LAWN Care Service

Director, Gene Arend

Now that summer has arrived and the rains will soon come the mowing of lawns will occur every week in May, June, July, August, and September. There may only be one or two incidents but please call me when it occurs. I relay all of the information to the crew supervisor. 727- 725-5844. Mow dates for **June** are every Tuesday.

POOL Director

Pat Rivera

There have been delays that have been out our control...However Phase 1 pool is about to undergo a major update. During the process, the pool will be closed.

The great news is that Phase 2 has extended their warm welcome to those of us who enjoy daily dips in the water. Keep in mind, their children's hours are specific to their rules. Under 18 hours are 11:00 a.m. – 2:00 p.m. and between 5 and 8 p.m. Children under 15 must be accompanied by a resident adult.

The pool in Phase 2 has a smaller capacity. If you notice that your presence is exceeding the approved capacity, please be respectful to their kindness and leave so they can enjoy the pool.

TRAVEL – BCI & II TRAVEL CLUB

Peggy Raynor Travel Club – Your Travel Team

Our Survey on Travel Trips has been completed for the most part. The bulk of those who responded have submitted their interest. Of the 186 emails sent out to our 280 members (some members have 1 email contact for two people) we received 79 responses. Below is a recap of those responses. Bear in mind if there was a “yes” responses it could be for two or more at an email address and the reason for a lower total response then the 280 members. If there was a “No” response to a trip or they did not select that option it is not reflected. Remember some of the responses are one response for two people. This might indicate for example, if 40 are interested the total passengers could be in the range of 60 to 80 people.

40 said yes to the trip to Mount Dora on October 22nd

46 said yes to the November 18th trip to St Pete Pier

50 said yes to the December 6th thru 8th trip to St Augustine

31 said yes to the January 30th Brilliance of Seas Cruise

61 said yes to the Small Group Adventures*

*I did wonder if some misunderstood “Small Group Adventures” these will be a trip where a group of 10 or 20 or more might be interested in traveling by Air to another city, possibly outside the United States for a River Cruise, Cruise Ship or Bus Tour thorough a country such as Ireland or Europe or somewhere in the U.S. It could mean flying to San Diego or Vancouver for a Cruise or even Sydney Australia. We have already created those types of trips with minimal response. We will still consider planning those type of trips.

We have our Travel Agent currently working on the trips we have listed below.

Mark the Date. October 22nd One Day Bus trip for the annual Art’s & Craft fair in Mt Dora. November 18th Evening Bus trip to St Pete Pier and area highlights. December 6th thru December 8th, 3 days 2 nights, bus trip to St Augustine for their Seasonal Lights and other stops along the way. January 30th (2023) Brilliance of The Seas 5 day Cruise from Port of Tampa.

Details and pricing to follow by e-mail or our web site www.upcsportshub.com. All of the details and pricing were not available in time for release to the Media Editor for the August publication

Our Travel page on the website www.upcsportshub.com will be undated as information becomes available as well as the e-mail alerts being sent out. This information should start to appear after July 16th. Once we have all the details on our trips there will be a sign-up sheet on the website as well as the two clubhouses. Some trips will be a 1st come 1st served so to speak, and we will have a “waitlist” if capacity on a trip is necessary. At any point if you no longer wish to receive our e-mail please let us know and we will unsubscribe. All questions please send them to briarcreektravel@gmail.com this email site is available to the entire travel club team.

Bowling Season

Gene Arend

Our bowling season is has come to an end. There are many who indicated they will return for more fun next season so we have reserved their spot for next year. There is always room for more though so if you interested in having fun and available Friday at Noon let Gene Arend know. I will reserve a spot for next season. I start the team assignments on September 1st and finalize them the end of September for delivery to Maple Lanes Countryside on US Hwy. 19. We usually have spots open for substitutes / pacers once we formalize the teams, it's early bird gets the worm.

A regular activity is **3rd Friday, June 17, 6 – 10 p.m.** on Main Street, Safety Harbor.

Briar Creek Bugle Phase II – August 2022

(Pete Loranger - Editor Phone 421-2321)

(E-Mail: ploranger006@gmail.com)

Board of Directors:

Bob Raynor – President

Think August is holiday Free? You might want to think again!!

While there aren't any major holidays (the ones we couldn't wait for when we were working so we could get the day off), there are still many observances throughout the month. How about National Vinyl Record Day, Garage Sale Day, National Thrift Shop Day and National Secondhand Wardrobe Day, just to mention a few. In fact, there are 102 unofficial holidays that recognize all kind of things we can celebrate if we want. Below are a few of my favorites:

August 1 - Homemade Pie Day

August 4 - National Chocolate Chip Cookie Day

August 8 - National Pickleball Day

August 10 - National Lazy Day

August 16 - National Tell a Joke Day

August 23 - National Hug your Sweetheart Day

(also my wedding anniversary so that works)

How about a few others that are just plain....

August 19 - International Orangutan Day

August 22 - National Tooth Fairy Day

August 24 - Pluto Demotion Day (the planet not Mickey's dog)

August 27 - National Just Because Day

So whatever your day, week, month or special personal event is in August, I hope it is a wonderful celebration and enjoy!!

Sam Oliverio – Vice President, Pool Director

It's hard to believe that we are in August already, and before you know it our Snowbird friends will start trickling back. We are fortunate that our Pool and Spa are in great shape, allowing us to cool down on these hot Summer days. Please remember to use the recycle cans outside of the garage for all of your aluminum cans, which helps defray costs for the Shuffleboard Courts. As always, I would like to thank everyone who uses the Pool and Spa for helping to make sure these areas remain in their pristine condition for all to enjoy.

Bonnie Briggs – Secretary

Alteration Requests

Alteration requests need to be approved prior to your project being started. During the summer months, you can drop your requests in the condo office mail slot or (in Jim Tashjian absence) put them

in Bonnie Briggs rock box at 50 Birch Creek Drive. Since we need to obtain four (4) board member's signatures for approval, it may take a little longer to obtain due to the summer vacations. However we will try to get them approved as soon as possible. So it's important that you do not start your alterations before you received your approval.

The forms for any alterations are in the bin outside the condo office door in the clubhouse.

If you have any questions regarding the process, please contact Bonnie Briggs at (262) 496-7594

REMINDERS:

Overnight Parking in the street is NOT allowed.

Daytime Parking – please **Park on ONE SIDE of the street** in your area. This will keep our streets open for Emergency Vehicles.

Visitor Parking is at the clubhouse on the side of the shuffleboard courts, (grassy area).

Our Survey on Travel Trips has been completed for the most part. The bulk of those who responded have submitted their interest. Of the 186 emails sent out to our 280 members (some members have 1 email contact for two people) we received 79 responses. Below is a recap of those responses. Bear in mind if there was a “yes” response it could be for two or more at an email address and the reason for a lower total response then the 280 members. If there was a “No” response to a trip or they did not select that option it is not reflected. Remember some of the responses are one response for two people. This might indicate for example, if 40 are interested the total passengers could be in the range of 60 to 80 people.

40 said yes to the trip to Mount Dora on October 22nd

46 said yes to the November 18th trip to St Pete Pier

50 said yes to the December 6th thru 8th trip to St Augustine

31 said yes to the January 30th Brilliance of Seas Cruise

61 said yeas to the Small Group Adventures*

*I did wonder if some misunderstood “Small Group Adventures” these will be a trip where a group of 10 or 20 or more might be interested in traveling by Air to another city, possibly outside the United States for a River Cruise, Cruise Ship or Bus Tour thorough a country such as Ireland or Europe or somewhere in the U.S. It could mean flying to San Diego or Vancouver for a Cruise or even Sydney Australia. We have already created those types of trips with minimal response. We will still consider planning those type of trips.

We have our Travel Agent currently working on the trips we have listed below.

Mark the Date. October 22nd One Day Bus trip for the annual Art’s & Craft fair in Mt Dora. November 18th Evening Bus trip to St Pete Pier and area highlights. December 6th thru December 8th, 3 days 2 nights, bus trip to St Augustine for their Seasonal Lights and other stops along the way. January 30th (2023) Brilliance of The Seas 5 day Cruise from Port of Tampa.

Details and pricing to follow by e-mail or our web site www.upcsportshub.com. All of the details and pricing were not available in time for release to the Media Editor for the August publication

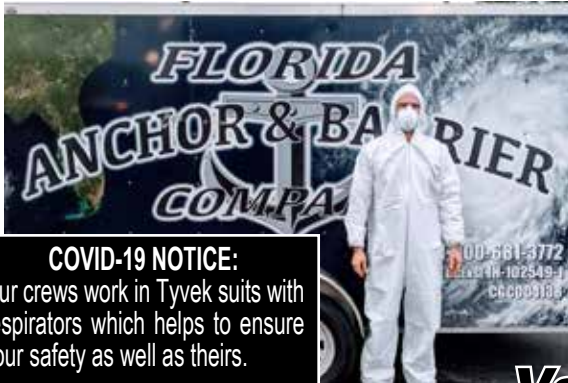

Our Travel page on the website www.upcsportshub.com will be undated as information becomes available as well as the e-mail alerts being sent out. This information should start to appear after July 16th .Once we have all the details on our trips there will be a sign-up sheet on the website as well as the two clubhouses. Some trips will be a 1st come 1st served so to speak, and we will have a “waitlist” if capacity on a trip is necessary. At any point if you no longer wish to receive our e-mail please let us know and we will unsubscribe. All questions please send them to briarcreektravel@gmail.com this email site is available to the entire travel club team.

From your Clubhouse Librarians

The library continues to be well used over the summer months and we appreciate the many donations we have received.
We do have a request to the people who enjoy doing puzzles. We are still finding

continued on page 32

lots of puzzle pieces on the floor near the puzzle shelves. Perhaps as people are looking at the puzzles, some pieces are falling out of the boxes. So could you please put all the pieces of any puzzle you complete into a Ziploc bag before returning the box to the library. That way we will help avoid the frustration we all feel when we finish an interesting puzzle only to find one or two pieces missing.

As always, donations will be gratefully received as these are our only source of new reading material and puzzles.

From your clubhouse librarians, Billie Ann, Ruth and Bill.

Ladies Golf at Briar Creek

(Phase I & II)

We, well I and hopefully Carol, will be revising the section on Ladies Golf, but we won't have it ready for the Aug Media. But you might want to scrap the continuing entry that isn't correct and just replace it with something like the following. (I have been in touch with Jane. She is having more surgery but is going to continue with the Book Club.)

The arrangements for Ladies Golf for Briar Creek are being looked at, so please **Watch This Space** for any news. We should have this organized in time for the next Media. Meanwhile if you are a lady golfer in Briar Creek and wish to golf with a group, could you get in touch with me so we can try to accommodate the interests of as many people as possible.

Meanwhile, Thank you Jane for all the work you have done over the last few years.

SELF SCOUTING REPORT

Dr. Marty Finkelstein

Last month's article was about how one hole of golf could be compared to aspects of our lives. My love in participating in sports has been a wonderful mirror for learning, growing, evolving, and improving in my relationships with others as well as the relationship with myself. So much so, that as I was going through a challenging time in my life I was inspired to write a book called, *If RELATIONSHIPS WERE LIKE SPORTS, MEN WOULD AT LEAST KNOW THE SCORE*. It could be applied to women as well. So in this self evaluation list you can apply it to the relationship with yourself as well as the relationship you have with others. All great athletes score very high in all these categories.

1. Vision- What is your vision for your life and important relationships in your life. Vision is the light that reminds us of what actions are necessary to fulfill those desires.
2. Positive Mental Attitude- How we respond to life's good times and challenging times determine our potential of developing healthy relationships and desired outcomes. In life there are fastballs, curves, and there can be many screwballs.
3. Flexibility- Evaluate your ability to be flexible in response to thoughts and ideas and the willingness to be open to people's communication. Observe your capacity to compromise and bend when necessary. Regardless of the sport observe athletes ability and necessity of being flexible.
4. Resiliency- Evaluate your ability to bounce back after disagreements and upsets in life. Does it take you years, months, days, or minutes. Don't we all love when we see a team or player losing and then make an amazing comeback.

- 
5. Timing- Have you ever heard the expression timing is everything. Whether its's sports or in relationships there is the proper timing for fun, work, romance, and most essential communication.
 6. Balance- Did you ever try to stand on one leg? It is not easy. Sometimes in people's lives career, family, work, fun, are all out of balance. Probably we have all been there. I know I have. It is important to regain a sense of balance in our body and in our relationships with others.
 7. Endurance- Life ideally is a marathon. I have played in single tennis matches that were 3 hours plus where sometimes the deciding factor was endurance. We have to nurture ourselves and relationships in our life thinking long term. Where do we want to be 10 years from now. What do we want to be able to do and enjoy. Set your mind on a marathon and believe you still have 15 miles to go.
 8. Fun- Evaluate your sense of fun in your relationships and when participating in sports. My 3 F'S in tennis is, FUN FOCUS FITNESS. But fun is first. Fun does not mean ha- ha, it means there is a certain joy and gratefulness of spirit.
 9. Inner and Outer Strength- Evaluate your commitment and determination to follow through with your promises and to see your visions manifested.
 10. Love- Evaluate your ability to bring love and passion to the relationships in your life. Whatever level sport you play feel the passion and love of the game.

When we approach our lives like great athletes approach their sports we discover there is a natural intuitive desire to improve in all essential aspects of our lives. The greatest athletes in the world are always working on improving. I always believed that if each of us was working on improving our own lives, the world we live in would truly improve. If we apply these 10 self-evaluations, lives can transform.

Dr. Marty Finkelstein Lives in Briar Creek with his wife Julie Austin. He is the author of several books and led workshops called, Have The Relationships You Desire.

Humane Society & the Haven

Barbara Bergling

Thanks for all your generous donations for the Humane Society and the Haven. I used to be able to donate clothes, but they no longer accept them. The exception is new socks for children and thongs in all sizes for use in the show.

The humane society and the Haven also don't accept sheets. Remember that if your linens are in good condition, we sell them at our bazaar.

The humane society request is for everything you are donating but especially towels. Also, they receive a lot of dog food and treats but very little cat food or treats. Thanks to all of you for your donations. As I have said before, Briar Creekers are extremely generous.

Thanks again everyone

Those Mushrooms

Jody Larson

In July lots of mushrooms popped up in the lawns, probably because we got more rain. Those mushrooms are not edible, and could make a child or pet very sick if eaten, so be careful.

A mushroom is the above-ground part of a fungus—what biologists call a *fruiting body* that makes spores. Fungi aren't plants, and they can't use sunlight to make their own food. Instead, fungi absorb nutrients from the soil and from roots of plants, as well as from decaying matter.

Sometimes mushrooms grow in a line, and often these lines follow a tree root just underneath. You may also see mushrooms in a ring where spores have spread out from an original, long-gone mushroom.

It used to be that “mushrooms” were edible, and “toadstools” were poisonous. This is not a good distinction, because they all can look alike! In fact, some of the most poisonous mushrooms look very much like edible ones.

Once in New Hampshire I saw a beautiful, pure white mushroom beneath a tree, bathed in a ray of morning sunlight. It was an amazing sight and very attractive. But I felt a shiver as I recognized that the mushroom was a deadly *Amanita* species. Mushroom poisoning by *Amanita* is almost always fatal, and it takes a couple of days after eating it to get sick. The toxins destroy the liver and kidneys.

The best rule is not to eat any mushroom growing wild. Even experienced fungus hunters have been known to make deadly mistakes.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
