Eddie Karabin

Well summer is upon us, with that being said, don't forget to put on sunscreen to protect your skin when you're outside at the beach or pool. When at our community pool, remember to wear your wrist band. If you don't have the wrist bands, they are available at the office.

Summer also brings Hurricane Season here in Florida from June 1 to November 30. Please be prepared for any emergency. Information on emergency preparedness is available in the clubhouse and on the East Bay Oaks Neighborhood Watch page on Facebook.

Saturday July 2nd we will have a cook out and pool party on the patio with SoulFish playing.

Remember to lock up your vehicles at night for yours and others safety. I will let you know if any new developments arise.

And as always, have a safe summer here at EBO.

Thanks,
Eddie

Don't Leave Them Behind

By Jennifer O'Connor

Hurricane season officially begins June 1, but natural disasters can strike at anytime. Here are some tips for protecting your furry loved ones in an emergency:

In the event that our area is evacuated, never leave companion animals behind to fend for themselves. They aren't any better equipped to survive disasters than humans are. Know your destination ahead of time.

Shelters for human victims don't often allow animals, but Pinellas County has a program you can sign up for. And hotels in our area may allow pets in an emergency. Call destinations in advance and find out which ones will accommodate you and your animals.

Never leave animals unsupervised in a car—they can panic and try to escape or suffer from heatstroke once ambient temperatures rise above 70 degrees, even if water is provided and the windows are slightly open.

Place small animals in secure carriers. Dogs should be leashed because frightening sounds and unfamiliar surroundings may make them bolt. Take water and food bowls, your animal's favorite toy or blanket, a towel, and enough food for at least one week.

Make sure that dogs and cats are microchipped and put legible ID tags with your phone number on them so that your companions can be found in case they get separated from you.

East Bay Oaks Neighborhood Watch

Mission Statement

The goal of the Neighborhood Watch program is to enhance neighborhood security, heighten the community's power of observation and to encourage mutual assistance and concern among neighbors. The main objective is to improve citizen awareness of burglaries and provide information to reduce their occurrence.

The Neighborhood Watch program trains citizens in regard to better property security, develops a neighborhood action program where neighbors help watch each other's properties and report suspicious persons and activities to law enforcement agencies and enlist each resident's help in helping our community.

Monthly meetings are held the 2nd Wednesday of the month at 7PM in the clubhouse. Everyone is encouraged and welcome to attend.
