## From the Manager's Desk

Bob Kelsey

This is an URGENT message from Down Yonder Management:

**STOP THROWING HOUSEHOLD TRASH IN THE ROLL OFF DUMPSTER!!!!**

Down Yonder management has been warned by the City of Largo that if household trash continues to be thrown in the roll off dumpster which is for bulk items only, the roll off will be pulled from the site and we will lose our privileges of having a roll off container.

Household trash contaminates the container and will not be processed at the dump site.

For those of you using the roll off container in the proper manner we thank you.

Hello Down Yonder Home Owners

We are now approaching the halfway mark of 2022 and in another 3 months or so we will be receiving a new rent proposal from our landlord ELS (Equity Life Style). They must notify us 90 days prior to the effective date of the increase which is typically January 1.

Once this notification is received, we can have a Rent Review Committee of 5 home owners formed by us, request a meeting with representatives from ELS no later than 60 days prior to the proposed change to discuss and negotiate the rent increase to a more favorable amount.

This is a very important function that must be handled in a professional manner by the Committee and there is a lot of work to be done to be prepared for this meeting.

We have created an Ad Hoc committee to form a Rent Review Committee and we currently have some people with prior experience on the committee.

To learn more about the process go to this link for the details.

Chapter 723 - 2020 Florida Statutes - The Florida Senate (flsenate.gov) Section 723.037.4)

The reason for this letter is to ask that you sign up to support this Rent Review Committee that will be working to represent you and we need the majority of homeowners to agree to us handling the negotiations.

Normally this procedure would be handled by the HOA Board but since it has been legally recalled and the President has resigned it no longer represents you.

You can sign this from and drop it off at Lot 104 or contact Kevin Osborne at 727-336-9212 or knosborne2@gmail.com and he will pick it up from you.

Acknowledgement;

I (print name) \_\_\_\_\_ Lot # \_\_\_\_\_

Agree to have the Ad Hoc group form a Rent Review Committee to represent the Down Yonder Home Owners in negotiations with ELS for the next rental agreement.

## The essence of teaching

A retired teacher ran into a former student in a coffee shop one day. “It’s good to see you!” he said. “What have you done with your life?”

“I’m a teacher,” the young man said.

“Wonderful! What made you decide to become a teacher?”

The man smiled. “Actually, you inspired me.”

“Really? How did I do that?”

The young man told him a story:

“One day, a friend of mine came to class with a nice new watch, and I decided I wanted it, so I stole it. When my friend noticed his watch was missing, he immediately complained to our teacher — you.

“You addressed the class and said, ‘This student’s watch was stolen during class today. Whoever stole it, please return it.’ But I didn’t give it back because I was scared.

“Then you closed the door and told us all to stand up and form a circle. ‘I am going to search your pockets one by one until I find the watch,’ you said. But you told us to close our eyes while you searched. You went from pocket to pocket, and when you got to my pocket, you found the watch and took it. You kept searching everyone’s pockets, and when you were done you said, ‘Open your eyes. We have the watch.’”

The young man continued, “You didn’t tell on me, and you never said who stole the watch. You never said anything, or scolded me, or took me aside to give me a lecture.

“I received your message clearly. That day I decided not to become a thief or a bad person. Thanks to you, I understood what a real teacher does.”

He finished, “Do you remember that, sir?”

The old teacher nodded. “Yes, I remember that day. I just didn’t remember that it was you who stole the watch.”

“Why not?”

The teacher said, “Because I also closed my eyes while looking. That is the essence of teaching. If you have to humiliate someone, you don’t know how to teach

## Learn to tolerate the pain

During a long winter many animals were dying because of the cold. A group of porcupines decided to huddle together to keep each other warm. Unfortunately, their quills kept wounding their closest companions, so they split up.

Soon they began to die from the cold. They realized they had to make a choice: Either accept their companions’ quills or choose death. Wisely, they decided to come back together. They learned to live with the few wounds caused by their close relationship to receive the warmth of their togetherness. This way, they were able to survive.
