From the Board of Directors

Roland Doucette, President

Hi Everyone,

I hope you are all enjoying the summer months. I hear that the pool is getting good use in the hot weather by homeowners and guests. I am glad to hear that folks are taking advantage of the coolest place in the park! Also, please remember that part of the privilege of using the pool is exercising the appropriate responsibility. Please assure that you and your guests are following them.

It is summer, and we all know what that means. Weeds!!!! It has been warm and wet lately, and that means our not so friendly grass species are free to go wild in our planters. Bill is working with our landscaper to minimize our yearly scourge, but nonetheless they somehow manage to grow faster than they are killed. Please be patient, as there is only so much that can be done outside of permanently leaving someone at Blue Jay to go around daily. Let's be honest, if the worst problem we have in our lives is some weeds in our planters, aren't we really doing pretty well?

It has been a pretty smooth summer in Blue Jay and I hope everyone is enjoying the quiet. I know I am. There are a few small issues that have come up and the Board is dealing with them. We ask that if you think there may be some issue that needs to be addressed, please put a notice "in the box," and then be patient, as some things require a "procedure, and that procedure can take some time to accomplish. We do, however, respond to all resident concerns.

At this time I have no update from the upcoming Florida Department of Transportation project that will be impacting both directly and indirectly on Blue Jay. The project was originally slated to start in January, and now I continue to hear "soon."The project entails the construction of a series of flyovers and other traffic enhancers that will be built from Main Street to Alderman Rd in Clearwater and hopefully will eventually eliminate many of the problems that currently back up Route 19 in both directions. As I have previously reported this project will create a huge mess and take several years to complete. At the same time FDOT will be updating Curlew Road from Alternate 19 to Tampa Road. These changes will include an upgrade of the Blue Jay entrance, with new permanent barriers replacing the glued down "sticks" that are out there now. The renovation will also eliminate left hand turns from CR 90, but not U-turns. I have signed up for email updates on the projects and will continue keep you informed.

The Board will be conducting a budget workshop in August to begin the process of putting together the budget for the calendar year 2023. The date of the workshop is Monday, August 15th. It will be at the clubhouse at 2 PM. Mark your calendar and try to be there. We always appreciate your input.

If you need to speak to me, I can be reached at 401-659-0073, or at phyteach88@gmail.com. Stay Cool!

From The Social Club

George Toper, Chairman

The dog days of summer are upon us! Our 4th of July picnic was well attended with almost 70 people celebrating together. The decision to hold the event inside the clubhouse helped relieve the high heat conditions on the deck. Entertainment presented by Music in the Park was enjoyable as ever.

We also held a bitter sweet farewell event for Sonny and Annette, but the photo presentation created by Randy was not able to be shown due to the clubhouse TV breaking down. The social club brought the TV issue to the attention of the members present at Wednesday's meeting and a motion was made and accepted to buy a replacement TV from the "Miles of Pennies" fund. A new TV has been purchased and installed by volunteers of the community and will hopefully last another 10 years!

In addition, a Celebration of Life held for Mary E Wohler was very impressive with the "Military Honors" presentation and many stories by shared by residents and family in attendance. The community will miss seeing her and Betty patrolling the neighborhood.

Future events with thoughts of the number of residents that are available for attending are be considered. The Social Club is entertaining the idea of a "Food Truck" to visit the community on an upcoming Friday night in conjunction with Happy Hour. If this does work out, we would look for a rotating visit from some local food truck vendors.

Last, we've had Deputy Skipper of the Pinellas County Sheriff's department attending Wednesday's coffee and meeting with our "Neighborhood Watch" team discussing the program. Information on what we as a community can do to prevent crimes in our neighborhood and surrounding area were explained. It was very informative and we will ask him to return for a follow-up presentation on the Crime Prevention Programs.

Red Hats

Roz Powell, Coordinator

On June 16, 2022, the Red Hat Ladies from Blue Jay met for our monthly luncheon. I want to thank our hosts, Pat Wright and Ronnie Beetle. They did a great job and picked Olive Garden which was a fun place. We had Italian Margartias, so you can imagine!

There were 10 ladies present and the 50/50 drawing was won by Joan Addington. Lotto tickets were won by 5 people and I was one of them and won \$1.00. Hope other ladies were as lucky! We also had a Red Hat to be decorated and this was won by Nickie Nameth.

We would love for our new residents to join us. Our dues are \$3.00 yearly. The sign up sheet is on the board at the clubhouse along with the information about where we are going that month. If you need a ride, please let me know 904-616-9141.

Things to Remember

1. Eastbound cars entering Blue Jay Estates from Curlew Road ALWAYS have the right-of-way
2. Cars should park on one side of the street, based on which side other cars are parked on. This is to let fire & EMS trucks through.
Park on One Side of the Road. Tell Your Visitors.
3. Please don't park on sidewalks.
4. Check sprinklers. Attention all homeowners who live in odd numbered houses. The County has changed the watering schedule we have become used to for the last several years. If you live in an odd-numbered house you must change your watering days from Tuesday and Saturday to Wednesday and Saturday. This is a Pinellas County requirement and they will be coming through to check. Significant fines could be incurred if you do not get this right. Please take care of it yourself or ask for help.

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
