Rules and Regulations require any changes to the exterior of your home, with the exception of repainting the same color, **MUST** be pre-approved by the Board. If the approval is not sought or granted and the resident proceeds to make changes, the Board has the obligation to take remedial action.

A second reminder, residents must be home if you have visitors. Residents cannot have someone staying in your home if you are not in the park. If you have a special need in this regard, please contact a Board member for an accommodation.

**LSR Facility Reservations:** Residents and renters in good standing are welcome to reserve LSR facilities. The process for reserving the Pavilion and Hall is:

**Step One (1):** Determine if the desired facility is free. To do this, email Ed Birmingham at [edbirmingham@gmail.com](mailto:edbirmingham@gmail.com) and ask to reserve the hall or pavilion on a certain date and a certain time. Ed will respond with a confirmation email. If you do not receive a confirmation email, you do not have the facility reserved.

**Step Two (2):** Fill out a request to use the facility in the office. **The process is not complete until a director has signed off on the request.**

Both steps must be taken to reserve either the Hall or Pavilion for any event private or sponsored by the social club. This includes recurring events.

**Water:** Water usage continues to be in the “normal” range. The Board is undertaking a house-by-house leak assessment. Please cooperate with the volunteers that come to inspect your home for leaks.

**Pool and Spa:**

- The Symbiont heaters have been replaced or repaired. All six heaters for the pool are now in working order.
- The controller for the spa has been replaced. This will better control the chemicals going into the spa. Please note that LSR has been inspected for adequate chemical application and found to follow the Health and Safety standards. If you experience some “tingling” this is normal.
- New filters are being installed in the pool room in May.
- The first electronic lock will be installed in the gate leading to the spa in May.

**Maintenance:**

- Electrical work will be done to update the Pavilion and some outside receptacles.
- Drain boxes have been installed along the south side of the hall. This was done to help eliminate erosion along the hall.

**Laundry:** New washers and dryers have been installed in the laundry. The Board is interested in hearing from residents and renters who use these machines regarding the new units performance.

**Lake Side Residents:** The Board received a commitment from Advanced Aquatics, our contractor who sprays the lake side entrance to the park, for a reduced price to spray all the property along the lake. There were only eight (8) residents interested in this service (the maintenance fees do not cover individual lake side home spraying, only areas that are for common use). With such a low interest, Advanced Aquatics cannot take on the project. Pinellas County is supposed to spray for Hydrilla in the lake, including along the LSR lake shore. LSR is not aware of the schedule for the Pinellas County spraying. If you are interested in finding out more about the lake, you are asked to call the county.

Paul Burke, pmburke02@yahoo.com, is interested in garnering more interest in lake side spraying. Please send a note to Paul, if you have any questions or interest.

**New Residents:** Sherry Edwards 11007 102nd Way  
Jean Moore 10155 113th Place

**Financial Status:**

- Financial information will be posted in the hall.

# FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,
