## From The President

*Diane McSweeney*

**D**ear Residents,  
Welcome to September! I can easily say most all of us enjoyed a very warm summer no matter where you were. There have been some improvements in the park, the awning is in behind the maintenance shed, a new door is being installed in the rear of the clubhouse, a handicap access is being installed on the French door inside, and soon the work shall begin on the pool night lighting.

The park has become eligible for a grant from Pinellas County for new water lines. The grant is valued at 1.1 million. The board has made no decision on whether we are accepting this grant yet. We are still exploring the possibility of completing the work on our own. There have been many rumors circulating about this work. We are planning on having Dan Glaser, professional engineer with Pinellas County in the park in the Fall to answer any of your questions. I will be glad to speak with anyone to squelch rumors or clarify any information about the water line replacement project. Please feel free to call.

I would like to thank Pat, Sue, David, and Harvey for their incredible hard work this summer.

Best Regards,

## From The Office

*Pat Merl*

**W**ell, we are now in our rainy season, and again, the grass and weeds have been growing like crazy. Thankfully, we are moving along without any serious storms landing in our part of the state. A constant reminder...please be sure to keep your weeds under control, whether you are here or away. Lawns are mowed weekly from May through September each year, as these are the wettest months, and the lawns grow very quickly.

It has come to my attention that a number of people are not quite sure when the board meetings occur at Holiday Shores Park. In accordance with the Bylaws, the board meets the third Thursday of every month except in July and August. Board meetings are regularly held at 9:30 a.m. The Short and Long Range Planning Meeting is held on the second Thursday of each month at 9:30 a.m. All meetings are held in the clubhouse barring any unforeseen circumstances.

If you want to be kept abreast of what is happening in the Park, attending either one, or both of these meetings is the best way to get the most current and accurate information. It is also a great way to get to better know your board and fellow shareholders.

The Annual Membership Meeting and Election are held on the second Saturday of December. This year it will be on December 10, 2022 at 10 a.m. During that meeting you will be voting for board members and on other association issues. If you are interested in running for the board, please obtain a Notice of Intent to Run as a Candidate Form, from the office, or you can print one off of the website beginning on September 19. These forms must be completed and in the office (or office mailbox) **before 9:00 a.m.** on the morning of October 31, 2022.

Last, but definitely not least, there is always a need for volunteers to work with the many committees that make invaluable contributions toward the Park's ongoing improvements. These efforts contribute to a smooth operation, as well as creating the many enjoyable events that happen throughout the year.

In the meantime, enjoy your summer, wherever you are!

*Bernadette Drouin*

---

**A**s Labor Day is upon us, many of you will be making your plans to come home to Florida. We're excited to see all of you as well as our own neighbors here, that we may only see in brief passing.

We will be having a coffee social on October 1st at 10:00 a.m. There will be no official meeting. The first official meeting will take place on the first Saturday of November when most of our residents are back. We welcome everyone! If you are new to the park, please attend. It's a great way to meet people and find out about activities you may have interest in attending or participating in as part of leadership.

Thank you to all who arranged and participated in the summer luncheons. The Outback had a very large sign up this August.

Music with Don and Friends will restart the first Thursday in September. Thank you to Don Bornick and Mary Graham for taking care of all the musical treats.

Please start watching the A-frames in the activities board. It will start getting busy once again!

# Sharing and Caring

Nita Anderson

Our sympathies go out to the friends and relatives of a former resident Chris Gray who died July 29, 2022. Chris was 94 when she passed. Carol McAlevy passed away the last of July. Please keep her family in your prayers.

Alan Pope passed away earlier this month. Please keep Janeanne in your prayers as well.

Please call me (440-724-1488) if you are aware of any of our friends and neighbors who are ill, have had a death in the family, or have had a surgical procedure. I will keep you posted on any new developments. Please keep these friends and neighbors (and their families) in your prayers. Thank you.

# SEPTEMBER CALENDAR

---

**B**aby Safety Month. Keeping your baby safe is your No. 1 priority as a parent or caregiver. Whether you're expecting your first baby, adding to your family, or enjoying being a grandparent, now is the ideal time to take some simple steps to keep your baby healthy and safe.

**Hunger Action Month.** For tens of millions of people in America, a daily meal isn't a choice between different dishes. It's a choice between food and other crucial needs—like medicine, electricity, or child care. This September, join Feeding America for Hunger Action Month by choosing to stand against hunger.

**National Happy, Healthy Cat Month.** One of the easiest ways to make a cat happy is with a new toy. Not all toys have to be store bought. Paper sacks, wadded up paper, and empty boxes will entertain cats for hours.

**Ovarian Cancer Awareness Month.** Ovarian cancer is a leading cause of cancer-related death in American women, largely because early ovarian cancer often has no symptoms. Age and a family history of the disease are the strongest risk factors. Screening for ovarian cancer is difficult, but pelvic imaging and blood tests are currently the best tests for diagnosing ovarian cancer.

## Daily

---

**Labor Day, Sept. 5.** Celebrate the contributions of the American worker.

**National Iguana Awareness Day, Sept. 8.** Iguanas make great pets for people cramped for space or who don't want to spend a lot of time looking after a pet. These cold-blooded reptiles can be amazing and affectionate pets for many decades if they are given proper care and attention.

**National Sober Day, Sept. 14.** Getting sober at any age is one of the hardest, messiest, happiest, and most exhilarating experiences a person can have.

**National Public Lands Day, Sept. 24.** Celebrated annually at public lands in the United States on the fourth Saturday of September. A signature event of the National Environmental Education Foundation, it promotes both popular enjoyment and volunteer conservation of public lands.

**National Psychotherapy Day, Sept. 25.** Therapy is an effective, economical, natural, and meaningful way to improve lives.

## No bull

**A**n official from the government pulled into a ranch in Texas. “I need to inspect your ranch here for illegally grown drugs,” he told the owner.

The rancher shrugged. “Fine with me. Just don’t go into that field over there.”

The government man reached into his pocket and showed the rancher his badge. “See this? This badge means I am allowed to go wherever I wish, on any land, no questions asked. Have I made myself clear?”

The rancher nodded politely. “Whatever you want, officer.”

An hour later, as he was doing his chores in the barn, the rancher heard loud screams coming from the field. He ran out and saw the government man racing toward the fence with a big, angry bull in hot pursuit. The bull was gaining on the officer with every step.

“Help!” the man yelled. “Help! What do I do?”

The rancher dashed to the fence and yelled at the top of his lungs: “Your badge! Show him your badge!”

## Bait and switch

**A** little girl walked into her Sunday school class half an hour late. When the teacher asked why she was so tardy, the young girl replied, “I wanted to go fishing with my Daddy, but he said I had to come to Sunday school.”

Pleased with the father’s spiritual dedication, the teacher asked, “And did he tell you why he wanted you to come here?”

“He said he didn’t have enough bait for the two of us.”

## Doing your best — is it enough?

---

**T**om Peters, co-author of the influential book *In Search of Excellence*, learned a very important lesson while serving as a Navy SeaBee in Vietnam. As he writes in his blog, one time he was sent back to headquarters for a short meeting with the commandant of the Marine Corps, General Chapman.

Chapman and Peters spoke briefly, and as he dismissed Peters, Chapman asked, almost as an afterthought, “Tom, are you taking care of your men?” Peters led a detachment of 20 sailors.

“I’m doing my best, sir,” he answered.

Chapman’s face darkened. “Mr. Peters, General Walt and I and General Buse are not interested in whether or not you are ‘doing your best,’” Chapman said. “We simply expect you to get the job done—and to take care of your sailors. Period. That will be all, Lieutenant.”

It was a powerful message: Don’t settle for “doing your best.” A leader’s responsibility is to accomplish his or her task—no excuses.

## Be yourself always

---

**A** rabbi named Zusya was a quiet man who concealed more than he revealed. One day he stood before his congregation.

“When I die,” he said, “and I have to present myself before the celestial tribunal, they will not ask me, ‘Zusya, why were you not Moses?’ Because I would say, ‘Moses was a prophet, and I am not.’”

He continued, “And they will not say ‘Zusya, why were you not Jeremiah?’ For I would answer, ‘Jeremiah was a writer, and I am not.’”

“And they will not ask, ‘Why were you not Rabbi Akiba?’ I would tell them, ‘Rabbi Akiba was a great teacher and scholar, and I am not.’”

Then he said, “But they will ask me, ‘Zusya, why were you not Zusya?’ And to this I will have no answer.”

## The riches inside

---

A man walking by the seashore found a canvas bag half-buried in the sand containing hundreds of small clay marbles. After sifting through the marbles for a while, the man strolled along the beach, flinging them one at a time into the water until he had only a few left.

Sitting down, he pounded one marble between two rocks. When the clay cracked, he found a diamond inside. Excited, he broke open the rest of them and found a ruby, an emerald, and another diamond.

Then he realized that he’d just thrown a fortune in precious stones into the waves.

Be careful about what—or who—you discard. You never know what wonders might be inside.
