President's Corner

Submitted by Bob Lohrman

Hello from the Board of Directors

As I write this letter, I am glad to say that much of the park is blacktopped. The work is moving great and there has been less rain recently to slow it down. Our biggest problem is a lot of our own residents failing to obey the cones and work areas. This problem slows work when you have to go over it again. A big thanks goes out to Maggie, Jan, Tina, Jane and Connie for their continued efforts to keep residents informed. This was no easy task. Thank You! Also, we are still waiting on the engineering report for work on Cactus, Alamanda and Cherry Drives.

Hard to believe at reading of this letter summer is on the downward mode. To all our northern friends, have a great rest of the summer and we are looking forward to seeing you all in the fall.

Our thoughts and prayers go out to our sick and shut-ins and to those who have lost loved ones.

Bob

Manager's Corner

Road Project – The road project is moving along slower than anticipated due to all the rain! Other reasons for delays are residents washing their cars, hosing off their driveways, washing their vehicles and driving down streets that are off limits. **MANAGER**

Landlord Warning – If you rent your mobile for a period of (6) months or less, you are required to register with the Pinellas County Tax Collector to collect and remit a 6% Tourist Development Tax AND a 7% Florida Sales Tax. **THIS IS VERY IMPORTANT – The 13% tax is mandatory requirement for EVERY rental.** If the rental is not reported to the Pinellas County Tax Collector there will be fines issued to the owner of the mobile home. For more information, you may call 727-464-5007 or visit their website www.taxcollect.com.

Water Charges – Please keep in mind, you pay for water/sewer/trash in arrears. For example, your August water bill will be for service in July. For the seasonal residents, you will receive an invoice the month after your sign out and a month after you sign in.

HELP - If you are not receiving email messages from the park, you may need to help us update our records. The best way to ensure the office has your correct email address is to email SunsetPalms3401@gmail.com . Include your name, lot number and phone number(s) in the message. This will be a big help when it comes time to update the Dial Directories phone book too!

Stay safe!

1. Is your doctor's office still open?
2. Have you heard from your doctor in the past two weeks?
3. Is your doctor personally calling and texting to check on you?
4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?
9. Is your doctor helping to make sure you receive all of your prescription refills?
10. Is your doctor offering to help you get your medications delivered?

PROBLEMS WITH RECEIVING EMAILS

An increasing number of people are complaining that they aren't receiving emails. When this is looked into further, it becomes clear that this is due to several factors:

- they've unsubscribed from emails (either accidentally or on purpose)
- their email address was never recorded with the office staff

continued on page 10

- they've changed email address - but didn't inform the Website Administrator
- they're only retrieving emails on their phones.

The first three instances speak for themselves and may be resolved by emailing SunsetPalms3401@gmail.com. For the fourth instance, it should be noted that only retrieving emails on phones can mean that not everything shows up or that the entire email 'disappears' - but is visible when the user goes to their computer. It's also only too easy to accidentally delete an email on a phone, without realizing. Residents are, therefore, urged to check emails on their computers as well as their phones as often as possible. Retrieval by phone is extremely convenient but, as outlined above, has its downsides too.

Lift Station Monthly Reminder – Important

Submitted from the Office

F **FLUSH ONLY:** Body waste and toilet paper. **It is highly recommended that only one ply toilet paper be used to prevent clogging the toilet.**

DON'T FLUSH: Tampons- Sanitary Pads – Diapers – Depends – Swiffer Cloths – Dust Cloths – Wet Wipes – Kleenex – Food, etc.

When we flush, the waste goes into a **holding tank** that has two pumps to expel the waste UP and OUT into the Pinellas Park sewage system. When any of the above gets flushed, it clogs the pump, overheats it, and burns out the motor.

A cruise Like no other- October 31- Nov 13/22 SPAIN to FLORIDA

Arriving to our Sunset Palms home VIA Barcelona Spain will be a totally new venture for over 60 residents. The idea of a large group of SVI residents prancing around Barcelona Spain for 3 days might intimidate some people but NOT this travel Committee. We are ready and excited to visit 3 Spanish ports, sail to Azores which is a small Portuguese island, then onto see Bermuda, ending Fort Lauderdale and coach to Sunset Palms for the winter.

Among the many activities on board the ship will be offering, we know a few card games will be scheduled after the nightly performances end. Of course, you'll always see the music buffs grooving to the headset music of the silent dances.

Cruise ships on transatlantic crossings offer many educational, entertaining, and fun activities on the sea days. Since our package includes all beverages, chatting over a glass of wine or playing shuffleboard with a Heineken could be nice. Then there's the casino goes...you know who you are?

October 16 – 25, 2022

3 day bus tour \$ 309.00 pp double occupancy December 14- 16

Did you know.... **Nights of Lights has been listed among the top ten holiday light displays in the world by National Geographic.** During this festival of lights, downtown St. Augustine glows with holiday magic – from the ground to the rooftops. St. Augustine’s Nights of Lights features millions of tiny white lights that create a magical atmosphere in the Nation’s Oldest City, and it's free of charge.

There is plenty of ways to see this beautiful historic city. Take in the view of Nights of Lights from the sea aboard the Schooner Freedom on the ship’s Sunset Sail. Feeling relaxed, take the Old Town Cycle Cruise, the Black Raven offers light show views plus an entertaining pirate show. Tons of options to keep us busy. Sign-up sheet is posted in clubhouse. To fill the bus, we have invited residents from nearby communities to join us.

Heads up for 2023

There will be a winter cruise to the Panama Canal that will depart February 13, 2023, a leap into luxury cruise is scheduled for February 23,2023 complete with airfare and all excursions plus

numerous day trips . All our cruises are fully refundable, include beverages (alcoholic and non) WIFI, gratuities and monthly payment plans if preferred. They are also escorted by someone from the travel committee. Family and friends are invited to join.

River Cruise

October 17/23, we have a River cruise scheduled through the Rhine and Moselle Rivers. This is a cooperation between five different communities. Everyone will bring something to the table that we can all benefit from. EG: Carol is a Licensed wine sommelier and will be doing wine paring events and vineyard visits. Nicole specializes in Arts and Culture so she will have artists and music events organized, and we will be doing a Milestone Bash for anyone celebrating a milestone birthday, anniversary or COVID do-over. (Pretty much cover everyone). We are looking for a Castle to do this event or maybe combine with a wine event. This will be an exclusive journey to our group and not available anywhere else. The flyer is not prepared yet but it will be out very soon so if River Cruising is on your bucket list...this is the one to attend.

Your committee consists of wonderful residents. We are a group of 7 working behind the scene to plan events for residents. Everyone contributes to the organization of events and specialties

...continued on page 26

are: Danielle Rockett is our photographer and goes on most events, Dave Allan arranges deep sea fishing excursions, Diane Greene keeps the data records, Sharon Hillier helps with flights, Clarence Thomas and Denise Harned will be assisting with shorter trips, day trips and casino events. We try to do things that will incorporate everyone's desires as well as budget. Winter cruises are always a big hit and for the past few year's residents are asking to travel together in other months where they would leave from home and meet up somewhere. The October Spain trip is our first attempt.

Please follow our "sunsetpalmstravel" page on Face Book. We post all flyers here. You can email your contact details to us and we will keep you directly updated. We will only send Sunset Palms travel email; no spam or advertisements. We will also be hosting some online zoom events where everyone can attend.

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,
The Florida Anchor & Barrier Team
