November 30 – December 2 – St. Augustine Nights of Lights Celebration – 3-day bus tour includes hotel, breakfast, on/off Day Trolley and Nights of Lights Trolley. Check or money orders accepted payable to Tours4you, only \$289 PPDL or \$433.50 single accommodations. Payments due by October 30, 2022. Contact our Events Planner, Pat Gilliland at 727-418-9881.

This terrific 3-day Bus Tour to St. Augustine FL taking place during this year's Christmas Season. National Geographic named it one of the top ten places in the world to see spectacular Holiday Lights! St. Augustine takes the romanticism inherent in its European heritage to

another level from mid-November through the end of January during the city's Nights of Lights Celebration. For complete information on this event visit www.visitstaugustine.com, under St. Augustine Nights of Lights 2022-23.

Three Day Itinerary is as follows:

Day 1: You will depart your community aboard the motor coach for a fun filled tour to St. Augustine, with comfort stops being made enroute. You will arrive early afternoon and disembark in the Historic District where you will have the day to shop and explore the city. You will have plenty of time to take in the local sights but be sure to stop by the visitor center where you can purchase discount tickets for many of the attractions. You will then meet our vehicle at the earlier drop off point in the Historic district at 4PM so we can check in at our hotel. After you have had the chance to freshen up our motor coach will be waiting at the hotel at 6:30PM to take you to the trolley station for the Nights of Lights trolley experience. This evening you may feel free to choose one of the many fine dining experiences downtown, (Dinner is not included in tour price).

Day 2: Breakfast is available at the hotel from 6:30AM. You will then have the entire day to explore St. Augustine's historic downtown, an old Spanish town established in the 1800's. This was the first European colony in North America and began to bustle with the arrival of Henry Flagler who developed the downtown as a major resort for leisure travelers. Since 1959 the state has continued an ongoing preservation effort, meticulously restoring many colonial structures to their original appearance. Historic St. Augustine has become a center of Spanish culture and a popular destination for travelers from all parts of the world. You are free to ride the trolley on/off all day.

Day 3: After having breakfast, you will join the motor coach which departs at 9AM. You will have a picturesque journey home, traveling the A1A Highway that takes you along Florida's beautiful East Coast beaches with white sand dunes, rolling waves, and luxury homes. Tourists visit this part of the Atlantic Coastline to search for treasures that shipwrecked Spanish galleons scattered near the shoreline during the 1700's. On the ride home we will stop for lunch at a suitable location (each person on their own). We will also have the usual comfort breaks enroute back to our community.

Contact Pat Gilliland at Honeymoon Park Lot 136 or at 727-733-5202 as soon as possible if interested. A minimum of 40 people is required in order to conduct this tour from Honeymoon.

Please check the bulletin board periodically for dates and times for events

Church of the Good Shepherd - Thrift Store Volunteers Needed!

Sally Miller, of Lot 18 in Honeymoon Park (phone 229-400-5610), is helping her church to obtain Volunteers to work in their Thrift Store. The store, about 5 miles from The Park in Clearwater, needs additional Volunteers Tuesday through Saturday each week from 12-3PM. If available, please contact Sally in person or by phone. All profits from the Thrift Store go to local charities, including Dunedin Cares Food Pantry. Any help will be much appreciated!!

Kirk Church Thrift Store - Alt 19., Behind Honeymoon Park

The Kirk Church is looking for Thrift Store Volunteers. They also support Dunedin Food Pantry and various community activities for Dunedin. Stop in if interested in helping.

Neighborhood Watch Program – Vacation House Checks

From Ken Simms Honeymoon Park Neighborhood Watch Co-ordinator.

The summer season us upon us and it is usually a quiet time in Honeymoon Mobile Home Park with the many snowbirds having returned home for the summer. This does not deter criminal activity.

Vehicle Burglaries

This is a common occurrence in Pinellas County. It occurs in home driveways, shopping center parking lots, parks, and at the beach. It is important to note that well over 80% of reported vehicle burglaries are to unlocked vehicles. When criminals break a window to gain entry to a locked vehicle, it is usually due to something of value being left in plain view. No matter how safe we believe we are in Honeymoon Park, ensure your car doors are locked, and remove any valuables out of sight to prevent an opportunity for criminal activity.

Latest Scams

One third of business-imposter scams involve scammers claiming to be from Amazon. Senior adults tend to be their main targets. The scammers use phone and social media messages to scam people. Ignore all calls, texts, emails and social media messages about suspicious Amazon account activity, raffles, or unauthorized purchases. If you thing you have a real account problem or to verify any suspicious messages, contact Amazon support at 888-280-4331.

Scammer's newest payment methods involve Cryptocurrency ATMs. Scammers pretending to be government officials, utility agents, collection agencies, or sweepstake representatives, direct you to pay a purported bill by sending cryptocurrency bought at ATMs to an untraceable digital wallet. Once the payment is made it is irreversible. There is no way to get your money back.

Phishing continues to be the most common cyber threat around. Phishers take on a persona of someone trustworthy, a friend, neighbor or colleague, in an attempt to get you to provide them with personal information, or to entice you to click on a malicious link via email, social media, or other messaging apps. The most important step in spotting a phishing attempt is to carefully review the email message. This will help you to identify inconsistencies like misspelled names, poor grammar in the text and links that don't leads to the place they should. If you are unsure of the link, move your mouse over the link and you will see in the bottom corner of the page, the full URL, and you can then identify if they are linking you to real or a scam website.

If you are browsing the web and pop up says your computer is now infected, chances are it is an online scam. These fake antivirus software ads and pop ups want you to download their free software to fix the purported issue. In reality, by downloading the free app, it will install malware, or ransomware, among other threats on your system. Beware of any flashy pop ups that urge you to take immediate action. Trust only info from your own antivirus software program.

Be safe and enjoy your summer. Looking forward to being back in Honeymoon Park for the winter.

Reminder for everyone of the “**Vacation House Checks**” program. This is a free service that is offered by the Pinellas County Sheriff’s office. Deputies will schedule and perform house checks on your home during the entire period that you are away. Many people her participate in the program. This ensures that the deputies are often in the park performing these checks and their high visibility in the park also acts as a deterrent to crime. To sign up for this free service, call 727-582-6177 and state you wish to schedule house checks in your absence.

A note of thanks and appreciation from Gary Smith –

Just want to say thanks to the park volunteers who deliver ongoing donations to this terrific organization, and to the many park residents who deposit donations to the collection basket in the HMHP Clubhouse for delivery. For a full description of this organization, visit their website at dunedincares.org.

This has been a Park activity for a long time, and hopefully it will continue as a means of assisting Dunedin Residents who can use some help. One reminder... please be sure that all items donated are within the expiration date listed on each item.

Keep up the great work!!
Gary Smith

SEPTEMBER CALENDAR

Baby Safety Month. Keeping your baby safe is your No. 1 priority as a parent or caregiver. Whether you're expecting your first baby, adding to your family, or enjoying being a grandparent, now is the ideal time to take some simple steps to keep your baby healthy and safe.

Hunger Action Month. For tens of millions of people in America, a daily meal isn't a choice between different dishes. It's a choice between food and other crucial needs—like medicine, electricity, or child care. This September, join Feeding America for Hunger Action Month by choosing to stand against hunger.

National Happy, Healthy Cat Month. One of the easiest ways to make a cat happy is with a new toy. Not all toys have to be store bought. Paper sacks, wadded up paper, and empty boxes will entertain cats for hours.

Ovarian Cancer Awareness Month. Ovarian cancer is a leading cause of cancer-related death in American women, largely because early ovarian cancer often has no symptoms. Age and a family history of the disease are the strongest risk factors. Screening for ovarian cancer is difficult, but pelvic imaging and blood tests are currently the best tests for diagnosing ovarian cancer.

Daily

Labor Day, Sept. 5. Celebrate the contributions of the American worker.

National Iguana Awareness Day, Sept. 8. Iguanas make great pets for people cramped for space or who don't want to spend a lot of time looking after a pet. These cold-blooded reptiles can be amazing and affectionate pets for many decades if they are given proper care and attention.

National Sober Day, Sept. 14. Getting sober at any age is one of the hardest, messiest, happiest, and most exhilarating experiences a person can have.

National Public Lands Day, Sept. 24. Celebrated annually at public lands in the United States on the fourth Saturday of September. A signature event of the National Environmental Education Foundation, it promotes both popular enjoyment and volunteer conservation of public lands.

National Psychotherapy Day, Sept. 25. Therapy is an effective, economical, natural, and meaningful way to improve lives.

No bull

An official from the government pulled into a ranch in Texas. “I need to inspect your ranch here for illegally grown drugs,” he told the owner.

The rancher shrugged. “Fine with me. Just don’t go into that field over there.”

The government man reached into his pocket and showed the rancher his badge. “See this? This badge means I am allowed to go wherever I wish, on any land, no questions asked. Have I made myself clear?”

The rancher nodded politely. “Whatever you want, officer.”

An hour later, as he was doing his chores in the barn, the rancher heard loud screams coming from the field. He ran out and saw the government man racing toward the fence with a big, angry bull in hot pursuit. The bull was gaining on the officer with every step.

“Help!” the man yelled. “Help! What do I do?”

The rancher dashed to the fence and yelled at the top of his lungs: “Your badge! Show him your badge!”

Bait and switch

A little girl walked into her Sunday school class half an hour late. When the teacher asked why she was so tardy, the young girl replied, “I wanted to go fishing with my Daddy, but he said I had to come to Sunday school.”

Pleased with the father’s spiritual dedication, the teacher asked, “And did he tell you why he wanted you to come here?”

“He said he didn’t have enough bait for the two of us.”

Your body cannot heal without play. Your mind cannot heal without laughter. Your soul cannot heal without joy.

— *Catherine Rippenger Fenwick*

Nothing else can quite substitute for a few well-chosen, well-timed, sincere words of praise. They’re absolutely free and worth a fortune.
