THE MAY HOA MEETING WAS THE LAST MEETING UNTIL FALL. THE BOARD WILL CONTINUE TO MEET WITH MANAGEMENT MONTHLY TO WORK ON ISSUES.

WHY SHOULD YOU JOIN HOA AND PAY \$15/YEAR DUES? - It's the best bargain in town. The HOA Board and members are a group of residents that really do care about our conditions and health and safety. These are volunteers that receive no benefit other than improving things in our community.

WHAT DOES THE HOA BOARD DO WITH THE DUES MONEY? The dues money is used to pay for things such as Liability Insurance for Social Club Activities,

Corporation Registration with Florida, Bonding for Officers, Office Supplies to pay for sharing of information and keeping residents informed of issues such as this Monthly Media Guide. No money is spent for Officers time spent on HOA Activities or wasteful things. If you have any questions, talk to any board member. And please, join us in making this a better place to live. (This year the Liability Insurance for the year (\$2,088.58) was paid on Jan. 26, 2022; Corporation Registration (\$150.00) was paid on February 17, 2022; and Bonding Fee (\$158.00) was paid on January 15, 2002.) We also paid \$395.00 on April 11, 2022 for Auditor and Federal Tax Filing – Total \$3,186.58)

THE AMBER GLADES SOCIAL COMMITTEE HAS BEEN PUT ON HOLD FOR NOW. ANY RESIDENT THAT WANTS TO SPONSOR A SOCIAL ACTIVITY IS WELCOME TO DO SO BY CONTACTING THE HOA BOARD. A Thanksgiving dinner will be held sponsored by Craig Rodger and LeeAnne McHugh with support from the HOA Board. We still need a sponsor for our Halloween Party, Christmas Dinner and New Year's Eve.

Note from The HOA Board of Directors (Please take a few minutes to review the information below)

Our July 4th Celebration had a turnout of 75 residents celebrating Independence Day together. We ended our celebration with a Golf Cart Parade, even though the thunderstorms and lightning tried to stop it. There was fun by all!

We would like to acknowledge and thank the Social Committee Chairperson and Social Committee for their service the past few months. Their time and efforts were appreciated. At this time, The Amber Glades Social Committee has been placed on hold and will be reevaluated early next year. Any resident that wants to sponsor a social activity is welcomed to do so by contacting the HOA Board. If there is a resident who would like to volunteer or has an idea, please reach out to any board member.

If someone is interested in reserving the clubhouse for a private function, please contact Audrey Lawrence. She will work with you and the office in reserving the area for the timeframe requested.

If a resident is not part of the Homeowners Association, please consider joining. Over the past 12 months your HOA board has worked very closely with management and Lautrec in a number of new amenities for our community. We continue to look at ways to work with Management in keeping our community a beautiful place to call home. Please reach out to Patty Peterman if interested in becoming an HOA member. The cost is only \$15 annually.

We are pleased to announce we will be holding our Thanksgiving Dinner again this year. Keep an eye out for information to follow within the next few months.

Join us for a FUN Summer day this month – additional details to follow in the coming weeks!

NOTABLE DAYS IN AUGUST:

3rd – Watermelon Day (\$1.00 Slice of Watermelon at Clubhouse at 6:00 pm and Game Night)

WALKERS AND WHEELCHAIRS

We have walkers and wheelchairs available for our Amber Glades community to borrow whenever needed, but we are in need of gently used wheelchairs and walkers to replace some of our aging ones. Please do not drop off any item you wish to donate. If you will please contact Norm Goldberg, 215-913-4877, we will arrange to get them from you. If you are in need of either of these items you can also contact Norm.

GOLF CARTS

A special reminder that only licensed drivers should be driving golf carts in the park. The HOA has had several complaints about younger visitors driving carts in an irresponsible manner. AMBER GLADES JANUARY 2023 CRUISE

Did you ever want to traverse the Panama Canal? Here's your chance to go thru the Eastern Locks into Gatún Lake and then return thru the same locks back to the Caribbean Sea. And, also visit Grand Cayman and Limón, Costa Rico.

**HERE'S THE DETAILS.....CARNIVAL PRIDE -- Out of Tampa
.....8 days -- January 21 -- January 29, 2023**

Mary Walsh will be your Vacation Specialist. She is a Dream Vacations' Franchise Owner. Her mother, Carol, lives in Amber Glades. Call Mary with questions about this cruise and to make your reservation. **727-642-1270**

Mary promises that we will be getting the best rates. If prices go down after you have booked and before we sail you will be able to take advantage of this reduction. In fact, Mary watches for this to happen so you always get the best deal.

At the time of this writing the prices are as follows:

Balcony Cabin -- \$3118 - \$3160 per cabin of 2

Ocean View Cabin -- \$2608 per cabin of 2

Interior Cabin -- \$2308 -- \$2358 per cabin of 2

These rates include port fees and taxes and are the total for the 2 persons staying in the room (**NOT each**).

Gratuities and Insurance are extra. Mary's service fee is \$19.95 per booking.

As stated above, this price includes port charges and taxes (\$355 per person or \$710 for both persons in the cabin). \$200 per person of this alone is for the partial transit thru the Panama Canal. This ship fills up fast because it goes thru the Eastern locks of the canal.

When you are comparing prices of Panama cruises be aware that not all Panama Cruises actually go thru the locks. Some just stop in Panama and you can then do an excursion to see the locks.

You can sign up now with a down payment and make payments throughout the year.

SILLY HUMOR TO MAKE YOU SMILE:

The old exorcist priest frowned at his apprentice.

"Are you sure this is Holy Water?" he asked as they were packing for the exorcism.

"Oh yes, Father, I made it myself," the younger priest said.

"How did you make it holy?" the elderly priest asked, curious if his trainee had followed the proper procedure.

"Well, Father, I collected the water just as you instructed, said a prayer over it as you instructed, and finally, I boiled the hell out of it!"

Nelson Love sat at the diner counter and watched the waitress refill his coffee cup. The waitress unscrewed the lid on the saltshaker and the maple syrup dispenser. She turned from the counter to get the salt container and syrup container to refill them when Love reached for the saltshaker.

She stood there watching in disbelief when he poured the salt into his cup of coffee. Love stirred the coffee with a spoon and then reached for the maple syrup dispenser grabbing it by the handle.

Before the waitress could stop him, Love had poured it into the coffee cup.

"What on earth?" One of the wait staff whispered beside her. "Did Nelson Love just put salt and pancake syrup in his coffee?"

"He sure did!"

"Why did he do that?"

" 'Cause Love is blind."

An elderly couple is worried that they are starting to forget simple things, so they go to a doctor for a checkup.

The doctor looks them over top to bottom but doesn't find anything.

"It seems you two are perfectly fine so all that I can suggest is anytime you want to remember something, simply write it down".

The couple believe that's a great idea and so they go home with renewed confidence.

Later that evening, the couple are watching television and he decides to grab a drink.

"Need anything my dear" he asks?

"Could you grab me some ice cream. Here write it down" she tells him.

"No need my dear, ice cream coming up"!

"Oh, and some chocolate sauce please. Want to write it down"?

"Ice cream with chocolate sauce, got it".

"And a cherry dear" she asks "sure you don't want to write it down"?

"Ice cream with chocolate sauce and a cherry. I've got it, Hun".

The elderly man is gone for 10 minutes and the woman begins to worry. He comes back with scrambled eggs, bacon and orange juice. The woman looks at the food and says

"Oh dear, you forgot the toast"!

Can Social Security Benefits Keep Up With Inflation?

By John Waggoner, AARP

Inflation has been raging for more than a year, pushing up prices on everything from steak to gasoline. For retirees worried about paying soaring bills, a big question is whether their Social Security benefits will be able to keep up with inflation.

The short answer: Probably. Social Security's annual cost-of-living adjustment (COLA) has kept up well with inflation the past 20 years, according to the Center for Retirement Research at Boston College. But despite the 5.9 percent COLA that went into effect in January, the biggest in four decades, many beneficiaries have still lost buying power to this year's inflation burst, thanks in part to the large increase in Medicare Part B premiums.

ANNUAL ADJUSTMENTS

When the first Social Security check was issued in 1940, the payments were fixed: The amount of your benefit didn't change from year to year unless Congress authorized a raise. In 1973, however, the Organization of Petroleum Exporters (OPEC) declared an oil embargo on the United States and other countries, which sent gas prices through the roof and touched off a spike in inflation. The Consumer Price Index (CPI), the government's main gauge of inflation, rose 6.2 percent in 1973 and 11.1 percent in 1974, sharply reducing the buying power of a Social Security payment. In response, Congress authorized automatic COLAs, which adjust Social Security benefits for inflation each year. The first automatic COLA, in 1975, was 8 percent.

The formula for calculating the COLA is based on a subset of the main CPI called the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W), which measures the price changes in a basket of goods. The Social Security Administration (SSA) looks at the average CPI-W level from July through September of the previous year and the average CPI-W for the same span in the current year. The percentage change between the two averages is the COLA that kicks in the following year.

Until recently, inflation has been tame. COLAs averaged 2.1 percent from 2001 through 2021. There was no COLA at all in 2009, 2010 and 2015 because inflation levels didn't increase year over year. But by the spring of 2021, inflation had begun to resurface, and SSA announced a 5.9 percent COLA for benefits paid in 2022. It was the largest COLA since 1982's 7.4 percent increase. The 2023 COLA could be even larger. "A rough guesstimate now might be around 8 percent," says Stephen Goss, chief actuary for SSA. "It could be a percentage point or two higher or lower than that."

STILL BEHIND IN THE SHORT TERM ...

The big 2022 COLA didn't completely cover this year's increase in inflation. The CPI-W rose 7.9 percent in 2021. Inflation has burned even hotter in 2022, jumping 8.9 percent in the 12 months ended in April and making the 5.9 percent Social Security COLA look small in comparison.

Some categories that are most important to older adults have risen the most. The price of gasoline, for example, jumped 30.3 percent in the 12 months ended in April, and food rose 9.4 percent. Medical services, however, rose just 3.5 percent.

Furthermore, the basic Medicare Part B premium, typically deducted directly from Social Security benefits, jumped to \$170.10 a month from \$148.50 in 2021, a 14.5 percent increase. A big chunk of the 2022 Part B premium increase was tied to anticipated spending on a pricey new Alzheimer's drug, Aduhelm. However, after Medicare announced the premium hike, the price tag for Aduhelm was cut in half by the drug's maker. Medicare plans to pass along any savings on drug spending this year to Part B beneficiaries in 2023.

... BUT KEEPING UP WITH INFLATION IN THE LONG TERM

Over time, however, Social Security COLAs have kept up with inflation well, says Alicia Munnell, director of the Center for Retirement Research at Boston College. The COLA lags inflation when prices are rising, but it lags when inflation is moderating, too. Unlike gas prices, which are quick to rise and slow to fall, Social Security payments are slow to rise and slow to fall, too. Over the course of an inflationary period, the COLA tracks inflation fairly well. In the past 20 years, the Social Security COLA has averaged a 2.1 percent annual gain while the CPI has risen an average of 2.2 percent.

"The annual Social Security adjustments do a really good job of offsetting the effects of inflation," Munnell says.

The Social Security COLA is critical to the financial income security of seniors, says AARP, and that is why it has fought so hard against repeated efforts to cut the COLA. Without the COLA, seniors would see their benefits erode over time, and they would fall further and further behind. The COLA is a virtual lifeline for seniors, and that is especially true in periods of high inflation.

John Waggoner covers all things financial for AARP, from budgeting and taxes to retirement planning and Social Security. Previously he was a reporter for Kiplinger's Personal Finance and USA Today and has written books on investing and the 2008 financial crisis. Waggoner's USA Today investing column ran in dozens of newspapers for 25 years.
