From: LSR Board

June 10, 2022

Subject: Monthly Activity Report: May 2022

Dear Fellow Residents:

D Pinellas County Actions: The Board has been informed that on 24 May 2022, Pinellas County Commissioners voted to authorize \$13.9M for the design and construction of up to fourteen (14) mobile home park's potable water supply. For LSR, this means the county will redesign and upgrade our water system and take over the management and maintenance of the system. Once this is complete, LSR will no longer be responsible for any system leaks. The county would install meters on each mobile home and each resident will be responsible for their own water usage. LSR would be responsible for the common potable water use in the hall, office, pavilion, laundry, and other common areas. Well water would still be the responsibility of the park. This is an exciting opportunity for the park to eliminate the financial burden of system wide water leaks in our park. Over the past few years, the Park has had to deal with:

- Water leaks in the infrastructure of our potable water system (three major leaks in 2021)
- Water leaks inside residents’ homes
- New valves for the distribution boxes
- Mapping the water system and actually finding the valve boxes and what the boxes feed
- Raising the valve boxes above ground level to allow access to the valves
- Bringing in outside expertise to find and repair leaks (three times in 2021)
- Looking for ways to predict where leaks are occurring in the underground pipes
- Dealing with certain residents who use potable water to wash cars and irrigate their lawns

These items cost the residents of the park money in the maintenance fees. In addition to the past issues, there are future issues that the Park will have to address:

- Replacement of galvanized underground pipe that may still exist in the park (this is a major leak waiting to happen)
- Facing the possibility of replacing the water infrastructure sometime in the future to ensure safe drinking water without system wide leaks

According to our MOA, the Park is responsible, finances permitting, to provide sewer and water. The MOA does not specify how the Park satisfies this obligation. The water and sewer expense for the Park is the single largest expense included in our maintenance fees. The 2022 budget for water and sewer is \$139,000. This is due to increases in rates from the county for the past three years. Our water bill (usage) for the months April and May (we are billed every two months) was \$18,214. This bill was for the lowest usage in six years. The breakout of the bill is:

	Park Total	Per House
Water	\$4229	\$17.05
Sewer	\$5288	\$21.32
Sewer Connection Fee	\$8680	\$35.00
Total	\$18197	\$73.37

The difference between the actual billing from the county of \$18214 and the usage above is a fee for a backflow device.

In 2021, I personally went to the county to try and get the sewer connection fee reduced using the argument that the park had one sewer connection to the county. After several conversations with various county employees, I lost this argument.

Imagine if we had a leak somewhere in the park, either in the infrastructure or in a residential unit. The cost will increase for all residents. If the county does go through with taking over the water system and the board approves it, any leaks will not be the responsibility of the park as a

whole. If a residential unit has a leak, that resident will be responsible for the water and sewer. One consideration that will be on the fulltime residents’ minds is the sharing of the water bill amongst all residents. The division of water usage and the appropriate charge to each resident is only fair to each resident of the park.

If the board approves the county’s proposal, the design will begin in 2022-2023 and the construction in 2024. Until then the park will continue to operate as usual.

The Board has established a Committee to oversee the Sewer and Potable Water system replacement:

- Chair: Lasereno, Inc President (Steve Schaefer)
- Member: Duncan Brown
- Member: Mario Zammit
- Member (Full Time Resident): Paul Capotosto

Lake Weed Spraying: A park resident, Mr. Roger Gee, is circulating a petition to have the park take on the responsibility of spraying the weeds in Lake Seminole in front of the homes on the lake. The Board is looking into this action with constraints of our permit, the county oversight, rules and regulation modifications, and the budget implications. For clarification, the LSR permit only allows spraying of weeds for 25 feet along each lot on the lake, extending out only as far as “open water”. Practically, this means that only half of the weeds in front of each home are allowed to be sprayed. Native aquatic plants are not allowed to be controlled.

While the Florida Statues governing Co-Ops do not require the Board to accept or act on petitions other than the removal of a director, the Board has indicated it is in favor of responding to the petition. The procedure for approval or disapproval of the petition will be disseminated to the residents soon.

Director Resignation: I am sorry to report that Ann Haines has resigned from the Board for personal reasons. Ann has been a valuable member of the Board and her drive and commitment will be missed by us all.

Rules and Regulations: The Board is considering some minor changes to the Rules and Regulations. These changes will be sent to the residents for comments in the fall.

In 2021-22, parking rules enforcement were relaxed due to the return of many residents after the Covid pandemic break. In the upcoming year, the rules will be strictly enforced. If any resident has a situation that requires special attention of the Board, please contact a Board member to discuss.

Water: Water usage is at a six-year low. However, our actual water and sewer bills were at an all-time high due to increase in rates. This rate increase is expected to continue for at least one more year.

Pool and Spa:

- New filters ordered for the pool are late in arriving. We expect them to be delivered in June.
- The first electronic lock is still being installed. Some delays have been experienced in the lock installation.

Maintenance:

- The iron posts along the pool-office building are being stripped and repainted. In the process of stripping the old paint, rust was evident on a few of the posts. Replacement or repair of these posts are needed for structural integrity. The Board is looking into this repair.
- Cameras remain on backorder. This has been an issue for the past few months.

Legal: The property at 11121 101 Way is now eligible to go into foreclosure. The Board plans to discuss this process with our attorney at a closed Board meeting on 27 June 2022.

Financial Status:

- Financial information for May is posted in the hall.

The next Board meeting is tentatively scheduled for 27 June. This will be a closed Board meeting as the discussions include our Attorney and discussions regarding residents.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Our Website!

To comply with new state regulations, and to move into the 21st Century, we have a new website that will help us keep in touch whether you are in Florida or anywhere in the world. There is a computer in the card room for anyone who wants to access the LSR website and does not have the ability at home. We would like to have your lot number, so please look at your property tax bill or ask Marlaine to look it up before you register.

1. To get registered, please go to www.LakeSeminoleResort.org. In the upper right-hand corner, click on "Register". Please enter your information as best as you can. (You do not need to add city, state and zip for your LSR address.)
2. I will get an email asking to approve your registration.
3. You will get an email back when that has been approved. (Check your SPAM folder.) Click on the link within the approval email and you can change your password. Your default username is the email address you used.

Dedicated Senior Medical Center
 A CHENMED COMPANY

Have the Right Doctor? Ask Yourself These 10 Questions.

At Dedicated Senior Medical Center, we're committed to keeping seniors healthy, happy and at home. We understand these are scary times, but we're here to help. Dedicated doctors specialize in caring for seniors and that's why we make it easy for you to see a doctor.

Ask yourself:

www.Dedicated.care

1. Is your doctor's office still open?
2. Have you heard from your doctor in the past two weeks?
3. Is your doctor personally calling and texting to check on you?
4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?
9. Is your doctor helping to make sure you receive all of your prescription refills?
10. Is your doctor offering to help you get your medications delivered?

**If you answered no to four or more of these questions,
 call us at (727) 260-2651.**
