## THIS JULY EDITION IS DEDICATED TO BARBARA DIRCKS

**D**IRCKS - Barbara, 88, of Palm Harbor, FL, formerly of Hicksville, NY; passed away on Thursday, September 2, 2021.

Mother to seven children, Barbara made the joys, challenges, and love of that big and ever-growing family the central theme of her life. From the beginning, family was always first for Barbara: as a devoted daughter and sister, she cherished fishing with her father, and listening to him play the piano after work; she helped care for her sister after the early death of her own mother; and mourned deeply the tragic loss of her brother at a young age. She met her lifelong love and future husband Henry during that youth, their later courtship coinciding with her tenure as bookkeeper with the 1955 World Champion New York Dodgers. Barbara and Henry were married in 1957, immediately began having children, and moved to Long Island. An active member of Our Lady of Mercy parish, Barbara cultivated the community, volunteered, played her ukulele (or anything to

get in front of an audience), and chronicled her suburban family adventures in "The Family Experience" column of the parish newsletter for decades. Once the raising of her children was done finally! she got her "two weeks in Bermuda" and retired to Dunedin, FL. She and Henry enjoyed many more years there together until his death in 2016. She is survived by her seven children, 16 grandchildren and one great-grandchild. Barbara will be greatly missed by all who knew and loved her. The family would like to give a special thank you to all the nurses and staff at ManorCare Palm Harbor. Private memorial services will be held at a later date.

## **IMPORTANT MESSAGE FROM THE EDITOR OF "Hi Lites"**

---

**B**eginning with the *JUNE* edition of the "Hi Lites," I will ONLY be including articles, pictures, announcements, calendar entries, cartoons, jokes, etc. that *OTHERS* send me. For the summer months, I will no longer be sending out emails requesting these items for the "Hi Lites." (I will continue to send out "Due Date Reminders."). Because Westwind II still has a published edition hand delivered to our residents, something still needs to be sent to the publisher each month.

So PLEASE continue to send articles and pictures that I can put into the "Hi Lites" over the summer months....That would include: "BIRTHDAY/ANNIVERSARY CLUB," "MEET YOUR NEIGHBOR," "BEEN THERE; DONE THAT," "LETTERS TO THE EDITOR," "LAUGHS & GIGGLES," "HOW I SPENT MY SUMMER/WINTER VACATION," "PG-13 LAUGHS & GIGGLES," PROMOTIONS FOR UPCOMING EVENTS AND PICTURES -LOTS OF PICTURES.

Thank you,

## CONTRIBUTOR OF THE MONTH WW II PARK CARL STONE

**C**arl Stone is the first person to receive this PRESTIGIOUS award! Without Carl and people like Carl, there would be NO “Hi-Lites” magazine for the months of June through November! I believe Carl has sent me something EVERY month since I became editor over 5 years ago. Over the years, Carl has received this reply probably HUNDREDS of times: “THANKS, Carl! This is now in the new (name of month) magazine.” Tim

### KEN & ELAINE PANKE - #819

**H**i! We are Elaine and Ken Panke. You may have seen us riding through Westwind on our crazy bikes with our crazy flags! We discovered Westwind 3 years ago and absolutely fell in love with the people and the community!

I am originally from Pittsburgh, Pa. (go Steelers!) and Ken is from Louisville, Ky. We met over 30 years ago in Orlando, where we were both working. We got married and Ken was transferred to Boca Raton. We lived there for 2 years. After 2 years, we decided to move closer to our folks who were getting up there in age. So, we relocated to Georgetown, Ky. (which is about ½ way between Lexington, Ky. and Cincinnati, Ohio). We have a lovely lake front home there in the woods surrounded by nature.

We were fortunate that during our careers with corporate America, that we were able to travel extensively throughout the US and Caribbean. We still enjoy traveling and exploring today. In addition, we enjoy bicycling, hiking, the beach, and going to concerts. Ken enjoys tinkering around with cars, electronics, and woodworking. I enjoy duplicate Bridge, yoga, gardening, and shopping with friends.

When we first discovered Westwind, we rented for 1 year. We knew almost immediately that we wanted to be a permanent part of the community and become owners. In March of 2020, we purchased a unit. Unfortunately, however; it did not come with a share. So, our quest for a unit with a share continued. In November of 2021, we discovered that 819 was for sale, so we bought it. And, FINALLY, became shareholders in this wonderful community! We moved into unit 819 in March of 2022.

Though we still have our lake home in Kentucky, we are through packing, painting, moving, unpacking, buying, and selling units. (whew!) We are getting settled in (quasi) unit 819. We'd love to meet all of our neighbors, so if you're ever our way, please stop by and introduce yourself! We are looking forward to becoming an active part of the Westwind Community!

Elaine & Ken Panke

WRITING A “MEET YOUR NEIGHBOR/NEIGHBOUR” ARTICLE IS A **GREAT** WAY TO INTRODUCE YOURSELF TO OTHERS IN THE PARK. HAVING THEM INCLUDED IN THE MEMORY BOOK IS ALSO THE **ONLY** MEANS WE HAVE OF BEING REMEMBERED BY OTHERS IN THE PARK WHEN WE ARE GONE. THE GOAL IS FOR EVERYONE IN THE PARK TO BE INCLUDED IN THE BOOK KEPT IN THE LIBRARY.

IF YOU HAVE NOT YET WRITTEN A “NEIGHBOR” ARTICLE, I am reserving months for 2022. Just let me know which month you would like. (I don't assign months.)

## Traveling? Consider These Alternatives to Hotel-ing

**F**or Kathy and me, travel is one of the great joys of life and we have stayed in a wide variety of accommodations. Over the past several years, we have booked many of our vacation lodgings through private rental apps Airbnb and Vrbo (Vacation Rentals by Owner) rather than through traditional hotels, resorts, or rental agencies. While unfamiliar and perhaps even intimidating to many folks in our age bracket, we have found these apps easy to use and reliable in delivering an enjoyable rental experience. Here's how they work and why we are fans.

Both Airbnb and Vrbo are online services (apps) that connect travelers with privately owned rental accommodations. Lodging options can range from a whole house to a separate apartment to a single bedroom in a home. On our recent meandering drive back from Florida, we stayed in lovely modern apartment buildings in Memphis and Nashville, and an adorable self-contained cottage in Ashville, NC. Using the filters in the apps, it is easy to find the size and type of rental to fit your space requirements and budget. You can also filter on specific amenities or features, such as full kitchen, washer/dryer, wi-fi, and so on. We don't like to share a bathroom or living space with other guests, so we filter out anything that isn't a whole house/apartment.

Through the app, you communicate directly with the owner, not through a rental agent. This makes it easy to ask any specific questions about the property. We have found the owners (or "hosts" in Airbnb lingo) are very responsive and eager to provide whatever information you need and to resolve any issues with the rental, should that occur. For an upcoming trip to Seattle, we asked the host if we could exceed the specified number of guests to host a family gathering for a day, and the owner agreed, so we went ahead with the booking. On Airbnb we usually rent through "superhosts" – a category that denotes a high level of satisfaction among renters (guests). Booking, payment, cancellations, and refunds are all handled through the app. **Tip: Always read the reviews from previous guests before deciding to book!**

One advantage with these apps is that you can narrow your search to find accommodations in a specific neighborhood where there may not be a hotel. On our recent visit to Memphis, our Airbnb apartment was an equally short walk from the trendy Gulch neighborhood and the Beale Street nightlife. In addition, the app can connect you with Airbnb Experiences – activities designed and led by knowledgeable locals, such as walking tours, bike tours and more. We had an awesome food truck tour in Portland, Oregon last year! We also enjoy the feeling of coming "home" after a busy day of touring or hiking, and having our own kitchen and living space in which to create a simple meal and a relaxing evening.

At the end of your visit, you are asked to rate your stay and your host. There is a public review available to all users, and you also can offer private tips that only the host will see, such as "hey, it would be nice if you had a couple boxes of Kleenex around the apartment." Equally important, the host rates you as a guest, which helps other hosts decide if they want to rent to you. So, it is important for us guests to be on our best behavior too! If you are looking for a different kind of experience the next time you travel, consider giving Airbnb or Vrbo a try. Maybe you'll get hooked like we did!

# UPCOMING JULY EVENTS

## BOOK CLUB

THANKS TO ELAINE BLANK FOR THIS:

The book chosen for July is Red at the Bone by Jacqueline Woodson.

Two families from different social classes are joined together by an unexpected pregnancy and the child that it produces.

Moving forward and backward in time, with the power of poetry and the emotional richness of a narrative ten times its length, Jacqueline Woodson's extraordinary new novel uncovers the role that history and community have played in the experiences, decisions, and relationships of these families, and in the life of this child.

As the book opens in 2001, it is the evening of sixteen-year-old Melody's coming of age ceremony in her grandparents' Brooklyn brownstone. Watched lovingly by her relatives and friends, making her entrance to the soundtrack of Prince, she wears a special custom-made dress.

But the event is not without poignancy. Sixteen years earlier, that very dress was measured and sewn for a different wearer: Melody's mother, for her own ceremony-- a celebration that ultimately never took place.

Unfurling the history of Melody's parents and grandparents to show how they all arrived at this moment, Woodson considers not just their ambitions and successes but also the costs, the tolls they've paid for striving to overcome expectations and escape the pull of history.

As it explores sexual desire and identity, ambition, gentrification, education, class and status, and the life-altering facts of parenthood, Red at the Bone most strikingly looks at the ways in which young people must so often make long-lasting decisions about their lives--even before they have begun to figure out who they are and what they want to be.

Please join us for a lively discussion about this book on **Tuesday, July 26, 2022 at noon in the Westwind II Library.**

Elaine Blank

**EDITOR'S NOTE:** *The JUNE Magazine was delayed. I normally send it out at midnight on the 15th of every month. My computer would not allow me to copy it, change the title of the document or convert it to a PDF. Essentially, my computer locked me out of my documents. This resulted in a trip to the GEEK SQUAD, 2 trips to the Apple Store and a 70 minute telephone discussion with an Apple Tech. A different tech named "Georges" knew what to do and got everything working again. The publisher got their version so there will be a JULY booklet. "All is well that ends well."*

*EDITOR'S NOTE:* I know this has been going on since we left Florida. I also know park residents who have received text messages and emails asking them to buy gift cards, etc. I also received an email supposedly from someone in the park asking me to use my credit card to purchase a \$350.00 on line gift card because she had a "hold" put on her credit card and wasn't able to buy it herself.....

WAIT...it gets worse....then I was asked to write a message on a card that was supposed to be sent to her niece along with the gift card wishing her a Happy Birthday. She told me not to worry and that she would reimburse me in just a couple of days. (She didn't say how.) I soon received another email from someone else in the park telling me that the person had been "hacked.".....Tim

## GROWING UP

*THANKS TO CARL STONE FOR THIS:*

---

**I** grew up in several states and countries being military and never thought I was raised by lower to middle income parents during a time when most everyone treated each other with respect. We didn't eat a lot of fast food because it was considered a treat, not a food group. We drank Kool-Aid made from water that came from our kitchen sink with real sugar. We ate bologna sandwiches, or even tuna (which was in a can not a pouch), PB&J & grilled cheese sandwiches, hot dogs, but mostly homemade meals consisting of mainly rice, meat, potatoes, vegetables, bread, butter, and homemade dessert. Everything was fried back then too...porkchops, chicken, CFS with some shake and bake chicken and chops every once in a while lol.

We grew up during a time when we mowed lawns, pulled weeds, babysat, delivered newspapers and helped neighbors with chores to be able to earn our own money.

We went outside a lot to play~Kick ball, football, basketball, fish, swim, ride bikes, frisbee, run with friends & played hide and seek. We drank tap water from the water hose outside... bottled water was unheard of. If we had a coke - it was in a glass bottle... and we didn't break the bottle when finished...

We watched TV shows like Good Times, The Jefferson's, Gunsmoke, Scooby Doo, Mork and Mindy, Different Strokes, Full House, Leave It To Beaver, Gilligan's Island, Happy Days, Bewitched, The Brady Bunch, The Rifleman, Looney Tunes, The Flintstones, The Jetsons, Sanford and Son, Dukes of Hazzard, WWF Wrestling, I Dream of Jeannie, The Andy Griffith Show, Little House On The Prairie, Friday Night Videos, and I Love Lucy. After school, we came home and did homework and chores, before going outside or having friends over. We would ride our bikes for hours. We had to tell our parents where we were going, who we were going with, and be home when the street lights came on!

You LEARNED from your parents instead of disrespecting them, and treating them as if

they knew absolutely nothing. What they said was LAW, and you did not question it, and you had better know it!!!

In school we said the Pledge of Allegiance, we stood for the National Anthem, and listened to our teachers.

We watched what we said around our elders because we knew if we DISRESPECTED any grown-up we would get our behinds whipped, it wasn't called abuse, it was called discipline! We held doors, carried groceries, and gave up our seat for an older person without being asked. You didn't hear curse words on the radio in songs or TV, and if you cursed and got caught you had a bar of soap stuck in your mouth.

“Please, Thank you, yes please, no thank you, yes ma'am, no ma'am yes sir, and no sir were part of our daily vocabulary!

You grew up to respect the Nation, and the flag.

## WESTWIND CALL LIST

THANKS TO ELAINE BLANK FOR THESE:

If you are living alone and would like to be added to the morning call list please contact **Sylvia Harris at 724-814-0346** or send an email to **Jackie** at the office with your name, phone number and unit number. She will turn it over to **Sylvia**. The people on this list are called every morning at approximately 8:30. This is just a courtesy call to make sure you are OK. A few of the ladies of our park take turns with the call list. This is a wonderful free service for our residents living alone.

## YELLOW BOOK INFORMATION

We are working on updating the information in the Westwind Yellow Telephone Directory. Please check your 2021-2022 edition of the book and see how your name and phone number is listed. If it is correct as published you do not need to do anything. If your name is not listed, or you wish to add a name, subtract a name, or edit the phone numbers, or wish to have your name and number deleted from the book, please send me an email with the corrected information. Send it to **Elaine Blank** at **eandtblank@msn.com** and put “**yellow book**” in the subject line. We will be working on this project this summer so that the 2022 – 2023 edition will be correct. This publication is usually distributed in the fall so the sooner I get the information the better. Thank You!!

THANKS TO JILL DESRANLEAU FOR THIS:

---

It's hard to believe but sales and collections of Windfall items are happening everyday in Westwind II!

We have patio tables and chairs available for purchase right now. You can check them out on Facebook.

We've had our sheds painted and they look awesome, thank you Joel! These sheds are very important for the Windfall Sale and we appreciate them being fixed and painted.

If you are a new resident in Westwind and have some things you don't use anymore, please consider donating them for our Windfall sale. Our sale is held end of February you won't be disappointed!

BIG thank you to Karen Hanafin, Bob and Cheryl Leigh for their continued help of the Windfall sale. We couldn't do it without them.

If you have any questions please call Karen Hanafin at 603-490-3384.

Hope everyone is having a great summer wherever you may be. Happy 4th of July!

Thanks again ~

## EMERGENCY FORMS

THANKS TO ELAINE BLANK FOR THESE:

---

We are still missing a few emergency contact forms. If you haven't filled yours out and sent it in to the office please do so ASAP. It is imperative that the office has an address where you receive mail when not residing in Westwind. Also a current contact person and phone number in the event of an emergency.

Thank You,

## PARK DIRECTORY

We are in the process of updating the information for the yellow book park directory. Please check your listing in the current issue, 2021/2022. If you wish to edit the names or phone number, please write the correct information on a note and drop it off at the office or put it in the mail. The new book will be published in the fall. If you wish to remove your name, please make that notation.

Thank You,  
Elaine Blank

# Information Article for WWII Newsletter

THANKS TO JACQUELYN FLOOD FOR THE FOLLOWING:

**A** REMINDER ABOUT INSURANCE: If you have given me an updated copy of your homeowner's insurance lately, thank you. But, if you have not, or you aren't sure if you've lapsed or for those of you who know you are not carrying insurance on your home, this is the time to get that taken care of. I can't stress the importance of how necessary this is, and, because of that importance, we will be cracking down on anyone who doesn't have an updated policy on file with the office.

Next, and just as important, is **updated contact information for all persons living in the park**. If you have an email address, please give that info to the office and be sure if you've given it before, that it's updated. Don't assume that we have an updated email address because you gave it sometime in the past. I have several people with email addresses on file who, when I've sent out an email blast, they are being returned undeliverable. So, perhaps, at one time you did give the office your email address but since then it's changed. **I also need updated phone numbers and, very important, emergency contact info**. The reason I say updated is because recently, I had to call the emergency contact info on file of a resident however, it was very outdated and the emergency contact person on file was someone who passed away years ago. That will not help in an emergency.

Lastly, **if you plan to sell your coach, please let the office know so that we may help you and/or your realtor get it done correctly**. The Governing Docs of the community are extremely helpful when it comes to the sale or purchase at Westwind II ROC, so of course, that's always a great resource, which you should keep handy, especially if you plan to sell since those documents should go to your relator and/or the buyers when you move. But, if you let me know, I'll be aware and the whole process will go more smoothly and, I'll help with any questions you may have. Keep in mind, **anyone purchasing in the park is required to fill out an application, available in the office, and be screened prior to moving in**. If anyone has any questions, please feel free to reach out.

Thank you,  
Jacquelyn

## ATTENTION: OWNERS WHO RENT OUT THEIR UNITS

**I**f you rent your unit for 6 months or less, please remember that Pinellas County and the State of Florida imposes a "bed tax" on rental income. The tax is identified as "**Tourist Development Tax**." It is the responsibility of the owner to file the appropriate returns and pay the tax. Information and forms can be obtained from the Pinellas County Tax Collector. There is a penalty for not complying with the law.

## REMINDER: HOMEOWNER'S INSURANCE

---

When you renew your homeowner's insurance (or when you buy it for the first time), remember to send a copy of the Insurance Declaration page from your policy documents to the Park Office. The Insurance Declaration page specifies your specific coverages; and most importantly to WWII, it states the specific 12 month period that your policy is in effect. Residents are required to send their updated and renewed Insurance Declaration page every year to the Office.

## "WILL WORK FOR BEER"

---

Someone in WWII asked if we could try to bring back our old "Help Out Your Neighbor" that used to be in the "Hi Lites."

Well.....we are! and here it is: We're calling it by a NEW name - "Will Work for Beer." If you have a SMALL job that needs to be done and would like an extra hand, one of these people can probably do it. (We're not talking about anything major. This is not meant to be for "handyman projects." It is meant for something relatively simple that should only take a few minutes to complete (installing fluorescent bulbs, programming a TV remote, hanging a curtain rod, getting something down from a top shelf, etc.) It is meant to be a FREE service. You are not expected to pay

anything - even a free beer. This service will be provided to W W II residents We are looking for MORE names for this list. If you would like to be included, please call or e-mail me - Tim Burgner.

Just call anyone's name on this list. They'll let you know if they can help or refer you to another person.

## SUMMARY OF WESTWIND II ROC BOARD MEETING - MAY, 2022

THANKS TO SHELLEY WILSON FOR THIS:

The Westwind II Resident Owned Community Board of Directors held its monthly meeting on May 10, 2022 with all Board members present.

Invoices were approved to be paid to three vendors for 1.), irrigation repair and revamp work around the clubhouse, 2.), replacement parts and filter for the A/C unit in the clubhouse and 3.), additional pool work required at the time of regular pool service.

In new business the Board approved the following proposals and quotes to:

- Pressure wash and paint the two sheds used at the clubhouse.
- Rebuff and polish the floors of the exercise room, library, hallway, kitchen and main floor of the clubhouse.
- Correct the heat and air conditioning issues between the office and the exercise room.
- Replace the broken treadmill in the exercise room with a new treadmill.
- Upgrade clubhouse electrical panel because of insurance mandate.
- Recover the pool table in the exercise room because of regular wear and tear.

There was discussion regarding the use of purchase orders to help with internal controls. It was agreed this would be discussed at a future Board meeting in order to have the time to further clarify and understand how the procedure might be used.

The Board approved four recommendations by The Architectural/Modification Committee for improvements, changes or additions to lots or coaches submitted by shareholders.

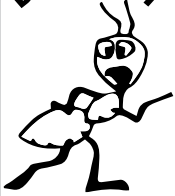

The Screening Committee recommended and the Board approved four tenant/owners or renters desiring to reside in the park.

Finally, the Board listened to concerns by the shareholders regarding the number of units being sold to absentee landlords for investment or rental. The Board is trying to enforce the rules to keep rental units maintained. Glen Carson, board president, stated he would discuss the matter with legal counsel.

The next regular meeting will be Tuesday, August 9, 2022 at 10:00 a.m.

### Bin Workin

**L**atest news reports advise that a cell of 4 terrorists have been operating at A Top Level Office downtown. Police advised earlier today that 3 of the 4 have been detained. Top Level security stated that the terrorists Bin Sleepin, Bin Drinkin and Bin Fightin have been arrested on immigration issues.

The Police advise further that they can find no one fitting the description of the fourth cell member, Bin Workin, in the area.

Police are confident that anyone who looks like Bin Workin will be very easy to spot in the office.

### Pastor's Business Card

**A** new pastor was visiting in the homes of his parishioners. At one house it seemed obvious that someone was at home, but no answer came to his repeated knocks at the door. Therefore, he took out a business card and wrote "Revelation 3:20" on the back of it and stuck it in the door.

When the offering was processed the following Sunday, he found that his card had been returned. Added to it was this cryptic message, "Genesis 3:10."

Reaching for his Bible to check out the citation, he broke up in gales of laughter. Revelation 3:20 begins "Behold, I stand at the door and knock." Genesis 3:10 reads, "I heard your voice in the garden and I was afraid for I was naked."

## THANKS TO LYNN MILLER FOR THIS: DINNER RESERVATION

Because they had no reservations at a busy restaurant, my elderly neighbor and his wife were told there would be a 45-minute wait for a table.

"Young man, we're both 90 years old," the husband said. "We may not have 45 minutes."

They were seated immediately.

## CHAT WITH GOD

Mr. Smith climbs to the top of Mt. Sinai to get close enough to talk to God.

Looking up, he asks the Lord. "God, what does a million years mean to you?" The Lord replies, "A minute."

Smith asks, "And what does a million dollars mean to you?"

The Lord replies, "A penny."

Smith asks, "Can I have a penny?"

The Lord replies, "In a minute."

### \$15.00 PORSCHE

A fifteen-year-old came home with a Porsche, and his parents began to yell and scream, "Where did you get that car?"

He calmly told them, "I bought it today."

"With what money!?" demanded his parents. "We know what a Porsche costs."

"Well," said the boy, "this one cost me fifteen dollars."

The parents began to yell even louder. "Who would sell a car like that for \$15.00?" they asked." It was the lady up the street," said the boy. Don't know her name -- they just moved in. She saw me ride past on my bike and asked me if I wanted to buy a Porsche for \$15.00."

"Oh my goodness!" moaned the mother, "she must be a child abuser. Who knows what she will do next?"

John, you go right up there and see what's going on."

So the boy's father walked up the street to the house where the lady lived and found her out in the yard calmly tending to the flowers. He introduced himself as the father of the boy to whom she had sold a Porsche for fifteen dollars and demanded to know why she did it.

"Well," she said, "this morning I got a phone call from my husband. I thought he was on a business trip, but I learned from a friend he has run off to Hawaii with his secretary. Then apparently she stole all his money and stranded him there! Well he called me, without a dollar to his name, and asked me to sell his Porsche and send him the money. So that's exactly what I did."
