From The President

Diane McSweeney

Dear Residents,

It is August already! The Park has had some very hot and very rainy days. We have spared horrible weather up to this point, thank goodness. The awning behind the maintenance shed has been installed. Hopefully we will be creating a multi-use for this area soon. have heard great reports of how great the park looks. Hopefully everyone stays healthy. Have a great summer! I cannot wait to see everyone together again.

Best Regards,

Diane McSweeney President

From The Office

Pat Merl

Dear Shareholders,

Thanks to those of you who take the time to notify the office of your departure, prior to leaving, as well as those who advise us of their return to the Park. We are required to have an accurate account of occupancy at all times, for safety reasons as well as knowing where to send important mailings for those who are away. Your cooperation in this regard is both required and appreciated.

A short time ago, the office sent out a Volo message to advise everyone of a situation where a resident received what they thought to be a text from board president, Diane McSweeney. The text message asked the resident to please buy four \$100 gift cards and deliver them to Diane, at the Holiday Shores Park Office.

Unfortunately, the resident went out and bought the gift cards. The resident then went to the office to give the gift cards to Diane, only to find the office was closed. Luckily, Harvey was in the area and the resident asked him how they could give Diane the gift cards she requested, by text. Harvey told the person they must have been scammed and he was right.

PLEASE NOTE THAT THE OFFICE, NOR ANY OTHER MEMBER OF THE BOARD, OR MANAGEMENT TEAM, WOULD EVER ASK THAT OF ANYONE!

Always check any text, email, etc., that you receive asking you to send or bring someone money, or a gift card, actually comes from the person it says it does. Compare the phone number, or email address, to the one you have on file, to make sure that they match.

IN THIS CASE, IT WAS DIANE'S PHONE NUMBER BUT, THE AREA CODE WAS DIFFERENT.

Holiday Shores Activities Association

Bernadette Drouin

Can you believe it's August ?!

Of our Holiday Shores quiet season is almost over. It won't be long before the clubhouse is busy with different activities as everyone starts making their way back.

No one has gotten in touch with me yet with activity committee interest. If you have interest, please contact me. We need you. It's very rewarding and you'll have so many wonderful people involved. Our first dance is October 30th.

Please keep in mind in expanding our spring yard sale this year with a bake sale and silent auction and the clubhouse.

The current idea is (the donated item to the silent auction) starting bid price will be set by donor and when sold half will go to the donor and half will go to activities. So all of you skilled people and family members leave room in your trunk on the way home!

Thank you to Sonnie Wright for an impromptu ice cream social on the 4th of July! I hope you all enjoyed the fireworks on Lake Seminole. They were fantastic. Also, thank you Sonnie for setting up in August luncheon at Po' Folks this past month.

Welcome to all our new homeowners in the park. We look forward to seeing you at the clubhouse!

From all of us at activities we hope you are enjoying your summer!

Charity case

The president of a local charity realized that he had never received a donation from the town's most successful lawyer. The president gave him a call. "Our research shows that out of a yearly income of more than \$10 million, you give not a penny to charity. Wouldn't you like to give back to the community in some way?"

The lawyer thought this over for a moment and replied, "First, did your research also show that my mother is dying after a long illness, and has medical bills that are several times her annual income?"

Embarrassed, the president mumbled, "Uh, no."

"Second, that my brother, a disabled veteran, is blind and confined to a wheelchair?"

The stricken president began to stammer an apology, but the lawyer interrupted him. "Third, that my sister's husband died in a traffic accident, leaving her penniless with three children?"

The humiliated president, completely beaten, said simply, "I'm sorry, I had no idea—"

The lawyer cut him off once again. "And I don't give any money to them, so why should I give any to you?"

Warning light

During a trial that involved a car accident at a train track, an engineer insisted that he had given the driver ample warning by waving his lantern back and forth for nearly a minute. He even stood and convincingly demonstrated for a full minute how he'd done it. The court believed his story, and the suit was dismissed.

"Congratulations," the lawyer said to the engineer when it was over. "You did superbly under cross-examination."

"Thanks," he said. "But the plaintiff's lawyer sure had me worried."

"Why is that?"

"I was afraid he was going to ask if the lantern was lit!"
