PARADISE ISLAND UPDATE

Pat Walker, Park President

The summer rains arrived right on schedule and continue to make their appearance almost every day. After the July potluck dinner everyone made it home in time except for Peggy Lyter and me who stayed late to finish the cleaning up – we got drenched just dashing from the back door to the car.....at least the water was warm! I apologize to those who did not get the word about our Independence Day celebration; the Happenings booklets were unavoidably delayed so some did not see the announcement in time to sign up. Thanks to all who did come to celebrate with us, and special thanks to Lei Crance and Peggy Lyter who always volunteer their services in putting our events together.

For the August potluck dinner on Saturday, August 6, we're going casual – Peggy will prepare her special Sloppy Joe recipe – so sign up if you want to come. Table settings will be provided; for members bring your beverage and a dish to share; for non-members there is a charge of \$5/pp – bring your beverage and of course the optional donation for the 50/50 drawing. Is anyone in the mood for an Ice Cream Social during August? Let me know if this is an event you would be interested in attending.

The monthly bingo game is Thursday, August 18 at 7PM in the clubhouse. This being vacation season, there is plenty of room so please join us. The prizes are rather meager but then so is the cost per card. We try to make it fun – and as an added incentive we serve snacks at intermission. Deb Grant will be this month's caller as Lei is off on ANOTHER cruise! Is that envy talking?? I hope not as that would be indulging in one of the seven deadly sins. So, do Lei & Richard love to be out on the briny – or is it the abundance of food and at sea entertainment that lures them? If they return ten pounds heavier we will have our answer.

For new ladies in Lake Haven who have a penchant for crafts, we invite you to join us on Tuesdays at 9:30 in Park #1 for Hobby Club. While some members prefer to do their own thing such as knitting or crocheting, we all enjoy group projects and creating items for our annual Arts & Crafts sale in November. And, of course, what is an activity without food? We rotate bringing snacks to share along with a cup of coffee or tea. We are a friendly group, so stop in one Tuesday morning to check us out.

That's all folks – see you at the pool.

LAKE HAVEN HOME OWNERS ASSOCIATION UPDATE

The board directors thank those of you who participated in the weekly July meetings and presented changes to consider in amending the Park Prospectus.

The ELS Regional Manager has given the board a “boilerplate” prospectus to use as a guide in preparing our proposed Prospectus Amendment. The boilerplate contains many restrictions to legally protect ELS. It is the board’s objective to amend it to be a more cooperative document which also identifies benefits ELS will provide the residents. Prior to submitting the amended prospectus to ELS for their legal department review, it will be presented to Lake Haven home owners for review and approval. This review and approval process may require multiple revisions before obtaining home owners approval. We appreciate your patience as this may prove to be a long-term project.

Community Manager Penny Riley-Garcia has hired additional personnel to assist in the Lake Haven Community office – Lori and Donna. Please feel free to drop in the office to welcome them.

In addition, Penny was successful in obtaining funding to repair the safety hazard portions of sidewalks in Parks #2&3. Three former managers had damaged areas identified but the repair work was never started. Our thanks to Penny for following through to alleviate this safety issue. Penny has also met with the lawn maintenance contractor and addressed the need to improve the quality of their service.

Guana Cay News and Updates

Rob Peacock – Park 3 Association President

Hi everyone. We hope your summer is going well. We've endured record heat so far in these past few months. Be sure to stay cool and hydrated. Check on your friends and neighbors.

Congratulations to the VFW for a great fund-raising 4th of July celebration. Over 200 golf carts participated in the parade with movies and fireworks at TD ballpark. A great day for them!

August is here and it's a little slow on events through town. August 5th is international beer day. All our local breweries will surely have specials running.

Congratulations to a local food truck, Shiso Crispy for their winning so far in the food network. Great job! Good job moving forward. Follow them in St. Pete.

Be sure to keep a close watch on our weather as African storms are intensifying at the equator. Tropical cyclones will start forming soon. Our record gulf temperature at 91 degrees is a breeding ground for heavy storms. Be sure to stay prepared.

Thank you to the HOA board, residents and ELS for working together to put a new prospectus together and their hard work and timeless effort for us all.

Sidewalk repairs have begun on a much-needed project. A big thank you for the start of some infrastructure repairs needed throughout our community.

Please continue to refrain from putting large items in the dumpster area. It really is making a difference in our garbage bills. Use other Pinellas County alternatives.

Remember the Neighbors Helping Neighbors organization if you just can't do something, see if they can help.

Thank you to Dunedin and surrounding communities for your fund-raising efforts for the people of Ukraine. Prayers that the conflict ends soon.

Show dignity and respect toward one another and the world would be a much better place.

Area 51

Late one afternoon, Air Force officers at Area 51 were very surprised to see a small Cessna landing at their “secret” base. They immediately impounded the aircraft and hauled the pilot into an interrogation room.

The pilot told them that he’d taken off from Las Vegas, got lost, and spotted the base just as he was about to run out of fuel. The Air Force started a full background check on the pilot and held him overnight during the investigation.

By the next day, they were finally convinced that the pilot really was lost and wasn’t a spy. They gassed up his airplane, gave him a terrifying “you-did-not-see-a-base” briefing, complete with threats of spending the rest of his life in prison, gave him directions to Las Vegas, and sent him on his way.

The day after that, to the total disbelief of everyone at the base, the same Cessna showed up again. Once again, MPs surrounded the plane on the ground, only to find this time that there were two people in the plane.

The same man jumped out and said, “Do anything you want to me, but you have to tell my wife where I was last night!”

Language is funny

A linguistics professor was lecturing his class one day. “In English,” he said, “a double negative forms a positive. In some languages, though, a double negative is still a negative. However, there is no language wherein a double positive can form a negative.” A loud voice from the back of the room piped up, “Yeah, right.”

Hall of mirrors

Once a dog sneaked into a museum filled with mirrors. Seeing his reflection everywhere, he froze at the sight of a whole pack of dogs surrounding him from all sides.

The dog bared his teeth and barked. All the reflections responded to it in the same way. Frightened, the dog barked frantically; the dog’s reflections imitated the dog and increased it many times. The dog barked even harder, but the echo was magnified. The dog ran from one side of the museum to another while his reflections followed him, snapping at his heels.

The following day, the museum guard found the miserable dog, surrounded by thousands of reflections of helpless dogs. There was nobody to harm the dog. He had exhausted himself by fighting with his own reflections.

The essence of teaching

A retired teacher ran into a former student in a coffee shop one day. “It’s good to see you!” he said. “What have you done with your life?”

“I’m a teacher,” the young man said.

“Wonderful! What made you decide to become a teacher?”

The man smiled. “Actually, you inspired me.”

“Really? How did I do that?”

The young man told him a story:

“One day, a friend of mine came to class with a nice new watch, and I decided I wanted it, so I stole it. When my friend noticed his watch was missing, he immediately complained to our teacher — you.

“You addressed the class and said, ‘This student’s watch was stolen during class today. Whoever stole it, please return it.’ But I didn’t give it back because I was scared.

“Then you closed the door and told us all to stand up and form a circle. ‘I am going to search your pockets one by one until I find the watch,’ you said. But you told us to close our eyes while you searched. You went from pocket to pocket, and when you got to my pocket, you found the watch and took it. You kept searching everyone’s pockets, and when you were done you said, ‘Open your eyes. We have the watch.’”

The young man continued, “You didn’t tell on me, and you never said who stole the watch. You never said anything, or scolded me, or took me aside to give me a lecture.

“I received your message clearly. That day I decided not to become a thief or a bad person. Thanks to you, I understood what a real teacher does.”

He finished, “Do you remember that, sir?”

The old teacher nodded. “Yes, I remember that day. I just didn’t remember that it was you who stole the watch.”

“Why not?”

The teacher said, “Because I also closed my eyes while looking. That is the essence of teaching. If you have to humiliate someone, you don’t know how to teach

Learn to tolerate the pain

During a long winter many animals were dying because of the cold. A group of porcupines decided to huddle together to keep each other warm. Unfortunately, their quills kept wounding their closest companions, so they split up.

Soon they began to die from the cold. They realized they had to make a choice: Either accept their companions’ quills or choose death. Wisely, they decided to come back together. They learned to live with the few wounds caused by their close relationship to receive the warmth of their togetherness. This way, they were able to survive.

Charity case

The president of a local charity realized that he had never received a donation from the town's most successful lawyer. The president gave him a call. "Our research shows that out of a yearly income of more than \$10 million, you give not a penny to charity. Wouldn't you like to give back to the community in some way?"

The lawyer thought this over for a moment and replied, "First, did your research also show that my mother is dying after a long illness, and has medical bills that are several times her annual income?"

Embarrassed, the president mumbled, "Uh, no."

"Second, that my brother, a disabled veteran, is blind and confined to a wheelchair?"

The stricken president began to stammer an apology, but the lawyer interrupted him. "Third, that my sister's husband died in a traffic accident, leaving her penniless with three children?"

The humiliated president, completely beaten, said simply, "I'm sorry, I had no idea—"

The lawyer cut him off once again. "And I don't give any money to them, so why should I give any to you?"

Warning light

During a trial that involved a car accident at a train track, an engineer insisted that he had given the driver ample warning by waving his lantern back and forth for nearly a minute. He even stood and convincingly demonstrated for a full minute how he'd done it. The court believed his story, and the suit was dismissed.

"Congratulations," the lawyer said to the engineer when it was over. "You did superbly under cross-examination."

"Thanks," he said. "But the plaintiff's lawyer sure had me worried."

"Why is that?"

"I was afraid he was going to ask if the lantern was lit!"

Ants in your house? How to get rid of them safely

Most of us don't want to share a home with ants, but we don't want to douse the place with insecticide either. Keeping your sinks and counters dry and clean is a good start. Here are a few natural treatments to keep ants at bay:

- **Cinnamon.** Place a few cinnamon sticks anywhere you spot ants crawling into your house. The pleasant odor will send ants away. (Garlic cloves work as well, though you may not enjoy the scent as much.)
- **Vinegar.** Spray some apple or white vinegar on areas where ants have set up shop.
- **Black pepper.** Sprinkle a little pepper where you see ants. Watch where they run to, and treat that area as well to prevent them from returning.
- **Mint.** The scent of mint can disrupt ants' sense of smell. Plant mint outside, especially near doors and windows, and place a few mint leaves in and around your windows.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
