## President Letter

*Sandy Rassmussen, Social Club President*

I hope everyone is having a safe and cool summer. This is the first summer that Mark and I have both been out of the park, beginning our venture of being snowbirds. I know everyone has had to practice patience with all the changes in our community that are happening during the summer and I'm sure will continue over the next few years. We have some wonderful events planned for this fall starting with a luau at the pool on September 17. Look for flyers for more information. Tickets will be pre-sold and less expensive than tickets sold at the door. Find your most updated information on events and activities happening in the park on Saturday mornings at coffee or on bswresidents facebook page. See you all soon!

## Doing your best — is it enough?

---

**T**om Peters, co-author of the influential book *In Search of Excellence*, learned a very important lesson while serving as a Navy SeaBee in Vietnam. As he writes in his blog, one time he was sent back to headquarters for a short meeting with the commandant of the Marine Corps, General Chapman.

Chapman and Peters spoke briefly, and as he dismissed Peters, Chapman asked, almost as an afterthought, “Tom, are you taking care of your men?” Peters led a detachment of 20 sailors.

“I’m doing my best, sir,” he answered.

Chapman’s face darkened. “Mr. Peters, General Walt and I and General Buse are not interested in whether or not you are ‘doing your best,’” Chapman said. “We simply expect you to get the job done—and to take care of your sailors. Period. That will be all, Lieutenant.”

It was a powerful message: Don’t settle for “doing your best.” A leader’s responsibility is to accomplish his or her task—no excuses.

## Be yourself always

---

**A** rabbi named Zusya was a quiet man who concealed more than he revealed. One day he stood before his congregation.

“When I die,” he said, “and I have to present myself before the celestial tribunal, they will not ask me, ‘Zusya, why were you not Moses?’ Because I would say, ‘Moses was a prophet, and I am not.’”

He continued, “And they will not say ‘Zusya, why were you not Jeremiah?’ For I would answer, ‘Jeremiah was a writer, and I am not.’”

“And they will not ask, ‘Why were you not Rabbi Akiba?’ I would tell them, ‘Rabbi Akiba was a great teacher and scholar, and I am not.’”

Then he said, “But they will ask me, ‘Zusya, why were you not Zusya?’ And to this I will have no answer.”

## The riches inside

---

A man walking by the seashore found a canvas bag half-buried in the sand containing hundreds of small clay marbles. After sifting through the marbles for a while, the man strolled along the beach, flinging them one at a time into the water until he had only a few left.

Sitting down, he pounded one marble between two rocks. When the clay cracked, he found a diamond inside. Excited, he broke open the rest of them and found a ruby, an emerald, and another diamond.

Then he realized that he’d just thrown a fortune in precious stones into the waves.

Be careful about what—or who—you discard. You never know what wonders might be inside.

# SEPTEMBER CALENDAR

**B**aby Safety Month. Keeping your baby safe is your No. 1 priority as a parent or caregiver. Whether you're expecting your first baby, adding to your family, or enjoying being a grandparent, now is the ideal time to take some simple steps to keep your baby healthy and safe.

**Hunger Action Month.** For tens of millions of people in America, a daily meal isn't a choice between different dishes. It's a choice between food and other crucial needs—like medicine, electricity, or child care. This September, join Feeding America for Hunger Action Month by choosing to stand against hunger.

**National Happy, Healthy Cat Month.** One of the easiest ways to make a cat happy is with a new toy. Not all toys have to be store bought. Paper sacks, wadded up paper, and empty boxes will entertain cats for hours.

**Ovarian Cancer Awareness Month.** Ovarian cancer is a leading cause of cancer-related death in American women, largely because early ovarian cancer often has no symptoms. Age and a family history of the disease are the strongest risk factors. Screening for ovarian cancer is difficult, but pelvic imaging and blood tests are currently the best tests for diagnosing ovarian cancer.

## Daily

**Labor Day, Sept. 5.** Celebrate the contributions of the American worker.

**National Iguana Awareness Day, Sept. 8.** Iguanas make great pets for people cramped for space or who don't want to spend a lot of time looking after a pet. These cold-blooded reptiles can be amazing and affectionate pets for many decades if they are given proper care and attention.

**National Sober Day, Sept. 14.** Getting sober at any age is one of the hardest, messiest, happiest, and most exhilarating experiences a person can have.

**National Public Lands Day, Sept. 24.** Celebrated annually at public lands in the United States on the fourth Saturday of September. A signature event of the National Environmental Education Foundation, it promotes both popular enjoyment and volunteer conservation of public lands.

**National Psychotherapy Day, Sept. 25.** Therapy is an effective, economical, natural, and meaningful way to improve lives.
