**C**ome check us out on **Tuesday evenings at 6:30 pm** for **I Got It**. It's really an easy game. You can play 1 card or many, 1 game or all 15. You can join in at any time. A sleeve of cards is \$1.00, per set and we play 15 sets an evening. You pick out a random sleeve of cards & enough poker chips to cover the card. The caller then shuffles a deck of cards & starts calling from the deck. If you have the card, you place a poker chip on it. When you get all 3 of your cards on one sheet you say, "I Got It", and you win the pot. Hope to see you on **Tuesdays at 6:30 pm**.

## TRAVEL NEWS

*Carol Smerker*

---

**T**he Travel Club now meets at Freedom Square. The new travel guide goes to the end of the year. Check the travel board at the club house.

There are many day trips and some overnight trips if you are interested. If you see something you are like and would like to know more, call Travel is Fun for any other details. Phone # 727-347-1600.

I have been on many day trips and I have never had any problems. Bus pick-up is at Home Depot on Seminole Blvd, where you can park in the area near the road. The bus is very clean and it is escorted.

Some of the trips are:

Sept. 3rd, Rod Stewart at Amalie Arena

Sept. 7th, ICON Park in Orlando

Sept. 10th, Broadway through the Decades with buffet lunch

Sept. 21st, Marina Jacks luncheon cruise

Oct. 9th, Evita at the Suncoast Broadway Dinner Theater

Oct. 23rd, Mt. Dora Craft Fair

Oct. 30th, Solomon's Castle

This is only a sample of the trips planned. The bus is comfortable and relaxing, and you don't have to drive! You are dropped off and picked up at the door- it couldn't be any easier.

# SEPTEMBER CALENDAR

**B**aby Safety Month. Keeping your baby safe is your No. 1 priority as a parent or caregiver. Whether you're expecting your first baby, adding to your family, or enjoying being a grandparent, now is the ideal time to take some simple steps to keep your baby healthy and safe.

**Hunger Action Month.** For tens of millions of people in America, a daily meal isn't a choice between different dishes. It's a choice between food and other crucial needs—like medicine, electricity, or child care. This September, join Feeding America for Hunger Action Month by choosing to stand against hunger.

**National Happy, Healthy Cat Month.** One of the easiest ways to make a cat happy is with a new toy. Not all toys have to be store bought. Paper sacks, wadded up paper, and empty boxes will entertain cats for hours.

**Ovarian Cancer Awareness Month.** Ovarian cancer is a leading cause of cancer-related death in American women, largely because early ovarian cancer often has no symptoms. Age and a family history of the disease are the strongest risk factors. Screening for ovarian cancer is difficult, but pelvic imaging and blood tests are currently the best tests for diagnosing ovarian cancer.

## Daily

**Labor Day, Sept. 5.** Celebrate the contributions of the American worker.

**National Iguana Awareness Day, Sept. 8.** Iguanas make great pets for people cramped for space or who don't want to spend a lot of time looking after a pet. These cold-blooded reptiles can be amazing and affectionate pets for many decades if they are given proper care and attention.

**National Sober Day, Sept. 14.** Getting sober at any age is one of the hardest, messiest, happiest, and most exhilarating experiences a person can have.

**National Public Lands Day, Sept. 24.** Celebrated annually at public lands in the United States on the fourth Saturday of September. A signature event of the National Environmental Education Foundation, it promotes both popular enjoyment and volunteer conservation of public lands.

**National Psychotherapy Day, Sept. 25.** Therapy is an effective, economical, natural, and meaningful way to improve lives.

## No bull

**A**n official from the government pulled into a ranch in Texas. “I need to inspect your ranch here for illegally grown drugs,” he told the owner.

The rancher shrugged. “Fine with me. Just don’t go into that field over there.”

The government man reached into his pocket and showed the rancher his badge. “See this? This badge means I am allowed to go wherever I wish, on any land, no questions asked. Have I made myself clear?”

The rancher nodded politely. “Whatever you want, officer.”

An hour later, as he was doing his chores in the barn, the rancher heard loud screams coming from the field. He ran out and saw the government man racing toward the fence with a big, angry bull in hot pursuit. The bull was gaining on the officer with every step.

“Help!” the man yelled. “Help! What do I do?”

The rancher dashed to the fence and yelled at the top of his lungs: “Your badge! Show him your badge!”

## Bait and switch

**A** little girl walked into her Sunday school class half an hour late. When the teacher asked why she was so tardy, the young girl replied, “I wanted to go fishing with my Daddy, but he said I had to come to Sunday school.”

Pleased with the father’s spiritual dedication, the teacher asked, “And did he tell you why he wanted you to come here?”

“He said he didn’t have enough bait for the two of us.”

## Estate planning

---

A sixth-grade teacher was giving her class an arithmetic problem: “A wealthy woman died with an estate worth \$10 million. She left one-fifth to her daughter, another one-fifth to her son, one-sixth to charity, and the rest to her second husband. Now, what does each person get?”

A smart girl in the back of class answered, “A lawyer.”

## Too much of a good thing?

---

Two sea monsters were prowling the waters of the North Atlantic looking for food. They spotted a ship on the horizon, dived beneath the surface, and attacked. The sailors were all able to reach their lifeboats, but the creatures happily gorged on the cargo of potatoes that stuffed the ship’s hold.

Soon after, they spied another ship and attacked again. Once more the sailors escaped, and once more the sea monsters feasted on a load of potatoes.

Hours later, a third ship approached. And the sea monsters once again capsized it. They again found another cargo of potatoes. By now their stomachs were full, and they were feeling bloated and ill. The first sea monster said, “Why do we keep doing this?”

The second replied, “Well, everyone knows you can’t eat just one potato ship.”

## In their genes

---

Humor was a family business for the Marx Brothers. They traveled the country with their parents as part of a vaudeville act, playing the role of “children” until they were 20. Their mother insisted they be charged half-fare and routinely told everyone she met that her children were only 13 years old.

One day a railroad conductor came to her seat and demanded full fare. Mrs. Marx informed him that her sons were 13. The conductor replied sarcastically, “Well, one of your 13-year-olds is in the washroom shaving, and another one of them is in the club car smoking a cigar.”

The Marx mother just shook her head. “They grow up so fast.”
