We are having a 4th of July lunch on Monday, July 4th at noon. This is free to all, but please sign up in the clubhouse so we can plan for how much food we'll need. There will be sandwiches, chips, soft drinks and dessert.

There will also be a decorated golf cart parade through the park at 11 a.m. If you are going to participate in the parade, please have your decorated cart at the Clubhouse by 10:45 a.m. The parade will travel down every street in the park, so come on out and say hello as we pass by! Hope everyone has a wonderful 4th of July!!

BLACK RP STICKERS FOR HOMES

by editor JoLynn Kendzora

Having lived and worked in Resident Owned parks in the past, I realized I didn't have any black RP (Real Property) stickers in the front window of my current home. Some people have said "you don't need those anymore". That is not true. I called the Tax Collector's office to find out the who, what, when, where and why of these black stickers and found out the following.

If your home is in a resident-owned park and you own a "share" of that park, and pay property taxes on your home, this makes your home Real Property. All homes in this situation should have a black sticker in a front facing window with yellow boxes that show RP in them. These black stickers stay with the home forever, and you won't get new ones at closing when you buy your home, BUT... If you have had your windows replaced or for some reason, there are no black stickers in a front facing window of your home, you should make an appointment and go to the Tax Collector's (DMV) office and get new ones. They are \$5 each and you need one for a single wide, two for a double wide, and three for a triple wide. (You can do this online but they add \$2.50 or so to each sticker for credit/debit card charges.) If, by chance, the assessor's office drives by and sees that you do not have one, they can fine you. The lady I worked with couldn't tell me how much the fine would be.

Some of the older homes have two stickers with one yellow RP box on each. My new one is just one black sticker with two yellow RP stickers on it. If you need help figuring this out, let me know and I'll try to help you. I have the form you need to fill out if you cannot get to the DMV yourself, and need someone to go for you. They would need to take the signed form in order for them to get your sticker(s) for you. You can contact me at 352-391-4995 or email jolynnk1952@gmail.com ... or I'm at #209. Hopefully, this helps clear up the issue for everyone.

Every Monday, all year around, there is a group of 8 gals that play Michigan Rummy on Mondays from 12-3 in the card room. We have tons of fun and laugh nearly the entire time. Here is a picture of the summer group which includes at least 2 subs (one of which took the picture). FUNNIES FROM AL SZYNSKI

Marksmanship: One of the best marksmen in the FBI was passing through a small town. Everywhere he saw evidence of the amazing shooting. On trees, on walls, and on fences there were numerous bull's-eyes with the bullet hole in dead center. The FBI man asked one of the townsmen if he could meet the person responsible for this wonderful marksmanship. The man turned out to be the village idiot. "This is best marksmanship I have ever seen," said the FBI man. "How in the world do you do it?" "Nothing to it," said the idiot. "I shoot first and draw the circles afterward."

Baptism: The young son of a Baptist minister was in church one morning when he saw, for the first time, baptism by immersion. He was greatly interested in it, and the next morning proceeded to baptize ... you guessed it ... his three cats in the bathtub. The youngest kitten bore it very well, and so did the younger cat, but the old family tom rebelled. The old feline struggled with the boy, clawed, tore his skin, and finally got away. With considerable effort the boy caught the old tom again and proceeded with the "ceremony". But the cat acted worse than ever, clawing, spitting and scratching the boy's face. Finally, after barely getting the cat splattered with water, he dropped him on the floor in disgust and said, "Fine, be a Methodist if you want to!"

Golf: Manker had been playing golf for years and he had the finest golfing equipment, but his technique never improved a bit. As his friend watched, he teed up at the first hole and promptly drove a brand new ball into the woods. At the second hole, he drove another new ball into a lake. On the third, he lost a new ball in another part of the woods. "Why don't you use an old ball?" his friend asked. "I've never had an old ball," Manker said.

How the Fight Started: A couple was in bed one night and the woman woke up from a bad dream. She was scared and panicking. Her husband awoke and turned the light on to calm her. He asked what was wrong. She said, "I had a dream that I died and you got remarried." She asked him "If I died tomorrow would you get remarried?" He said, "Sure, I don't want to spend the rest of my life lonely." Then she asked, "Well, would you two live in this house?" He replied, "Sure, we just finished paying off our mortgage." She asked again, angry now, "Well, would she sleep in this bed?" He snickered and said, "Yes of course, this bed is brand new and expensive, there's no reason to get rid of it." She asked irately, "Well, would she use my golf clubs?" He replied with a straight, serious face, "No, she's left-handed."

Money from Mom: A kid called up his Mom from college and asked her for some money. Mom said, "Sure, sweetie I'll send you some money. You also left your calculus book here when you visited two weeks ago. Do you want me to send that up too?" "Uh, oh yeah, OK," responded the kid. So, Mom wrapped the book along with the checks up in a package, kissed Dad goodbye, and went to the post office to mail the money and the book. When she got back, Dad asked, "Well, how much did you give the boy this time?" Mom said, "Oh, I wrote two checks – one for \$20, and the other for \$1,000." "That's \$1020!!!" yelled Dad, "Are you crazy???" "Don't worry, hon," Mom said, as she kissed Dad on the top of his bald head. "I

taped the \$20 check to the cover of his book, but I put the \$1,000 one somewhere between the pages in Chapter 19!”

Staying Afloat: A helicopter carrying passengers suddenly loses engine power and the aircraft begins to descent. The pilot safely performs an emergency landing in water and tells the passengers to remain seated and to keep the doors closed, stating that in emergency situations, the aircraft is designed to stay afloat for 30 minutes, giving rescuers time to get to them. Just then a man gets out of his seat and runs over to open the door. The pilot screams at him, “Didn’t you hear what I said, the aircraft is designed to stay afloat as long as the doors remain closed?!” “Of course, I heard you,” the man replied, “but it’s also designed to fly, and look how good that one worked out!!”

Sitting Together: At the airport check-in counter, a man overheard a woman ask for window seats for both herself and her husband. The clerk pointed out that this would prevent them from sitting together. “Sweetie,” the woman replied, “I’ve just spent 10 days of quality time in a compact rental car with this man. I know what I’m requesting!”

Remember the right word

A man out in the country wanted to buy a horse. He finally found one owned by an elderly farmer. After some bargaining, they finally reached a deal, and the buyer eagerly climbed into the saddle.

“Now there’s one thing you should know,” the farmer said. “This horse only goes when you say, ‘Thank God.’ And it only stops when you say, ‘Amen.’ Remember that now.”

“Sure, sure,” the man said. “Thank God!” he commanded, and the horse walked out of the corral.

Later, the man wanted to find out how fast his new steed could run. So he said, “Thank God, thank God, thank God!” And the horse took off at a gallop.

Soon the rider noticed that the horse was headed toward the edge of a high cliff. In a panic, he realized that he couldn’t remember the word to make it stop. “Whoa! Stop! Cease! Desist!” he shouted desperately. But the horse raced forward.

Just inches from the edge of the cliff, the man finally remembered the word he’d been racking his brain for. “Amen!” he shrieked, and the horse skidded to a stop, overlooking the steep drop into the ravine below.

The man took a breath of relief. “Thank God.”

The secret life of cats

Ever wonder what your cat is thinking? Maybe it’s something like this . . .

- “I could have sworn I heard a can opener.”
- “What’s with that irritating noise humans make with their mouths?”
- “Why doesn’t the government do something about dogs?”
- “No, really, that’s a can opener.”
- “How come they make tuna-flavored cat food and chicken-flavored cat food, but no mouse-flavored cat food?”
- “This looks like a good spot for a nap.”
- “If there is a God, how can He allow neutering?”
- “Without cats, humans would never have had any reason to invent sofas.”
- “I think I’ll be finicky this time just to let them know who’s boss.”

Storytelling is the most powerful way to put ideas into the world.

Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors.
