# Social Committee Tidbits

Mary Gilmore

Our park in the off season is a different place. It is so quiet. Up north in the states and in Canada, folks have winter where many times it is too cold to be out and about. At Boca Ciega, the same thing happens to us in the summer. Sometimes, it is too hot and humid to be out and about. The all year rounders ride their bikes, walk and do their outside work either early in the morning or when the sun goes down. Our clubhouse and pool continue to be used and enjoyed.

## Clubhouse Activities

- Monday: Dominoes @ 6:30 PM
- Tuesday: Walk/Walk @ 10 AM  
Pinochle @ 7 PM
- Wednesday: Walk/Walk @ 10AM  
Mahjong @ 1PM  
Rummikub @ 7PM
- Thursday: Walk/Walk @ 10 AM
- Friday: Cribbage @ 1PM

As you can see our clubhouse is being used in the off season, so when one of the two clubhouse air conditioners stopped working, we felt the heat. The girls at Walk/Walk called our activity Hot Yoga. That designation extended to folks playing Cribbage when they called their activity Hot Cribbage. When Shirley and Betty start "glowing" with the rest of us, you know it is sweltering. Thankfully, Virginia made our board aware of the problem and agreed to purchase an air conditioner. It was installed June 14th, Flag Day.

On Memorial Day, we got together at Venus Restaurant at 2441 West Bay Drive. Virginia had to make many phone calls before she found a restaurant that would consider a reservation for a group of 17. Our server, April, did a great job of taking care of all of us with a smile. I heard orders taken for a variety of meals, everything from a late breakfast, to a beautiful taco bowl salad, seafood platters and stuffed peppers. Our neighbors who enjoyed the outing were Shirley, Doris, RW and Darlene, Bob, Terry, Betty, Norine, Janice and Rick, Jon, Virginia, Larry and Sandy, Ervin and Marlene and me. Our next get together will be on Independence Day, the 4th of July, which is on a Monday this year. Nice long weekend for those who work.

Just to let you know, the category 2 hurricane that developed in the Pacific Ocean and swept across Mexico into the Caribbean and then arrived in southern Florida as a no name storm dropping heavy rain, did not affect Pinellas County. I would say that the storm reached as far north as Sarasota which is south of us. We need rain desperately. It is amazing to me what is growing happily in the heat and humidity. Our hibiscus, plumbago, bougainvillea and

our new garden at our clubhouse are doing well. I took pictures of the sunflowers growing in Sandy's front garden, the impatiens growing in the cement wall in front of June's home and the blooming century plant in the side garden at Joe and Liz's home. When Jim and I lived at Bay Pines Mobile Home Park, we had a corner lot with two century plants in our front yard and one in our side yard. The century plant in our side yard grew a mast or stalk that was higher than the electricity or telephone wires going by. It did flower. I'm going to need a telescopic lens to see what happens to Joe and Liz's plant. I never trimmed ours, it was au natural and beautiful.

One plant that you do not want to see in your yard is an invasive vine that is not native to Florida called momordica charantia or balsam apple. Terry and I spotted this vine covering a red hibiscus in Larry and Jennifer's yard. In the morning, we went over with a large black garbage bag and filled that bag with the balsam apple vine that had covered the hibiscus. The seeds in the orange pods get eaten by birds and animals and are then dispersed. We didn't want that to happen.

If a resident wishes a gardener for weed maintenance, a person that some of our residents use is Norine Enot, Betty Cerny's daughter.

Phone: 727-742-2568

[norineenot@gmail.com](mailto:norineenot@gmail.com)

One last thing to mention. We are doing puzzles at our clubhouse. If one is out on a table, you are welcome to work on it. We finished a round puzzle with birds in flight. I know that the ladies at Walk/Walk worked on it including Doris, Darlene and I and Terry and Susan helped too. The puzzle was completed after class on June 14th, Flag Day.

Hope all of our Boca Ciega family are having a good summer. Take care and stay well.

## Struggles and strengths

---

A man found a cocoon resting on a branch. He sat and watched for several hours as the butterfly inside struggled to push its body through the small hole at the top.

Suddenly the butterfly stopped making any progress. It seemed to be stuck.

The man decided to help the butterfly. He used a knife to snip off the cocoon. The butterfly emerged with a swollen body and small, shriveled wings.

The man sat waiting for the wings to enlarge and support the butterfly. But that didn't happen. The butterfly was unable to fly, and it crawled around with its tiny wings and swollen body until it fell to the ground and died.

The man didn't understand that the butterfly's struggle to get free of the cocoon was nature's way of forcing fluid from its body into its wings to prepare it for flying once it was out of the cocoon.

Moral: Our struggles in life develop our strengths.

## Serenity

---

Two newlyweds lay in bed a few days after their honeymoon. The man leaned over and whispered into his wife's ear, "I love you."

She smiled, and he smiled back. Then she said, "When I'm eighty years old and I'm thinking back on my entire life, I know I will remember this moment."

A few minutes later she drifted off to sleep.

The man lay in bed, listening to the soft sound of his wife's breathing, thinking about everything they had done together—from their first date to their recent wedding. All of their choices had led to this silent moment with each other.

The husband realized that it didn't matter what they had done or where they had gone, or where they were going.

The only thing that mattered was the serenity of that very moment.

## In their nature

---

A monk was praying in the forest. There was a clean pond nearby. After getting up from his prayers, he started drinking from the pond, and he saw a bee flailing in the water, close to drowning.

He tried to lift the bee out, but as soon as his fingers got close, it stung him. Even after being stung many times, the monk kept trying to get it out.

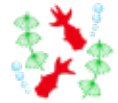

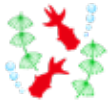

A man standing nearby asked the monk, "Why are you taking her out if it's stinging you over and over?"

The monk replied, "Stinging is the nature of a bee. It's my nature to save a life."

## JULY DAYS

---

**I**ndependence Day, July 4. Celebrating the U.S. Declaration of Independence and the founding of the United States of America.

**Simplicity Day, July 12.** Choosing to live a life of simplicity is not about choosing to live in poverty; it's about living in balance.

**Bastille Day, July 14.** The anniversary of the storming of the Bastille on July 14th, 1789, a major event of the French Revolution.

**World Snake Day, July 16.** There are about 3,400 known species of snakes living in almost every region in the world playing a vital role in maintaining the well-being, sustainability, and biodiversity of various ecosystems.

**National Disability Independence Day, July 26.** Commemorating the signing of the Americans with Disabilities Act in 1990, assuring Americans with disabilities access to civic and economic opportunities.

## Share these facts about the Declaration of Independence

---

**Y**ou know July 4th is for fireworks and parades, but how much do you know about its history? The facts may surprise you. The Automatic Payroll Systems website shares these little-known facts about the nation's founding:

- The Declaration of Independence wasn't signed on July 4. The Second Continental Congress voted on the Declaration on July 2, 1776, and it was finalized on July 4, but it wasn't signed by a majority until Aug. 2. Because of all this, John Adams, the 2nd president of the United States, didn't recognize or celebrate July 4th as Independence Day.
- The vote was not unanimous. Richard Henry Lee proposed a bill declaring independence on June 7, 1776. Twelve of the 13 colonies voted to adopt it; New York abstained. On July 4, only nine of the colonies voted in favor of the declaration; Pennsylvania and South Carolina voted against it, New York abstained again, and Delaware was undecided.
- The declaration had a strategic purpose. The point of the formal declaration was to attract foreign allies in the fight for independence. The signers wanted to present the 13 colonies as a united front, or they felt other countries like France wouldn't take them seriously.

About the signers: Fifty-six people signed the document. Eight were born in Britain; the rest were born colonists (all were still technically British subjects at the time of the signing). One signer recanted after being captured by British forces. The last person to sign was Matthew Thornton, on Nov. 4, 1776.

**National Hot Dog Month.** The warm summer months are perfect for grilling, and what better food to toss on the grill than a juicy hot dog? National Hot Dog Month was founded by the U.S. Chamber of Commerce about 65 years ago. Since that time, the National Hot Dog and Sausage Council promotes this monthlong celebration each year.

**Park and Recreation Month.** Since 1985, Americans have celebrated Park and Recreation Month in July to promote the importance of parks and recreation in health and wellness, conservation, and social equity. Parks are the cornerstone of nearly every community, serving millions of people as places anyone can go to be active and healthier, connecting with nature and gathering together.

**World Watercolor Month.** Grab some watercolors and make a watercolor painting each day during the month. Share your work online for others around the world to enjoy. Use the hashtag #WorldWatercolorMonth when posting your art and use it to meet other watercolor artists around the globe.

## Week

---
