RECIPE OF THE MONTH

Homemade Barbeque Sauce

INGREDIENTS:

- 2 cups Ketchup
- 3 TBSP Brown Sugar
- 2 TBSP Soy Sauce

- 1 tsp. Red Pepper Flakes

Optional:

For a thinner sauce, reduce heat to a low simmer and cover for 30 minutes, stirring as needed.

For a thicker sauce, reduce heat to low, boil for another 30 minutes, stirring regularly to prevent burning and check thickness as desired.

LIBRARY

Brad Meltzer blows my mind with all he does and can do. He writes both fiction and nonfiction. Brad writes the comic “The Justice League of America.” He authored “Heroes for My Son” and “Heroes For My Daughter” so that his children would have better heroes to look up to! Brad also hosts “Lost History” and “History Decoded” on the History Channel. He believes that ordinary people can change the world!!

Brad’s first book “The First Conspiracy”, was about a real life secret plot to kill George Washington. I read “The House of Secrets”. In it Hazel wakes up in a hospital not really knowing who she is, where she has been, what her life has been like up until now and she remembers nothing of emotions. To top it off there is a strange man from the FBI pacing outside her hospital room. When he finally visits her he asks questions about her dad, which no one is telling her where he is, and about a book owned by Benedict Arnold! This is a book of reminding self. It totally absorbed me.

Don’t forget the Library is open daily 10:00 a.m. to 6:00 p.m. and the WIFI usually can be accessed from the screen room anytime.

Vanessa Nead

LADIES LUNCHEON

The next luncheon will be on August 10th at Applebee’s at noon. Ron Russell and Mike Matheny will be the hosts. Sign-up sheet will be posted on the Clubhouse door asap. Any questions or last-minute reservations can be directed to Ron Russell, Lot 1301, or Mike Matheny, Lot 719.

FROM THE OFFICE

SOLICITING in the Park is not allowed; it is posted at both Park entrances. If someone tells you they have my permission, they are lying. If I should ever give someone permission, they will have a letter from me to show you they have permission! The only exception is sometimes the free food people will put notices on your door advising you when the next (or last minute scheduled) food event will be.

CAMPAIGN signs- there is no Park rule regarding them but I am going to refer to Rule # 39: SPECIAL EXCEPTIONS, "Park Management reserves the exclusive, unrestricted right to grant special exceptions to these rules and regulations....." You will be allowed 1 (one) campaign sign, either in your window or yard, 30 days before an election, and must be removed immediately after the election.

POOL AREA – no dogs allowed except service dogs (which does not mean emotional support/comfort dogs).

BACKYARDS – backyards must be kept neat and clean; if you have anything obstructing lawn mowing, your lawn will not be mowed; you are also responsible for backyard weed wacking; the lawn service is supposed to do the sides of the carport and along the street edge, but not around flower beds, trees, etc.

GARBAGE – Just a reminder, garbage is ONLY to be put to the curb after 5:00 pm on Sunday, Tuesday and Thursday; during the hot summer months, they begin working at 7:30 a.m. and do not backtrack, so running it out after you see them doesn't matter. Reminder that all garbage must be: Bagged, Boxed or Bundled in 3 foot lengths and we do not pick up your household garbage. If you go to the 3rd street dumpster and the gate is closed and locked, it means the dumpster is full and you need to wait until it is emptied and returned. IT DOES NOT mean you can just throw it on the ground or put it into one of the smaller dumpsters! This is all very clearly explained in Park Rule 18.

CARPORTS -I have been sending out letters regarding cleaning up carports; the only furniture allowed on your carport is outdoor furniture, NO garbage cans or household appliances. If you have a refrigerator out there, it must be enclosed so that it cannot be seen from the street and have a lock on it.

HURRICANE SEASON - Just a reminder about hurricane preparedness, you must have any ladders secured to your building and nothing laying around that can be blown around by winds stronger than 25 mph. This includes barbeque grills, large planters, patio furniture, shelving, etc.

POOL DECK – I am aware that the deck is peeling again; the company came out and will have to redo it but it won't be until October due to the heat. Most outdoor paints and epoxies cannot adhere and dry correctly in this heat. Special thanks to Janice and Michelle (and anyone else) who is cleaning the deck on a regular basis.

FACTS ABOUT CUCUMBERS

1. Cucumbers contain most of the vitamins you need every day, just one cucumber contains Vitamin B1, Vitamin B2, Vitamin B3, Vitamin B5, Vitamin B6, Folic Acid, Vitamin C, Calcium, Iron, Magnesium, Phosphorus, Potassium and Zinc.
2. Feeling tired in the afternoon, put down the caffeinated soda and pick up a cucumber. Cucumbers are a good source of B vitamins and Carbohydrates that can provide that quick pick-me-up that can last for hours.
3. Tired of your bathroom mirror fogging up after a shower? Try rubbing a cucumber slice along the mirror, it will eliminate the fog and provide a soothing, spa-like fragrance.
4. Are grubs and slugs ruining your planting beds? Place a few slices in a small pie tin and your garden will be free of pests all season long. The chemicals in the cucumber react with the aluminum to give off a scent undetectable to humans but drive garden pests crazy and make them flee the area.
5. Looking for a fast and easy way to remove cellulite before going out or to the pool? Try rubbing a slice or two of cucumbers along your problem area for a few minutes, the

phytochemicals in the cucumber cause the collagen in your skin to tighten, firming up the outer layer and reducing the visibility of cellulite. Works great on wrinkles too!!!

6. Want to avoid a hangover or terrible headache? Eat a few cucumber slices before going to bed and wake up refreshed and headache free. Cucumbers contain enough sugar, B vitamins and electrolytes to replenish essential nutrients the body lost, keeping everything in equilibrium, avoiding both a hangover and headache!!
7. Looking to fight off that afternoon or evening snacking binge? Cucumbers have been used for centuries and often used by European trappers, traders and explorers for quick meals to thwart off starvation.
8. Have an important meeting or job interview and you realize that you don't have enough time to polish your shoes? Rub a freshly cut cucumber over the shoe, its chemicals will provide a quick and durable shine that not only looks great but also repels water.
9. Out of WD 40 and need to fix a squeaky hinge? Take a cucumber slice and rub it along the problematic hinges, and voila, the squeak is gone!
10. Stressed out and don't have time for massage, facial, or visit to the spa? Cut up an entire cucumber and place it in a boiling pot of water, the chemicals and nutrients from the cucumber will react with the boiling water and be released in the steam, creating a soothing, relaxing aroma that has been shown to reduce stress in new mothers and college students during final exams.
11. Just finish a business lunch and realize you don't have gum or mints? Take a slice of cucumber and press it to the roof of your mouth with your tongue for 30 seconds to eliminate bad breath, the phytochemicals will kill the bacteria in your mouth responsible for causing bad breath.
12. Looking for a 'green' way to clean your taps, sinks or stainless steel? Take a slice of cucumber and rub it on the surface you want to clean, not only will it remove years of tarnish and bring back the shines, but it won't leave streaks and won't harm your fingers or fingernails while you clean.
13. Using a pen and made a mistake? Take the outside of the cucumber and slowly use it to erase the pen writing, also works great on crayons and markers that the kids have used to decorate the walls!!

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."
