# Westwind II “Hi-Lites” NEWSLETTER

Tim Burgner, Editor

---

Published CONTINUOUSLY for 44 years!

The ONLY way to receive the “Hi-Lites” MAGAZINE is to get on the email list.

\*\*\***IMPORTANT**\*\*\* ANNOUNCEMENT

CONCERNING THE PUBLISHED EDITION OF THE “Hi-Lites.”

The published edition of the “Hi-Lites” is a newsletter. There are no pictures/cartoons in the edition that is delivered in the park. In order to see them, you need to be on the email list.

The *MAGAZINE* edition WILL continue to have *MANY* COLOR pictures/cartoons (usually 200 or **MORE**). In order to see the pictures/cartoons, you will need to subscribe to the *MAGAZINE* by getting on the email list.

More than 300 people are now on the email list. To add your name, please send your email address to: [mitrengrub@gmail.com](mailto:mitrengrub@gmail.com)

*SEE WHAT YOU’RE MISSING...GET ON THE “Hi Lites”  
MAGAZINE LIST TODAY! [mitrengrub@gmail.com](mailto:mitrengrub@gmail.com)*

EVERY time you see the above notice, it represents pictures that you are MISSING. Each time I have to delete one picture to an entire page of pictures, you will see this notice. By the time the magazine is sent to the publisher, 200 or MORE pictures have been deleted.

Are YOU getting the “Hi-Lites” MAGAZINE? If not, you’re missing out on ALL the “FUN STUFF.” The MAGAZINE is sent out on the 15th of EVERY month - about 2 weeks before the published park newsletter is delivered. It is *FULL* of *COLOR pictures* instead of ads. It’s sent out 12 months a year. It’s *ALL COLOR and it’s FREE!*...More than 300 people are now on the list....*YOU* should be too....Just send an email to: [mitrengrub@gmail.com](mailto:mitrengrub@gmail.com) to get on the list....*SO SIMPLE!*...See what you’ve been missing. If you’re not getting the MAGAZINE, you’re NOT seeing the “Hi-Lites.” (NO ONE will see your email address.)

---

## WESTWIND DRIVE TO BE CLOSED

---

**W**estwind I will have Westwind Drive closed beginning September 5, 2022, for possibly several weeks because a contractor is to be here to dig up Westwind Drive to repair/replace sewer lines under the street. Residents will still be able to use other streets in the park and will be able to access Westwind II streets from CR 1. The contractor is to provide limited access on Westwind Drive, but residents will need to be aware of the closure of Westwind Drive and plan accordingly.

## IMPORTANT MESSAGE FROM THE EDITOR OF “Hi Lites”

---

**B**eginning with the **JUNE** edition of the “Hi Lites,” I will **ONLY** be including articles, pictures, announcements, calendar entries, cartoons, jokes, etc. that **OTHERS** send me. For the summer months, I will no longer be sending out emails requesting these items for the “Hi Lites.” (I will continue to send out “Due Date Reminders.”). Because Westwind II still has a published edition hand delivered to our residents, something still needs to be sent to the publisher each month.

So **PLEASE** continue to send articles and pictures that I can put into the “Hi Lites” over the summer months....That would include: “**BIRTHDAY/ANNIVERSARY CLUB,**” “**MEET YOUR NEIGHBOR,**” “**BEEN THERE; DONE THAT,**” “**LETTERS TO THE EDITOR,**” “**LAUGHS & GIGGLES,**” “**HOW I SPENT MY SUMMER/WINTER VACATION,**” “**PG-13 LAUGHS & GIGGLES,**” **PROMOTIONS FOR UPCOMING EVENTS AND PICTURES -LOTS OF PICTURES.**

Thank you,  
Tim Burgner, “Hi Lites” Editor

## CONTRIBUTOR OF THE MONTH

### ELAINE BLANK

**E**laine Blank has been a “Hi-Lites” contributor for as long as I have been the editor. She organizes the Book Club and sends me an article for that each month. She currently serves as the ROC “Corporate Secretary.” She also sends items related to park business and specialty needs of residents.

Over the years, Elaine has worn MANY “hats” in the park. She ALWAYS leaves BIG shoes to fill when she ends one of her assignments! If you could ONLY pick ONE person to oversee this park, Elaine would be a GREAT choice! She’s just one of those RARE individuals you know you can count on when you need something to get done.

playing in the US Navy band during World War II. He specialized in all the saxophones, clarinet, and flute. He played in Big Bands in New York City & Long Island for many years.

I met my husband, Tony Sr, in Brooklyn, NY during an Italian Feast. Prior to marriage, I worked for Allstate Insurance. Once married, my main focus was raising my sons, Tony Jr, Christopher, & Michael.

My hobbies are cooking and spending time with family & friends. I really look forward to meeting new friends in Westwind because my previous apartment residence was not a 55+ community. My challenge is I do not drive and walk with a cane. So I invite you to stop by and say, "Hello" and introduce yourself.

Our family is a big supporter of the Military and First Responders. My son, Tony Adamo Jr., served in the US Army as a Field Artillery Officer for 8 years, husband - Tony Sr. - served in the US Navy during World War II, son, Chris, served in the Marine Corps and retired from the New York City police department and son, Michael, retired as a corrections officer from Nassau County, NY.

I have 7 grandchildren - Jenna & James live in CA, Jared & Justin live in FL, Nicholas lives in TX, Gianna & Michael live in FL. I have 2 great grandchildren - Olivia lives in FL, and Melody arrives in August, 2022.

What drew me to the Tampa Bay area was my family & sunshine.

I look forward to meeting you.

Eva Adamo

## Will YOU be remembered by the WW II Park Community?

**M**ANY THANKS to the people who have been featured in “Meet Your Neighbor” thus far: Pat Snyder/Tim Burgner, Ed & Gayle Fox, Ralph Arabian/Kathy LeMay, Craig & Lee Ann DeCrane, Roger & Sandi Crabtree, Phil & Carol Anastasio, Gerry & Carol Marier, Bobbie Inglehart, Nicol & Helen Nelson, Walt Kostrzewski, Genevieve Tweedy, Rick & Bonnie Guerin, Don & Brenda Rowan, Bob & Cheryl Leigh, Max & Renee Herrmann, Herschel & Debbie Philpott, Annette & Mike Cuffe, Paul & Joanne Zanger, Mike Proulx & Kathy McCarthy-Proulx, Mitch & Shelley Wilson, Larry & Terry Brandt, Ted Westray, Art Robinson/Ann Dady, Steve & Pat Schnorr, Ray & Nancy Hamil, Joel & Sally Daniels, Bob & Shelley Lewis, Dan & Ann Wilton, Paul & Lynda Carnahan, Roy & Evelyn Orgar, Jim & Linda Toy, Donna Pylman, Don & Rose Sullivan, Kip & Connie Shindeldecker, Dan Olsen & Jane Merucci, Clyde & Norma English, Bill & Dorleen Cooley, Chuck Hanfield & Laura Bentivegna, Jim & Jill Desranleau, Brent & Velvet Howe, Bob & Mary Ann Essery, Gino & Sonia Gabriele, Emma Spina, Frank & Joyce Pinckney, Tim & Barbara Schutt, Paul Toth and Patti Bosnak, the Ruegers - JoAnn, Bud, Barbara & Bill, LeRoy & Eileen Putman, Frank Duran/Suzanne Barnes, Dick & Nancy Brebner, Joan Rand, Janet Toms, David & Gayle Hickey, Ken & Elaine Pankey and Eva Adamo.

All of these residents are now a part of Westwind II park history. Their “Meet Your Neighbor” articles and pictures are now in the MEMORY BOOK kept in the Westwind II Library.

WRITING A “MEET YOUR NEIGHBOR/NEIGHBOUR” ARTICLE IS A **GREAT** WAY TO INTRODUCE YOURSELF TO OTHERS IN THE PARK. HAVING THEM INCLUDED IN THE MEMORY BOOK IS ALSO THE **ONLY** MEANS WE HAVE OF BEING REMEMBERED BY OTHERS IN THE PARK WHEN WE ARE GONE. THE GOAL IS FOR EVERYONE IN THE PARK TO BE INCLUDED IN THE BOOK KEPT IN THE LIBRARY.

IF YOU HAVE NOT YET WRITTEN A “NEIGHBOR” ARTICLE, I am reserving months for 2022. Just let me know which month you would like. (I don’t assign months.)

# HISTORY LESSON

## EDITOR'S NOTE:

The "Rhythmettes" were a **BIG DEAL** in the park when it began 45 years ago. Several pictures were put in the "Hi-Lites" a year ago. You can see ALL of them in the "History Of Westwind II Booklet" kept in the library.

They used to perform EVERY week for other groups of senior citizens in the area. They

were VERY WELL organized and were TRULY GREAT ambassadors for our park. All of

them are gone now, but we still have their children living in the park. **Donna & Ron Pylman and Carol Diaz** are three - just to name a few. If you have questions about this group, they can give you much information.

## The Fox Den

THANKS TO ED FOX FOR THIS:

I was born in Brighton, England. We moved to Canada with my family in 1953 where we settled in London, Ontario.

I have been married for over fifty years to my wonderful wife, Gayle. She gifted us with two daughters and a son. We now have three grandchildren.

My first interest in carving was while in London in 1989. There I took a few carving lessons to see if able. I greatly enjoyed carving, but due to work requirements and moves, I was only able to carve periodically. Now that we have retired in Lucan, Ontario, I am able to spend more time at my hobby.

Over the past 25 years or so, I have competed and won ribbons in Kingsville, Ont., Ilderton, Ont., London, Ont., Kitchener, Hamilton, Whitby, Pickering, Buckhorn, Bobcaygeon, Bellville, Ont., Ward World Wildfowl Carving Competition in Ocean City, Maryland, U.S. and at Florida State Fair. I have been fortunate enough to win 37 First Place Ribbons, 31 Second Place, 17 Third Place and 19 Honorable Mention Ribbons.

*continued on page 18*

My carvings have been purchased in Canada, U.S. and in Europe.

I now enjoy carving Detailed Songbirds, Decorative Duck decoys, Stylized Birds and Ducks, Smoothie Ducks, and Mammals, Animals, Reptiles, Club Ducks, Walking Sticks and Humorous Beer Can Fish etc.

### A Michigan Visit

THANKS TO LINDA TOY FOR THIS:

**B**ob and Shelly Lewis visited for a lively and lovely afternoon at Jim and Linda Toy’s home. Bob and Shelly were raised in Michigan and are now residents of Tennessee. After trying for 3 years - Bob and Shelly finally were able to visit. Lunch was served on the deck. The weather was perfect - low humidity and mid 70s. We, of course, talked about a lot of the Westwind II residents. So if your ears were ringing on August 10th, that was the reason. If anyone else is in the mid Michigan area, please consider a visit to the Toys. Linda & Jim.

### LET THERE BE LIGHT!

**N**ot a day goes by that someone doesn’t ask, “Hey Tim, what have you “garbaged-picked” lately?” You may recall that last year I garbaged-picked a chandelier and turned it into an outdoor chandelier which hangs inside our deck gazebo and is a “beacon in the night.” (Dunedin likely started this trend a couple of years ago. I may be the only one in Ohio who has one?)

While riding my bike on trash day a couple of weeks ago, I came across another large lantern near the home which threw out the chandelier last summer. I laid my bike down and hid the lantern behind a brick wall across the street to later retrieve it in the van. It was made to hold LARGE candles. I painted the top and bottom of the lantern and electrified it. I put in a string of 25 clear bulbs. I now have two “beacons in the night” on the deck.

## NOW YOU KNOW!

THANKS TO CARL STONE FOR THIS:

---

**F**or those of you that think electric vehicles are the answer- this is a true story from a farmer in the Midwest- and I'm reposting it-

A close friend farms over 10,000 acres of corn in the mid-west. The property is spread out over 3 counties. His operation is a "partnership farm" with John Deere. They use the larger farm operations as demonstration projects for promotion and development of new equipment. He recently received a phone call from his John Deere representative, and they want the farm to go to electric tractors and combines in 2023. He currently has 5 diesel combines that cost \$900,000 each that are traded in every 3 years. Also, over 10 really BIG tractors.

JD wants him to go all electric soon. He said: "Ok, I have some questions. How do I charge these combines when they are 3 counties away from the shop in the middle of a cornfield, in the middle of nowhere?" "How do I run them 24 hours a day for 10 or 12 days straight when the harvest is ready, and the weather is coming in?" "How do I get a 50,000+ lb. combine that takes up the width of an entire road back to the shop 20 miles away when the battery goes dead?"

There was dead silence on the other end of the phone.

When the corn is ready to harvest, it has to have the proper sugar and moisture content. If it is too wet, it has to be put in giant dryers that burn natural or propane gas, and lots of it. Harvest time is critical because if it degrades in sugar content or quality, it can drop the value of his crop by half a million dollars or more. It is analyzed at time of sale. It is standard procedure to run these machines 10 to 12 days straight, 24 hours a day at peak harvest time. When they need fuel, a tanker truck delivers it, and the machines keep going. John Deere's only answer is "we're working on it."

### Book Club

THANKS TO ELAINE BLANK FOR THIS:

The September book choice is She Who Became the Sun by Shelley Parker-Chan. Our meeting to discuss this book will be **Tuesday, September 27th at noon in the Westwind II library.** The following is a description of the story from Goodreads:

In 1345, China lies under harsh Mongol rule. For the starving peasants of the Central Plains, greatness is something found only in stories. When the Zhu family's eighth-born son, Zhu Chongba, is given a fate of greatness, everyone is mystified as to how it will come to pass. The fate of nothingness received by the family's clever and capable second daughter, on the other hand, is only as expected.

When a bandit attack orphans the two children, though, it is Zhu Chongba who succumbs to despair and dies. Desperate to escape her own fated death, the girl uses her brother's identity to enter a monastery as a young male novice. There, propelled by her burning desire to survive, Zhu learns she is capable of doing whatever it takes, no matter how callous, to stay hidden from her fate.

After her sanctuary is destroyed for supporting the rebellion against Mongol rule, Zhu uses takes the chance to claim another future altogether: her brother's abandoned greatness.

I hope you enjoy the book and look forward to discussing it with you on the 27th.

Elaine Blank

## LETTERS TO THE EDITOR

---

### THANKS TO MIKE SHAY FOR THIS:

Hello Tim: I just found out that Westwind I will have Westwind Drive closed beginning September 5, 2022, for possibly several weeks because a contractor is to be here to dig up Westwind Drive to repair/replace sewer lines under the street. Residents will still be able to use other streets in the park and will be able to access Westwind II streets from CR 1. The contractor is to provide limited access on Westwind Drive, but residents will need to be aware of the closure of Westwind Drive and plan accordingly.

Mike Shay

### THANKS TO ANNETTE CUFFE FOR THIS:

Thanks Tim for a summer update and a wonderful effort on your part.. as usual!!! Hello to Pat!

Mike & Annette

#### **EDITOR'S NOTE:**

THANKS, Annette!

The August magazine was only 99 pages - including the calendar. I had to export it in “EXCELLENT quality PDF” in order to send it as a link. (I have found that if I don't send it as a link and send it as a regular attachment instead, some people's servers won't deliver them because the document is then too big! So now I ALWAYS send it as a Google link.)

I only had 3 PG-13 entries. One month this summer, I had NONE.

So for the people who were concerned that the magazine was too big, they got their wish. ....NOT TO WORRY!....It will be back to 150+ pages come December.

Tim

## Information Article for WWII Newsletter

THANKS TO JACQUELYN FLOOD FOR THE FOLLOWING:

---

**A** REMINDER ABOUT INSURANCE: If you have given me an updated copy of your homeowner's insurance lately, thank you. But, if you have not, or you aren't sure if you've lapsed or for those of you who know you are not carrying insurance on your home, this is the time to get that taken care of. I can't stress the importance of how necessary this is, and, because of that importance, we will be cracking down on anyone who doesn't have an updated policy on file with the office.

Next, and just as important, is **updated contact information for all persons living in the park**. If you have an email address, please give that info to the office and be sure if you've given it before, that it's updated. Don't assume that we have an updated email address because you gave it sometime in the past. I have several people with email addresses on file who, when I've sent out an email blast, they are being returned undeliverable. So, perhaps, at one time you did give the office your email address but since then it's changed. ***I also need updated phone numbers and, very important, emergency contact info.*** The reason I say updated is because recently, I had to call the emergency contact info on file of a resident however, it was very outdated and the emergency contact person on file was someone who passed away years ago. That will not help in an emergency.

Lastly, ***if you plan to sell your coach, please let the office know so that we may help you and/or your realtor get it done correctly.*** The Governing Docs of the community are extremely helpful when it comes to the sale or purchase at Westwind II ROC, so of course,

## “WILL WORK FOR BEER”

---

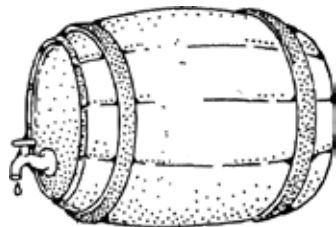

**S**omeone in *WWII* asked if we could try to bring back our old “*Help Out Your Neighbor*” that used to be in the “*Hi Lites*.”

Well.....we are! and here it is: We're calling it by a NEW name - "Will Work for Beer." If you have a SMALL job that needs to be done and would like an extra hand, one of these people can probably do it. (We're not talking about anything major. This is not meant to be for "handyman projects." It is meant for something relatively simple that should only take a few minutes to complete (installing fluorescent bulbs, programming a TV remote, hanging a curtain rod, getting something down from a top shelf, etc.) It is meant to be a FREE service. You are not expected to pay

anything - even a free beer. This service will be provided to W W II residents We are looking for MORE names for this list. If you would like to be included, please call or e-mail me - Tim Burgner.

Just call anyone's name on this list. They'll let you know if they can help or refer you to another person.

### Doctor! Doctor!

It was a stifling hot day and a man fainted in the middle of a busy intersection. Traffic quickly piled up in all directions while a woman rushed to help him. As she knelt down to loosen his collar, a man emerged from the crowd, pushed her aside, and said, "It's all right honey, I've had a course in first aid."

The woman stood up and watched as he took the ill man's pulse and prepared to administer artificial respiration. At this point she tapped him on the shoulder and said, "When you get to the part about calling a doctor, I'm already here."

# FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
