From the Editor:

Randi Burton

The balmy days of summer are almost upon us! So please make sure you get your pool ID bracelets so you can sunbathe and use the hot tub “en paz.” Smoking is ONLY in the designated area. If there are infractions, it may be taken away altogether in the pool area so let us adhere to the rules! Laura and Michael will no longer be locking up the pool, and the park is actively seeking another who wants to volunteer to do this service. It was very kind of L & M to do this for so long and I want to give them a huge THANK YOU! If you are willing to lock up 7 days a week, please let the park management know so they can give you the keys. Laura, I am sure, would be happy to go over the actual details with you and walk you through it the first time.

The good news is, we have a new Social Director! Her name is Pauline and she has written a short HELLO article in this month’s media to let us hear some of her plans. We also have a HURRICANE PREPAREDNESS seminar scheduled of which the details are in here also. As always, thank you to Dorisanne Gibson for the pantries and HOA news, Linda Stayer for taking care of the library, Kristen Pruet, the new manager who is keeping us up on the rules, and Mr. Hambley for entrusting me with something that he has done for centuries, oops, I mean decades. I hope to see everyone soon, even you Judy Hedges (smiley face), at one of the new events hosted by our new Social Director! À plus tard!!!

PS—My email address is ichwillmetal999@gmail.com. That is an L before the 9’s—as in METAL (I am a METAL HEAD). Please feel free to email me any rants, raves or reviews/ poems AND any suggestions you may have for making the media even better—thanks!!! We can also put in a few pictures a year (in black and white) if you want to submit something. Those are FREE. And did you know we can use a picture of your choosing (in color) for the cover and it only costs \$35? If you have something, please let me know!

Parking Notice

Attention, Beginning June 15th we will be focusing on illegal parking and proper parking tags. The tow company will be increasing their presence and will be towing anyone parked on the street, grass, or sidewalk at night or parked overnight at the clubhouse or office without a parking sticker or the NEW yellow guest passes with the expiration date. Any commercial truck or van parked anywhere on the property, vehicles with expired tags, flat tires or are inoperable will also be towed. These tows will occur without any further warning as it is outlined in the community rules. Please get your car properly registered and operational prior to June 15th. Thank you.

Watering

We are under watering restrictions in Florida and Pinellas County and any watering of your yards or plants is **STRICTLY** prohibited during the day. In addition, the following restrictions apply and will be strictly enforced:

If your lot number ends in an odd number- Wednesday and Saturday between 12:01 AM and 10:00 OR 4:00 PM to 11:59 PM FOR NO MORE THAN 2 HOURS PER DAY. If your Lot number ends in an even number- Thursday and Sunday between 12:01 am and 10:00 OR 4:00 PM to 11:59 PM FOR NO MORE THAN 2 HOURS PER DAY.

Wasteful and Unnecessary Use of Water Is Prohibited!

These are the basic rules from the Pinellas County website:

Examples of wasteful water usage:

Allowing water to flow from an unattended hose.

Hand-watering a lawn on a restricted day or more than once a day.

Hosing down a driveway or solid surface or structure when a dry method could be used.

Allowing water to flow from a broken sprinkler head or outdoor faucet and having malfunctioning plumbing/ irrigation system after receiving verbal or written notice.

Violations

The Year-Round Conservation Measures and Seasonal Reclaimed Water Restrictions allow the first violation of these restrictions to be issued as a "warning" Notice of Violation. In accordance with Sixth Judicial Circuit Administrative Order No. 2018-068 PI-CTY, Local Ordinance Violations, and Fish and Wildlife Conservation Commission Violations Uniform Fine Schedule, Attachment A, Miscellaneous Ordinance, Marine Patrol, Fish, and Wildlife Conservation Commission, and Natural Resources Violation fines start at \$193, and may be doubled for a second offense; and for each subsequent offense thereafter. Contested citations may result in the cost of a fine plus additional court costs. For more information after receiving a citation, please contact Business & Customer Services at (727)464-4000.

Ducks/Wildlife

Please do not feed or put out feeders accessible to ducks or other wildlife. It is illegal in the state of Florida and you could be charged a \$100 fine for each infraction, and it is a violation of the park. Not only that, but if you put out food for the ducks, anything will eat it--stray cats, rats, snakes, and opossums--to name a few. So please don't do it. Thank you!

Smoking and Drinking at the Pool

There is a designated smoking area at the pool and if you smoke, you will be required to smoke there and only there. Also, cigar smoking is offensive to most people and is strictly prohibited at the pool. Violators will lose their privileges to the pool, and if that doesn't work, we will make the pool completely non-smoking. Every week, the pool company finds butts in the filters. clogging them up and leading to downtime on the pumps which means the pool is closed until repairs are made.

Also, per the health department and code enforcement, drinking alcohol at a public pool is strictly prohibited. **NO GLASS OR CANS OF ALCOHOL ARE PERMITTED.** The health department will shut down the pool and if we find bottles in the trash we will be forced to shut down the pool as well.

The bottom line is that this is a community which means that the amenities are for everyone. Please be considerate of your neighbors and follow these simple rules so that everyone can enjoy a day by the pool. Thank you.

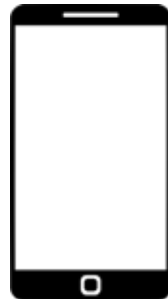

Introducing The East Bay Oaks and Eldorado Village Talent Bank!!

Are you a skilled baker, auto mechanic, accountant, hairdresser/barber, computer repair person, house cleaner, financial planner, painter, decorator, seamstress, mechanically inclined, or someone with a truck willing to pick up a piece of furniture or haul something off to the dump, etc? What did/do you excel at when in the workforce? The community is looking to tap into the vast skills and expertise of our residents. Everyone has value and worth. The opportunities are endless. There is a commonality among all of the residents simply by virtue of your address. As we are all aware, word of mouth is very impactful. It's more likely that residents will receive a higher response rate AND quality of work solely based on the camaraderie that exists. If you would like to be added to a growing list of residents willing to offer their services for a fee, as a courtesy, or to barter CALL US TODAY! And please direct all feedback and inquiries to the office via email at eastbayoaks@equitylifestyle.com or call us at (727) 531-9105. Looking forward to hearing from you!!

From the Editor: I see people posting their needs everyday on our Facebook page and it seems to be working soundly. Other residents are always eager to point the way to the right place or person to help someone or even offer their own assistance if they are qualified. Let us keep this going so we can save each other money and stress by being there for each other and lending a figurative or literal hand.

Do You Want To Be In the Know?

Moving forward, all bulk communications, announcements, updates, etc from the Management Office to the Residents will be made via our bulk Texting system called Text-Em-All. We already have several people sign up, but we want everyone signed so that you never miss any important information about your community. If you have not already been receiving text updates from us, please contact the office right away so we can get you signed up. This only works with a cell phone, however, but I do believe that most people have those these days but if you do not, you could ask a neighbor to be your communications buddy and let you know anytime an update text comes through. If nothing else, let us know you do not have a cell phone here at the office and we will work with you on an alternative so that you stay informed.

Pet Policy

A few things about pets I want to point out so there are no questions about your responsibility as a pet owner. Keeping a pet on the property is a privilege and not a right and as such, the following rules must be adhered to or we will have no choice but to ask you to remove the animal from the property. These rules apply whether the animal is a household pet, an Emotional Support Animal, or a Service Animal.

1. ALL animals must be registered with the office, and we will need all required documentation for any ESA's or Service Animals.
2. Dogs are to be on leashes AT ALL TIMES and the handler must maintain control of their animal at all times, not letting it run up or jump on people or other animals.
3. Pet cats are supposed to be indoor animals only.
4. You MUST pick up after your pet goes to the bathroom—we do have doggy pots at both properties that have the bags and a container just for that.
5. Excessive barking must be controlled so the pet is not bothering the neighbors. I seem to hear this a lot and it is against park rules.

Speeding

There are WAY too many people driving WAY TOO fast in our park. I consider this a SERIOUS NO-NO because we have a LOT of residents riding their bikes or strolling through the neighborhood and many of them use walkers or scooters/wheelchairs and can't move quick enough to avoid an accident. We also have a LOT of beautiful wildlife roaming the park—ducks, turtles, all kinds of birds and the cute little cotton-tail rabbits we see everywhere—and we need to PROTECT them AND our ambulatory residents.. The speed limit is 10 MPH. I think most of our neighbors adhere to this and it is the visitors who are breaking the rules. If you see someone driving too fast, get their license plate number so we can report them to the office. If it is, indeed, a visitor, they can lose the privilege of coming into the park. I think this is VERY important and so should you. Let us all work together to get this problem fixed!

PS—if you think it may be any of your family members or friends (sorry, but it happens), PLEASE tell them to respect YOU by respecting the rules of the place you call home. Also, please let your company know to turn down their RADIOS when within the parameters of the park. Again, they should respect YOU enough to do this. Thank you!

HURRICANE PREP MEETING IN JUNE!

On Wednesday, June 22nd at 6:30 p.m., Summer Mahr, Largo's go to person for all things hurricane, will be coming to the clubhouse to speak with us about the upcoming hurricane season. Summer has come for years to talk to us and will bring all the updated materials that you need to know about. It is imperative for our new residents, especially if you have moved here from the North and are not familiar with our hurricane season, to attend this seminar. You absolutely need to be prepared. No need to sign up, just show up. Look forward to seeing you!—Dorisanne Gibson

FROM THE NEW DIRECTOR OF SOCIAL ACTIVITIES:

Hi, everyone! My name is Pauline and I am your new Director of Social Activities! I have the pleasure of being a seasonal resident here in the park and I reside at Lot 152. I realize I have my work cut out for me as I am left to fill the shoes of the two previous directors who did a superior job for many years. I am, however, looking forward to working with you to provide you with some fun things to do during my term. I am collaborating with the social committee in our sister park (EBO) in order to prevent competing activities. This will afford you with the opportunity to participate in the scheduled events in both of our parks.

I would love to hear from you and try something new to engage community members so if you have any ideas please contact me directly. I am also looking for people to host some of our events. If you want to host an event or be part of a committee hosting an event, please come forward. The more people involved the greater the success!

My number is (413)310-7756 and I look forward to hearing some of your ideas!

Some of the events planned so far are:

Pot luck

Halloween costume party/ pumpkin carving contest

Thanksgiving dinner

Breakfast

Cornhole

Shuffleboard

Cookie exchange

Dances - New Years, Valentine's, Beer & Boots Hoedown, pool party, Spring Dance

Paint night

Crafts

Crib tournament

POETRY CORNER

Today I have decided to forgo adding one of my own poems or writing a new one to instead reflect on a very famous piece of work that nobody seems to understand. It was written by Wallace Stevens and first published in 1922. I discovered it in a prelude to a Stephen King novel as a kid and we later read and talked about it at UTSA. No one seems to get it, but I, being older and (I hope) oh-so-much wiser, think I understand it very well, but do you? If you think you got it nailed, please feel free to email me your opinion. I look forward to it!

THE EMPEROR OF ICE CREAM

Call the roller of big cigars,
The muscular one, and bid him whip
In kitchen cups concupiscent curds.
Let the wenches dawdle in such dress
As they are used to wear, and let the boys
Bring flowers in last month's newspapers.
Let be be finale of seem.
The only emperor is the emperor of ice-cream.

Take from the dresser of deal,
Lacking the three glass knobs, that sheet
On which she embroidered fantails once
And spread it so as to cover her face.
If her horny feet protrude, they come
To show how cold she is, and dumb.
Let the lamp affix its beam.
The only emperor is the emperor of ice-cream.

Let the Geminis ROLL!!!

As you may know, June is the time of the GEMINI!!! I was talking to someone recently and when I told him I was a Gemini, he said, “Oh, I don’t believe in that.” But when I read online the attributes of my sign, it is EXACTLY who I am. When I read about the signs of other people I know well, the characteristics are EXACTLY like them! So there has to be SOME truth to the signs of the Zodiac and astrology, right? I believe in it 100 percent! The description of the Gemini is just WAY too close for me not to. Well, below is an excerpt from an online article about Geminis. So whether you are one, or KNOW one, I am sure you will see that they imbue very many of these same characteristics!

Gemini’s Greatest Gifts

Equipped with almost uncanny emotional intelligence, Gemini can easily read a room and know exactly what other people want to hear from them. They can easily shift their personality depending on mood, going from Friday night life of the party to Monday morning office superstar. Energetic and passionate, Gemini can breathe new life into a same-old routine and excite other people simply by their all-in presence.

Gemini's Greatest Challenges

That social chameleon rep can sometimes earn Gemini a reputation as two-faced. While a Gemini is all about truth, sometimes a Gemini is more likely to talk to others about a conflict instead of approaching the person who's actually causing it. The Twins have also been known to stir up gossip just to keep things exciting.

Gemini's Secret Weapon

Intelligence. Gemini is quick-witted and can read a room or situation in an almost supernatural way. Without saying very many words, a Gemini soon knows who has an agenda, who's a good ally, and who may need someone to bolster them up. Because of this, Gemini is an amazing friend, leader, and person everyone should be lucky to have in their lives.

Veterans Board

In case you did not know, we have a board (actually 2) that honors veterans. We have pictures of residents and also family members who have served in the military. If you have a family member who has served or is serving, we would like to recognize them. We would LOVE to have a picture of the individual as well as what branch they served. Pictures and information can be given to Sandy Yost (Lot 62 Sandyyost@gmail.com) or Dick Hambley (Lot 51 richwham@aol.com). We welcome all contributions and urge you to visit the clubhouse and see what we have done to commemorate our indigenous heroes.

Thank you for your RCS Donations!!!

Sandy Yost

The Eldorado Village Social Club has been supporting the work of RCS for more than 8 years! The first records are from our former neighbor, Shirley Pratt, followed by John Campbell and Michelle Leamon and, currently, Sandy Yost—all delivering our club donations to RCS. Individuals and families may access services once a month, receiving 3-4 days' worth of food for all household members per visit. A photo ID, SS card and a piece of mail with current address are needed. If you or someone you know need a ride to RCS, please contact Debbie and Steve Ennis or Sandy Yost.

RCS programs and services include:

RCS Food Banks serve 70,000 Pinellas County neighbors—32,000 of these neighbors are senior citizens and children. Over 4 million pounds of food are distributed annually with support from nearly 100 other local food banks and pantries.

RCS Grace House helps individuals and families facing homelessness return to self-sufficiency.

The Haven of RCS provides safety, security and support for women and children facing domestic abuse. Their outreach center serves nearly 17,000 women and children annually. Their safe house sheltered over 300 women and children last year and they provide a resource list for men needing assistance with domestic violence issues. Their hotline receives over 4,000 calls annually with requests for assistance in matters of domestic violence.

Goldsmith Gardens provides comfortable, safe, affordable housing and support for individuals and families. Their housing community serves 12 families and nearly 40 individuals annually. They provide wrap-around programs and services that are conducive to self-sufficiency— including education, financial literacy, workforce development and life skill development.

Basic Needs are met through a variety of collaborations and partnerships.

RCS Express Center provides 'get it now' services to meet the needs of the community with direct support related to hunger, homelessness, domestic violence, and other basic needs. Small meal ingredients and hygiene products are distributed, and guests are connected to partner agencies for other needs via immediate referrals.

thank you!

Golden Wedding Board

In the clubhouse on the west wall is a frame with the names of residents who celebrated their fiftieth wedding anniversary while living here in Eldorado. We have not been able to celebrate this great milestone in a couple of years, but we still want to recognize those who have celebrated this auspicious occasion. If you, or if you know of a neighbor, who has reached or is reaching this year the fifty year mark we would like to know and be able to add their names to the wall. You can contact me, richwham@aol.com, and I will see that you are added.

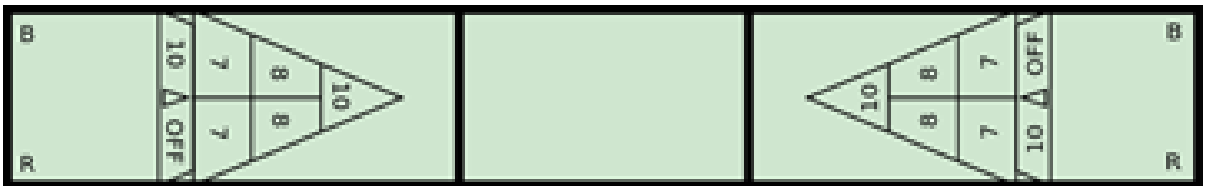

CALLING ALL SHUFFLERS! 2021-2022 Shuffle Season Attention Eldorado Shufflers:

The 2020/21 shuffle season was supposed to be remembered as the season that we were finally going to defeat the dreaded Embassy juggernaut. But instead, the 20/21 season will be remembered as the COVID year that never was. As a result, we have lost a number of Eldorado shufflers who will not be returning or who have decided not to play this season.

So, going forward, we will not be fielding an Eldorado team for league play this year. We will instead be inviting residents to gather on a week night (to be determined) for informal play, instruction for beginners and socializing. Perhaps we can develop an interest for a team next year. Stay tuned for social shuffling updates.

Players who are interested in league play for this year are invited to join our sister park, East Bay Oaks shuffle team. They are in need of league players and you will be warmly welcomed. Contact Colleen Huckins at 727-550-6397 if you are interested in joining East Bay Oaks league play. Watch for notices or contact Steve Ennis (518-859-6635) if you are interested in learning to play or just getting together for a night of “social shuffling”—we would love to have you!

Many Thanks,
Steve Ennis

Dick Hambley

For those who were unaware, Suzie Rossetti and I are the administrators for the Eldorado Village Facebook page. We would like to remind everyone that to join the page you (the individual requesting) must send us a “friend” request and answer the three questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. If we get a request from someone who has not answered the questions, we automatically decline the request. We do not mean to exclude folks who have a perfect right to join, but you would be surprised at the number of requests that we get that, when we research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed. Please request an invite at Eldorado Village Page. Thanks!

DARTS – DARTS – DARTS

Linda Stayer

Calling all dart enthusiasts! The Eldorado Village Social Club has “refreshed” the dart game area, located near the billiard table in the clubhouse. There are NEW darts, dart score board, eraser, and markers. The dart board has been hung at the correct height and there is a new floor decal which marks the correct distance from the dart board for game play (for steel tipped darts).

Find a buddy and come and enjoy!!!

Library History Scrap Books

Pam Spilbeller has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well to give us another mode of looking back at the past. These items are not to be removed from the library, but we have comfortable seating here, and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam’s efforts. Shout out to PAM!!!

The LIBRARY Is For All Residents!!!

Linda Stayer

The Eldorado Village library is comfortable, clean, well-kept, and most importantly USED!

Thank you to the many residents who have and continue to donate books, puzzles, DVD movies, and playing cards. All is appreciated.

It's SIMPLE.....

1. Borrow and Return.
2. Books are organized by the author's last name.
3. Special sections: Biographies, Health, Cooking, DIY, Inspirational Romance, etc.
4. Have a donation? Put your item(s) in the "Drop-off" box in the library.
5. Entertainment items work the same way....DVD movies, puzzles, board games and playing cards are just waiting for your attention.
6. HISTORY – of Eldorado Village – interested? There are notebooks and scrapbooks (with photos) on our rich history dating back to 1969 when the park was established. Take a few minutes, sit on the love seat or comfortable chair, and enjoy a "blast from the past".

Bulletin Board

We have a Bulletin Board by the mailboxes. We realize that many folks do not go to the club house on a regular basis so this is a way for all to see coming events. Hopefully you will find something you might enjoy attending. You will also see what is transpiring in the neighborhood at the Eldorado Village Facebook page. Don't miss out!

NO IFS, ANDS OR BUTTS!!!

If you are a smoker, please do not dispose of your cigarette butts on the street. If you are seen doing this, you will be reported to the office. We do our best to keep our park clean and neat and if people can pick up their pet's poop, then you can most certainly hold on to your cigarette butt until it can be properly disposed of. Thanks to those smokers who DO take pride in their community and adhere to this rule.

Information About Water Shutoffs:

As most residents know, there are times that the water in Eldorado must be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble.

We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you are not sure if your name is on the park's robocall list, I would suggest that you check with the office to make sure you are on the list or added.

We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose to not let air into your hot water heater. You can also turn off the water coming into your home which will prevent water from draining out of it and into the sewer system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER SHUTOFFS!
There is nothing they can do to help you.

Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with residents' anniversaries and birthdays. I need your help by writing in your birthday and anniversary if they are not already in there (and if you want them to be). The book is in the library and I go through it periodically to see if there are new additions and add the ones that were sent to me. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us keep our records up to date.

June Birthdays: (Bon Anniversaire!) GO GEMINIS!!!

June 9—Randi Burton!

1st—Martha Erickson

2nd—Nellie Pettit and Jeanette Jefkins

8th—Sandy Tracy

15th—Cathy Watson

20th—Pat Laney

23rd—Rick Rossetti

June Anniversaries: (Joyeux Anniversaire de Mariage!)

24th—Tracy MacDonald and Ivan Dingelhoff!

27th—Dick and Sandy Tracy

RECYCLE

RECYCLE

RECYCLE

Reduce Reuse Recycle

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/ packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

TRASH/DUMP AREA SCHEDULE

People are still putting their trash out before Tuesday or Friday mornings. Please try to obey these rules--they are for **everyone**. If you are unable to be up in the morning and take out your trash, please get a heavy duty garbage can with a tight lid to put it in. This will not allow animals to get into it and it can be left out a little earlier than the specified time. This is **ONLY** for tight lidded garbage cans!!! Plastic ones are fine and you can get a good one at Walmart or Amazon.

OFFICE ADDRESS

For those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different--therefore we are printing the office address here so that you do not get any late fees when your check does not arrive on time.

SOLICITATION IN THE PARK

I have been told by management that they do not give anyone permission to solicit in the park so if anyone comes to your door, call the police department. It has come up that if you have someone soliciting at your door and they are bothering you and you call the office to bring it to their attention, the office will not do anything about it--their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

1. What did one fly say to the other? Is this stool taken?
2. What is big and brown and behind the wall? Humpty's dump!
3. Have you seen the new movie CONSTIPATED? It hasn't come out yet!

HAHAHA!!! As I am sure you noticed these jokes have a bit of a theme going. I was skeptical about putting them in here but waking up every day to all the BS that is happening in our country now, I think that they are not only funny but well-timed. We all need a good laugh so enjoy! And who doesn't love a little "toilet" humor???
