"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

President's Corner

Submitted by Bob Lohrman

Hello From Board of Directors

Finally the blacktopping of our streets has started. Thanks to all residents for your cooperation in this huge task. No doubt this is the largest operation since the purchase of the park. Connie Lorenz continues to do an outstanding job moving the work forward as well as helping any residents that have encountered problems.

As some know, our new manager, Jane Jarlenski, is now full time as of this writing. Jane brings many years of experience with her and I look forward to working with her. Budget time is just around the corner – so glad Jane is here for that.

I am looking forward to seeing our beautiful park when the new streets are black and striped.

To all our northern friends, have a great safe and healthy summer. Our thoughts and prayers go out to our sick and shut-ins and to those who have lost loved ones.

Manager Changes

DeeVon has moved on from Sunset Palms. We wish her well! My name is Jane and I am excited to be your new manager. I have been involved with community management for 22 years. My husband and I are both native Floridians; we were married in St. Petersburg 33 years ago.

Office Closure

The office will be closed Monday, July 4th for the Independence Day Holiday.

Road Project

The road project is well underway now. For the most part, the project has gone smoothly. Every project has its bumps; this one is no different. There are photos of the project included in this issue.

I am getting familiar with the park's Rules and Regulations. Below are some reminders.

Residents

Anyone who is on the title of the home and aged 55+ has unrestricted access/use of their home. Anyone on the title but aged under 55, is not allowed to use the home without one of the 55+ owners being present.

Guests

A guest is any person staying more than two (2) nights. All guests must be registered at the Park Office and obtain a temporary parking pass if your driveway can't accommodate their vehicle. A guest is a person whose stay does not exceed thirty (30) total days in any twelve (12) month period. No pets may be brought in with Guests. Guests can't stay at a home if the resident is not there during the entire visit. Please do not put your guests in the position of being asked to leave due to violation of this rule.

Subletting Units

Subletting is allowed on a seasonal basis only, for a maximum of six (6) consecutive months in any twelve (12) month year period. The lease period must be a minimum period of three (3) months or a maximum period of six (6) months. It is the responsibility of the Unit Owners to notify Sunset Palms Office of their intent to lease their Unit and to provide information on the Subtenant. The Subtenant must sign in at the Office upon arrival and sign out at the time of

expiration of the lease and departure from the park. Subtenants will be subjected to a background check. All Subtenants must receive Management approval prior to occupancy. Subtenants are bound by the same rules and regulations as the Unit Owner and Unit Owner is responsible for the actions of the Subtenant.

Tourist Development Tax

If you rent your home, you are required to register with the Pinellas County Tax Collector to collect and remit a 6% Tourist Development Tax and 7% Florida Sales Tax. This 13% tax is a mandatory requirement for every rental. If the rental is not reported to the Pinellas County Tax Collector there will be a fine issued to the owner renting the home.

For questions call Pinellas County Tax Collector's office at 727-464-5007 or go to their website: <https://pinellas.county-taxes.com/tourist>

Parking

You can only park the number of vehicles (cars/golf carts/bicycles/etc.) that will fit in the carport. Street parking is only allowed to accommodate carport or unit maintenance. There is never any parking allowed on the lawn in front, side, or rear of your home. There is no parking in any neighbor's driveway without written permission of the neighbor. Written permission must be on file in the office.

Safety Issues

- Speed limit in the park – 10 mph – cars and golf carts
- No one under the age of 16 allowed to drive golf carts
- Golf Carts and Bikes – Lights on after dark
- STOP means STOP at all intersections

I look forward to meeting each of you very soon!

Lift Station Monthly Reminder – Important

Submitted from the Office

F LUSH ONLY: Body waste and toilet paper. **It is highly recommended that only one ply toilet paper be used to prevent clogging the toilet.**

DON'T FLUSH: Tampons- Sanitary Pads – Diapers – Depends – Swiffer Cloths – Dust Cloths – Wet Wipes – Kleenex – Food, etc.

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste UP and OUT into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it, and burns out the motor.

A cruise Like no other- October 31- Nov 13/22 SPAIN to FLORIDA

Arriving to our Sunset Palms home VIA Barcelona Spain will be a totally new venture for over 60 residents. The idea of a large group of SVI residents prancing around Barcelona Spain for 3 days might intimidate some people but NOT this travel Committee. We are ready and excited to visit 3 Spanish ports, sail to Azores which is a small Portuguese island, then onto see Bermuda, ending Fort Lauderdale and coach to Sunset Palms for the winter.

Among the many activities on board the ship will be offering, we know a few card games will be scheduled after the nightly performances end. Of course, you'll always see the music buffs grooving to the headset music of the silent dances.

Cruise ships on transatlantic crossings offer many educational, entertaining, and fun activities on the sea days. Since our package includes all beverages, chatting over a glass of wine or playing shuffleboard with a Heineken could be nice. Then there's the casino goes...you know who you are?

Scotland – October 16-25

There are still a few spots left on this tour. If you are an outlander fan, you will be pleased with this itinerary. Prices are available in CAD and USD. Details are posted in the clubhouse or contact us for additional information.

October 16 – 25, 2022

3 day bus tour \$ 309.00 pp double occupancy December 14- 16

Did you know.... **Nights of Lights has been listed among the top ten holiday light displays in the world by National Geographic.** During this festival of lights, downtown St. Augustine glows with holiday magic – from the ground to the rooftops. St. Augustine's Nights of Lights features millions of tiny white lights that create a magical atmosphere in the Nation's Oldest City, and it's free of charge.

There is plenty of ways to see this beautiful historic city. Take in the view of Nights of Lights from the sea aboard the Schooner Freedom on the ship's Sunset Sail. Feeling relaxed, take the Old Town Cycle Cruise, the Black Raven offers light show views plus an entertaining pirate show. Tons of options to keep us busy. Sign up sheet is posted in clubhouse. To fill the bus, we have invited residents from nearby communities to join us.

Heads up for 2023

There will be a winter cruise to the Panama Canal that will depart February 13, 2023, a leap into

luxury cruise is scheduled for February 23,2023 complete with airfare and all excursions plus numerous day trips . All our cruises are fully refundable, include beverages (alcoholic and non) wif, gratuities and monthly payment plans if preferred. They are also escorted by someone from the travel committee. Family and friends are invited to join.

River Cruise

October 17/23, we have a River cruise scheduled through the Rhine and Moselle Rivers. This is a cooperation between five different communities. Everyone will bring something to the table that we can all benefit from. EG: Carol is a Licensed wine sommelier and will be doing wine paring events and vineyard visits. Nicole specializes in Arts and Culture so she will have artists and music events organized, and we will be doing a Milestone Bash for anyone celebrating a milestone birthday, anniversary or COVID do-over. (pretty much cover everyone). We are looking for a Castle to do this event or maybe combine with a wine event. This will be an exclusive journey to our group and not available anywhere else. The flyer is not prepared yet but it will be out very soon so if River Cruising is on your bucket list...this is the one to attend.

Your committee consists of wonderful residents. We are a group of 7 working behind the scene to plan events for residents,. Everyone contributes to the organization of events and specialties are: Danielle Rockett is our photographer and goes on most events, Dave Allan arranges deep sea fishing excursions, Diane Greene keeps the data records, Sharon Hillier helps with flights, Clarence Thomas and Denise Harned will be assisting with shorter trips, day trips and casino events. We try to do things that will incorporate everyone's desires as well as budget. Winter cruises are always a big hit and for the past few year's residents are asking to travel together in other months where they would leave from home and meet up somewhere. The October Spain trip is our first attempt.

Please follow our "sunsetpalmstravel " page on Face Book We post all flyers here. You can email your contact details to us and we will keep you directly updated. We will only send Sunset Palms travel emails...no spam or advertisements. We will also be hosting some online zoom events where everyone can attend.

Should you have any questions, suggestions or simply want to chat about trips, please reach out to Kim Paquette

JULY CALENDAR

Eye Injury Prevention Month. Of the approximately one million eye injuries in the United States each year, health experts say 90% are preventable. The leading causes of eye injury are sports accidents, fireworks, yard and workshop debris, and household chemicals.

National Hot Dog Month. The warm summer months are perfect for grilling, and what better food to toss on the grill than a juicy hot dog? National Hot Dog Month was founded by the U.S. Chamber of Commerce about 65 years ago. Since that time, the National Hot Dog and Sausage Council promotes this monthlong celebration each year.

Park and Recreation Month. Since 1985, Americans have celebrated Park and Recreation Month in July to promote the importance of parks and recreation in health and wellness, conservation, and social equity. Parks are the cornerstone of nearly every community, serving millions of people as places anyone can go to be active and healthier, connecting with nature and gathering together.

World Watercolor Month. Grab some watercolors and make a watercolor painting each day during the month. Share your work online for others around the world to enjoy. Use the hashtag #WorldWatercolorMonth when posting your art and use it to meet other watercolor artists around the globe.

Week

National Therapeutic Recreation Week, July 10–16. Established by the National Therapeutic Recreation Society, this week is intended to raise awareness of therapeutic recreation programs and services that improve the health and well-being of people with physical, mental, and emotional disabilities.

National Cancer Survivor Sibling Week, July 10–16. Celebrated annually the second week in July, National Cancer Survivor Sibling Week raises awareness of the psychological and other challenges faced by siblings of cancer survivors.

National Zoo Keeper Week, July 17–23. National Zoo Keeper Week focuses on the need to protect and preserve our wildlife and vanishing habitats via conservation messages created by their institutions. During the third week of July each year, celebrate National Zoo Keeper Week; both keepers and animals deserve recognition.

National Moth Week, July 23–31. National Moth Week celebrates the beauty, life cycles, and habitats of moths. “Moth-ers” of all ages and abilities are encouraged to learn about, observe, and document moths in their backyards, parks, and neighborhoods.

JULY DAYS

Independence Day, July 4. Celebrating the U.S. Declaration of Independence and the founding of the United States of America.

Simplicity Day, July 12. Choosing to live a life of simplicity is not about choosing to live in poverty; it's about living in balance.

Bastille Day, July 14. The anniversary of the storming of the Bastille on July 14th, 1789, a major event of the French Revolution.

World Snake Day, July 16. There are about 3,400 known species of snakes living in almost every region in the world playing a vital role in maintaining the well-being, sustainability, and biodiversity of various ecosystems.

National Disability Independence Day, July 26. Commemorating the signing of the Americans with Disabilities Act in 1990, assuring Americans with disabilities access to civic and economic opportunities.

Share these facts about the Declaration of Independence

You know July 4th is for fireworks and parades, but how much do you know about its history? The facts may surprise you. The Automatic Payroll Systems website shares these little-known facts about the nation's founding:

- The Declaration of Independence wasn't signed on July 4. The Second Continental Congress voted on the Declaration on July 2, 1776, and it was finalized on July 4, but it wasn't signed by a majority until Aug. 2. Because of all this, John Adams, the 2nd president of the United States, didn't recognize or celebrate July 4th as Independence Day.
- The vote was not unanimous. Richard Henry Lee proposed a bill declaring independence on June 7, 1776. Twelve of the 13 colonies voted to adopt it; New York abstained. On July 4, only nine of the colonies voted in favor of the declaration; Pennsylvania and South Carolina voted against it, New York abstained again, and Delaware was undecided.
- The declaration had a strategic purpose. The point of the formal declaration was to attract foreign allies in the fight for independence. The signers wanted to present the 13 colonies as a united front, or they felt other countries like France wouldn't take them seriously.

About the signers: Fifty-six people signed the document. Eight were born in Britain; the rest were born colonists (all were still technically British subjects at the time of the signing). One signer recanted after being captured by British forces. The last person to sign was Matthew Thornton, on Nov. 4, 1776.
