LA PLAZA MANAGER'S POST

Is this the Dog days of summer? I am positive even the dogs want to stay inside in the Air Conditioning. Please stay Hydrated, stay indoors and use Sun block when outside for prolonged times. I cannot believe it is already August, time flies when we are having fun at La Plaza! Continue to watch the bulletin boards, Facebook, and this Ledger for upcoming activities and events!

I am currently seeking Volunteers, a Calling Tree of sorts. I will have a signup sheet on the bulletin board. I would like a volunteer that can be contacted via email/phone who could notify their neighbors of Emergency/Important type of events, such as Water Main breaks and IF you would need to boil water after or not; Hurricane/Storm preparedness announcements or Closures of Pool/Clubhouse. Some of our residents are not technically advanced and need to be notified in person. If you sign up, please include a section of neighbors on your street you would contact either by phone or knocking on their door. If you can only cover 4-6 houses it would be a start, and you know your neighbor's schedule better than I do. I would only use this Tree as an Emergency/Important notice only. This is a beginning process, so it may take several weeks before we are fully covered in the park. If you sign up, please include the area you would like to cover and I will contact you to get the emails/numbers etc.

Please do not park on any street or at the clubhouse without a parking pass and never for the entire day. Do not feed the ducks, geese or any Florida Wildlife; you are putting them in danger. It is against park rules and against the law. Walk your dogs on a leash and clean up after them. Keep your cats in the house safe & sound. Keep your lot & mobile home clean, painted and free of debris. Please clean or hire someone to clean your gutters, during rainy season water can back up into your home.

Above all else, Drink plenty of fluids, stay cool and be Kind.

HOA President's Report

*Rick Johnson,
President La Plaza HOA*

Hello La Plaza Residents! We all hope you are staying safe and healthy!

We had another busy month here at La Plaza.

The clubhouse has seen a lot of activity with pot luck dinners, card games, horse races, dinner and dance.

It was a great 4th of July celebration!

Thanks to our park managers, Janet and Mike Baker and Wilder for sponsoring this event. and all our volunteers for the July 4th activities

It was great to see so many people come to the clubhouse and enjoy themselves!

Again many thanks to Janet and Mike for everything they did on "their day off"!

Thanks to everyone who came and made this a great event!

Stay tuned and check out the Media Newsletter, bulletin boards and park signs for more information.

Remember: Reduce, Reuse and Recycle!

LIBRARY

Jude Decker

Our library, located in the back room of the clubhouse, is open to our residents and we encourage you to come in for a visit. The book shelves have been sorted through, re-organized and labeled. After handling every book I realized our community has excellent reading habits because there's quite a diverse selection of books to choose from. So come in, check out the shelves and borrow some books. When you've finished reading, return them to the small table in the corner.

*****REMINDER*****

We are now accepting donations of **MAGAZINES** from the current year and **BOOKS** having a publishing or copyright date from **2010 to Current**. Place your donations on the return table.

Thank you and Happy Reading.

ICE MAKER

The ICE MAKER that is located in the clubhouse kitchen was purchased by the association for everyone to use. Please be sure to **close the cover** after getting the ice. If there is an event scheduled please don't empty the ice machine for your own use. We need it for the guests.

ATTENTION:

We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquillity, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.

Article. V.

The Congress, whenever two thirds of both Houses shall deem it necessary, shall propose Amendments to this Constitution, or, on the Application of the Legislatures of two thirds of the several States, shall call a Convention for proposing Amendments, which, in either Case, shall be valid to all Intents and Purposes, as Part of this Constitution, when ratified by the Legislatures of three fourths of the several States, or by Conventions in three fourths thereof, as the one or the other Mode of Ratification may be proposed by the Congress; Provided that no Amendment which may be made prior to the Year One thousand eight hundred and eight shall in any Manner affect the first and fourth Clauses in the Ninth Section of the first Article; and that no State, without its Consent, shall be deprived of its equal Suffrage in the Senate.

DID YOU KNOW?

PLUMBERS ALWAYS PUT FOOD WASTE INTO THE TRASH OR COMPOST BIN

Dumping bacon grease or the remnants of your toddler’s lunch into the sink and running the garbage disposal might seem like the quick-and-easy way to plow through a stack of dirty dishes. But it’s actually a terrible habit that can really wreak havoc on your plumbing system, A better plan? Scrape your plates into the garbage can, and pour grease into an empty can that also goes in the trash. Composting is an option, too, if you have a way to dispose of the compost. Some cities offer compost pick-up, and many people use compost in their gardens.

Why is this so important? Grease sticks to the walls of your pipes and eventually clogs your drain. And the garbage disposal is not designed to break down and process things like meat, eggshells, and coffee grounds. Putting these items down the drain and running the disposal will overwork and eventually damage the device.

RECYCLING SUGGESTION

Bobbi Paye

The La Plaza Homeowners Association has voted to discontinue collecting aluminum soda and beer cans by the dumpster. The containers for collection have been removed. If you wish to continue recycling them, you can include them with all your other recycling items.

The following information is about where you can take all recyclables if you choose not to dispose of them as garbage:

Zero sort recycling is available behind Tri-City Mall on the other side of east bay.

Directions: just go out the back exit of La Plaza onto 69th Street and go across East Bay Drive onto the road going into Tri-City Mall and take a right at the end of the road.. Continue along that road all the way to Ross, turn left and go north a short ways, then turn west. You should see the recycling bins behind Petco. It is zero sort recycling, so flattened cardboard, newspapers, magazine, plastic bottles, aluminum cans, glass, etc. can be placed in the containers. Happy recycling. Our environment will love you for it. No plastic bags!

DID YOU KNOW?

PLUMBERS USE A SMART DEVICE TO CHECK FOR LEAKS AND DRIPS

While it is certainly convenient to tell Alexa to order cat food or play your favorite song, the best smart device features help minimize genuine home-related problems—like plumbing leaks.

A smart, Wi-Fi-enabled leak detection device will monitor your home’s plumbing system. If a leak or drip is detected, the device immediately shuts off the water and sends a notification to your phone. That lets you tackle the repair before it becomes a catastrophe.

(The device) basically monitors for fluctuations in water pressure and any type of leaks that may occur. It is a really useful device.

If you’re not ready to add a smart home leak monitor, remember to keep an eye out for leaks and drips. This is typically done by simply listening for the sound of rushing water or that tell-tale drop-drop sound. You can also go through your home and check each faucet.

The sooner you catch stuff with good routine inspections, the cheaper it is to fix.

******SINCE THERE ARE MANY RESIDENTS WHO HAVE EITHER PASSED ON OR MOVED OUT OF LA PLAZA, IT IS DIFFICULT TO KEEP UP WITH THE NAMES. IF YOU SEE A NAME/NAMES THAT SHOULD NO LONGER BE ON THE LIST BELOW PLEASE EMAIL ME AT CECEB1942@GMAIL.COM, SO I CAN REMOVE THEM FROM THE MASTER LIST.******

REMEMBER:

Community members only serve as the extra "eyes and ears" of law enforcement. They should report their observations of suspicious activities to law enforcement; however, citizens should never try to take action on those observations. Trained law enforcement should be the only ones ever to take action based on observations of suspicious activities.

The Chairperson will be Rick Johnson at lot #211. If you have interest in learning more about this you can contact me.
