## NOTES FROM THE BAY RANCH OFFICE

**POOL IS NOW OPEN!!!**

**P**lease remember the rules:  
No smoking food or alcohol in the pool area. Beverages in plastic containers or cans only. **NO GLASS.**

Keep your party down to 4 plus yourself, so more residents can use the pool. Please put umbrellas back down when you leave, we don't want to lose anymore to the wind. If we continue to lose, we will have to keep them in the office.

Please, also don't move the tables around in the pool area.

If everyone is just considerate the pool is a great place to be.

**A Complete Listing of Resident Services can be found on the page before your calendar**

## FROM THE RESIDENTS' CLUB

---

To our all-year residents, keep in touch over the summer. We will have activities through the summer. Check the board at the club house.

We welcome suggestions from all residents that they would like at Bay Ranch. Drop suggestions to any resident board member.

Just a reminder: we are planning a Memorial Day cookout on the 28th, from 4-6pm. We will be serving Hamburgers, Hotdogs, baked beans, and chips.

June 21st we will be serving breakfast again. We will have pancakes, eggs, hash browns, toast and orange juice. This will run 8:30-10:30.

In the future heads up. We will be having the Flea Market November 5th. Tables will be sold for \$10.00. More details to come, mark your calendars.

Still serving coffee and donuts, so come on down and join the comradery and maybe even win some money from the 50/50.

## BOB'S CORNER

---

Hi Bay Ranchers,

So, most if not all of our Northern friends have departed, activities are few and far between and as I type this, the pool is still not open. Personally, I have been in my own funk for some time and have been spending my time taking care of my wife and working 3 days a week at my part time security job. Once we get this Cancer thing over with, which we WILL beat, we are planning on being more active in park activities. We really want to thank everyone for their concerns, prayers and well wishes. The next few months will be challenging but we will up to the task and are really looking forward to getting back to a normal existence.

Now, enough about me and my problems. So here are a few of my favorite places to go or eat or just play. Dunedin is my favorite little town to just stroll through. If Mayberry was in a coastal town this is what it would look like. Also, the Dunedin Smoke House has some of the best barbecue I have ever tasted. My second favorite small town in the area is Safety Harbor. There are several great restaurants there and a few breweries worth checking out. Whimzeyland is a must see.

Ok enough for this chapter but maybe next time I will recommend a few eateries in the area. I have had 18 years to explore this area and will gladly share my favorites with you all.

Love you guys,  
Bob

## AMERICAN FLAGS

Many Bay Ranch residents like to fly American flags in front of their homes. With daily flying, flags can get pretty ratty. Flag etiquette would have us dispose of ragged flags respectfully. Please leave your old flag at coach 167 for proper disposal.

## HOUSEHOLD HINTS

Use a broom to clean your bathtub. Squeeze a thin line of the super strong Dawn along the water line, wet the broom bristles with hot water and scrub. Run hot water into the tub and push the dirty water down the drain. Repeat with clean water. Shake out the broom. BONUS: A clean broom, just let it dry.

## FLAG DAY

---

In honor of flag day here is the correct way to display your flags:

- Display the U.S. flag from sunrise to sunset on buildings and stationary flag-staffs in the open. When a patriotic effect is desired, the flag may be displayed 24-hours a day if properly illuminated during the hours of darkness.
- When placed on a single staff or lanyard, place the U.S. Flag above all other flags.
- When flags are displayed in a row, the U.S. flag goes to the observer's left. Flags of other nations are flown at same height. State and local flags are traditionally flown lower.
- When used during a marching ceremony or parade with other flags, the U.S. Flag will be to the observer's left.
- On special days, the flag may be flown at half-staff. On Memorial Day it is flown at half-staff until noon and then raised.
- When flown at half-staff, should be first hoisted to the peak for an instant and then lowered to the half-staff position. The flag should be again raised to the peak before it is lowered for the day. By "half-staff" is meant lowering the flag to one-half the distance between the top and bottom of the staff.
- When the flag is displayed over the middle of the street, it should be suspended vertically with the union (blue field of stars) to the north in an east and west street or to the east in a north and south street.
- When placed on a podium the flag should be placed on the speaker's right or the staging area. Other flags should be placed to the left.
- When displayed either horizontally or vertically against a wall (or other flat surface), the union (blue field of stars) should be uppermost and to the flag's own right, that is, to the observer's left.
- When displayed in a window it should be displayed in the same way -- with the union or blue field to the left of the observer in the street.
- When the flag is displayed on a car, the staff shall be fixed firmly to the chassis or clamped to the right fender.
- When the flag is used to cover a casket, it should be so placed that the union is at the head and over the left shoulder. The flag should not be lowered into the grave or allowed to touch the ground.

*continued on page 30*

### Quick list of Flag Etiquette Don'ts:

- Don't dip the U.S. Flag for any person, flag, or vessel.
- Don't let the flag touch the ground.
- Don't fly flag upside down unless there is an emergency.
- Don't carry the flag flat or carry things in it.
- Don't use the flag as clothing.
- Don't store the flag where it can get dirty.
- Don't use it as a cover.
- Don't fasten it or tie it back. Always allow it to fall free.
- Don't draw on, or otherwise mark the flag.
- Don't use the flag for decoration. Use bunting with the blue on top, then white, then red.

## Origins of Father's Day

The campaign to celebrate the nation's fathers did not meet with the same enthusiasm—perhaps because, as one florist explained, “fathers haven't the same sentimental appeal that mothers have.”

On July 5, 1908, a West Virginia church sponsored the nation's first event explicitly in honor of fathers, a Sunday sermon in memory of the 362 men who had died in the previous December's explosions at the Fairmont Coal Company mines in Monongah, but it was a one-time commemoration and not an annual holiday.

The next year, a Spokane, Washington, woman named Sonora Smart Dodd, one of six children raised by a widower, tried to establish an official equivalent to Mother's Day for male parents. She went to local churches, the YMCA, shopkeepers, and government officials to drum up support for her idea, and she was successful: Washington State Slowly, the holiday spread. In 1916, President Wilson honored the day by using telegraph signals to unfurl a flag in Spokane when he pressed a button in Washington, D.C. In 1924, President Calvin Coolidge urged state governments to observe Father's Day.

Slowly, the holiday spread. In 1916, President Wilson honored the day by using telegraph signals to unfurl a flag in Spokane when he pressed a button in Washington, D.C. In 1924, President Calvin Coolidge urged state governments to observe Father's Day.

Many men, however, continued to disdain the day. As one historian writes, they “scuffed at the holiday's sentimental attempts to domesticate manliness with flowers and gift-giving, or they derided the proliferation of such holidays as a commercial gimmick to sell more products—often paid for by the father himself.”

When World War II began, advertisers began to argue that celebrating Father's Day was a way to honor American troops and support the war effort. By the end of the war, Father's Day may not have been a federal holiday, but it was a national institution.

In 1972, in the middle of a hard-fought presidential re-election campaign, Richard Nixon signed a proclamation making Father's Day a federal holiday at last. Today, economists estimate that Americans spend more than \$1 billion each year on Father's Day gifts.

Today, the day honoring fathers is celebrated in the United States on the third Sunday of June.
