ON THE COVER:

The summer breakfast at Lincolnshire: thanks to all the helpers who made this function successful, and let's try it again next summer.

FROM THE EDITOR

By: Donna Wurtz (lot 938.....509-1182.....momshse@aol.com)

It has been a busy summer here in Lincolnshire. Some new summer events, including the summer breakfast, summer dance, and of course the usual Memorial Day and Independence Day lunches. Now we will have the Labor Day Cookout – and soon we will welcome back our northerners and we will get even busier. Based on the number of copies of the voice needed by our block captains for distribution, we can say that there is a greater number of full-time residents residing in Lincolnshire than ever before.

From the Editor

If you are returning to the park in the fall, be sure to let your block captain know you are here, so next month there will be a copy available for you, and you can pick up your copy of the Dial directory from them as well.

We are hoping that we will be back to doing more, now that covid restrictions are being lifted, and most people are vaccinated. Let's not let our guard down though. Follow whatever you need to so you will stay healthy this season. Looking forward to the dances, maybe more shows, and hopefully back to the bazaar. I know it's still early, but we will be back in full swing with the carport sale as well, and according to the office, we might have 2 this year.

With all that in mind, remember that all the events that we plan start with an idea. Ideas don't just lie around; something must be done with them. Let your ideas and thoughts give you inspiration. All creativity comes from imagination – you first imagine – then you share and create – then we have a party

September is the last month before the festive season, so let's get ready for the upcoming thrill.

See you next month

FROM THE DESK of the PRESIDENT

By: Linda Casey (lot 1211.....581-5257.....lcasey9@tampabay.rr.com)

The Breakfast was a lot of fun, and we had a great crowd. We will now be getting ready for our Labor Day picnic. We will go back to Hot Dogs and Hamburgers and all the fixings. The tickets will be \$3 thanks to Management and are on sale now. I hope you are all working on your Halloween costumes, and you should also be working on your PJs for

Continued on page 6

the ladies salad lunch on Jan 28th.

I want to say thank you to all the people that help us with our activities. We cannot do all the things we do without your help. We are planning a few more things and I hope you have so far enjoyed our summer activities. We are a year-round community, and participation this summer has proven that. According to our block captains, there are over 410 residents currently in the park. Keep in mind if you have a suggestion, please bring it forward.

We also need a person to take care of our new DVD library. I don't think it will be hard, but we would like someone to take care of it and refile movies as they come back. So please if you would like to do this give me a call and we will get together. See the article below about the DVD library.

The last half hour can be more intermediate or advanced dances for those with more experience. Free! Fun! Informative classes aimed towards movement. Call if you have questions.

Assistant: Teri Jones 269-207-0466

CAN YOU FIND IT??

Revising an article from the past. We will post clues about something in the park for you to try to find and identify. Something like a scavenger hunt, but only 1 item each month. It will always be something that can be found out in the open, but it's up to you to figure out if it's inside, outside, around the homes, or around the public areas. Prize? Not sure yet what we will do for the first winner, but something will be arranged. Good hunting.

"I could be called a relative of a tufted Phoenix, but not really. I have some color of the reseeded spoonbill native to Florida, but I'm not at all related to that. My wings are spread and flap as I sit on my perch. I can be seen by anyone during the regular evening golfcart parades that seem to go by every day. I'm watching you as you go by with my large eyes." Who am I?

My photo will appear along with the winner's name in next month's edition.

Send you answers to the voice editor.

THOUGHT FOR THE MONTH:

“My philosophy is it's none of my business what people say of me and think of me. I am what I am, and I do what I do. I expect nothing and accept everything. And it makes life so much easier.”

— Anthony Hopkins

Do not place them in the cabinets.

You will notice 3 new cabinets just below the TV screen. DVD's have been sorted and categorized for your selection.

We ask that you maintain the area in a neat manner. Always close the doors when finished.

When returning your DVD, insert it in the same cabinet along with same color code as shown in the attachment.

For the time being a complete listing of over 700 DVD's is available by **email only** .

Send an email request to below address with your **lot number, name & email address.**

We hope there will be a new DVD Librarian which will be announced soon.

Looking for a couple volunteers. One of you must have EXCEL on their computer.

ENJOY!!!

Dial Directory and Database

By Donna Wurtz (#938.....509-1182.....momshse@aol.com)

The dial directory for the 2022-2023 year has been submitted to the publisher. We thank everyone who sent in their changes to be published in the book and welcome our new residents who have completed their forms to be included.

For those who did not choose to fill out the forms, please note you will not appear in the dial directory until 2023-2024, and if you have not provided your number to the directory editors, you will most likely NOT receive any notifications that may be provided by your block captains. Therefore, please do not make complaints regarding non-notifications of things like water shutoff, as we cannot call you if we don't have a number.

The new book has been delivered over the summer months and distributed to your block captains for distribution. Those who are part time residents can expect to be able to pick up their new books from their block captains upon their return in the fall.

LIBRARY:

BY: Cynthia Varga..... (lot #163.....584-6402)

It never ceases to amaze me that people who read books, can't read signs. I've asked repeatedly for books that are being returned to the library be put into the cabinet.

That's what it's there for.

When you attempt to help me by shelving your returns, it messes up my system.

I appreciate that you mean well, but it makes more work for me.

If you have many books to donate, it would be very helpful if you brought them to my coach so I can sort them first.

Thanks for your cooperation.

COOKING IN LINCOLNSHIRE

By: Donna Wurtz (#938.....509-1182.....momshse@aol.com)

Taking a little change this month in our recipe ideas for you. Now that we are back to travelling, and the travel club is going on a Royal Caribbean cruise in November, we thought we would share the actual recipe that is from Royal, and you can bake and enjoy the same cookies at home while dreaming of you cruise to the warm sunny Caribbean

From Cruise to Kitchen: We missed a holiday that's near and dear to our hearts — National Chocolate Chip Cookie Day! Ready for a delightful dessert that's a dream 'crumb' true? Then try out this chocolate chip cookies recipe that you can whip up toot sweet. Whether you're a freshly baked fanatic or a hard-core cookie connoisseur, bring a little taste of Royal Caribbean® into your home with this delicious treat.

Ingredients:

cup + 2 tablespoons of all-purpose flour	1/2 teaspoon baking soda
1/4 teaspoon salt	1/2 cup butter, softened
6 tablespoons granulated sugar	6 tablespoons packed brown sugar
1/2 egg	1/2 teaspoon vanilla extract
1 cup semi-sweet chocolate chips	1/2 cup coarsely chopped nuts, if desired

Directions

- Pre-heat the oven to 375 F (176 C).
- In a small bowl, mix flour, baking soda and salt; set it aside.
- In a large bowl, beat softened butter and sugars with an electric mixer on medium speed, or mix with a spoon for about 1 minute or until fluffy, scraping the side of the bowl occasionally.
- Beat in the egg and the vanilla extract until smooth.
- Stir in the flour mixture until just blended (the dough will be stiff).
- Stir in the chocolate chips and nuts if you're adding those.
- Drop the dough by the rounded tablespoonful onto ungreased cookie sheets, about two inches apart.
- Bake 8 to 10 minutes or until light brown (the center will be soft).
- Cool 2 minutes before removing the cookies from the sheet and putting them on a cooling rack.

Let them cool for about 30 minutes before sneaking a taste.

As you enjoy these sweet treats at home, imagine enjoying them on a Royal Caribbean cruise with the travel club

I GOT IT:

By: Shirley Bettencourt..... (lot 874.....508-207-3659)

Come and play “I got it,” played on the second and fourth Thursday each month. The group is getting larger, and we will continue to play throughout the summer. Lots of great comments about the difference between “I Got IT” and “Bingo.” If you haven’t tried it yet, come out and have the fun we have. The group is much more interactive, and everyone had a fun time in addition to winning prizes.

Sunshine Committee

By: Mary Jo Webert & Marge Kristall

September 2022

Fall is in the air!!! Maybe in other areas of the country but not in Florida. Our Septembers are humid and wet most times. Typically, this is the busiest time of the year for Hurricane warnings for us! Make sure you have those extra supplies and know where you are headed in case of an evacuation.

School started back up August 10th so our driving on 8th Avenue SE and Central Park Dr. will be congested and backed up especially when school starts prior to 9:40 AM and later in the afternoon at school dismissal 4:10 PM. Many of us travel this stretch of road at those times. A chance to re-think our route to avoid traffic backups. Do not forget to observe the speed limit in that school zone!!

Labor Day is Monday, September 6th. Do not forget to watch for tickets to go on sale for our Labor Day event at the Clubhouse. Memorial Day & July 4th were great events for us enjoying a chance to socialize with our neighbors and eat some delicious food.

Patriot's Day – September 11th. Marks a day for us to remember the people who lost their lives in the terrorist attack on the Twin Towers in 2001. Flags should be flown at half-mast and a moment of silence at 8:46 AM in remembrance.

Thank you to all our neighbors that have stopped to tell Mary Jo or myself how they appreciate the cards they receive from the Sunshine Committee. We love making someone's "special day" or a thoughtful "we are thinking of you" make a difference for them.

On that note, please reach out to Mary Jo or me if you know of any of your neighbors that we can send "get well" wishes. Many of our residents live alone and a simple note can really brighten their day.

Our phone#'s are listed below or you can e-mail me at mkristal@tampabay.rr.com

Since our last newsletter we have contacted via cards /calls the following residents who have had hospital stays or are home recovering from an illness. Please keep them in your thoughts & prayers.

Rita Sullivan #1550 currently at Ellison of Pinecrest (on 8th Avenue SW) for a respite stay. I am sure she would love to see some of her neighbors. We have sent her multiple cards since she started her respite stay. Looking forward to her return to Lincolnshire.

We reached out to the following residents that have been ill or recovering from surgery.

Barb Tobias #1531 – home recovering from surgery

Tammy Mitchell #1256 – doing well after recent surgery.

Marilyn Grubb - as of this writing in Rehab recovering from knee replacement surgery.

...continued on page 30

Recently deceased

Judy Braica #1170 – Our condolences to her spouse Tony and sister & brother-in-law Bev & Norm Lessard who live at #1535.

Roger Artis – former Lincolnshire resident

If any of our residents get birthday, sympathy, or get-well cards in the mail from various organizations and are not planning to use them we would appreciate you dropping them off to either one of us or call and we can pick them up. The Sunshine Committee can always put them to good use.

Homeowner Association Meetings

There are three basic types of meetings:

BOARD OF DIRECTORS --- MEMBERSHIP --- ANNUAL MEDIATION

Board of Directors Meeting are held at the convenience of the 7 elected Directors. They are usually held on a monthly basis. Purpose of each meeting is set by the current business only and specified in the monthly Agenda prior to the meeting. Meetings maybe be cancelled due to lack of important business or a quorum of Directors.

Per FL Chapter 723, the "Agenda" must be "posted" **no less than 48 hours prior** to the meeting which at the present time is in the Mailroom. Lincolnshire HOA has also provided, but is not required, to send out the notice via email to all HOA members at the same time. Presently, there are 13 members who have not provided an email address or don't have one.

Decorum at any meeting is governed by Robert's Rules of Order. A member may speak at a meeting on Agenda items only and will be recognized during the discussion on their particular issue. A sign in form is provided for that procedure, provided you arrive 10 minutes early. The Chairperson at the meeting may recognize a non-board member for a question of clarification during the meeting, provided it is brief and pertains to the discussion at hand.

Any member can submit a new issue in writing for the Board's future consideration. Members must understand that they cannot involve the HOA in an individual owner's dispute with the Property Manager. However, we can assist with information based on current Fl Statutes and Rules and Regulations as well as normal practice & procedures.

Special BOD meetings are sometimes held for a specific purpose only. Examples are Budget; Negotiating Committee plans; Reorganizational of Officers; Legal Counsel; etc. Some special

LINCOLNSHIRE KENNEL KLUB

WICKETT WURTZ {Lot 938....459-0394.....bigchees99@aol.com}

This month was to be a continuation of what an older dog goes through in the “senior years” of a dog’s life. We regret that Wicket is no longer here to be able to write the articles for the Lincolnshire Kennel Klub. He left us just before this article was to be written for the September edition of the voice. Wicket was born on August 28 in 2007. He joined us here in Lincolnshire shortly after we moved here. He enjoyed many years walking through the park. The last few months his health declined, as old dogs do, until finally we decided to take him back to his vet who treated him since 2013. She agreed that the best thing was to end his misery. It is one of the hardest things a family must do when taking care of a longtime pet. We look back at all the pets we have had over the years, and Wicket was undoubtedly the best, and so much a part of the family here. In his later years, he had gone blind, and lost some of his hearing. He showed all the signs of “doggie Dementia” and other ailments that we talked about in previous articles.

Now we ask for pet lovers in the park to please consider sharing your stories and photos of your pets for future articles so the “Kennel klub” section will continue to provide stories and information in future months

SPORTS PAGES

No reports from our organized sports this month, but that doesn’t mean things are quiet. Golf continues in small groups who meet regularly to play weekly as our regular golfers continue to improve their game while waiting for the league to start up again in the fall. Open bowling continues every Thursday, and a few more are getting back to it preparing for the league in hope to bring home some prize money this year. We have seen some folks at the shuffleboard courts working on their games as well. Perhaps this year we need to start up a “corn hole” league as well, since the game has become so popular and seems to be played regularly in Lincolnshire.

VETERAN'S CORNER

Retirees and military family members who have identification cards with no expiration date can choose to upgrade to the new Next Generation Uniform Services Identification, or USID, cards whenever it's convenient -- if it's done within the next four years, according to the Defense Department. There is no looming deadline for use of those old non-active-duty cards without expiration dates, but the department expects to completely phase out and replace them with the next-generation IDs, by 2026, says Maj. Charlie Dietz. In the meantime, cards with expiration dates are required to be replaced within 90 days of elapsing. The Defense Department began the effort to update all those IDs to the new format in July 2020, but the changeover hit delays caused by the pandemic. After 2026 only the USID card will be the only card accepted for installation and benefits access.

The USID format for military retirees and dependents represents the first change to those identification cards in nearly 30 years; the last update was in 1993. The new design closely resembles the Common Access Card, or CAC, format issued to active-duty troops and department civilians. But there was uncertainty among those with cards that list the expiration as indefinite. The IDs are needed to access military facilities and to confirm eligibility for various military benefits, so missing a deadline or losing the identification could disrupt cardholders' lives. Expired cards can be confiscated at base gates.

Those with cards with no expiration dates "may have the card replaced at their convenience," according to Dietz. The department recommends they go to the ID Card Office Online and use the office locator to find a site that issues the new cards and book an appointment. Retirees and their dependents, dependents of active-duty troops, reserve members and Medal of Honor recipients are among those who will receive the USID cards.

The other good news about the new Common Access Card/ID Card is that it will now work at all TSA checkpoints at all U.S. Airports. Your CAC/ID card could take the place of your State License/Real ID Card. The new cards will not have a built-in chip like the current cards do but they will have a durable lamination, full-color photo and enhanced security features, making them less likely to be counterfeited.

Did you know that you can honor your Veteran that has passed or still living by purchasing a paver to be installed at the city of Largo's Military Court of Honor at Largo Central Park? For just \$100, you can purchase a custom-inscribed 8-inch by 8-inch paver. All pavers purchased by March 15 are installed by Memorial Day. Purchases made between March 16th and September 1st are installed by Veteran's Day. You can get the form and instructions to order by going to your browser and typing in Military Court of Honor Paver. Scroll down and you will see the PDF form to download.

A Nurse's Self Care Toolbox #52

Allyn Webert, RN. Lot 1438, Lincolnshire Estates
allynwebert@gmail.com

Last month we took a look at the basics of skin cancer and treatment. This month, a quick look at the longer-range issues that skin cancer can cause. Florida is a true Sunshine State.

Why be so concerned about skin cancer. Our skin is our most protective outer organ, yes, it is an organ. The skin's responsibility is defensive and holds us together. Our outer skin cells fall off and the layers underneath move out. Happens 24/7/365 non-stop. Dust mites around our beds wouldn't exist without this. Sorry, it's true.

As we age and have exposure to nature's elements like the sun and other chemicals, some of our skin cells begin to get confused or out of control. Why we get more dry skin, skin tags and those ugly barnacles. When those cells begin to alter their structure and reproduce rapidly then cancer is a primary cause. These cancerous cells can also travel to other areas of our bodies both in the skin and internally. Our body is a vast network of turnpikes, freeways, and back roads.

So, our primary doctor doesn't like what they see and send us to a dermatologist. They will decide if a biopsy is needed, or topical medications are wanted too. There are creams that are also chemotherapeutics that can destroy the abnormal skin cells. Usually these can be done by us twice a day or once using a "blue light" to activate them. Our skin gets a bit irritated by these chemo creams so know it may itch etc. Creams are only used if the abnormal skin cells are on the surface. There are also creams that simply dry up the skin cells within a week.

When the Dermatologist recommends a biopsy of the area or is concerned, they will recommend a biopsy, either small or include an area well outside the lesion. If the biopsy finds cancerous cells the repeat surgery will be much wider attempting to remove all cancer cells. Often those cancer cells will migrate. Cancer cells don't ask permission to travel!

Simply be prepared to have a larger area removed than you can see!

Cancer cells can migrate and hitch a ride almost anywhere in the body. Chemotherapy and radiation may be required if there are multiple internal and external areas affected. "Staging" of the cancer is simply where it is and the effect on our body. Also determines treatment.

My simple message is this: exam your skin with help from a partner, spouse, or friend. Often, we must be our own advocate! Examine front and back. A spot is irritating and not going away, see your primary physician. Don't have a primary physician, get one today. I did say "today." Most skin cancer or lesions if treated early don't diminish our lives.

Tally Ho! Next month how "falls" are mostly preventable and can change our life, dramatically. Stay tuned. Oh, what is my favorite source online for medical information? WebMD. Not an endorsement though information language is accurate and understandable.
