An open letter to my fellow Shady Lane Oaks residents:

This community runs and relies on 100% volunteers. Your HOA Board, committee members and all other volunteers who assist in many of our various functions receive no compensation or consideration of any kind, yet they are the ones who make Shady Lane Oaks the active place we are proud to call home.

Planning and working events such as our annual bazaar, weekly Bingo, shuffleboard, parties, dinners, karaoke, distribution of material door-to-door, selling tickets, etc. requires residents who are willing to give their time freely. Even locking the clubhouse nightly at 9pm in order to keep the building and pool open later is allowed by prior arrangement with ELS and is done strictly by volunteers on a weekly basis.

Many of our long-time volunteers have either moved, passed on, or no longer have the ability to help as they have in the past. To make matters worse, nearly all of our “snowbird” volunteers have left and won’t be back until later this year. We are immensely grateful for their participation, however it’s time for other residents to step up and fill the void.

We have a big 4th of July party scheduled for July 2nd, and are in need of more volunteers to participate in the setup, cooking and clean up in order to make this event successful. Even if you have no experience, I can assure you that our current volunteers will be more than happy to guide and work with you. (There is a volunteer sign-up sheet in the clubhouse on the events board.)

I remember my first experience volunteering to help at a breakfast event. I was asked if I ever cooked scrambled eggs, which I had but only for myself. I was handed a pair of gloves and a spatula, and placed in front of an electric frying pan together with a pitcher of liquid eggs. With guidance from other kitchen volunteers, I made it through cooking scrambled eggs for 75! It was a very satisfying experience and I got to make some new friends in the process.

I’ve heard the comment that there are “clicks” among the volunteers and outsiders are not welcome. Nothing could be further from the truth. What you are seeing is volunteers who have worked together and formed friendships among themselves. Whenever a new volunteer joins in, they are welcomed with open arms and the circle grows larger. People, we’re no longer in junior high.

So, there are three critical needs for help:

First, the July 2nd party. Either contact Mary Jensen, our Social Director, or Kathy Vanderhoff, HOA Secretary. Their numbers are posted in the clubhouse. It is critical that we get more help to make this event happen, and I guarantee it will be a fun experience.

Second, volunteers to lock the clubhouse and pool at 9pm daily. The commitment is for one week at a time, Monday to Sunday. It is a very simple procedure, and I’ll be happy to work with anyone who would like to learn it. Call me directly if you’re interested. If we do not have enough volunteers for lock up, maintenance will close the facilities when they leave at 4pm daily, and it will remain closed on weekends. This is critical so please consider volunteering.

Third, we need to form a rent negotiation committee to respond to the ELS rent increase. Kym Lewis, our Treasurer, and I are already on the committee and we need one more member. The function of this committee is to prepare a response quickly, and request a formal meeting

Shady Lane Oaks Directory

Monthly Media prints our newsletter free for our park. They will also be printing this year's directory in exchange for omitting the July issue of the newsletter.

The July calendar will be posted on the clubhouse bulletin board as well as our Facebook group (Shady Lane Oaks II).

The directory will be delivered to each home when it becomes available.

(Anyone who will not be here for the summer months, please contact me with your name and lot # via I M or email at sloactivities@hotmail.com and we will hold your directory until you return).

Thank you,

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

JUNE CALENDAR

Alzheimer's and Brain Awareness Month. Worldwide, more than 55 million people are living with Alzheimer's or another type of dementia. Join the Alzheimer's Association in going purple and raising awareness in June. The more people know about the facts about Alzheimer's and dementia, the closer we come to a cure.

Lesbian, Gay, Bisexual, Transgender, and Queer (LGBTQ) Pride Month. Celebrations include parades, picnics, parties, workshops, symposia, and concerts. The purpose of the commemorative month is to recognize the impact that lesbian, gay, bisexual, and transgender individuals have had on history locally, nationally, and internationally.

National Oceans Month. The ocean is home to fish, turtles, colorful coral reefs, and other unique organisms. National Oceans Month recognizes our connection to the ocean and seeks to raise awareness about the dangers it faces—pollution, overfishing, and more. These days it's more imperative than ever to take action to treat ocean resources with respect.

National Rose Month. Roses come in more than 300 species, and in different sizes and colors across the globe. They have long held a special place in people's hearts, used to show love and affection for weddings, childbirth, and other special occasions. The rose is also a state flower of five U.S. states.

Week

National Headache Awareness Week, June 5–11. What causes headaches? Stress, diet, or a life-threatening ailment? These questions can be answered only with extensive research. National Headache Awareness Week seeks to provide help to thousands of headache sufferers across the U.S.

National Nursing Assistants Week, June 16–23. National Nursing Assistants' Week provides a timely opportunity to showcase the wonderful hands-on care that nursing assistants provide to patients across the country.

Lightning Safety Week, June 19–25. The National Lightning Safety Council established National Lightning Safety Awareness Week to provide the public with safety information about lightning. Visit NOAA's comprehensive lightning safety website to learn more about lightning and lightning safety.

Learning Disability Week, June 20–26. This week aims to improve the quality of life for individuals with learning disabilities by raising awareness about important issues, fighting stigma and discrimination, and raising funds for outreach and support programs.

JUNE DAYS

Global Day of Parents, June 1. Emphasizing the crucial role of parents in the lives of children, the Global Day of Parents recognizes that the family has the primary responsibility for nurturing and protecting children.

National Cancer Survivors Day, June 5. Whether you're a cancer survivor yourself, a family member, a friend, or a medical professional, this day provides an opportunity for everyone living with a history of cancer to connect, celebrate milestones, and recognize those who have supported them.

Flag Day, June 14. A day commemorating the adoption of the flag of the United States in 1777.

Father's Day, June 19. This day honors all fathers, grandfathers, and father figures for their contribution to their children's lives.

Summer Solstice, June 21. The solstice marks the official beginning of summer in the Northern Hemisphere.

First day of summer—are you ready to celebrate?

Summer begins in 2022 on June 21 with the summer solstice, the day when the Earth's axis tilts our northern hemisphere most prominently toward the sun. On this day, the sun will reach its highest point in the sky, and afterward the daylight hours will grow shorter.

The solstice has been a time of celebration and ritual in cultures around the world throughout history. At Stonehenge, a visitor standing in the center of the stone circle can see the sun rising directly over the Heel Stone, located just outside the ring of stones. The Egyptian Great Pyramids were built in such a way that an observer standing near the Sphinx can watch the sun set directly between two of the Pyramids.

Celts and Slavs celebrated the event with bonfires and dancing to help the sun increase its strength. The Native American Hopi tribe had males dress as dancing spirits of rain and fertility known as Kachinas—messengers between humanity and the gods who left the villages at midsummer to live in the mountains, where they were said to visit the dead.

The ancient Druids' belief that the solstice represented the wedding of heaven and Earth is responsible for the tradition of brides planning a lucky June wedding.
