FROM THE EDITOR'S DESK

Debbie Girard Girard1725@icloud.com

Hi all:

Very sorry to hear of the Kelly's and the Rigiero's who are moving on from Riviera. Both couples have been a big part of the Park fun, and we will miss them (Especially Frank's pasta nights, and Lotto reports). I have a vivid memory of Frank's wonderful baritone voice singing the 12 days of Christmas and the surprise solo at our last pasta night. Thanks for running the LOTTO all those years Frank.

Now that Marion Kelly has moved the sidewalks will get a lot less use. All the best to these wonderful families.

Welcome to all you newcomers!! Hope you get involved in the Park activities and enjoy the friendly atmosphere.

August, back to school yahoo!!

Let me know what's going on in the Park.

PS: Anyone interested in becoming the Monthly Media editor?

Dear Community,
 Some people are just fun. They are enjoying life. You bump into them and good comes out. Our people are the best part of our community.
 Did you know Bingo is going strong? Keep on doing things you can do.

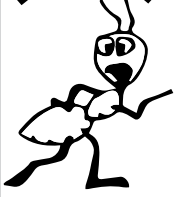

SALES- We do have 5 homes listed. 3 are under contract. Buy or sell, our office will do the best for you.
 See our listings at; <https://www.mystatemls.com/profiles/us/134453/>

Guests- can stay at your home for up to 30 days. Don't have them park on the grass or on the street as those cars may be towed. Residents are responsible for their guests regarding all rules and regulations. Enjoy time with friends and family. And then you can blame the office as you send them on their way. Painting Your Home?- Colors for home including the driveway must be approved at the office. You do not have to paint your driveway. Once the driveway is painted, it must be maintained. We only approve current manufactured home colors. No extreme primary colors are allowed.

RV and Boat Storage- All items must be registered at the office every year with copy of current registration. All stored items must be in good working order. I will be tagging items that are not registered and they will be removed.

Office Hours: I am in the office Monday to Friday 8:30am-4pm. I do come in early or stay late as needed. If the sign says open then I am in the park and will be back shortly. If I am at lunch or on an errand the CLOSED sign will let you know my return time. It is a pleasure for me to serve this community. Let me know how I can help.

Sincerely,
Mike Richards, Community Manager
Emergency number 727-315-1482

Be a Good Neighbor:

- Please clean up after your pet.
- Please place your garbage (including cigarette butts) in the proper containers provided.
- Please adhere to the posted speed limits in the park
- When parking near the clubhouse please do not block the sidewalks for pedestrians

HOMEOWNERS ASSOCIATION REPORT

Riviera Estates Homeowners Association August Report

We have officially entered Summer and the Hurricane season. There is a collection of references from the Pinellas County Hurricane Preparedness Guide on the clubhouse bulletin board. Please look it over and make notes or take pictures of relevant information such as local shelters, evacuation zones and hurricane checklists. Bottom line,..... **All mobile home parks are Zone A. Our clubhouse is included in evacuation zone and is not a designated shelter.** If you have access to a computer, check out the county website <https://www.pinellascounty.org/emergency> for a complete listing of all county shelters

continued on page 10

and information to help those with special needs and/or pets. Don't wait until our area is threatened by a hurricane to stock up on batteries, water, and other necessities ...everyone else needs the same items...making them scarce at the time.

The HOA has started comparison shopping for the Director's and Officer's insurance coverage and rates. Insurance rates have skyrocketed, so we are trying to ensure the best possible rates for coverage in 2023. The HOA has been getting good participation with 50/50 drawings to help with this expense.

We continue to update our resident listing and deliver the monthly media to your doorstep.

There have been some missing items from the clubhouse. Park Management has determined the clubhouse should be locked at dusk until the issue can be resolved. The HOA board has keys and is ensuring it is locked up nightly. Park Management opens the doors up around 7:30 am except on weekends and holidays when the HOA board unlocks. It's a team effort.

Lavonna Csutoras,
President Riviera Estates Homeowners Association (HOA)

Riviera Estates Private Parties Rules

Private parties in the Club House must complete a reservation agreement to ensure everyone understands what is expected of them and ensure it is on the main calendar in the clubhouse to not conflict with other activities. Private party hosts are responsible to clean up and leave the Clubhouse as they found it. Blank forms are under the calendar on the clubhouse bulletin board. This signed form must be submitted to the park point of contact, Claudette Lusignan, 727-223-5228

OBITUARY

Claude Ernest Sheppard 1920 – 2022

Claude Ernest Sheppard, 102, of Riviera Drive, Tampa, Florida, passed away Monday, July 4, 2022, at Suncoast Hospice Care Center in Palm Harbor, Florida. Claude was born March 1, 1920, in Cantwell, Missouri, to the late Charles Aaron and Ida Elizabeth (Gibson) Sheppard. He was preceded in death by his beloved wife of 71 years, Bessie Irene Robertson, who died in 2010. He is survived by his daughter, Claudette Harter, son Terry (Fran) Sheppard, twin daughters; Sandra Lynn (Dan) Hackett and Gwynn Blaser, 10 grandchildren, and 20 great grandchildren.

Claude served in the US Army 1944-1946 during WWII. His first job was with Wetterau Foods (Desloge, Missouri – Scott City, Missouri), where he worked for 39 years, retiring as Assistant General Manager in 1975. After leaving Wetterau, Claude and his wife owned and operated Scotch Print, a print shop and gift boutique in Farmington, Missouri. They published a Family History book in 1983, containing family records, stories, and photographs as far back as the early-mid 1800's. They retired to Florida in 1975.

Food Pantry

Claudette Lusignan

Our Food Pantry is held in our clubhouse every other week. Serendipity comes to ours and we are welcome to go to theirs. We are on opposite weeks so that works well for each of us. All the parks are joining in on these food pantries, so ALL please come. If you don't need these items, we have many that do. WE NEED VOLUMES of people to sustain this in our park. I will send pictures to show the items that we receive.

With many/if not all parks getting involved in this outstanding program, things are always getting reshuffled to accommodate.

The turnout was wonderful for our July Food Pantry. There was so many food product options such as frozen meats such as chicken breast, whole chickens, lamb kebabs, lamb chops so many fruits including raspberry, strawberries, blackberries, bananas apples, lemons, limes so many pastries and breads so many items and we had so many people coming through, and we went through most of this stuff in 15 minutes.

This is all we had left, anyone and everyone are welcome to take part.

This agency also offers medical advice in insurance, assisting with Medicaid applications if needed. This agency known as GOOD NEIGHBORS, not to be confused with our own Good Neighbors, also offers on sight podiatrist, eye exams and many more things that are being research for us including hearing exams. NO CO-PAYS, just supply your insurance card.

Diana's Wisdom

The Definitive Answer To 20 Of Your Biggest Health Questions

Does olive oil prevent heart disease? Short answer: Yes

The health benefits of olive oil come from the presence of polyphenols, antioxidants That reduce the risk of heart diseases and cancers. But to get these healthy compounds, consumers should buy good-quality, fresh "extra-virgin" olive oil, which has the highest polyphenol content. Most commercially available olive oils have low levels of polyphenols associated with poor harvesting methods, improper storage, and heavy processing.

Do cough syrups work? Short answer: No

In 2006, the nation's chest physicians agreed that the majority of over-the-counter cough medicines don't actually work. These colorful syrups typically contain doses of codeine and dextromethorphan that are too small to be effective. Only cough suppressants that contain older

...continued on page 32

antihistamines seem to relieve coughs. That includes brompheniramine, an active ingredient in Dimetapp.

Do soft drinks lead to diabetes? Short answer: Yes

The majority of health research is stacked against sugar-sweetened soda. A large 2004 study in the Journal of the American Medical Association found that women who drank one or more sugary drinks per day increased their risk of developing type 2 diabetes by 83% compared to those who consumed less than one of these beverages per month.

Do I need sunscreen with more than 30 SPF? Short answer: No

Sunscreens with an SPF (sun protection factor) of 30 block about 97% of ultraviolet rays, While sunscreens with an SPF of higher than 30 block 97%-98%. It's more important that you choose "broad-spectrum" sunscreen, meaning it protects against both UVB and UVA rays. Sunbathers also need to apply a generous amount of sunscreen in order to get the full benefit of the SPF.

Is the MSG in Chinese likely to give you a headache? Short answer: No

A review of 40 years of clinical trials, published in the journal of the American Academy of Nurse Practitioners in 2006, Found that all previous research "failed to identify a consistent relationship between the consumption of MSG and the constellation of symptoms that comprise the syndrome," including headaches and asthma attacks. The misconception spawned from several poorly done small studies in the 1960s that seemed to connect MSG with a variety of maladies that people experienced after eating at Chinese restaurants.

Do nuts make you fat? Short answer: No

As much as 75% of a nut is fat. But eating fat doesn't necessarily make you fat. The bigger factor leading to weight gain is portion-size. Luckily, nuts are loaded with healthy fats that keep you full. They're also a good source of protein and fiber. One study even found that whole almonds have 20% less calories than previously thought because a lot of the fat is excreted from the body.

Is walking as effective as running? Short answer: Yes

Studies have shown that how long you exercise — and thus how many calories you burn — is more important. Then how hard you exercise. Running is a more efficient form of exercise, but not necessarily better for you. A six-year study published in the journal Arteriosclerosis, Thrombosis, and Vascular Biology in April found that walking at a moderate pace and running produced similar health benefits, so long as the same amount of energy was expended.

Is drinking fruit juice as good for you as eating fruit? Short answer: No

Calorie for calorie, whole fruit provides more nutritional benefits than drinking the pure juice of that fruit. That's because when you liquefy fruit, stripping away the peel and dumping the pulp, many ingredients like. Fiber, calcium, vitamin C, and other antioxidants are lost. For comparison, a five-ounce glass of orange juice that contains 69 calories has .3 grams of dietary fiber and 16 milligrams of calcium, whereas an orange with the same number of calories packs 3.1 grams of fiber and 60 milligrams of calcium.

Are all wheat breads better for you than white bread? Short answer: No

Not all wheat breads are created equal. Wheat breads that contain all parts of the grain kernel, including the nutrient-rich germ and fiber-dense bran, must be labeled "whole grain" or "whole wheat." Some wheat breads are just white bread with a little bit of caramel coloring to make the bread appear healthier, according to Reader's Digest.

Can a hot tub make me sick? Short answer: Yes

Hot tubs — especially ones in spas, hotels, and gyms — are perfect breeding grounds for germs. The water is not hot enough to kill bacteria but is just the right temperature to make microbes grow even faster. Even though hot tubs are treated with chlorine, the heat causes the disinfectant to break down faster than it would in regular pools. The most common hot tub infection is pseudomonas folliculitis, which causes red, itchy bumps. A more dangerous side-effect of soaking in a dirty Jacuzzi is a form of pneumonia known as Legionnaire's disease. This is what reportedly sickened more than 100 people at the Playboy Mansion back in 2011.

Does coffee cause cancer? Short answer: No

Coffee got a bad rap in the 1980s when a study linked drinking coffee to pancreatic cancer. The preliminary report was later debunked. More recently, health studies have swung in favor of the caffeinated beverage. Coffee has been linked to a lower risk of type 2 diabetes, Parkinson's disease, liver cancer, and even suicide.

Do eggs raise cholesterol levels? Short answer: No

Although egg yolks are a major source of cholesterol — a waxy substance that resembles fat — researchers have learned that saturated fat has more of an impact on cholesterol in your blood than eating foods that contain cholesterol. "Healthy individuals with normal blood cholesterol levels should now feel free to enjoy foods like eggs in their diet every day," the lead researcher from a 25-year University of Arizona study on cholesterol concluded.

Can you drink too much water? Short answer: Yes

It is very rare for someone to die from drinking too much water, but it can happen. Overhydrating is most common among elite athletes. Drinking an excess of water, called water intoxication, dilutes the concentration of sodium in the blood leading to a condition known as hyponatremia. The symptoms of hyponatremia can range from nausea and confusion to seizures and even death in severe cases. To avoid this, drink fluids with electrolytes during extreme exercise events.

Can yogurt ease digestive problems? Short answer: Yes

Our digestive tract is filled with microorganisms — some good and some bad. Yogurt contains beneficial bacteria, generically called probiotics, that helps maintain a healthy balance. Probiotics can relieve several gastrointestinal problems, including constipation and diarrhea. Certain brands of yogurts, like Activa by Dannon, are marketed exclusively to treat tummy issues.

Do whitening toothpastes whiten teeth more than regular toothpastes? Short answer: No

Whitening toothpastes usually contain peroxides and other strong abrasives that might make your teeth appear whiter by removing stains. Unlike at-home whitening strips and gels that contain bleach, these toothpastes do not actually change the color of your teeth.

Is it safe to microwave food in plastic containers? Short answer: Yes

But the plastic container should display the words "microwave safe." This means that the Food and Drug Administration has tested the container to make sure no chemicals used to make the plastic leech into foods during microwaving. If chemicals do seep out into food, the amounts are tiny and not dangerous to our health. As a general guideline, plastic grocery bags as well as most plastic tubs that hold margarine, yogurt, cream cheese, and condiments are not microwave safe.

Can watching TV ruin your eyesight? Short answer: No

Watching TV will not destroy your rods and cones as the outdated myth suggests. Before the 1950s, TVs emitted radiation that could increase an individual's risk of eye problems after excessive TV viewing. Modern TVs have special shielding that blocks these harmful emissions.

Is red wine better for you than white wine? Short answer: Yes

Red wine contains much more resveratrol than white wine, an antioxidant found in the skin of grapes that has been shown to fight off diseases associated with aging.

Is bottled water better for you than tap water? Short answer: No

Bottled water is no safer or purer than tap water, although it is substantially more expensive. A recent study by Glasgow University in the U.K. found that bottled water is actually more likely to be contaminated than water from your faucet because it is less well-regulated. Bottled

water and tap water typically come from the same sources — natural springs, lakes, and aquifers. While public water supplies are tested for contaminants every day, makers of bottled water are only required to test for specific contaminants every week, month, or year.

SHUFFLEBOARD: NOT Just for OLD Farts

We have amazing shuffle courts. All Park residents are welcome to give it a try. There are sticks and discs available to you. Ask at the office to get into the court storage room.

Anyone interested in learning the game could go on the Clearwater Shuffleboard website. They have events going on with safety guidelines in place.

Competitive Shuffle MAY be back?!?!?!?

Several Parks in our area who use to belong to the Sterling League have been discussing getting back to competition next season. There has been enough interest shown to kick off the season with weekly competitive games. The Parks interested are Doral, Regency, Alcove, Lake Highlander, and Golden Acres.

This is very exciting news for shuffling. We could start out with 3 courts. So that means Riviera would have to have a team of minimum 6 players who are interested in travelling to these local parks to play games once per week. I think we can easily put together enough players for one team and maybe two.

All the Parks will get together to discuss the logistics in the fall. Our FUN League will continue as it has been great fun this year with our 3 Hoss Collars, Wine & Cheese evenings, and weekly games.

FUN SHUFFLE

Shuffling has wrapped up for this season but come out next fall to join in the fun and get to know your neighbors

PS If anyone has an old floor polisher (the kind your mom used) that you no longer need you could donate it to the shuffle courts and it could be saved as a replacement for the disc polisher, should our existing one ever give up the ghost

Let John Girard know.

I have liquidated all recent winnings by using the usual card draw. There were 7 draws and winners' envelopes were entrusted to Connie (C J) Russell. She will dole the winning envelopes to those lucky people/.Also there were some who had given me extra money. This is also in the hands of C J. As residents return, she will seek out the ones who have money and deliver it to them. Thank all of you who have been faithful players. My only wish is that we would have hit it big...Frank
