PRESIDENT'S MESSAGE

We continue to improve communication, work to get issues resolved and provide fun activities and events for IITS residents. The Board is proud to report we currently have exceeded 100 household HOA members! Thank you for your support! Your membership gives us a stronger voice as a community. Membership fees are only \$15 for a two member household and will be available at the 4th of July Pool Party, from noon-3pm or from any Board member.

HOA Board Meetings will resume the first Tuesday in September at 7pm in the clubhouse. Over the summer, please continue to contact me or other Board members with your issues, concerns and suggestions on how we together make IITS a better community. Our contact information is listed on the inside cover of this publication.

Be a part of the solution and join our HOA. Have a fun and safe 4th of July!

Welcome Back to Hurricane Season

It is now officially hurricane season in Florida. Though Floridians are known for hurricane parties and making light of hurricane watches, it is imperative that we are prepared for emergency evacuation. Unfortunately, IITS is in a “Zone A” evacuation area, which means we are the first to be mandatory evacuated in the case of a hurricane warning. Please have a plan in place of where you (and your pets) will go if this happens. This may be a shelter and select locations in our area will accept you and your pets. Vaccinated pets are kept separate from non-vaccinated so take your pet’s records, food and kennel if you have one. Prior to the storm, check the local news or search online for current shelter locations and information. In the case of an evacuation, secure outdoor furniture, lower hurricane shutters and turn off your power and water. Don’t forget your license, passport, cash, medications, important papers, and to fill your gas tank before the stations close or lose power.

If we are not evacuated, we can still lose power. An emergency preparedness kit is always good to have on hand this time of year. These items sell out once a storm is announced, so it is best to collect them beforehand. Food, water, can opener, propane, first aid kit, batteries, cell phone battery pack, flashlight, lantern, medications, pet food, and a battery-operated radio are all suggestions for your kit and will prove invaluable if the power is out. For more information on hurricane preparation, visit the web sites listed below. A quick google search will bring up numerous lists and more advice on how to prepare.

Don’t Miss the HOA 4th of July Pool Party

Monday, July 4th, the IITS HOA is sponsoring a Pool Party at the clubhouse from noon to 3pm. Food and drinks will be provided with the purchase of a \$5 ticket. HOA membership cards will also be available for \$15 (for a two-member household). Mark your calendars and watch for further details!

Resident Spotlight

Malissa & David StClair

Please help welcome newcomers Malissa and David StClair, who moved into Lot #224 at the end of April of this year. The couple is originally from Kansas and has lived in the Tampa Bay area since coming to Florida in 1995.

Malissa and David have been married for 32 years and laugh when they explain how they met. They almost got into a car accident when they were racing on the interstate! Malissa pulled over after the incident, they met and were married a few months later. The couple has three children. Their son, Ryan lives in the Tampa Bay area with their grandchild, Kai. Their daughter, Maria just graduated from the Catholic University of America in Washington, DC, and their other son, Anthony attends the University of Northumbria in northern England near Scotland.

Malissa enjoys kayaking and swimming and has become a regular at the IITS pool during her summer off from teaching elementary school. David is very talented at BBQ and smoking meats, which he recently shared with some lucky neighbors. He works full-time but hopes to get back into his hobby of woodworking in the future and enjoys rooting for the Kansas City Chiefs. Lot #224 is also the home of their two adorable 9-year-old dogs, Cinnamon and Daisy, a silky terrier and a Maltese mix.

When asked what they like best about living here, the couple says they really enjoy all of the activities offered at IITS such as Bingo and Pickleball and have found their neighbors and residents to be very friendly.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. JULY DAYS

Independence Day, July 4. Celebrating the U.S. Declaration of Independence and the founding of the United States of America.

Simplicity Day, July 12. Choosing to live a life of simplicity is not about choosing to live in poverty; it's about living in balance.

Bastille Day, July 14. The anniversary of the storming of the Bastille on July 14th, 1789, a major event of the French Revolution.

World Snake Day, July 16. There are about 3,400 known species of snakes living in almost every region in the world playing a vital role in maintaining the well-being, sustainability, and biodiversity of various ecosystems.

National Disability Independence Day, July 26. Commemorating the signing of the Americans with Disabilities Act in 1990, assuring Americans with disabilities access to civic and economic opportunities.

Share these facts about the Declaration of Independence

You know July 4th is for fireworks and parades, but how much do you know about its history? The facts may surprise you. The Automatic Payroll Systems website shares these little-known facts about the nation's founding:

- The Declaration of Independence wasn't signed on July 4. The Second Continental Congress voted on the Declaration on July 2, 1776, and it was finalized on July 4, but it wasn't signed by a majority until Aug. 2. Because of all this, John Adams, the 2nd president of the United States, didn't recognize or celebrate July 4th as Independence Day.
- The vote was not unanimous. Richard Henry Lee proposed a bill declaring independence on June 7, 1776. Twelve of the 13 colonies voted to adopt it; New York abstained. On July 4, only nine of the colonies voted in favor of the declaration; Pennsylvania and South Carolina voted against it, New York abstained again, and Delaware was undecided.
- The declaration had a strategic purpose. The point of the formal declaration was to attract foreign allies in the fight for independence. The signers wanted to present the 13 colonies as a united front, or they felt other countries like France wouldn't take them seriously.

About the signers: Fifty-six people signed the document. Eight were born in Britain; the rest were born colonists (all were still technically British subjects at the time of the signing). One signer recanted after being captured by British forces. The last person to sign was Matthew Thornton, on Nov. 4, 1776.

JULY CALENDAR

Eye Injury Prevention Month. Of the approximately one million eye injuries in the United States each year, health experts say 90% are preventable. The leading causes of eye injury are sports accidents, fireworks, yard and workshop debris, and household chemicals.

National Hot Dog Month. The warm summer months are perfect for grilling, and what better food to toss on the grill than a juicy hot dog? National Hot Dog Month was founded by the U.S. Chamber of Commerce about 65 years ago. Since that time, the National Hot Dog and Sausage Council promotes this monthlong celebration each year.

Park and Recreation Month. Since 1985, Americans have celebrated Park and Recreation Month in July to promote the importance of parks and recreation in health and wellness, conservation, and social equity. Parks are the cornerstone of nearly every community, serving millions of people as places anyone can go to be active and healthier, connecting with nature and gathering together.

World Watercolor Month. Grab some watercolors and make a watercolor painting each day during the month. Share your work online for others around the world to enjoy. Use the hashtag #WorldWatercolorMonth when posting your art and use it to meet other watercolor artists around the globe.

Week

National Therapeutic Recreation Week, July 10–16. Established by the National Therapeutic Recreation Society, this week is intended to raise awareness of therapeutic recreation programs and services that improve the health and well-being of people with physical, mental, and emotional disabilities.

National Cancer Survivor Sibling Week, July 10–16. Celebrated annually the second week in July, National Cancer Survivor Sibling Week raises awareness of the psychological and other challenges faced by siblings of cancer survivors.

National Zoo Keeper Week, July 17–23. National Zoo Keeper Week focuses on the need to protect and preserve our wildlife and vanishing habitats via conservation messages created by their institutions. During the third week of July each year, celebrate National Zoo Keeper Week; both keepers and animals deserve recognition.

National Moth Week, July 23–31. National Moth Week celebrates the beauty, life cycles, and habitats of moths. “Moth-ers” of all ages and abilities are encouraged to learn about, observe, and document moths in their backyards, parks, and neighborhoods.
