## ON THE COVER:

Independence Day in Lincolnshire is celebrated every year because of the many veterans who have given so much so we are able to celebrate the freedoms we share. Here are just a few who helped to honor past fallen vets and celebrate those who are still with us. The photo is from the celebration of Memorial Day. Big thanks to Peggy K. who brought them together in front of her home for playing of taps in honor of all – and Happy Birthday America.

## FROM THE EDITOR

By: Donna Wurtz

(lot 938.....509-1182.....momshse@aol.com)

It's hard to believe that the year 2022 is already half over. Covid is still around but no longer great scare that it was. We still remain vigilant, and let's face it – the precautions we have taken in the last 2+ years have been helpful in keeping us healthier in lots of other ways. Even cases of food borne illnesses are way down because of extra care taken in sanitation. People are returning to more normal lifestyles, but we hope that the cautions will continue to be in place so that we will not be back living in fear of leaving home.

july

Speaking of leaving home, looks like now that everyone is getting out and travelling, we need to give up something else to be able to afford it. Oh well, as we age, we have learned that it is always something.

As we enter this month, we are welcoming another new manager to Lincolnshire. Albert Burrezo. We hear many good things about him, and unlike some past managers who were new to Rickert properties, Albert has been around for a while. If you were not present when the “meet and greet” took place last month, stop by and introduce yourself. So far we know that he has some new ideas that will be helpful with the resident club in future events, and we look forward to working with him so that all our residents enjoy the facilities and programs.

And don't forget to send articles – without them there is no voice!

Thanks:

See you next month

# FROM THE DESK of the PRESIDENT

By: Linda Casey (lot 1211.....581-5257.....lcasey9@tampabay.rr.com)

---

Memorial Day has come and is gone, and I know we all had a good time at our cookout. Time to get ready for Fourth of July. We are planning a different lunch for the fourth and it will be Subs, Chicken fingers and salads and soda and beer and chips and of course ice cream. We will be selling tickets for the lunch starting the first Wednesday in June and the ticket price should be the same as Memorial Day. We will be having a free dance on July 16th so get your dancing shoes back out. I will be putting out a signup sheet for the dance so we can see how many will plan to attend. The music for the dance will be a little Country and a little rock and roll so come out and have a good time. Please keep in mind according to the State of Florida children under the age of 18 are not allowed in our hall while playing Bingo. Packets cannot be sold to anyone that has a child with them and they must leave the hall. We do not want to be fined or lose the right to play bingo due to outsiders. Thank you for following the rules.

Have a great week and be safe. Let's try and be kinder to each other.

# THOUGHT FOR THE MONTH:

---

“**T**here are no mistakes in life, only lessons. There is no such thing as a negative experience, only opportunities to grow, learn and advance along the road of self-mastery. From struggle comes strength. Even pain can be a wonderful teacher.”

## A LINCOLNSHIRE STORY:

---

Joe and Peggy finally found their retirement dream house in Upstate New York. As their first winter in the house approached, they became a bit concerned about the lack of insulation. “If that old couple could live here all those years, so can we!” Joe said to Peggy.

One night the temperature plunged to below zero and they woke up to find their interior walls covered with frost. Peggy urged Joe to call the previous owners and inquire how they kept the house warm. Joe dialed their cell phone number and talked with Mr. Thompson. After a rather brief conversation, he hung up. “What did he say?” Peggy asked Joe.

Joe muttered, “For the last 30 years, they’ve gone to Lincolnshire Estates in Florida for the winter.”

## Dial Directory and Database

By Donna Wurtz (#938.....509-1182.....momshse@aol.com)

The dial directory for the 2022-2023 year has been submitted to the publisher. We thank everyone who sent in their changes to be published in the book and welcome our new residents who have completed their forms to be included.

For those who did not choose to fill out the forms, please note you will not appear in the dial directory until 2023-2024, and if you have not provided your number to the directory editors, you will most likely NOT receive any notifications that may be provided by your block captains. Therefore, please do not make complaints regarding non-notifications of things like water shutoff, as we cannot call you if we don't have a number.

The new book will be delivered over the summer months and will be distributed to your block captains for further distribution. Those who are part time residents can expect to be able to pick up their new books from their block captains upon their return in the fall.

Meanwhile, please add the following newly listed numbers to your existing Dial directory for your information: **BLOCK CAPTAINS PLEASE TAKE NOTE:**

Jean Pearson	lot 107	742-0944
Nancy J. Balanger	lot 972	303-895-9462
Cindy & Bo Stephanoff	lot 1254	317-698-4177

For those who are new, please address any questions directly to Donna Wurtz at 101 # 938, (phone number above)

Please remember the only way we can publish your name & number as being a resident here in Lincolnshire is if you fill out the form and return it to lot #938. The office cannot share your information to us, and the book is published only once each year.

Thank you for your cooperation.

# COOKING IN LINCOLNSHIRE

By: Donna Wurtz (#938.....509-1182.....momshse@aol.com)

Searching once again for a great summertime recipe, we found this one from the 2019 Lincolnshire cookbook (still available for sale to new residents – just call me) contributed by former resident Shirley A. Thompson:

## BANANA SPLIT CAKE

- |                                |                                       |
|--------------------------------|---------------------------------------|
| 5 bananas                      | 2 eggs                                |
| 1 lg. cool whip                | 2 c. confectioners' sugar             |
| 3 sticks butter (I use butter) | 1 lg. can crushed pineapple (drained) |
| 2c. graham cracker crumbs      | ½ c. maraschino cherries chopped      |
| ½ c. chopped nuts              |                                       |

Mix 1 stick of margarine with graham cracker crumbs. Pat into 9 X 13 pan. Beat 2 sticks of margarine, 2 eggs, and 2 cups confectioners' sugar for 15 minutes. Spread over graham cracker crust. Cover with sliced bananas and spread with drained pineapple. Place cool whip on top and sprinkle with mixture of chopped nuts and cherries. Refrigerate for 24 hours. (You can garnish with chocolate syrup before serving as well)

## Residents' club meeting

Next residents' club meeting will be in the fall – watch for notifications

## YOUR IMPACT ON OTHER PEOPLE:

Is bigger than you think. Someone still giggles when they think of that funny thing you said. Someone still smiles when they think of the compliment you gave them. Someone silently admires you. The advice you give has made a difference for people. The support and love you've offered others have made someone's day. Your input and opinions have made someone think twice. You're not insignificant and forgotten. Your existence makes a positive difference, whether you see it or not.

**I**t never ceases to amaze me that people who read books, can't read signs.  
I've asked repeatedly for books that are being returned to the library  
to be put into the cabinet.

That's what it's there for.

When you attempt to help me by shelving your returns, it messes up my system.

I appreciate that you mean well, but it makes more work for me.

If you have many books to donate, it would be very helpful if you brought them to my coach  
so I can sort them first.

Thanks for your cooperation.

# Sunshine Committee

By: Mary Jo Webert & Marge Kristall

July, 2022

Summertime at Lincolnshire can be more relaxed for most of us full time residents. Fewer folks at the pool, time to catch up on our reading. We are more than likely spending more of our daytime hours indoors so a great time to clean out that closet we've been saying we would get to for the last year.

Don't forget our 4th of July picnic that is planned, great time to spend time chatting with your neighbors and enjoying good food. See calendar for details.

July 4th Celebration at Largo Central Park. Music begins at 6PM with food/beverage vendors on site. Parking opens at 5PM. Limited parking on site at the park will be \$10.00 or parking at Largo Middle School or Largo High School is \$5.00. Fireworks at sundown.

Time to visit some of our favorite restaurants without waiting in long lines, or better yet try some new places to eat in some of the great communities we have here in Pinellas county, (Dunedin, Tarpon Springs, St. Pete).

Coffee on Wednesday mornings is also a good way to start the day. Gets us out and about before the day heats up. Don't forget to bring your coffee cup with you!!

Just remember however you spend your day to make sure you are drinking plenty of water. We Seniors are more susceptible to dehydration. Take a bottle of water with you no matter where you go!

**Since our last newsletter we have contacted via cards/calls the following residents who have had hospital stays or are home recovering from an illness. Please keep them in your thoughts & prayers.**

*Rita Sullivan #1550 currently at Ellison of Pinecrest (on 8th Avenue SW) for a respite stay. I am sure she would love to see some of her neighbors!*

*Bill Robinson #1154 – as of this writing still in the hospital recovering from surgery.*

**Saddens us to report of our Lincolnshire residents passing.**

James Ververis #357

*If any of our residents get birthday, sympathy, or get-well cards in the mail from various organizations and are not planning to use them we would appreciate you dropping them off to either one of us or call and we can pick them up. The Sunshine Committee can always put them to good use.*

*Please give Mary Jo or Marge a call with any news regarding our Lincolnshire neighbors. It is always nice to know that others are thinking of you when you are experiencing a difficult time in your life.*

**DID YOU  
KNOW**

**W**e need some new Directors to help serve on the Board.  
Contact us at the above email for more information.

By the time you read this, almost a month has passed. June 1st was the official kickoff day for the annual Lincolnshire Homeowners Association membership drive. COVID and other circumstances caused us to lose many long-time members. In addition, with the many sales and departures, we have many new neighbors.

We want to thank the following for making this drive possible and looking forward to establishing the necessary goals. Hopefully by this time, you and all the new members will have received your emails on our progress.

Eric Salabay	Leora Roemer	Cynthia Gleason	Ray Lewandowski	Elaine Kenny
Diane Young	Shirley Bettencourt	Patricia Magee	Doug Eschenback	
Vicky & Bill Robinson	Jane Johnson	Allyn Webert	Ann Curry	
Marge Kristall	MaryJo Webert			

Just an FYI to our Renters, an HOA membership can be comprised of homeowners only. The membership is growing steadily each day. Let's get on the band wagon to help your community be properly represented on issues that concern you. The goal is getting enough owners back on the roster so you can have a quorum to represent you at any HOA/Attorney meeting with Owner/Manager on any Park issues.

-----  
Meanwhile, if any owners are having difficulty with the new Community Resident Portal system, feel free to contact us. We will be more than happy to spend some time with you.

There are other options we can suggest if you don't have internet access.

<https://communityresport.com> **Website for the Community Resident Portal**

-----  
The HOA Board of Directors is working through other channels to secure information as to how the new unannounced Admin Fee is being calculated every other month.

WICKETT WURTZ {Lot 938....459-0394.....bigchees99@aol.com}

**R**eally cool – I got a text message from “Chuck” Benson. I bet you didn’t know that canine buddies can send text messages. Anyway, Chuck celebrated his first birthday on May 27th. Remember when his photo was in the voice last year when he first arrived here in Lincolnshire. Well Chuck tells us he “dressed up” for the occasion and celebrated with his other 9th street buddy – “shorty.” He says he is a really happy dog here in Lincolnshire, and it’s evident as he walks through the park each day with his tail always going and wanting to interact with anyone he sees. Too bad I’m as old as I am, and usually can’t even see him and especially can’t play the way he does. Congrats on your birthday “Chuck”

I started a list of some “Golden Rules” for pet parents. This will be the first installment and will continue next month. They aren’t necessarily my rules, but things that others have listed as important for pet parents to consider’

1. Keep you dog (or cat) on a short leash, by your side, whenever you’re walking in public. (Unless of course you’re in a designated off-leash dog area)
2. Pick up after your pooch. It’s just common courtesy, plus animal waste often contains pathogens harmful to pets and humans, such as E. coli, salmonella, and parvovirus
3. Discourage your cat from using a neighbor’s planting space as her personal litter box. Often easier said than done, but perhaps installing a “catio” so your cat can enjoy outdoors while remaining close to home, or even purchase cat repelling herbs for neighbors to plant
4. Discourage your canine companion from jumping up on people. Rowdy dogs can startle elderly people and knock them off balance, and leave paw marks on clothing.
5. Never leave small children alone with your animals. For safety, let your pets sniff small visitors hands before trying to pet them, handle their toys, of offer them treats.

More next month.

See you on my walks

**O**n June 6th the Monday Lincolnshire golf group, that now has two foursomes, played at Country Way Golf Course in West Chase. Penny Coyle played there for the first time. This course features a lot of water. After three people in her group successfully hit over the pond on the first hole, but missed the green, Penny hit a ball that not only landed on the green but found its way to the cup **A HOLE-IN-ONE!** Penny carded her first hole-in-one (ACE)

**M**any of you have asked how and where you can get a Military ID Card renewed. You can go to any Real Time Automated Personnel Identification System (RAPIDS). These may be called the Pass and ID office, Military Personnel Flight, DEERS office, Personnel Support Detachment, ID Card Section, S1, One Stop, or a variety of other names, depending on the installation or branch of service. RAPIDS offices are located on military bases, at National Guard armories and at reserve training locations. You must be currently enrolled and have your information up to date in the Defense Eligibility Enrollment Reporting System (DEERS) to renew yours or your spouse's ID card and normally must have your current Military ID and a second form of identification which is required for ID card reissuance. The following is a link for the RAPIDS locations etc. <https://idco.dmdc.osd.mil/idco/>

Retirees and family members whose cards expired before the end of July faced a deadline of Jan. 31, 2022. The deadlines do not apply to anyone holding an ID card with an indefinite expiration date -- generally retirees and family members aged 65 and older.

To renew your card, go to the BX at MacDill AFB and then go to the Kiosk machine by the Tattoo Shop. Bring with you 2 forms of ID, follow the questions on the screen, scan your documents, take a photo, and hit submit. Your request will be sent to the ID Card office on MacDill AFB for renewal. You will be able to pick up your ID card within 30 calendar days.

A couple of other locations:

Army Reserve Center - 1LT Max R. Stover USARC, Address: **1420 Beach Dr SE, St. Petersburg, FL 33701, Phone: 910) 771-2225, Call for an appointment.**

*...continued on page 36*

**US Coast Guard North Moorings, Address: 8th Ave, St. Petersburg, FL 33701, Phone: 727-824-7534. I would call both of them to find out how they do ID Card renewals and make an appointment.**

Another question is how I get my DD 214. There are two ways of obtaining it Through the VA if you are registered there just follow the link or copy it and put it in your Browser <https://www.VA.GOV>, then follow the instructions on the page. Again, you must have an account! Then click on the VA Home.

Another way is to follow the link to the National Archives page and again follow the instructions. On this page you can det your DD-214's, separations papers and medical records etc. <https://www.archives.gov/veterans/military-service-records>

## **A Nurse's Self Care Toolbox #50**

*Allyn Webert, RN. Lot 1438, Lincolnshire Estates  
[allynwebert@gmail.com](mailto:allynwebert@gmail.com)*

**T**his month's next jab of nursing starts with what the heck happened to my 5-star skin that I had just a few years ago. I know I brought my skin in its entirety down from Vermont when I moved here 10 years ago.

This will take 2 articles as important. Let's face the issue, our skin does change with age. It can become thinner than and not as smooth as it once did. Our veins and bones can be seen more easily especially on our arms and legs. Scratches, cuts, or bumps can take longer to heal. Add a year or more of being out in the sunlight for a long time may lead to wrinkles, dryness, age spots, and even skin cancer. But there are things we can do now and every day to protect our skin and to make it feel and look better. Our skin, a major organ, is now and has always been a major defense against all sorts of stuff that can really hurt us.

Dry Skin and Itching is certainly number one of our complaints. Where and why? Often on our lower legs, elbows, and lower arms. Dry skin patches feel rough and scaly. Some reasons for dry skin, not drinking enough water, spending too much time in the sun, being in very dry air conditioned air, and even stress. Plus, we lose sweat and oil glands.

Dry skin also can be caused by health problems, such as diabetes or kidney disease. Using too much soap, antiperspirant, or perfume and taking hot baths can make dry skin even worse.

Some medicines can make skin itchy. Because older people have thinner skin, scratching can cause bleeding that may lead to infection. Or just plain ugly looking forearms not caused by blood anticoagulants.

Here are some easy ways to help dry, itchy skin: Use moisturizers, like lotions, creams, or ointments, every day. Take fewer baths or showers and use milder soap. Warm water is less drying than hot water. Don't add bath oil to your water. It can make the tub too slippery. Falls are a common occurrence for us. And try using a humidifier, an appliance that adds moisture to a room especially in our winter months.

Bruising happens more easily than younger people. It can take longer for these bruises to heal. Some medicines or illnesses may also cause bruising. In Florida we often don't wear full cloth coverings. Talk to your doctor if you see bruises and don't know how you got them, especially on parts of your body usually covered by clothing.

Over time, skin begins to wrinkle. Things in the environment, like ultraviolet (UV) light from the sun, can make the skin less elastic. Gravity can cause skin to sag and wrinkle. Geez. Certain habits, like smoking, also can wrinkle the skin. A lot of claims are made about how to make wrinkles go away. Most of them don't seem to work and a big waste of our money. Some methods can be painful or even dangerous, and many must be done by a doctor. I can only hope. Talk with a doctor specially trained in skin problems, called a dermatologist.

Age spots, once called "liver spots," are flat, brown spots often caused by years in the sun. They are bigger than freckles and commonly show up on areas like the face, hands, arms, back, and feet. Using a broad-spectrum sunscreen that helps protect against two types of the sun's rays (UVA and UVB) may prevent more age spots. Of importance is to consider using sunscreen even in our homes as sun **simply gets in!** Many Medicare Advantage plans over the counter benefits have no cost sunscreen. Order it and use it.

Skin cancer is a very common type of cancer in the United States. We will focus on this next month. Put the sunscreen on the bathroom counter as step one!
