FROM THE BOARD OF DIRECTORS

Dave Shultz

D **OGS:** Remember 20lbs is the limit. Also, pick up after them and they are supposed to be on a 6ft. leash!

SPEED: The speed people are going in their cars and golf carts is getting out of hand again. I watched 3 or 4 people almost get hit because of speed and not stopping at stop signs.

WATER LEAKS: Please, we need everyone's help watching for water leaks with the irrigation up again. The pumps are running way too much which means there are leaks out there somewhere. Also, recheck your timers and make sure you are watering on your days and times. We will be monitoring them and enforcing the rules!

FROM YOUR SOCIAL COMMITTEE

Jennifer Paredes / President

Summer is here and while our winter residents are up north, I just want to remind our year-round residents that there are still a lot of great activities to enjoy, including I Got It on Tuesday evenings, Coffee on Saturday mornings, Shuffleboard, Pool, Horseshoes and enjoying our beautiful swimming pool. If you have an idea for a fun summer activity, please see me or any Social Committee Board member. We are happy to help you plan and host the event.

Saturday mornings at 9:00.

Come to the Clubhouse for Coffee, Tea, Hot Chocolate and Donuts -only \$1 for a beverage and \$1 for a donut.

Hope to see you there! Don't miss it, we have a great time meeting up with friends, getting to know our neighbors, and finding out what activities are available. One fun thing is that every week, a Glenwood resident is the MC.

Over the Summer, we are asking residents to volunteer to be our MC for coffee on a Saturday. There is a format to follow and it's easy to do.

There is also a sign-up sheet to prepare coffee on the Bulletin Board. The schedule is still wide open for most of the summer, so please consider doing a Saturday or two.

Please talk to any Social Board member for more information.

continued on page 6

UPCOMING:

4th of July Picnic - Monday, July 4th - 1:00 pm

This is going to be a great day! Come out to the Clubhouse for a cookout to celebrate Independence Day. Invite your friends and family. Rain or shine.

You'll be served half a chicken, corn on the cob, baked beans, dessert, soda pop and water.

There will be a 50/50 Raffle and Door Prizes.

Tickets are available at "I Got It" on Tuesday evenings and at coffee on Saturdays.

Tickets Are \$7.00 for Residents and Guests.

Last day for tickets will be June 28th.

Please see the posters in the Clubhouse or our Facebook page for more information on these and other events.

You can always call or text me. My number is on the last page of the Gazette.

BEREAVEMENT

Jan Kearney

We are sorry to report that we recently lost a member of our community.

On June 6, 2022, Jan Tetrault, Lot #38, passed away. I know her daughter, Barbara Ferguson, and her family will miss her each day.

BINGO

Beth Pickett, Georgia Fox, and Linda Geary

Bingo will be back in mid-October. Have a safe and fun summer!

I GOT IT GAME

Georgia Fox and Beth Pickett

Come check us out on **Tuesday evenings at 6:30 pm for I Got It**. It's really an easy game. You can play 1 card or many, 1 game or all 15. You can join in at any time. A sleeve of cards is \$1.00, per set and we play 15 sets an evening. You pick out a random sleeve of cards & enough poker chips to cover the card. The caller then shuffles a deck of cards & starts calling from the deck. If you have the card, you place a poker chip on it. When you get all 3 of your cards on one sheet you say, "I Got It", and you win the pot. Hope to see you on **Tuesdays at 6:30 pm**.

Carol Smerker

We met at Wildflower Café on June 7th for our luncheon. We had a small group and all of us had a good time. The food was good, they were very accommodating, and they made us feel special. The desserts were also beautiful and delicious. If you didn't want to eat your dessert there, it was possible to take some home from the Market attached to the cafe. All the desserts are sold in there plus more items!

Struggles and strengths

A man found a cocoon resting on a branch. He sat and watched for several hours as the butterfly inside struggled to push its body through the small hole at the top.

Suddenly the butterfly stopped making any progress. It seemed to be stuck.

The man decided to help the butterfly. He used a knife to snip off the cocoon. The butterfly emerged with a swollen body and small, shriveled wings.

The man sat waiting for the wings to enlarge and support the butterfly. But that didn't happen. The butterfly was unable to fly, and it crawled around with its tiny wings and swollen body until it fell to the ground and died.

The man didn't understand that the butterfly's struggle to get free of the cocoon was nature's way of forcing fluid from its body into its wings to prepare it for flying once it was out of the cocoon.

Moral: Our struggles in life develop our strengths.

Serenity

Two newlyweds lay in bed a few days after their honeymoon. The man leaned over and whispered into his wife's ear, "I love you."

She smiled, and he smiled back. Then she said, "When I'm eighty years old and I'm thinking back on my entire life, I know I will remember this moment."

A few minutes later she drifted off to sleep.

The man lay in bed, listening to the soft sound of his wife's breathing, thinking about everything they had done together—from their first date to their recent wedding. All of their choices had led to this silent moment with each other.

The husband realized that it didn't matter what they had done or where they had gone, or where they were going.

The only thing that mattered was the serenity of that very moment.

In their nature

A monk was praying in the forest. There was a clean pond nearby. After getting up from his prayers, he started drinking from the pond, and he saw a bee flailing in the water, close to drowning.

He tried to lift the bee out, but as soon as his fingers got close, it stung him. Even after being stung many times, the monk kept trying to get it out.

A man standing nearby asked the monk, "Why are you taking her out if it's stinging you over and over?"

The monk replied, "Stinging is the nature of a bee. It's my nature to save a life."

JULY DAYS

Independence Day, July 4. Celebrating the U.S. Declaration of Independence and the founding of the United States of America.

Simplicity Day, July 12. Choosing to live a life of simplicity is not about choosing to live in poverty; it's about living in balance.

Bastille Day, July 14. The anniversary of the storming of the Bastille on July 14th, 1789, a major event of the French Revolution.

World Snake Day, July 16. There are about 3,400 known species of snakes living in almost every region in the world playing a vital role in maintaining the well-being, sustainability, and biodiversity of various ecosystems.

National Disability Independence Day, July 26. Commemorating the signing of the Americans with Disabilities Act in 1990, assuring Americans with disabilities access to civic and economic opportunities.

Share these facts about the Declaration of Independence

You know July 4th is for fireworks and parades, but how much do you know about its history? The facts may surprise you. The Automatic Payroll Systems website shares these little-known facts about the nation's founding:

- The Declaration of Independence wasn't signed on July 4. The Second Continental Congress voted on the Declaration on July 2, 1776, and it was finalized on July 4, but it wasn't signed by a majority until Aug. 2. Because of all this, John Adams, the 2nd president of the United States, didn't recognize or celebrate July 4th as Independence Day.
- The vote was not unanimous. Richard Henry Lee proposed a bill declaring independence on June 7, 1776. Twelve of the 13 colonies voted to adopt it; New York abstained. On July 4, only nine of the colonies voted in favor of the declaration; Pennsylvania and South Carolina voted against it, New York abstained again, and Delaware was undecided.
- The declaration had a strategic purpose. The point of the formal declaration was to attract foreign allies in the fight for independence. The signers wanted to present the 13 colonies as a united front, or they felt other countries like France wouldn't take them seriously.

About the signers: Fifty-six people signed the document. Eight were born in Britain; the rest were born colonists (all were still technically British subjects at the time of the signing). One signer recanted after being captured by British forces. The last person to sign was Matthew Thornton, on Nov. 4, 1776.

JULY CALENDAR

Eye Injury Prevention Month. Of the approximately one million eye injuries in the United States each year, health experts say 90% are preventable. The leading causes of eye injury are sports accidents, fireworks, yard and workshop debris, and household chemicals.

National Hot Dog Month. The warm summer months are perfect for grilling, and what better food to toss on the grill than a juicy hot dog? National Hot Dog Month was founded by the U.S. Chamber of Commerce about 65 years ago. Since that time, the National Hot Dog and Sausage Council promotes this monthlong celebration each year.

Park and Recreation Month. Since 1985, Americans have celebrated Park and Recreation Month in July to promote the importance of parks and recreation in health and wellness, conservation, and social equity. Parks are the cornerstone of nearly every community, serving millions of people as places anyone can go to be active and healthier, connecting with nature and gathering together.

World Watercolor Month. Grab some watercolors and make a watercolor painting each day during the month. Share your work online for others around the world to enjoy. Use the hashtag #WorldWatercolorMonth when posting your art and use it to meet other watercolor artists around the globe.

Week

National Therapeutic Recreation Week, July 10–16. Established by the National Therapeutic Recreation Society, this week is intended to raise awareness of therapeutic recreation programs and services that improve the health and well-being of people with physical, mental, and emotional disabilities.

National Cancer Survivor Sibling Week, July 10–16. Celebrated annually the second week in July, National Cancer Survivor Sibling Week raises awareness of the psychological and other challenges faced by siblings of cancer survivors.

National Zoo Keeper Week, July 17–23. National Zoo Keeper Week focuses on the need to protect and preserve our wildlife and vanishing habitats via conservation messages created by their institutions. During the third week of July each year, celebrate National Zoo Keeper Week; both keepers and animals deserve recognition.

National Moth Week, July 23–31. National Moth Week celebrates the beauty, life cycles, and habitats of moths. “Moth-ers” of all ages and abilities are encouraged to learn about, observe, and document moths in their backyards, parks, and neighborhoods.
