July 4th Picnic

The HOA puts on another great picnic for the residents!

This next story submitted by Tom & Nancy Lenard

Someone in the Postal Service needs to be rewarded ...

A letter from the Post Office... This is absolutely a "tear jerker!"

We don't know who replied, but there is a beautiful soul working in the dead letter department who understands Love...

Our 14-year-old dog Abbey died last month.

The day after she passed away my 4-year-old daughter Meredith was crying and talking about how much she missed Abbey.

She asked if we could write a letter to God so that when Abbey got to Heaven, God would recognize her.

I told her that I thought that we could, so she dictated these words:

Dear God,

Will you please take care of my dog?

Abbey died yesterday and is with you in heaven.

I miss her very much.

I 'm happy that you let me have her as my dog even though she got sick.

I hope you will play with her.

She likes to swim and play with balls.

I am sending a picture of her so when you see her you will know that she is my dog.

I really miss her.

Love

Meredith

We put the letter in an envelope with a picture of Abbey & Meredith and addressed it to God/Heaven.

We put our return address on it.

Meredith pasted several stamps on the front of the envelope because she said it would take lots of stamps to get the letter all the way to heaven.

That afternoon she dropped it into the letter box at the post office.

A few days later, she asked if God had gotten the letter yet.

I told her that I thought He had.

Yesterday, there was a package wrapped in gold paper on our front porch addressed, 'To Meredith' in an unfamiliar hand.

Meredith opened it.

Inside was a book by Mr. Rogers called, 'When a Pet Dies.'

Taped to the inside front cover was the letter we had written to God in its opened envelope.

On the opposite page was the picture of Abbey & Meredith and this note:

Dear Meredith,
Abbey arrived safely in heaven. Having the picture was a big help and I recognized her right away.

Abbey isn't sick anymore. Her spirit is here with me just like it stays in your heart.

Abbey loved being your dog.

Since we don't need our bodies in heaven, I don't have any pockets to keep your picture in so I'm sending it back to you in this little book for you to keep and have something to remember Abbey by.

Thank you for the beautiful letter and thank your mother for helping you write it and sending it to me.

What a wonderful mother you have. I picked her especially for you.

I send my blessings every day and remember that I love you very much.

By the way, I'm easy to find.

I am wherever there is love.

Love,

God

Some interesting nostalgia

Received from Tom and Nancy Lenard.....times have changed!!

1955, like the rest of the 50's was good and bad. USSR (Russia) was a major threat to Europe and the USA. We were just recovering from WW2, and now found ourselves in a three-year battle in Korea (1950, 51 & 52). One thing for sure, Americans respected each other's opinion. We got along and most of all, we sang "God Bless America" and meant it.

THE YEAR WAS 1955...

Did you hear the post office is thinking about charging 7 cents just to mail a letter?

If they raise the minimum wage to \$1.00, nobody will be able to hire outside help at the store.

When I first started driving, who would have thought gas would someday cost 25 cents a gallon? Guess we'd be better off leaving the car in the garage.

Did you see where some baseball player just signed a contract for \$50,000 a year just to play ball? It wouldn't surprise me if someday they'll be making more than the President.

I never thought I'd see the day all our kitchen appliances would be electric. They're even making electric typewriters now.

...continued on page 24

It's too bad things are so tough nowadays. I see where a few married women are having to work to make ends meet.

It won't be long before young couples are going to have to hire someone to watch their kids so they can both work.

I'm afraid the Volkswagen car is going to open the door to a whole lot of foreign business.

Thank goodness I won't live to see the day when the government takes half our income in taxes.

I sometimes wonder if we are electing the best people to government.

The fast food restaurant is convenient for a quick meal, but I seriously doubt they will ever catch on.

There is no sense going on short trips any more for a weekend. It costs nearly \$2.00 a night to stay in a hotel.

No one can afford to be sick anymore. At \$15.00 a day in the hospital, it's too rich for my blood.

If they think I'll pay 30 cents for a haircut, forget it.

Neighborhood Watch Program – Vacation House Checks

This is also the time of year that many seasonal residents have returned home for the summer. Reminder for everyone of the “**Vacation House Checks**” program. This is a free service that is offered by the Pinellas County Sheriff’s office. Deputies will schedule and perform house checks on your home during the entire period that you are away. Many people here participate in the program. This ensures that the deputies are often in the park performing these checks and their high visibility in the park also acts as a deterrent to crime. To sign up for this free service, call 727-582-6177 and state you wish to schedule house checks in your absence.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
