Advisory Committee

Sandy Rasmussen

Our community management has implemented another form of communication. BSW Maintenance Manager, John Moniz, has created a Maintenance Form, which has been delivered to each home, to be filled out when needed and brought to the office. This will allow John to get information quicker and address community maintenance issues. As always, each resident is welcome to contact the office with any concerns by phone or email. The Advisory Committee is excited to work with John to make sure items are being addressed and in a timely manner.

Thank you to all volunteers for hosting Bingo, along with Vince Salvage, Greg Schmidt and Jim Rupinski who have been calling the games.

The Advisory Community communication box has been set in the library on the shelves, with communication forms to fill out and place in the box. These forms again are for acknowledgments or concerns not addressed with park grounds. In June we received four concerns, and all have either been addressed or are being addressed regarding library chairs and lighting in front of the building.

We look forward to the August Welcome Wednesday. Ice Cream social here we come! Hosted by Louis Sanchez and Sandy Rasmussen.

July 4th Celebration

Cindi Miller

We did not have fireworks inside the clubhouse, but we had a blast! The band had everyone up and dancing! Approximately 60 people came to celebrate the 4th of July. Hotdogs, watermelon, chips, and cookies were served. Thank you to Rob Lloyd and Beverly Elmore for securing the band, Britney Mone. Also, thanks to Susan Grippin and Mike Miller for assisting with preparing and serving food.

June Welcome Wednesday

Cindi Miller

We were a small but lively group at our carnival themed Welcome Wednesday on June 29th. We ate corn dogs, potato salad and chips with cotton candy and animal crackers too. We played July 4th trivia and had a few laughs. Bob Ervin and Diane Scholz-Rogers were quite the competitors, with Diane taking the win. Thanks to Jennie with Humana for hosting trivia and Missy with ProCare for assisting.

Father's Day Vince Salvage

This event was at the clubhouse on June 19th and was enjoyed by all who attended. Approximately 40 people attended and enjoyed a free meal consisting of pulled pork sandwiches, coleslaw, salad and several deserts including strawberry short cake, brownies, cake and cookies. Dedicated Medical and ProHealth provided drinks and gave several gift cards to some lucky winners. A big thank you to everyone who helped with the setup, serving, and cleaning up....Yvonne, Phyllis, Sue, Vicki, Angela and Jim. It is not hard to chair an event when you have so many helping hands. Try it sometime, we will help you through it.

The essence of teaching

A retired teacher ran into a former student in a coffee shop one day. “It’s good to see you!” he said. “What have you done with your life?”

“I’m a teacher,” the young man said.

“Wonderful! What made you decide to become a teacher?”

The man smiled. “Actually, you inspired me.”

“Really? How did I do that?”

The young man told him a story:

“One day, a friend of mine came to class with a nice new watch, and I decided I wanted it, so I stole it. When my friend noticed his watch was missing, he immediately complained to our teacher — you.

“You addressed the class and said, ‘This student’s watch was stolen during class today. Whoever stole it, please return it.’ But I didn’t give it back because I was scared.

“Then you closed the door and told us all to stand up and form a circle. ‘I am going to search your pockets one by one until I find the watch,’ you said. But you told us to close our eyes while you searched. You went from pocket to pocket, and when you got to my pocket, you found the watch and took it. You kept searching everyone’s pockets, and when you were done you said, ‘Open your eyes. We have the watch.’”

The young man continued, “You didn’t tell on me, and you never said who stole the watch. You never said anything, or scolded me, or took me aside to give me a lecture.

“I received your message clearly. That day I decided not to become a thief or a bad person. Thanks to you, I understood what a real teacher does.”

He finished, “Do you remember that, sir?”

The old teacher nodded. “Yes, I remember that day. I just didn’t remember that it was you who stole the watch.”

“Why not?”

The teacher said, “Because I also closed my eyes while looking. That is the essence of teaching. If you have to humiliate someone, you don’t know how to teach

Learn to tolerate the pain

During a long winter many animals were dying because of the cold. A group of porcupines decided to huddle together to keep each other warm. Unfortunately, their quills kept wounding their closest companions, so they split up.

Soon they began to die from the cold. They realized they had to make a choice: Either accept their companions’ quills or choose death. Wisely, they decided to come back together. They learned to live with the few wounds caused by their close relationship to receive the warmth of their togetherness. This way, they were able to survive.
