## HOA President's UPDATES

*Michele Dutchess, HOA President,*

### **\*\*\*Facebook page: Serendipity Homeowners Association**

I've always loved the beginning of Fall. It's a time of shedding what no longer serves us to begin anew. As you are aware there has been turnover on the HOA Board providing a new opportunity for us to come together as a community to accomplish our goals and look at ways to improve our service and the place, we call home.

We have changed our HOA Meeting Time to 7:30 pm to make it more accommodating for those that have daytime obligations.

Moving forward we as a board are looking for ways to stop the division in our neighborhood and create a fairer and more inclusive environment for all of us.

We have received answers from management for a lot of your questions and will continue to work for you.

I will leave you with one of my favorite quotes:

“There is always light. If only we're brave enough to see it. If only we're brave enough to be it.” - Amanda Gorman

## Neighborhood Watch

Marty Ott, 727-787-3272

---

**H**i Serendipity Residents!

My name is Marty Ott and I live at #340 on India. I have been appointed the “Neighborhood Watch Liaison” for Serendipity MHP by the HOA and Pinellas County Sheriff’s Department. My responsibility in this position is to take calls from the residents of Serendipity and give weekly feedback to the park manager and the PCSO Neighborhood Watch Commander, Deputy Chuck Skipper.

I can only respond to people who call me. If you have any questions regarding the volunteer position I hold, please call me personally. I would be happy to discuss my role in the safety of this park.

### August 2022 Notes from the Neighborhood Watch Coordinator:

Calls received this month were all related to concerns of trespassing (people walking through yards). Remember there is a rule in the Prospectus stating that you cannot walk through other yards without permission of that homeowner, and this is only for daylight hours, never at night.

I've received an email from Deputy Chuck Skipper stating that in the Palm Harbor area alone, one night during the week of July 31st, there were 7 vehicles burglarized and 2 vehicles were stolen. The real problem with **ALL** these vehicles is that they were unlocked. More than 80% of vehicle burglaries or theft are due to unlocked vehicles. Fortunately, none of these were

*...continued on page 6*

in Serendipity, but near enough to be concerned. Deputy Skipper's reminder is to remove all valuables, lock your vehicle and lock your house.

Just a reminder if you see something dangerous or feel threatened, call **911**. If it is just to report something suspicious, call the Sheriff's non-emergency number at (727) 582-6200. Then call me the next morning at (727) 787-3272 and I will note it in the daily log so that we can categorize the types of problems we are having, and the Sheriff can assign manpower to our park at times and places necessary.

Serendipity residents should **ONLY CALL** me during regular business hours which are 8:00AM - 5:00PM.

**REMEMBER...IF YOU SEE SOMETHING, SAY SOMETHING**

*-Marty*

## Things That Make You Go...HMMMMMM?

*submitted by Neil Thomas, resident*

### UFO UPDATE

Last July, believe it or not, was the 75-year anniversary of the Roswell UFO incident. The final government version was a weather balloon with wooden dummies testing high altitude jumps. After an intensive review of the topic, my understanding is quite different. A couple of days after July 4, 1947, two UFOs collided with each other in a severe thunderstorm near Corona, New Mexico which is close to Roswell. One flew off in a westward direction and crashed against a rocky bluff. It was not found for two years with no survivors. The other UFO became the Roswell craft that bounced against the earth, shredding debris on a sheep ranch. It crashed about two miles away from the original impact area with one survivor, who was named Ebe (extraterrestrial biological entity). That is what I gathered happened at Roswell and is the start of the modern-day UFO phenomenon as we now know it. President Harry Truman gave the incident a security clearance higher than that on nuclear weapons and the government cover up on the subject began.

*...continued on page 10*

A lot of UFO incidents have happened since then throughout the world. On June 25, 2021 the U.S. government issued an eleven-page report on UAP (Unidentified Aerial Phenomena). I will continue to use the term UFO (Unidentified Flying Object). The report was based on 144 reports of UFOs around our naval fleets and training areas. The report basically said that the objects were real but what they were and where they came from is unknown. Also, they were not anything that we had. One of the events happened in 2004, or 18 years ago. You mean with all the intelligence agencies we have with billions of dollars in their budgets they could not say it is not from Russia, China, or the U.S. Suggesting that it might be extraterrestrial was not even mentioned. The words “other source” is used. It was the first time in decades that the federal government said anything about UFOS since shutting down “operation Blue Book” in 1970. The report said more reporting would follow. Congress also got involved in funding the government unit investigating UAPs. Funds were also requested for medical expenses for personnel involved in sighting these UAPs and coming down with illnesses and burns. Evidently some of naval aviators came back with radiation burns after sightings. This report was followed almost a year later by an opening hearing before a House of Representatives intelligence committee.

On May 17, 2022 an open hearing was held by the House of Representatives on UAPs (UFOs) seen around U.S. nuclear powered naval vessels over the past 18 years. This was the first hearing before Congress on UFOs in the past fifty years. Not much more was said that was not covered by the report of one year ago. Although the number of incidents reported increased to 400. The two government representatives at the hearing were under-secretaries of the Department of Defense. The questions they were asked by the congressmen were good. The answers from the two Defense Department representatives were pathetic. They seemed like they weren't briefed on the subject. If you don't want to disclose anything you send people who don't know anything and that's what the government did. At least they admitted the UFOs were real, but origin is unknown. There will be more meetings soon and more will be known. Edgar Mitchell, NASA astronaut and lunar commander on Apollo 14 moon mission, has summed it up; “I happened to be privileged enough to be in on the fact that we have been visited on this planet, and the UFO phenomenon is real.”

## “Marilyn’s Recipe Corner” by Marilyn Farnworth

From the kitchen of Marilyn Farnworth

### Chocolate SKOR Bar Cake Recipe

1 Betty Crocker (or similar) Devils Chocolate cake mix, or Chocolate Fudge cake mix.  
Make cake according to box.

### ICING:

1 large container of whip cream (1 liter?)  
3/4 cup icing sugar  
3/4 cup Cocoa Powder  
4 SKORE Bars

Whisk together and place in the fridge for 15-20 minutes.

I sometimes put 1/2 packet or 1 full packet of unflavored gelatin into the whip cream just before it's firm. It helps to keep the icing from going soft)

While the cream is cooling, break the SKOR bars into small pieces.

(I hit them with a hammer while they are still in their individual packages)

Whip cream until firm.

Gently fold in 3 broken SKOR bars into the whip cream.

Ice cake, saving the remaining SKOR bar to sprinkle on top of the cake.

It's so easy, and so delicious!

- Marilyn

## Shuffleboard/Fun League

Chuck Bellinger (727-729-5039), George Wagner (716-604-6370)

**WATCH THE BULLETIN BOARDS AND THE MONTHLY MEDIA FOR MORE INFO**

**A** note to all that may be interested in Shuffleboard. The last official shuffle gathering in Serendipity was Mar. 2019. Covid ended shuffling for two years. At that time, we had a president, vice president, secretary, treasurer and four team captains. We played on Tuesdays and Thursdays from 1 to 3 pm. We had about 40 to 50 people playing 10 to a team. Over these Covid years we have lost many of the past participants, but we can get a shuffle group going if there is enough interest. The only people left as officers are Jan Barrett, Vice President, Jim Lewendowski, treasurer, and me.

To get back to what we were before we would need officers and captains. Serendipity has a long history of shuffling. As late as 2017 we had two traveling teams and a fun league. There were 16 people each on the A and B traveling teams and normally 50 to 60 people in the fun league. I am not suggesting we get back to traveling teams but a fun league within the park is possible if there is interest. But we would need people to pitch in and help get this going again. We will put a signup sheet at both club houses that will be there all summer. If interested, please sign up and mention if you are interested in being a captain or if you're interested in being an officer. None of the present officers are here in the summer. We really should elect new officers also if we get something going. Normally the fun league does not start until January.

*Try it you will like it! Chuck Bellinger, President*

## HOA and Social Committee Update

*Sandi Thompson, Social Director, 813-447-8311*

**Our HOA Informational meetings are the third Tuesday of the month at 7:30 pm at the East Clubhouse, throughout the summer months.**

### **Notes from the Social Director:**

**O**ur new Social Director is Sandi Thompson: Please reach out to Sandy with any ideas or concerns you may have concerning events at Serendipity. Most Social Events will be held inside for the summer months. (In the cool Air Conditioning).

**“COME OUT AND SUPPORT OUR SUMMER EVENTS!”**
