## TMHA MESSAGE

*Submitted by Ben Cortez, TMHA President*

**G**reetings Teakwood Residents; Because we have been getting reports about dogs in the park not on a leash and feeding of wild animals, I went online to see what the Florida laws for Pinellas County are pertaining to these problems in Teakwood.

1. Is there a leash law in Pinellas County? Yes, the law states "no dog or cat shall run at large within the county. Any person who possesses, harbors, keeps, or has control of any dog or cat which is running at large shall be in violation, regardless of the knowledge, intent or culpability of the owner. "John Houle advised the Board of Directors to tell the people complaining to report them to Animal Control Code Enforcement at 727-582-2600 for removal from the premises. Please if you can, supply a picture and time of day of the violation.
  
2. Feeding of wild animals in Pinellas County. In Pinellas County it is UNLAWFUL to feed wildlife. Feeding can increase the danger of the spread of disease and draws in larger predators. Wild animals fed by humans may quickly lose their natural fear and possibly attack without provocation. Wildlife habituated to humans feeding them often have to be destroyed because of the danger they pose to neighborhood pets and residents. Again, you may call Animal Control Code Enforcement.

## FROM THE MAIN OFFICE

**S**ome of you may have seen a new face around the park in a Teakwood Village truck. Well, we have a new employee, and his name is Cody. He will have many tasks, but one of the main tasks he will have, is when a resident does not properly take care of their yard,

pressure wash their home, clean their gutters, and the like, he and John Houle will start by taking photos. A notice will then be issued and if you do not take care of the issue(s) within the time stated in the notice, Cody will then do the work. This is not free. You will be billed for this. If you are unable to take care of these items yourself, you may call the main office and we will give you an estimate of what the charges will be. Yes, there will be a base charge plus hourly service fees. Yes, this does follow up a little on last month's article.

We are doing our best to ensure that Teakwood Village is a beautiful amazing place to live, but we do need your help. If you see something, please say something to the Main Office. Write an e-mail, send a text, call or drop off something in writing. I will need your name, but I will not share it, even if someone yells at me, we just can't take anonymous information. I will end the Dog Days of Summer month with a slightly short article. Have a happy Independence Day and enjoy Nat'l Blueberry Month.

## MEMBERSHIP FOR 2022

---

**S**ocial Club memberships for 2022 are on sale at Tuesday Koffee Klatch or by contacting Linda Adams at 727-501-9311 or stopping by her home. The \$2 membership fee is good from January 1 – December 31, 2022.

Some residents who were members in 2020-2021, chose not to attend functions earlier this year due to COVID and therefore, did not renew their 2022 memberships. Now that we are over the biggest COVID hurdles, some of these people will want to attend our big fall and winter events. In order to get the lower membership rate for tickets you must renew your 2022 membership. In December we will have an election for some of the positions on the Social Club Board. If you are not a member you can not vote. So please be sure to renew your membership to participate in the summer events now or the fall/winter events when you return to the Village at the lower rates.

## HELP NEEDED!

---

**K**eith Wautlet, after years of delivering the monthly newsletter on one of our neighborhood routes has decided it is time to take a break. Many thanks to you Keith for your years of service to our Teakwood family. But now we need a volunteer to take over. It is a short route consisting of 475 & 476 Canary, 480-83 Robin and 487-490 Robin. There are only a total of 10 homes on this route and less than that are occupied full time. It would be greatly appreciated if anyone who lives on one of those streets or close by would volunteer to take on the delivery at the end of each month. Please contact Dianna Martin at 727-424-9332 or via e-mail [teakwooddgm@gmail.com](mailto:teakwooddgm@gmail.com) to help out.

## KOFFEE KLATCH

*from the Social Club*

---

**C**ome join your friends & neighbors every Tuesday morning at the Aloha Clubhouse for coffee or tea and donuts. Official start time is 9:00 A.M. but most people come a little early to socialize and find a seat. The cost is only \$3 per person for great doughnuts & all the coffee you can drink. This is also the best place to get up to date information on Social Club events. For the many new homeowners in Teakwood East this is a great way to get involved in the community activities and really become a member of the “family”. Just bring your own mug/cup. The Social Club supplies cream, sugar, sweeteners & stirrers.

Paint & Sip is open to all Teakwood Village residents. The cost is \$15 per person. If you would like to attend, please add your name to the sign-up sheet in the Aloha Clubhouse. This is open to ALL Teakwood residents east & west. There will be a physician guest speaker who will give a brief talk. The items being given to seniors in July are paper products. With the ever increasing gas prices & the rising grocery/commodity prices this is a big help to many seniors who are on a fixed income. You do not need to be a Humana client to participate. This is part of their community outreach program for seniors in Pinellas County.

## **4TH OF JULY PARTY**

**C**ome celebrate the birth of our nation with dinner and a dance. We will be serving up chili, hot dogs, drinks and more with a dance to follow. Music (DJ) by Ruby & Bernie Torrino. ## COMING IN THE FALL- FLEA MARKET/YARD SALE

*submitted by the Social Club*

It may seem like November 12th is a long way off, but it will be here before you know it and we still need volunteers to chair and organize the following:

- Social Club Table – gently used items donated to the Social Club for sale
- Bake Sale Table
- Hand Crafted Table
- Advertising
- Traffic Control
- Kitchen – Roland Lausier & Judy Owen have already volunteered to chair this, but they may need others to help
- Cashiers – Toni Topczij & Sue Veermersch have volunteered to help with the cash flow on Flea Market Day

All proceeds from the Social Club Gently Used Table, the Bake Sale Table, the Hand Crafts Table and the Kitchen go to the Social Club to help off-set the ever increasing cost of some of our fall/winter events such as Thanksgiving Dinner, Holiday Dinner/Dance, Christmas Day Dinner, our New Year’s Eve Party & Valentine Dance.

Please contact Paul Fadden or Dianna Martin if you would like to volunteer to head up one of these tables/tasks. For our friends and neighbors who are spending the summer up north you can reach Dianna at [teakwooddgm@gmail.com](mailto:teakwooddgm@gmail.com)

There will be tables in Aloha that individuals can use to sell their own items, or you can set up a table in your carport. The cost for having a table at the clubhouse or at your home is \$5. This fee will help defray the cost of advertising the event.

## CALLING ALL YOU WEED HATERS:

*Submitted by Cheryl Tracy*

---

I want to share with you a simple way to kill the weeds in your driveways, your pavers and your crushed stone work .

Boil a large pot of water and add a little bit of white vinegar. Then pour it directly on the weeds. Within a few days all the weeds will be dead. Be careful to only pour on plants you want to kill. They may need up to three treatments to totally kill them. Be careful of the splash-back. We don't want you to get burned.

This is easy, cheaper and so much better for the environment.

*...continued on page 22*

FYI, Roundup only kills the live plant, not the underlying seeds. That is why they come back within a few days. The boiling water will kill both the plants and the underlying seeds. Hoping you have a weed free life!!!

## DINING OUT

**C**learwater Family Restaurant; 1844 N Highland Ave, Clearwater FL (727) 754-8514  
Open Tuesday-Saturday 8:00 am – 4:00 pm Sunday 8:00 am – 3:00 pm Closed Monday;  
Dine-in & curbside pick-up

Clearwater Family Restaurant (CFR) is a laid-back casual family restaurant serving breakfast all day, lunch and early dinner. I got together with a few friends for lunch and everyone declared that what they ordered was good, the portions large, the prices were very reasonable and they would come here again.

The lunch menu has a bit of everything on it; appetizers, salads, specialty sandwiches, wraps, melts, paninis, burgers, club sandwiches, open face sandwiches, and wide choice of dinner entrees. You definitely won't lack for choices. Items our group sampled were: Hamburgers – ½ pound 100% angus beef freshly made & cooked to order with fries (\$7.95); Gyro Platter – open faced served with pita bread, Greek salad, tzatziki sauce & French fries (\$10.95); CFR Club Sandwich – ham, bacon, cheese & a sliced hard boiled egg with a side of fries (\$9.50); Cheddar Jalapeno Poppers – a large portion served with marinara sauce (\$6.95); Turkey Caliente Wrap – loaded with roasted turkey breast, jalapenos, bacon, cheddar cheese & a dipping sauce comes with fries (\$8.95). As I said, everything was good, but the big hit of the day were the fries!! Crunchy outside tender inside everyone agreed these were great.

So if you are looking for a place you don't have to get dressed up for with really good food and reasonable prices this is worth checking out.

## WHERE DID THE PHRASE ORIGINATE

*Submitted by Cheryl Tracy*

---

**U**s older people need to learn something new every day just to keep the grey matter tuned up. Did you ever wonder...

Where did the phrase "Piss Poor" come from? Interesting story. They used to use urine to tan animal skins, so families used to pee in a pot. Once it was full it was taken and sold to the tannery...

If you had to do this to survive you were "Piss Poor". But worse than that the really poor folk

who couldn't even afford to buy a pot... they "didn't have a pot to piss in" and were the lowest of the low.

The next time you are washing your hands and complain because the water temperature isn't just how you like it, think about how things used to be. Here are some facts about the 1500's; Most people got married in June because they took their yearly bath in May, and they usually still smelled pretty good by June. However, since they were starting to smell, Brides carried a bouquet of flowers to hide the odor. Hence the custom today of carrying a bouquet when getting married.

Baths consisted of a big tub filled with hot water. The man of the house had the privilege of the nice clean water. Then all of the other men & sons, then the women and finally the children. Last of all the babies. By then the water was so dirty you could actually lose someone in it. Hence the saying "Don't throw out the baby with the bath water!"

Houses had thatched roofs; thick straw piled high with no wood underneath. It was the only place for animals to get warm, so all the cats and other small animals including mice & bugs lived in the roof. When it rained, it became slippery and sometimes the animals would slip and fall off the roof. Hence the saying, "It's raining cats & dogs". There was nothing to stop things from falling into the house. This posed a real problem in the bedroom where bugs and other droppings could mess up your nice clean bed. Hence, a bed with big posts and a sheet hung over the top afforded some protection. That's how canopy beds came into existence.

The floor was dirt. Only the wealthy had something other than dirt. There fore the saying, "Dirt Poor". The wealthy had slate floors that would get slippery in the winter when wet, so they spread thresh (straw) on the floor to help keep their footing. As the winter wore on they added more and more thresh until, when you opened the door it would start spilling outside. At that point a piece of wood was added to the entrance way. Hence, a Threshold was created.

(Getting quite an education, aren't you?!?)

In those days they cooked in the kitchen with a big pot that always hung over the fire. Every day they lit the fire & added things to the pot. They ate mostly vegetables & did not get much meat. They would eat the stew for dinner, leaving leftovers in the pot to get cold overnight & then start over the next day. Sometimes the stew had food in it that had been there for quite a while. Hence the rhyme: "Peas porridge hot, peas porridge cold, peas porridge in the pot nine days old".

Sometimes, they could obtain pork, which made them feel quite special. When visitors came over, they would hang up their bacon to show off. It was a sign of wealth that a man could, "bring home the bacon." They would cut off a little to share with guests and they would all sit around and "chew the fat".

Those with money had plates made of pewter. Food with high acid content caused some of the lead to leach into the food, causing lead poisoning death. This happened most often with tomatoes, so for the 400 years or so, tomatoes were considered poisonous.

Bread was divided according to status...workers got the burnt bottom of the loaf, the family

*...continued on page 30*

got the middle, and guests got the top, or “upper crust”.

Lead cups were used to drink ale or whiskey. The combination would sometimes knock the imbibers out for a couple of days. Someone walking along the road would take them for dead and prepare them for burial. They were laid out on the kitchen table for a couple of days and the family would gather around and eat & drink & wait to see if the person would wake up. Hence the custom of “holding a wake.”

England is old & small, and the local folks started running out of places to bury people so they would dig up coffins, take the bones to a bone-house, and reuse the grave. When opening these coffins, 1 out of 25 coffins were found to have scratch marks on the inside and they realized they had been burying people alive. So, they would tie a string to the wrist of the corpse, lead it through the coffin and up through the ground & tie it to a bell. Someone would have to sit in the graveyard all night (“the graveyard shift”) to listen for the bell; thus, someone could be “saved by the bell” or was considered a “dead ringer”.

Now, whoever said history is boring ???!

The third Tuesday of each month, a general meeting open to all members of the Teakwood West Social Club will be held during the Coffee hour.

Come early for 50/50 tickets! 3/\$1

Engage with our community and hear updates as to what may be happening before the next monthly Newsletter distribution.

Don't forget your coffee cup!

As a reminder, we are trying to defray costs for our Social Club and are collecting \$2 per person for those wishing to have a donut with your coffee. It is our hope that this will not discourage anyone from coming to the meetings. The meetings are intended to keep you informed on what is happening in our Social Club, any activities within the park, news from the Teakwood board, and enjoying fellowship with your friends and neighbors.

--> Interested in helping out with serving and preparing for our Coffee meetings? Monthly volunteers are greatly appreciated !
